PUBLIC UTILITIES
COMMISSION

2009 JAN 29 A 9:30

FILED

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). On April 10, 2008, the Consumer Advocate informed the commission that it will not participate in this docket.

On May 12, 2008, Edwin Deluz Trucking & Gravel, LLC ("Movant") filed a motion to intervene in the instant proceeding ("Motion to Intervene"), which included a request that the commission hear oral arguments on the Motion to Intervene.

On August 4, 2008, oral argument on the Motion to Intervene was heard by the commission. On October 7, 2008, the commission issued an order denying Movant's Motion to Intervene.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS Chapter 271 and the requirements and rules of the commission. The commission also finds that the proposed service is required by the present and future public convenience and necessity. Accordingly, the commission concludes that Applicant's request for operating authority, as set forth in the application, should be granted.

III.
