Docket No. 2006-0084 Order No. 23618

ORDER

By this Order, the commission approves the DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS, DIVISION OF CONSUMER ADVOCACY's ("Consumer Advocate") request, on behalf of the Parties in this docket, to amend the Revised Stipulated Regulatory Schedule governing this proceeding.

¹The commission named, as original parties to this proceeding, HAWAIIAN ELECTRIC COMPANY, INC., HAWAII ELECTRIC LIGHT COMPANY, INC., MAUI ELECTRIC COMPANY, LIMITED, KAUAI ISLAND UTILITY COOPERATIVE, and the Consumer Advocate. See Order No. 22380, filed on April 10, 2006. By Order No. 22535, filed June 15, 2006, the commission granted intervention to HAWAII RENEWABLE ENERGY ALLIANCE ("HREA") and HAWAII SOLAR ENERGY ASSOCATION ("HSEA"), and participation without intervention to ZERO EMISSIONS LEASING LLC ("Zero Emissions"). The original parties, as well as HREA and HSEA, are hereinafter referred to as the "Parties," and Zero Emissions is referred to as the "Participant."

Request to Amend Revised Stipulated Regulatory Schedule

By Order No. 23441, filed on May 17, 2007, the commission approved the Parties' and Participant's Stipulated Regulatory Schedule. Revised Thereafter, the Consumer Advocate, on behalf of the Parties, requested two extensions of time to file Statements of Position, Simultaneous Information Requests to the Parties on their Statements of Position, and Simultaneous Responses to Information Requests filed by the Parties on their Statements of Position. extension requests were based on the Parties' Participant's stated desire to hold a collective settlement discussion to attempt to reach agreement and resolve all or issues in this proceeding as possible. many of the as Both extension requests were approved by the commission in Order Nos. 23524 and 23553, filed on June 29, 2007 and July 20, 2007, respectively.

By letter dated and filed on August 13, 2007, the Consumer Advocate, on behalf of the Parties, represented that, "[i]n light of the productive technical and settlement meetings attended by the Parties and Participant, which facilitated further understanding of each other's positions, discovery is now unnecessary." Accordingly, the Consumer Advocate requested that

²In Order No. 23553, the commission granted the Parties' extension request and also established a deadline of October 1, 2007 for the Parties to submit a joint settlement letter to the commission, if any.

^{&#}x27;Letter dated and filed August 13, 2007, from the Consumer Advocate to the commission, at 2.

the following procedural steps be removed from the Revised Stipulated Regulatory Schedule:

PROCEDURAL STEPS TO BE REMOVED	DATE
Simultaneous Replies to Statements of Position	August 13, 2007
Simultaneous Information Requests to the Replies to the Statements of Position	August 20, 2007
Simultaneous Responses to Information Requests filed by the Parties on the Replies to their Statements of Position	August 31, 2007
Simultaneous Information Requests to the Parties on their Statements of Position	September 27, 2007
Simultaneous Responses to the Information Requests filed by the Parties on their Statements of Position	October 22, 2007

In addition, the Consumer Advocate requested that the Parties be allowed to file: (1) either a stipulated settlement letter or a statement of position on the deadline established for the filing of statements of position (i.e., September 17, 2007); and (2) final and/or reply statements of position (by the Parties and Participant) on October 1, 2007.

By letter dated and filed on August 20, 2007, Participant objected to the Parties' August 13, 2007 extension request. Participant argued that granting the extension and eliminating the discovery deadlines from the procedural schedule would deprive the commission of a complete factual record. Participant also objected to the Parties' alleged failure to

provide notice to Participant of the extension request and obtain Participant's agreement in such extension request.

The commission will treat the Consumer Advocate's August 13, 2007 letter as a motion for an extension of time ("Motion") under Hawaii Administrative Rules ("HAR") §§ 6-61-23 and 6-61-41. HAR § 6-61-23(a)(1) allows the commission to enlarge a period by which a required act must be completed upon a showing of good cause provided that a written request is made before the expiration of the period originally prescribed.

After reviewing the entire record, and based on the the Consumer Advocate's letter, representations in commission finds the proposed revisions to the Revised Stipulated Regulatory Schedule to be reasonable. The commission notes the Participant's objections to the Motion, but finds that the commission would not be deprived of a complete factual record by granting the Motion, and indeed, may issue information requests to the Parties and Participant if it determines the record to be incomplete. In addition, the commission finds that Participant will not be prejudiced since the commission's granting of the Motion will not result in the extension of any deadlines, but rather, the removal of certain procedural steps in which

^{&#}x27;Pursuant to Order No. 22884, filed on September 21, 2006, "the agreement of the Participant shall only be required when the filing dates for the Preliminary Statements of Position, Statements of Position, and Replies to Statements of Position are amended."

⁵The Parties are nevertheless reminded that, if a settlement is reached, they should provide the commission with sufficient information regarding the basis of the settlement so that the commission can adequately assess the reasonableness and fairness of the settlement.

Participant has no right to participate. Participant has, moreover, already filed its Preliminary Statement of Position and Statement of Position, and will still have an opportunity to file a Reply Statement of Position on October 1, 2007.

Accordingly, the commission grants the Motion and approves the Parties' request to remove the procedural steps noted above from the procedural schedule in this docket, leaving the following remaining procedural steps in this docket:

REMAINING PROCEDURAL STEPS	DATE
Statements of Position or Stipulated Settlement Letter	September 17, 2007
Final and/or Reply Statements of Position by Parties and Participant	October 1, 2007
Prehearing Conference	October 15, 2007
Panel Hearing	Week of October 22, 2007
Simultaneous Post-Hearing Opening Briefs	4 weeks after transcript completed and filed with the commission
Simultaneous Post-Hearing Reply Briefs	3 weeks after the filing of Opening Briefs
