ORDER PLACING CERTIFICATE NO. 4153-C ON INACTIVE STATUS

By this Order, the commission places certificate of public convenience and necessity no. 4153-C ("Certificate No. 4153-C"), held by DAKINE DUMP TRUCK RENTAL LLC ("Petitioner"), on inactive status for a period of twelve (12) months, effective from the date of this Order, pursuant to Hawaii Revised Statutes ("HRS") § 271-19(b).

I.

Request to Place Common Carrier Authority on Inactive Status

On January 23, 2009, Petitioner filed a letter requesting that Certificate No. 4153-C be placed on inactive status for two years.<sup>1</sup> Under HRS § 271-19(b), the commission may place a certificate on inactive status upon written request by a motor carrier, and for good cause shown. The inactive period, however, may not exceed twelve (12) months. In addition,

---

<sup>1</sup>Certificate No. 4153-C authorizes Petitioner to transport property by motor vehicle over irregular routes on the island of Maui in the general commodities and dump truck classifications.

HRS § 271-19(b) provides that inactive status may only be granted for a cumulative period not to exceed two (2) years over the life of the certificate. As Petitioner requests that its certificate be placed on inactive for two years, we will treat its request as a request for a twelve (12) months period of inactivity, the maximum time allowed under HRS § 271-19(b).

The commission finds that there is good cause to grant Petitioner's request. If Petitioner so desires, it may file, prior to the expiration of the inactive period granted by this Order, a request to extend its inactive status for up to one (1) additional year.

## II.

### Orders

#### THE COMMISSION ORDERS:

1. Petitioner's Certificate No. 4153-C is placed on inactive status for a period of twelve (12) months, effective from the date of this Order.

2. Pursuant to HRS § 271-19(b), if Certificate No. 4153-C is not reactivated prior to the expiration of the period of inactivity, it shall be declared abandoned and revoked. The request to reactivate Certificate No. 4153-C, along with the filing of all documents necessary for reactivation must be completed prior to the expiration of the inactivity period, or Certificate No. 4153-C shall be revoked.

3. Petitioner shall not transfer its inactive certificate unless Petitioner can first establish good cause to the commission for the transfer, and the commission has approved the request to transfer.
