8-to-25 passenger classification. Applicant represents that if its authority is extended as requested, it can meet customer demand for motor vehicles with a larger seating capacity.

Applicant served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for an extension of its authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 1-to-7 and 8-to-25 passenger classifications.

2. Applicant shall surrender Certificate No. 1613-C, and an amended certificate reflecting the operating authority granted by this Decision and Order shall be issued.

3. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a Vehicle Inventory List and copies of its motor vehicle Certificates of Registration or Ownership documents.

4. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified constitutes cause for this commission to void this Decision and Order.

5. Applicant shall not commence operations utilizing motor vehicles with from 16 to 25 passenger seating capacity until it has received written confirmation from the commission that all requirements have been met.
