DECISION ORDER NO. 23175

Filed Dec. 29, 2006
At 11 o'clock A.M.

ATTEST: A True Copy

By this Decision and Order, the commission approves ROBERT'S TOUR AND TRANSPORTATION, INC. ("Robert's") and CARRY ALL, INC.'s ("Carry All") (collectively, "Applicants") request to encumber property used for regulated transportation services, pursuant to Hawaii Revised Statutes ("HRS") § 271-18(b).

I.

Background

Robert's is a common carrier of passengers by motor vehicle over irregular routes on the islands of Oahu, Maui, Hawaii and Kauai in the 1-to-7, 8-to-25 and over-25 passenger classifications, pursuant to certificate of public convenience and necessity ("CPCN") number 821-C. Carry-All is a common carrier of property by motor vehicle authorized to operate in the general commodities classification on the island of Oahu, under CPCN no. 174-C.
By application filed on October 10, 2006, as supplemented on December 28, 2006 ("Application"), Applicants requested commission approval to encumber property used for regulated transportation services to finance the purchase of stock in Applicants' parent company, Robert's Hawaii, Inc. ("Robert's Hawaii"), by its employees through an employee stock ownership plan ("ESOP").

II. Discussion

Haw. Rev. Stat. § 271-18(b) states in relevant part:

No motor carrier shall sell, lease, assign, mortgage, or otherwise dispose of, or encumber the whole or any part of its property necessary or useful in the performance of transportation services for the public or any certificate of public convenience and necessity or permit; nor shall any motor carrier, by any means, directly or indirectly, merge or consolidate its property, certificates of public convenience and necessity or permits, or any part thereof, with any other carrier, without first having secured from the public utilities commission an order authorizing it so to do. Every such sale, lease, assignment,

1In connection with its Application, Applicants filed a Request for Waiver Associated With an Application for Approval to Encumber Property on November 22, 2006, seeking to waive the requirements of Hawaii Administrative Rules §§ 6-61-101(a)(3)-(5), 6-61-101(b)(2)-(9) except (4), 6-61-105(b) and (c), 6-61-75(a)(1)-(7), and 6-61-75(b)(1)-(2). As there appears to be no legal basis to support the waiver request, the commission denies the request.

mortgage, disposition, encumbrance, merger, or consolidation, made other than in accordance with the order of the commission authorizing the same is void.

Here, based on the statements contained in the Application, and the competitive nature of the motor carrier industry, the commission finds that the proposed encumbrance is consistent with the public interest. However, the commission reserves the right to impose terms and conditions in the future if required by the public interest.

III.

THE COMMISSION ORDERS:

Applicants' request to encumber property used for regulated transportation services as described in its application filed on October 10, 2006, as supplemented on December 28, 2006, is approved.
