ORDER

By this Order, the commission initiates the rate review process under Hawaii Revised Statutes ("HRS") § 269-16, including subsection 269-16(f), pursuant to the Application of HOH UTILITIES, LLC, ("Applicant" or "HOH"), filed on January 31, 2005.¹

I.

Introduction

Applicant is a Hawaii limited liability company providing wastewater treatment services to the Poipu area on the island of Kauai. Applicant requests commission approval of: (1) an increase in the sewerage service charges applicable to Applicant's customers, pursuant to HRS § 269-16, as recently amended by Act 168, Session Laws of Hawaii 2004 ("Act 168") (now codified at HRS § 269-16(f) (Supp. 2004)), and Title 6,

¹HOH's Application, Verification, Certificate of Service, and Exhibits 1 through 11, filed on January 31, 2005 (collectively, "Application").
Chapter 61, Subchapter 8 of the Hawaii Administrative Rules ("HAR"); (2) an Automatic Power Cost Adjustment Clause ("APCAC"), applicable to its sewer rates; and (3) the submission by Applicant of unaudited financial statements, pursuant to HAR § 6-61-92, in lieu of the audited financial statements required by HAR § 6-61-75. Applicant also requests a public hearing, in accordance with HRS §§ 269-12 and 269-16.

Applicant served copies of the Application upon the DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS, DIVISION OF CONSUMER ADVOCACY ("Consumer Advocate") (together with Applicant, the "Parties"). The Consumer Advocate notes that Applicant may not have strictly complied with all applicable rules; however, it does not object to a finding that the Application is complete.4

II. Rate Review Process

HOH will be using a 2005 calendar test year. As a public utility with annual gross revenues of less than $2 million, HOH’s Application is filed in accordance with Act 168, which streamlines the rate review process for small

4The proposed APCAC would tie sewer service charges to any corresponding increase or decrease in electricity costs charged Applicant by Kauai Island Utility Cooperative. See Exhibit HOH 5 to the Application.

4As a small utility with annual revenues substantially less than $2,000,000, Applicant asserts that the requirement of submitting audited financial statements would pose a significant financial burden on Applicant.

utilities such as HOH. In brief, the commission must make every effort to issue its proposed decision and order within six (6) months from the filing date of HOH’s complete Application, “provided that all parties to the proceeding strictly comply with the procedural schedule established by the commission and no person is permitted to intervene.” HRS § 269-16(f)(3).

A.

Balance Sheet

HOH seeks permission to submit its unaudited balance sheet in lieu of the audited balance sheet required by HAR § 6-61-75-(b)(1). HOH states that “[a]s a small utility with annual revenues substantially less than $2,000,000, Applicant does not have audited annual financial reports. To have one prepared for this Application would delay the filing and would unjustly impose additional financial burdens on the Applicant.”

The Consumer Advocate does not object to HOH’s request, “on the condition that Applicant make available for review all documentation supporting Applicant’s financial statements, including all books and records.”

The Commission finds good cause to approve HOH’s request, subject to the Consumer Advocate’s proposed condition.7

7See generally HAR § 6-61-92, which authorizes the commission to waive certain requirements governing rate increase applications if the requirements will “impose a financial hardship on the applicant or be unjust or unreasonable.”

**Complete Application**

In its Statement of Completeness, the Consumer Advocate asserts that HOH has not strictly complied with the requirements of Subchapter 6, Chapter 61, HAR, by failing to provide the following: (1) pursuant to HAR § 6-61-75(a)(4), the amount of bonds authorized and issued, giving the name of the public utility or parent company which issued same, describing each class separately, and giving the date of issue, par value, rate of interest, date of maturity and manner secured, together with amount of interest paid thereon during the last calendar year and any special provisions in the indenture, such as sinking fund provisions and interest coverage; (2) each note outstanding, giving the date of issue, to whom the note is payable, amount, date of maturity, and rate of interest, together with the amount of interest expense thereon during the last calendar year, pursuant to HAR § 6-61-75(a)(5); (3) other indebtedness, giving same by classes and describing security, if any, with a brief statement of devolution or assumption of any portion of indebtedness upon or by any person, pursuant to HAR § 6-61-75(a)(6); and (4) the rate and amount of dividends paid during the five previous calendar years, pursuant to HAR § 6-61-75(a)(7).

Having said this, the Consumer Advocate acknowledges that Applicant's financial statements for 2003-2005 do not reflect any debt, and, thus, the Consumer Advocate assumes that

Applicant has no outstanding debt. Thus, the Consumer Advocate does not object to the completeness of the Application. In light of the above, the filing date of HOH's complete Application is January 31, 2005.

C. Public Hearing

The commission will hold a public hearing on HOH's complete Application on the island of Kauai. The Parties have been notified of the date, time, and location of the public hearing.10

III. Discovery

Given the six (6) month deadline governing the commission's issuance of its proposed decision and order, the Parties shall: (1) initiate the discovery process forthwith; and (2) within twenty-one (21) days from the date of this Order, submit a stipulated procedural schedule setting forth the issues

and procedural schedule for Applicant's request to increase its rates."

In the event that the Parties strictly comply with the established procedural schedule and there is no intervention, "[p]rior to the issuance of the commission's proposed decision and order, the [P]arties shall not be entitled to a contested case hearing". HRS § 269-16(f)(3).

IV.

Orders

THE COMMISSION ORDERS:

1. Applicant's request to submit its unaudited balance sheet in lieu of the audited balance sheet required by HAR § 6-61-75(b)(1), is approved, subject to the condition that Applicant shall make available for review all documentation in support of its financial statements, including all books and records.

2. Consistent with HRS § 269-16(d), the filing date of Applicant's complete Application is January 31, 2005.

3. The Parties shall initiate the discovery process forthwith. Unless ordered otherwise, within twenty-one (21) days from the date of this Order, the Parties shall submit to the commission a stipulated procedural schedule setting forth the issues and procedural schedule for Applicant's request to

The deadline for interested persons to seek intervention or participant status is May 13, 2005. HAR §§ 6-61-57(1) and 6-61-22. Accordingly, in the event intervenor or participant status is later granted to any interested person, the commission will amend the procedural schedule accordingly.
increase its rates. If the Parties are unable to stipulate to such a schedule, each Party shall submit a proposed procedural schedule for the commission's consideration by the applicable deadline date.
