DECISION AND ORDER

By this Decision and Order, the commission grants
THOMAS ISAO TAMASHIRO, dba THOMAS TRANSPORT SERVICE
("Applicant"), a certificate of public convenience and necessity
("Certificate") to operate as a common carrier of property by
motor vehicle over irregular routes on the island of Oahu in the
general commodities classification, subject to certain
conditions, as described herein.

I.
Application for Common Carrier Authority

On September 6, 2005, Applicant filed an application
requesting a Certificate to operate as a common carrier of
property by motor vehicle over irregular routes on the island of
Oahu in the general commodities classification. The application
is made pursuant to Hawaii Revised Statutes ("HRS") § 271-12.

Applicant served copies of the application on the
Hawaii Transportation Association, which consists of carriers
that may be affected by Applicant’s proposed service, and on the
Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for operating authority, as set forth in the application, should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is granted a Certificate to operate as a common carrier of property by motor vehicle over irregular routes on the island of Oahu in the general commodities classification.

2. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, paying a fee of $20 for motor carrier gross revenues, and filing the appropriate insurance documents.
3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified constitutes cause for this commission to void this Decision and Order.

4. Applicant shall not commence operations under this Decision and Order until he has received written confirmation from the commission that all requirements have been met.
