Docket No. 2008-0004
Decision and Order No. 24012

DECISION AND ORDER

By this Decision and Order, the commission approves HAWAIIAN TELCOM SERVICES COMPANY, INC.'s ("HTSC") application, filed on January 9, 2008, for approval to market Call MoreSM Bundled Service Option MRC Promotional Discount ("Call MoreSM Promotional Discount") in conjunction with Hawaiian Telcom, Inc.'s ("HTI") Go LocalSM and Go Local PlusSM service offerings, either under HTI's general or promotional tariffs, including but not limited to the "Go Local Promotions" filed in HTI's Letter of Intent under Transmittal No. 07-21 on October 8, 2007 and effective from October 15, 2007 through January 14, 2008, and extended through June 30, 2008 in HTI's Letter of Intent under Transmittal No. 07-26 filed on December 19, 2007 ("Application").

I.

Application

As described in the Application, HTSC's Call MoreSM Bundled Service Option ("Call MoreSM Bundle") is an optional calling plan offered to residential customers who also subscribe to Hawaiian Telcom Go LocalSM or Hawaiian Telcom Go Local PlusSM services offered by its affiliate, HTI, in HTI PUC Tariff No. 20, Section 5.12.19. HTSC also offers residential customers an interstate Call MoreSM Bundle in its Rates, Terms, and Conditions No. 1. HTSC states that the purpose of the Application is to obtain commission approval to offer HTSC's proposed Call MoreSM Promotional Discount under the proposed promotional tariff, attached as Exhibit 1 to the Application, as well as offer this Call MoreSM Promotional Discount in conjunction with HTI's Go LocalSM service offerings ("Call MoreSM/Go LocalSM Promotion Bundle").¹ HTSC requests that the effective date of its Call MoreSM Promotional Discount coincide with the effective date of the Call MoreSM/Go LocalSM Promotional Bundle.

In connection with the foregoing, HTSC requests commission approval of a specific subset of the Call MoreSM/Go LocalSM Promotional Bundle. Specifically, HTSC requests approval to substitute the Call MoreSM Promotional Discount plan in lieu of the Call MoreSM Bundle plan described in its Hawaii PUC

¹HTSC points out in the Application that, if the Application is approved, it will also mean that the Call MoreSM Promotional Discount can be used in conjunction with any of HTSC's ongoing myChoiceSM bundles because HTI's Go LocalSM and Go Local PlusSM service offerings are the qualifying local exchange component of each and every myChoiceSM bundle. See Application at 1 n.1.

Tariff No. 1, Section 3.6.13 as the long distance toll component in its myChoiceSM bundled service plans.²

HTSC filed its Application pursuant to Hawaii Revised Statutes ("HRS") § 269-16, Hawaii Administrative Rules ("HAR") § 6-80-35(e), and Decision and Order No. 23443, filed on May 17, 2007, in Docket No. 2007-0062 ("Decision and Order No. 23443").

In Decision and Order No. 23443, the commission established a streamlined, modified process for reviewing bundled services offerings for HTSC and HTI, as follows:

1. Requests for approval of Bundled Services offerings shall be filed via application to the commission. The application must contain information sufficient to determine whether each Bundled Services offering complies with the specific criteria that the commission has identified and utilized in its prior approvals of bundled services, or any additional criteria that may be applicable to demonstrate that the non-competitive services are not subsidizing the competitive services.
2. Such applications before the commission will take effect thirty days from filing of the application, unless suspended by the commission for further review.³

Pursuant to Paragraph 2, above, HTSC requested that approval of its Application take effect on February 8, 2008, which is thirty days after the filing date of the Application.⁴

²The commission approved the existing myChoiceSM bundled service plans in Decision and Order No. 22985, on October 27, 2006, in Docket No. 2006-0367.

³Decision and Order No. 23443 at 13.

⁴The Division of Consumer Advocacy, Department of Commerce and Consumer Affairs, an ex officio party to all proceedings

Upon review of the Application, the commission finds that it meets the requirements of Decision and Order No. 23443. Accordingly, the Application is approved.

II.

Orders

THE COMMISSION ORDERS:

1. HTSC's plan to offer its proposed Call MoreSM Promotional Discount under the proposed promotional tariff, attached as Exhibit 1 to the Application, as well as to offer the Call MoreSM/Go LocalSM Promotion Bundle, as described in the Application, is approved.

2. HTSC's request that the effective date of its Call MoreSM Promotional Discount coincide with the effective date of the Call MoreSM/Go LocalSM Promotional Bundle, is approved.

3. HTSC's request to substitute the Call MoreSM Promotional Discount plan in lieu of the Call MoreSM Bundle plan described in its Hawaii PUC Tariff No. 1, Section 3.6.13 as the long distance toll component in its myChoiceSM bundled service plans, is approved.

before the commission pursuant to HRS § 269-51 and HAR § 6-61-62, did not file any objections to the Application.
