DECISION AND ORDER

By this Decision and Order, the commission approves the transfer of certificate of public convenience and necessity number 1671-C ("Certificate No. 1671-C") from THANG V. LE ("Transferor") to REGAL LIMOUSINES, INC. ("Transferee"), subject to certain conditions, as described herein.

I.

Application to Transfer Common Carrier Authority

On January 16, 2007, Transferor filed an application seeking commission approval to transfer Certificate No. 1671-C to Transferee, pursuant to Hawaii Revised Statutes ("HRS") § 271-18. Under Certificate No. 1671-C, and pursuant to HRS § 271-12, Transferor is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 8-to-25 passenger classification, limited to utilizing motor vehicles with a maximum manufacturer's seating capacity of 15 passengers.

Transferor served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that may be affected by the proposed transfer, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Upon review of Transferor's application, the commission finds that Transferee is fit, willing, and able to perform the services presently performed by Transferor, and that the proposed transfer of Certificate No. 1671-C is just and reasonable and will be consistent with the public interest. Accordingly, the commission concludes that the proposed transfer is in accordance with HRS § 271-18, and should, therefore, be approved.

III.

Orders

THE COMMISSION ORDERS:

1. Transferor's application to transfer Certificate No. 1671-C to Transferee is approved.
2. Transferee shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, paying a

fee of \$20 for motor carrier gross revenues, and filing the appropriate insurance documents.

3. Transferor shall file with the commission his annual financial report for the period of operation from January 1, 2007, to the effective date of this Decision and Order, and shall pay the associated motor carrier gross revenue fee.

4. Transferor and Transferee shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified constitutes cause for this commission to vacate this Decision and Order.

5. Transferee shall not commence operations under this Decision and Order until it has received written confirmation from the commission that all requirements have been met.
