DECISION AND ORDER

By this Decision and Order, the commission grants
ASIA TALK TELECOM, INC., dba HELLOCOM ("Applicant"), a
certificate of authority ("COA") to provide intrastate
telecommunications services within the State of Hawaii ("State")
as a reseller and to provide other telecommunications services as
described in its Application,¹ subject to certain conditions, as
described herein.

I.

Background

Applicant is a California corporation authorized to
conduct business in the State as a foreign corporation.

On October 10, 2005, Applicant filed an Application
seeking a COA to provide telecommunications services within the
State, pursuant to Hawaii Revised Statutes ("HRS") § 269-7.5 and

¹Application, Exhibits A - E, Verification, and Certificate of Service, filed on October 10, 2005 (collectively, the "Application").
Applicant intends to offer and provide: (1) interstate telecommunications services in all fifty (50) states and the District of Columbia; (2) international telecommunications services; and (3) intrastate telecommunications services in approximately forty (40) states, including Hawaii. In Hawaii, Applicant intends to provide: (1) resold interstate telecommunications services; and (2) other telecommunications services, including inter-island, toll-free, travel card, and pre-paid travel card services. On December 13, 2005, Applicant filed its financial statement under confidential seal.

On January 17, 2006, the Consumer Advocate filed its Statement of Position, informing the commission that it does not object to the approval of the Application.3

---

2Applicant served copies of its Application upon the Department of Commerce and Consumer Affairs, Division of Consumer Advocacy ("Consumer Advocate").

3As part of its review, the Consumer Advocate finds that Applicant's proposed tariff, "in general, is reasonable and is similar to, or the same as the proposed rules, regulations, and rates approved by the Commission for other current telecommunications carriers." Consumer Advocate's Statement of Position, at 5 (footnote and citation therein omitted). The commission also finds that Applicant's proposed tariff appears to comply with the applicable requirements of HAR chapter 6-80.
III. Discussion

A. Waivers

1. Records and Books

HAR § 6-80-136(a)(3) expressly waives the "[r]equirement that all records and books pertaining to the telecommunications carrier's intrastate operations be located in the State, as mandated by HRS § 269-8.2. Instead, the carrier shall promptly provide copies of its out-of-state records and books to the commission upon the commission's request[.]

Applicant requests the commission's approval to retain its books and records in the State of California, provided that Applicant will make such information available to the commission upon request. The Consumer Advocate states that it does not object to Applicant's request. The commission notes that Applicant's request is consistent with HAR § 6-80-136(a)(3), thus, no commission action is necessary.

2. Audited Financial Statement

HAR § 6-80-17(c)(1)(E) requires Applicant, as part of the COA process, to submit "a copy of [its] most recent audited financial statement and, if more than three months have elapsed since the date of the most recent audited financial statement, a current, unaudited financial statement[.]

Concomitantly, HAR § 6-80-135(a) authorizes the commission to exempt or waive certain requirements set forth in HAR chapter 6-80, including HAR
§ 6-80-17(c)(1)(E), upon a determination that an exemption or waiver is in the public interest.

The Consumer Advocate, based on its review of Applicant's unaudited financial statement filed under confidential seal,\(^4\) notes that Applicant did not file an audited financial statement, as mandated by HAR § 6-80-17(c)(1)(E). Nonetheless, the Consumer Advocate recognizes that "the costs to produce an audited financial statement may not outweigh the benefit to be derived from such requirement."\(^5\) Accordingly, the Consumer Advocate, in this instance, does not object to the commission, on its own motion, waiving the requirement for Applicant to submit an audited financial statement as part of its Application.

The commission concurs with the Consumer Advocate's assessment, and pursuant to HAR § 6-80-135(a), waives the requirement set forth in HAR § 6-80-17(c)(1)(E) for Applicant to submit an audited financial statement.

B. 

Certificate of Authority

HRS § 269-7.5 prohibits a public utility from commencing business in the State without first obtaining a

\(^4\)Consumer Advocate's Statement of Position, at 3 n.6.

\(^5\)Consumer Advocate's Statement of Position, at 3 n.6.
The commission shall issue a certificate of authority to any qualified applicant, authorizing the whole or any part of the telecommunications service covered by the application, if it finds that:

(1) The applicant possesses sufficient technical, financial, and managerial resources and abilities to provide the proposed telecommunications service in the State;

(2) The applicant is fit, willing, and able to properly perform the proposed telecommunications service and to conform to the terms, conditions, and rules prescribed or adopted by the commission; and

(3) The proposed telecommunications service is, or will be, in the public interest.

HAR § 6-80-18(a).

Having reviewed the record, the commission makes the following findings pursuant to HAR § 6-80-18(a):

1. Applicant possesses sufficient technical, financial, and managerial resources and abilities to provide the proposed services, as evidenced by the financial statement and resumes of its founding partners submitted in support of its Application, and its representation that it intends to rely on the technical expertise of its underlying telecommunications carrier, Qwest.

---

6 On June 3, 1996, HAR chapter 6-80 took effect. HAR chapter 6-80 replaces the CPCN with a COA for telecommunications carriers, and establishes procedures for requesting and issuing a COA.
2. Applicant is fit, willing, and able to properly perform the telecommunications services and to conform to the terms, conditions, and rules prescribed or adopted by the commission, as evidenced by the representations in its Application. Moreover, the commission's grant of a COA to Applicant to provide the proposed services will be conditioned upon Applicant's conformity to the terms, conditions, and rules prescribed or adopted by the commission as discussed below.

3. Applicant's proposed telecommunications services are in the public interest. The commission recognizes that additional service providers in the industry increase competition and provide the consumer with options in Hawaii's telecommunications market. As noted by the Consumer Advocate, Applicant's proposed services are in the public interest as "the introduction of effective competition in the telecommunications industry is desirable to achieve certain benefits that would not be present in a monopolistic environment."7

Based on the foregoing, the commission grants Applicant a COA to provide intrastate telecommunications services within the State as a reseller and to provide other telecommunications services as described in its Application.

7Consumer Advocate's Statement of Position, at 4.
IV. Orders

THE COMMISSION ORDERS:

1. The requirement set forth in HAR § 6-80-17(c)(1)(E) for Applicant to submit an audited financial statement is waived, pursuant to HAR § 6-80-135(a).

2. Applicant is granted a COA to provide intrastate telecommunications services in the State as a reseller and to provide other telecommunications services as described in its Application.

3. As the holder of a COA, Applicant shall be subject to all applicable provisions of HRS chapter 269; HAR chapters 6-80 and 6-81; any other applicable State laws and commission rules; and any orders that the commission may issue from time to time.

4. Applicant shall file its tariffs in accordance with HAR §§ 6-80-39 and 6-80-40. Applicant's tariffs shall comply with the provisions of HAR chapter 6-80. In the event of a conflict between any tariff provision and State law, State law shall prevail.

5. Applicant shall conform its initial tariff to the applicable provisions of HAR chapter 6-80. An original and eight (8) copies of Applicant's initial tariff shall be filed with the commission, and two (2) additional copies shall be served on the Consumer Advocate. Applicant shall ensure that the appropriate issued and effective dates are reflected in its tariffs.
6. Within thirty (30) days from the date of this Decision and Order, Applicant shall pay a public utility fee of $60, pursuant to HRS § 269-30. The business check shall be made payable to the Hawaii Public Utilities Commission, and sent to the commission's office at 465 S. King Street #103, Honolulu, HI, 96813.

7. Within thirty (30) days from the date of this Decision and Order, Applicant shall also pay a telecommunications relay service ("TRS") contribution of $10, established pursuant to: (A) HRS § 269-16.6; and (B) Decision and Order No. 21847, filed on May 31, 2005, in Docket No. 05-0088. (A copy of Decision and Order No. 21847 is attached hereto as Exhibit 1.) The business check shall be made payable to "Hawaii TRS", and sent to the Hawaii TRS Administrator, NECA Services, Inc., 80 S. Jefferson Road, Whippany, NJ 07981. Written proof of payment shall be sent to the commission.

8. Applicant's failure to comply with the requirements set forth in paragraphs 4 to 7, above, constitute cause to void this Decision and Order, and may result in further regulatory action as authorized by law.

Specifically, in Order No. 21370, the commission proposed to continue the existing carrier contribution factor of .0010, established by Order No. 21049, filed on April 15, 2004, in Docket No. 04-0070.
