ATTEST: A True Copy
KAREN HIGASHI
By this Decision and Order, the commission authorizes PACIFIC ISLES EQUIPMENT RENTAL, INC. ("Applicant") to extend its authority under certificate of public convenience and necessity number 2150-C ("Certificate No. 2150-C") to include the general commodities classification on the island of Oahu, and the general commodities and dump truck classifications on the islands of Kauai and Hawaii, subject to certain conditions, as described herein.

I. Application to Extend Common Carrier Authority

Applicant is a common carrier of property by motor vehicle over irregular routes on the island of Oahu in the dump truck classification. On October 2, 2006, Applicant filed an application seeking commission approval to extend its authority under Certificate No. 2150-C to include the general commodities classification on the island of Oahu, and the general commodities
and dump truck classifications on the islands of Kauai and Hawaii.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for an extension of its authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of property by motor vehicle over irregular routes on the
islands of Kauai, Oahu, and Hawaii, in the general commodities
and dump truck classifications.

2. Applicant shall comply with all of the
commission's requirements for common carriers by motor vehicle
including, but not limited to, filing a lawful tariff, filing the
appropriate insurance documents, providing a completed "Vehicle
Inventory List" form which identifies which motor vehicles will
be permanently stationed on each island, and providing the
addresses of its physical facilities on the islands of Kauai and
Hawaii.

3. Applicant shall comply with the foregoing
requirements within one hundred and twenty (120) days after
service of this Decision and Order. Failure to comply within the
time specified constitutes cause for this commission to vacate
this Decision and Order.

4. Applicant shall not commence its expanded
operations until it has received written confirmation from the
commission that all requirements have been met.
