II.

Findings and Conclusions

Upon review of Transferor's application, the commission finds that Transferee is fit, willing, and able to perform the services presently performed by Transferor, and that the proposed transfer of Certificate No. 1401-C is just and reasonable and will be consistent with the public interest. Accordingly, the commission concludes that the proposed transfer is in accordance with HRS § 271-18, and should, therefore, be approved.

III.

Orders

THE COMMISSION ORDERS:

1. Transferor's application to transfer Certificate No. 1401-C to Transferee is approved.
2. Transferee shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, filing the appropriate insurance documents, and paying a fee of \$20 for motor carrier gross revenues.

3. Transferor shall surrender Certificate No. 1401-C, and an amended certificate reflecting the transfer authorized by this decision and order shall be issued to Transferee.

4. Transferor shall file with the commission his annual financial report for the period of operation from January 1, 2004, to the effective date of this decision and order, and shall pay the associated motor carrier gross revenue fee.

5. Transferor and Transferee shall comply with the requirements set forth herein within 120 days after service of this decision and order. Failure to comply within the time specified constitutes cause for this commission to void this decision and order.

6. Transferee shall not commence operations under this decision and order until it has received written confirmation from the commission that all requirements have been met.
