DECISION AND ORDER

By this Decision and Order, the commission authorizes SCOTT TRUONG, dba FANTASY LIMOUSINE ("Applicant"), to extend his authority under certificate of public convenience and necessity number 1327-C ("Certificate No. 1327-C") to include the 1-to-7 passenger classification on the island of Oahu, subject to certain conditions, as described herein.

I.

Application to Extend Common Carrier Authority

Applicant is a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 8-to-25 passenger classification. On March 2, 2009, Applicant filed an application seeking commission approval to extend his authority under Certificate No. 1327-C to include the 1-to-7 passenger classification on the island of Oahu.

Applicant served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that

may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes Chapter 271 and the requirements and rules of the commission. The commission also finds that the proposed service is required by the present and future public convenience and necessity. Accordingly, the commission concludes that Applicant's request for an extension of his authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 1-to-7 and 8-to-25 passenger classifications.

2. Within one hundred and twenty (120) days after service of this Decision and Order, Applicant shall:

- a. Complete and submit the enclosed "Vehicle Inventory List" form. Applicant shall list all vehicles that it intends to use in the proposed operation. 4. Applicant shall not commence operations in the 1-to-7 passenger classification until he has received written confirmation from the commission that all requirements have been met.
