Order No. 22312

ORDER

By this Order, the commission approves on short notice transmittal number 006-CFT, filed on February 27, 2006, by FRANK LAWRENCE, dba C & F TRUCKING ("C & F Trucking").

C & F Trucking transports bunker fuel oil from Hilo to Hawaii Electric Light Company, Inc.'s ("HELCO") Puna steam plant in Keaau, at the rate of \$.01762 per gallon, pursuant to a contract with HELCO. In December 2005, HELCO renewed its contract with C & F Trucking for an additional four (4)-year period, from January 1, 2006 to December 31, 2009, at the rate of \$.02847 per gallon.<sup>1</sup>

C & F Trucking seeks the commission's approval on short notice to increase its rate from \$.01762 per gallon to \$.02847 per gallon for the transport of bunker fuel oil from Hilo to HELCO's Puna steam plant in Keaau, by transmittal number 006-CFT, filed on February 27, 2006. C & F Trucking makes its request pursuant to Hawaii Revised Statutes § 271-21(c) and

---

<sup>1</sup>See HELCO's letter, dated December 20, 2005.

Hawaii Administrative Rules § 6-63-18, with a proposed effective date of March 8, 2006.

C & F Trucking states that its request for approval on short notice is based on its desire to immediately place into effect its new volume tender rate, and that its inability to do so will result in a loss of business. The commission finds good cause to grant C & F Trucking's request for approval on short notice.

THE COMMISSION ORDERS:

- 1. C & F Trucking's transmittal number 006-CFT, filed on February 27, 2006, is approved on short notice, to be effective from March 8, 2006.
