ORDER

By this Order, the commission approves and adopts, in toto, the hearings officer's March 15, 2005, Findings of Fact, Conclusions of Law, and Recommended Decision and Order of Hearings Officer ("Recommended Decision") to deny Jack's Tours, Inc. ("Jack's") motion to intervene in the above-entitled matter\(^1\) ("Motion to Intervene").

\(^1\)On July 22, 2004, DRAGAN RNIC dba RESORTS LIMOUSINE SERVICE ("Applicant"), filed an application to extend his certificate of public convenience and necessity ("CPCN") by removing the limitation to ten (10) passengers in the 8-to-25 passenger classification, on the island of Hawaii, excluding Waipio Valley. Applicant's application also requested an extension of his CPCN authority on the island of Kauai. That portion of Applicant's request was determined separately by the commission in Interim Decision and Order No. 21434, filed on November 1, 2004 in the instant docket.
I.

History

On March 15, 2005, the duly appointed hearings officer issued his Recommended Decision setting forth, among other things, the procedural history of the proceedings, his findings of fact, conclusions of law, and recommended decision for the commission to review and consider. The Recommended Decision was served upon Applicant on March 15, 2005, via first class mail. That same day, the Recommended Decision was also served upon Jack's via first class mail.

Jack's filed timely written exceptions to the Recommended Decision on March 30, 2005 ("Exceptions"), in which, among other things, it requested to present oral argument on its Exceptions before the commission. The commission granted Jack's' request for oral argument and by Order No. 21780, filed on April 27, 2005, in the instant docket, notified Jack's and Applicant that oral argument on the Exceptions would be held on May 24, 2005 at 1:00 p.m. in the commission's hearing room ("Oral Argument").

Applicant neither filed exceptions to the Recommended Decision nor a brief opposing Jack's' Exceptions, but did appear at the Oral Argument.

---

\(^2\)See Hawaii Administrative Rules ("HAR") § 6-61-130.
II.

Oral Argument

Oral Argument on the Exceptions was held at the above-noted place, date and time. Jack's was represented by attorney Wray Kondo. Applicant represented himself at the Oral Argument.

Jack's primary assertion in its oral argument is that: (1) Applicant has failed to rebut Jack's prima facie evidence submitted pursuant to HAR § 6-61-55; (2) Applicant failed to submit evidence in its application relating to the public convenience and necessity of Applicant's proposed motor carrier service; and (3) Applicant failed to show that granting Jack's Motion to Intervene would result in undue delay.

Jack's additionally asserts that Applicant has limited experience in the transportation industry and that Applicant's application is deficient in that Applicant's financial information was not included in it.

Applicant notes that tourism on the island of Hawaii has increased and believes that his proposed motor carrier service will not financially harm Jack's.

III.

Discussion

Intervention as a party in a proceeding before the commission is not a matter of right, but rather a matter resting within the sound discretion of the commission. In re Application of Hawaiian Elec. Co., Ltd, 56 Haw. 260, 264 (1975).
Upon a review of the entire record, including Jack’s Exceptions and the oral arguments by Jack’s and Applicant, the commission is not persuaded that the Recommended Decision is incorrect and should be reversed. Rather, we agree with, and adopt the hearings officer’s finding that Jack’s participation as a party is not necessary to the resolution of the instant matter. The commission is also not convinced that Jack’s “participation as a party will not unreasonably broaden the issues or delay the proceeding.”

Recommended Decision at 7.

Accordingly, pursuant to Hawaii Revised Statutes § 269-6, we conclude that the Recommended Decision, attached hereto as Exhibit A, should be approved and adopted, in toto, consistent with HAR §§ 6-61-132 and 6-61-133, and, as a result, Jack’s Motion to Intervene should be denied.

IV.

Orders

THE COMMISSION ORDERS:

1. The hearings officer’s Recommended Decision, attached hereto as Exhibit A, is approved and adopted in toto and made a part of this Order.

2. Jack’s Motion to Intervene is denied.

FINDINGS OF FACT, CONCLUSIONS OF LAW,
AND RECOMMENDED DECISION AND ORDER OF HEARINGS OFFICER

I.

Introduction

On July 22, 2004, DRAGAN RNIC dba RESORTS LIMOUSINE SERVICE ("Applicant") filed an application requesting the commission to, among other things, extend its authority under certificate of public convenience and necessity number 5710-C ("Certificate No. 5710-C") by removing its restriction to

1Applicant also requested extended authority to transport passengers by limousine in the 1-to-7 and 8-to-25 passenger classification on the island of Kauai. On November 1, 2004, the commission issued Interim Decision and Order No. 21434, authorizing Applicant to operate as a common carrier by motor vehicle over irregular routes on the island of Kauai in the 1-to-7 and 8-to-25 passenger classification.

2Applicant is authorized to transport passengers by limousines (1) over irregular routes on the island of Hawaii, excluding Waipio Valley, in the 1-to-7 and 8-25 passenger classification, limited to utilizing limousines with a maximum manufacturer's seating capacity of 10 passengers; and (2) over irregular routes on the island of Kauai in the 1-to-7 and 8-to-25 passenger classification.

Exhibit A
On August 18 2004, Jack’s Tours, Inc. ("Jack’s Tours"), filed a timely motion to intervene and hearing on the motion pursuant to Hawaii Administrative Rules ("HAR") §§ 6-61-55 and 6-61-57. On August 26, 2004, Applicant filed a response to Jack’s Tours’ motion to intervene. On September 7, 2004, Jack’s Tours filed a reply to Applicant’s response to Jack’s Tours’ Motion to intervene. On September 7, 2005, Applicant filed a letter requesting an enlargement of time to file its response.

By Notice of Hearing, filed on October 1, 2004, Applicant and Jack’s Tours were given notice that a hearing on Jack’s motion to intervene was scheduled to be heard by a duly appointed hearings officer on November 23, 2004, at 9:00 a.m. pursuant to Chapters 269 and 271, Hawaii Revised Statutes ("HRS") and Chapter 6-61, Hawaii Administrative Rules ("HAR").

A hearing on Jack’s Tours’ motion to intervene was held at 9:00 a.m. on November 23, 2004 at the Public Utilities Commission’s Hawaii District Office, 688 Kinoole Street, Hilo, Hawaii. Dragon Rnic, Jr., Applicant’s Owner, represented Applicant at the hearing. Wray Kondo, an Attorney, represented Jack’s Tours at the hearing. Hearings Officer Kevin M. Katsura presided over the hearing.

Based upon a review of the record and the testimony presented at the hearing, the issue is whether Jack’s Tours
should be allowed to intervene into this proceeding, pursuant to the requirements set forth in HAR § 6-61-55.

Having considered the testimony and other evidence presented at the hearing, and the entire record in this matter, this hearings officer hereby renders the following findings of fact, conclusions of law, and recommended decision and order.

II.

Findings of Fact

1. Jack's Tours filed a timely motion to intervene in this docket.

2. Applicant filed an untimely response to Jack's Tours' motion to intervene into this docket.

3. Jack's Tours filed an unauthorized reply to Applicant's response to Jack's Tours' motion to intervene into this docket.

4. Jack's Tours is a certificated common carrier by motor vehicle in the 1-to-7, 8-to-25, and over-25 passenger classifications on the island of Hawaii, excluding Waipio Valley.

5. Jack's Tours asserts, among other things that: (1) the services proposed by the Applicant are not and will not be required by the present or future necessity under the provisions of Chapter 271, HRS; (2) expanding Applicant's authority under Certificate No. 5710-C will not be consistent with the public interest and transportation policy of the State of Hawaii and will not foster sound economic conditions in
transportation among the several carriers as set forth in the
declaration of policy in HRS § 271-1; (3) Applicant is not fit or
able to provide the service proposed as required by Chapter 271,
HRS; (4) there are no other means available whereby the interest
of Jack's Tours may be protected; (5) Jack's Tours participation
can assist in the development of a sound record through the
introduction of pertinent evidence; (6) Jack's Tours' participation
will not broaden the issues or unduly delay the
proceeding; (7) Jack's Tours' interests in the proceeding differs
from the general public because if Applicant's authority is
expanded under Certificate No. 5710-C, Applicant will be in
direct competition with Jack's Tours and will likely result in a
reduction in the number of passengers now being carried by the
Petitioner and resulting loss of revenue.

III.

Conclusions of Law

Based on the foregoing findings of fact, this hearings
officer makes the following conclusions of law. Any findings of
fact herein improperly designated as a conclusion of law should
be deemed or construed as a finding of fact.

1. HRS § 271-12(c) requires that the commission issue
a certificate to any qualified applicant, "authorizing the whole
or any part of the operations covered by the application if it is
found that the applicant is fit, willing, and able to properly
perform the service proposed and to conform to this chapter and
the requirements, rules and regulations of the commission there
under, and that the proposed service, to the extent to be
authorized by the certificate, is or will be required by the
present or future public convenience and necessity; otherwise the
application shall be denied."

2. HAR § 6-61-57 provides, a motion to intervene, to
be timely, shall be filed and served in all applications
requesting issuance of a certificate of public convenience and
necessity, the motion to intervene shall be filed not later than
twenty days after a notice of the pending application has been
published in a newspaper of general circulation within the State
or within the county or counties affected by the application.
This hearings officer finds that Jack’s Tours filed a timely
motion to intervene in this docket.

3. HAR § 6-61-41 (c) provides, in relevant part,
"[a]n opposing party may serve and file counter affidavits and a
written statement of reasons in opposition to the motion and of
the authorities relied upon not later than five days after being
served the motion [...]." This hearings officer finds Applicant’s
response to Jack’s Tours’ Motion to Intervene was untimely filed
and it should not be considered in the decision to allow Jack’s
Tours to intervene into this proceeding. Although Applicant
filed a letter requesting enlargement of time, Applicant failed
to show excusable neglect under HAR § 6-61-23(a)(2); Applicant
merely states it was "unaware of the time-line for the
deliverance of intervention response."
4. HAR § 6-61-41 does not authorize Jack's Tours to file a reply to any response to Jack's Tours' motion to intervene. This hearings officer finds that Jack's Tours filed an unauthorized reply to Applicant's response to Jack's Tours' motion to intervene into this docket and it should not be considered in the decision to allow Jack's Tours to intervene into this proceeding.

5. HAR § 6-61-55 provides, "(a) a person may make an application to intervene and become a party by filing a timely written motion in accordance with sections 6-61-15 to 6-61-24, section 6-61-41, and section 6-61-57, stating the facts and reasons for the proposed intervention and the position and interest of the applicant; (b) The motion shall make reference to: (1) the nature of the applicant's statutory or other right to participate in the hearing; (2) The nature and extent of the applicant's property, financial, and other interest in the pending matter; (3) The effect of the pending order as to the applicant's interest; (4) The other means available whereby the applicant's interest may be protected; (5) The extent to which the applicant's interest will not be represented by existing parties; (6) The extent to which the applicant's participation can assist in the development of a sound record; (7) The extent to which the applicant's participation will broaden the issues or delay the proceeding; (8) The extent to which the applicant's interest in the proceeding differs from that of the general public; and (9) Whether the applicant's position is in support of
or in opposition to the relief sought; (c) The motion shall be filed and served by the applicant in accordance with section 6-61-21 and 6-61-57; (d) Intervention shall not be granted except on allegations which are reasonably pertinent to and do not unreasonably broaden the issues already presented."

This hearings officer finds that Jack’s Tours’ assertions do not warrant a grant of intervention by the commission. This hearings officer does not believe that its participation as a party is necessary to the resolution of the instant application. This hearings officer finds that the commission is capable of assuring that Applicant is in compliance with HRS § 271-12. Moreover, Jack’s Tours has not convinced this hearings officer that its participation as a party will not unreasonably broaden the issues or delay the proceeding. Thus, this hearings officer concludes that Jack’s Tours’ motion to intervene should be denied.

IV.

Recommended Decision and Order

Based on the foregoing, this hearings officer recommends that the commission deny Jack’s Tours’ motion to intervene into this proceeding.
