Discussion

Hawaii Administrative Rules ("HAR") § 6-61-23(a)(1) provides: when by HAR chapter 61 or by notice or by order of the commission, any act is required or allowed to be done at or within a specified time, we may, for good cause shown and in our discretion, order the period of time enlarged, if written request is made before the expiration of the period originally prescribed.

The Consumer Advocate filed its written request for an extension of time on October 6, 2003. In its written request, the Consumer Advocate represents that "due to other work commitments, [it] has not been able to meet with Applicant to develop the stipulated scheduling order for submission to the [c]ommission." The Consumer Advocate also represents that Applicant does not object to the written request for an extension of time.

In light of the above, we find good cause to approve the Consumer Advocate's request for an extension of time. Accordingly, we conclude that the Consumer Advocate's written request for an extension of time (from October 6, 2003 to October 20, 2003) to comply with Order No. 20437 should be approved.

III.

Order

THE COMMISSION ORDERS that the Consumer Advocate's written request for an extension of time (from October 6, 2003 to October 20, 2003) to comply with Order No. 20437 is approved.

DONE at Honolulu, Hawaii this 14th day of October, 2003.
