ORDER

I.

Introduction

On May 15, 2003, HAWAIIAN ELECTRIC COMPANY, INC. ("HECO") filed an application requesting, among other things, that the commission approve its proposed Residential Customer Energy Awareness Pilot Program and the recovery of its program costs for the first two years of the program, which are estimated to be approximately \$4,267,020 (and associated revenue taxes, if applicable), using HECO's Integrated Resource Plan ("IRP") Cost Recovery Provision during the two years of the program. HECO submits its application pursuant to paragraphs II.B.7, III.F., and V. of the commission's Framework for IRP (revised May 22, 1992), which was issued pursuant to Decision and Order No. 11523, filed on March 12, 1992, and Decision and Order No. 11630, filed on May 22, 1992, in Docket No. 6617.

HECO served copies of its application on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs

("Consumer Advocate") and the United States Department of the Navy. By Preliminary Statement of Position filed on June 9, 2003, the Consumer Advocate informed the commission that it conducted a preliminary review of the application and has questions regarding the reasonableness of HECO's requests. On June 12, 2003, the Consumer Advocate issued information requests upon HECO, to which HECO responded on June 26, 2003.

II.

Discussion

To assist in the efficient disposition of the instant proceeding, we find it necessary to establish procedures and a schedule. Thus, we conclude that HECO and the Consumer Advocate should meet informally to determine the procedures and schedule with respect to this proceeding, to be set forth in a stipulated prehearing order that shall be submitted for commission approval within 30 days from the date of this order. In the alternative, if the parties are unable to stipulate to such order, we conclude that each party shall submit a proposed prehearing order for the commission's consideration within 30 days from the date of this order.

III.

Order

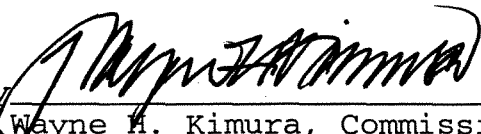

THE COMMISSION ORDERS that HECO and the Consumer Advocate shall meet informally to determine the procedures and schedule with respect to this proceeding, to be set forth in a stipulated prehearing order. The stipulated prehearing order shall be submitted for commission approval within 30 days of this order. If the parties to this docket are unable to stipulate to such an order, each party shall submit a proposed prehearing order for the commission's consideration by the same date.

DONE at Honolulu, Hawaii this 15th day of April, 2004.

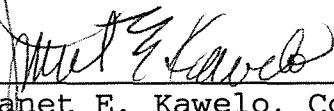

PUBLIC UTILITIES COMMISSION
OF THE STATE OF HAWAII
