Decision and Order No. 23539

DECISION AND ORDER

By this Decision and Order, the commission adopts
Proposed Decision and Order No. 23523, filed on June 29, 2007
(“Proposed Decision and Order”), as its Decision and Order in
this proceeding. In so doing, the commission approves an
increase of additional revenues of $42,248, or approximately
35.15%, over revenues at present rates for services rendered by
LAUNIUPOKO WATER COMPANY, LLC (“LWC”) based on a total revenue
requirement of $162,424 for the test year ending December 31,
2007 (“Test Year”); and authorizes LWC, in accordance with the
Proposed Decision and Order, to: (1) increase its rates and
charges; and (2) implement an Automatic Power Cost Adjustment
Charge (“APCAC”).

I.

Background

The commission timely issued the Proposed Decision and
Order on June 29, 2007,¹ as mandated by HRS § 269-16(f), and in
connection with LWC’s application² filed on December 29, 2006.

¹ The DIVISION OF CONSUMER ADVOCACY, DEPARTMENT OF COMMERCE
AND CONSUMER AFFAIRS (“Consumer Advocate”), is an ex officio
party to this proceeding pursuant to Hawaii Revised Statutes
In the Proposed Decision and Order, the commission approved the increase of additional revenues of $42,248, or approximately 35.15%, over revenues at present rates based on a total revenue requirement of $162,424 for the Test Year for services rendered by LWC. In so doing, the commission approved the Parties' Stipulation of Settlement Agreement filed on May 25, 2007 ("Stipulation"). In approving the Stipulation, the commission authorized LWC to increase the rates and charges that it assesses for its services, and authorized the implementation of an APCAC by LWC. Moreover, the commission instructed: (1) the Parties to notify the commission, within ten (10) days of the date of the Proposed Decision and Order, as to whether they each accept, in toto, or do not accept, in whole or in part, the Proposed Decision and Order, as mandated by HRS § 269-16(f)(3); and (2) LWC to promptly file its revised tariff sheets and rate schedules for the commission's review and approval.

By letter dated and filed on July 3, 2007, the Consumer Advocate notified the commission that it has no objections to the commission's findings and accepts in toto the Proposed Decision and Order. On the same day, LWC notified the commission that it accepts, in toto, the Proposed Decision and

("HRS") § 269-51 and Hawaii Administrative Rules § 6-61-62. LWC and the Consumer Advocate, the sole parties to this proceeding, are hereafter collectively referred to as the "Parties."

LWC filed its application on December 29, 2006, and attached various exhibits; the testimonies of Mr. Glenn Tremble (designated as T-1) and Mr. Walter Matsuno (designated as T-2); a verification; and a certificate of service (collectively, "Application"). Copies of the Application were served on the Consumer Advocate.
Order and concurrently submitted its revised tariff sheets and rate schedules for the commission’s review and approval.

II.
Discussion

The Parties have accepted the Proposed Decision and Order. Consequently, the Parties are not entitled to a contested case hearing and HRS § 269-15.5, governing the appeal of commission decisions, does not apply.

The commission hereby adopts the Proposed Decision and Order as its Decision and Order in this proceeding. Additionally, the commission finds that LWC’s revised tariff sheets and rate schedules, filed on July 3, 2007, comply with the Proposed Decision and Order and, thus, concludes that the filing should be approved.

III.
Orders

THE COMMISSION ORDERS:

1. Proposed Decision and Order No. 23523, filed on June 29, 2007, is adopted as the commission’s Decision and Order in this proceeding.

2. LWC may increase its rates to produce additional revenues of $42,248, or approximately 35.15%, over revenues at present rates for services rendered by LWC based on a total revenue requirement of $162,424 for the Test Year, as depicted on Exhibit A of the Proposed Decision and Order.

LWC’s letter dated and filed on July 3, 2007. 2006-0505
3. LWC's revised tariff sheets and rate schedules, filed on July 3, 2007, are approved and shall take effect from the date of this Decision and Order. LWC shall promptly file its new tariff sheets and rate schedules, with the applicable issued and effective dates.

4. Failure to comply with the requirement noted above, may constitute cause to void this Decision and Order, and may result in further regulatory action as authorized by law.

5. Upon the filing of LWC's new tariff sheets and rate schedules, with the applicable issued and effective dates, this docket shall be closed unless ordered otherwise by the commission.
