DECISION AND ORDER

By this decision and order, the commission approves the transfer of certificate of public convenience and necessity number 1492-C ("Certificate No. 1492-C") from ANTHONY DAI ("Transferor") to SKYLINE INTERNATIONAL LIMOUSINE, INC. ("Transferee"), subject to certain conditions, as further described herein.

I.

Application to Transfer Common Carrier Authority

On November 18, 2004, Transferor filed an application seeking commission approval to transfer Certificate No. 1492-C to Transferee, pursuant to Hawaii Revised Statutes ("HRS") § 271-18. Under Certificate No. 1492-C, and pursuant to HRS § 271-12, Transferor is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 8-to-25 passenger classification, limited to utilizing
motor vehicles with a maximum manufacturer's seating capacity of 17 passengers.

Transferor served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that may be affected by the proposed transfer, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). By a statement filed on November 22, 2004, the Consumer Advocate indicated that it will not participate in this proceeding. No persons moved to intervene in this docket.

II.

Findings and Conclusions

Upon review of Transferor's application, the commission finds that Transferee is fit, willing, and able to perform the services presently performed by Transferor, and that the proposed transfer of Certificate No. 1492-C is just and reasonable and will be consistent with the public interest. Accordingly, the commission concludes that the proposed transfer is in accordance with HRS § 271-18, and should, therefore, be approved.

III.

Orders

THE COMMISSION ORDERS:

1. Transferor's application to transfer Certificate No. 1492-C to Transferee is approved.
2. Transferee shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, filing the appropriate insurance documents, and paying a fee of $20 for motor carrier gross revenues.

3. Transferor shall surrender Certificate No. 1492-C, and a certificate reflecting the operating authority granted by this decision and order shall be issued to Transferee.

4. Transferor shall file with the commission his annual financial report for the period of operation from January 1, 2005, to the effective date of this decision and order, and shall pay the associated motor carrier gross revenue fee.

5. Transferor shall file an annual financial report for the calendar year 2004, and pay the associated motor carrier gross revenue fee for the calendar year 2004 by April 30, 2005.

6. Transferor and Transferee shall comply with the requirements set forth herein within one hundred and twenty (120) days after service of this decision and order. Failure to comply within the time specified constitutes cause for this commission to void this decision and order.

7. Transferee shall not commence operations under this decision and order until it has received written confirmation from the commission that all requirements have been met.
