In The Matter Of The Application Of

HAWAII ELECTRIC LIGHT COMPANY, INC.

DOCKET NO. 05-0321

For Approval of a contract between HELCO and the Army for the acquisition and upgrade of the Army's Pohakuloa Training Area and Kilauea Military Camp (Island of Hawaii) electrical distribution systems, approval of a pole attachment and duct use agreement, approval of an interim billing arrangement with the Army, approval of waiver of Rule 14, and approval of an interim order for waiver of Rule 14.

**STIPULATED PROCEDURAL ORDER**

Pursuant to Order No. 22215, filed January 11, 2006, in the subject proceeding, Hawaii Electric Light Company, Inc. ("HELCO") and the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs ("Consumer Advocate"), (collectively, the "Parties"), submitted a Stipulated Procedural Order to the Commission for this docket.

On March 15, 2006, the Commission issued Stipulated Procedural Order No. 22323 which established, among other things, the schedule of proceedings for this docket.

On April 13, 2006, HELCO requested a modification of the procedural schedule for the remainder of the proceeding (i.e., a two week extension of time of the remaining procedural deadline dates), as follows:

	<u>Proposed Schedule</u>	<u>Existing Schedule</u>
HELCO Information Request ("IR") Responses to Consumer Advocate	April 27, 2006	April 13, 2006
Consumer Advocate Supplemental, IRs ("SIRs"), if necessary	May 23, 2006	May 9, 2006
HELCO Responses to SIRs	June 13, 2006	May 30, 2006
Consumer Advocate Statement of Position ("SOP")	July 5, 2006	June 20, 2006
HELCO SOP, if necessary*	July 25, 2006	July 11, 2006

On April 18, 2006, the Commission approved HELCO's request for a modification of the procedural schedule.

On June 21, 2006, the Commission issued Order No. 22550, approving HELCO's request to modify the schedule, as follows, to allow (1) the Army additional time to address and resolve the issues raised by the United States Department of Interior, National Park Service ("NPS") regarding the privatization of the Kilauea Military Camp ("KMC") electrical distribution system and (2) HELCO to discuss with the Army an increased contribution from the Army for the higher than expected costs for the service connection work.

	<u>Proposed Schedule</u>
HELCO Responses to Supplemental Information Requests	January 4, 2007
Technical Meeting between Parties	January 25, 2007
Consumer Advocate Statement of Position ("SOP")	February 15, 2007
HELCO SOP, if necessary*	March 1, 2007

Additional time is required by the Army to address and resolve the issues raised by the NPS regarding the privatization of the KMC electrical distribution system and by HELCO to continue discussions with the Army regarding an increased contribution from the Army for the higher than expected costs for the service connection work.

Therefore, HELCO respectfully requests a further revision to the remainder of the schedule, as follows:

	<u>Proposed Schedule</u>
HELCO Responses to Supplemental Information Requests	April 5, 2007
Technical Meeting between Parties	April 26, 2007
Consumer Advocate Statement of Position ("SOP")	May 21, 2007
HELCO SOP, if necessary*	June 4, 2007

\* If the Consumer Advocate objects to approval of the application, or requests that approval be subject to conditions.

The Consumer Advocate does not object to this request.

Hawaii Administrative Rules § 6-61-23(a)(1) provides the Commission with discretion, for good cause shown, to enlarge a period by which a required act must be completed, if a written request is made before the expiration of the period originally prescribed. The Commission finds good cause in this instance to revise the remainder of the procedural schedule, and the request is granted and so ordered.

DONE at Honolulu, Hawaii, this 16<sup>th</sup> day of January, 2007.
