Certificate.

DECISION AND ORDER

By this Decision and Order, the commission authorizes
HANA HOU TOUR KAUAI LLC ("Applicant") to extend its authority
under certificate of public convenience and necessity
number 3568-C ("Certificate No. 3568-C") by removing the
geographical restriction in the 8-to-25 passenger classification
on the island of Kauai, subject to certain conditions, as
described herein.

I. Application to Extend Common Carrier Authority

Applicant is a common carrier of passengers by motor
vehicle over irregular routes on the island of Kauai in the
8-to-25 passenger classification, limited to providing
transportation services north of Nawiliwili Harbor (and including
Nawiliwili Harbor). On September 5, 2007, Applicant filed an
application seeking commission approval to extend its authority
under Certificate No. 3568-C by removing the geographical
restriction in the 8-to-25 passenger classification on the island of Kauai.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II. Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant’s request for an extension of its authority should be granted.

III. Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Kauai in the 8-to-25 passenger classification.
2. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff.

3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified constitutes cause for this commission to vacate this Decision and Order.

4. Applicant shall not commence its expanded motor carrier operations until it has received written confirmation from the commission that all requirements have been met.
