ORDER APPROVING THE STIPULATED  
PROCEDURAL ORDER, AS MODIFIED

By this Order, the commission approves, with modifications, the proposed Stipulated Procedural Order submitted on September 11, 2009, by 1) Hawaiian Electric Company, Inc. ("HECO"), Maui Electric Company, Limited ("MECO"), Hawaii Electric Light Company, Inc. ("HELCO") (collectively, "HECO Companies"); 2) Kauai Island Utility Cooperative ("KIUC"); 3) Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs ("Consumer Advocate"); 4) the Department of Business, Economic Development, and Tourism; 5) County of Hawaii; 6) County of Maui; 7) County of Kauai; 8) Haiku Design and Analysis; 9) Hawaii Renewable Energy Alliance; 10) Blue Planet Foundation; 11) Hawaii Solar Energy Association; 12) JW Marriott Ihilani Resort & Spa, Waikoloa Marriott Beach Resort & Spa, Maui Ocean Club, Wailea Marriott, and Marriott Hotel Services, Inc., on behalf of Kauai Marriott Resort & Beach Club (collectively,

"Marriotts")<sup>1</sup>; and 13) Forest City Hawaii Residential, Inc. (collectively, "Stipulating Parties").<sup>2</sup> The commission, however, modifies the Statement of Issues and the Stipulated Procedural Schedule, as set forth herein.

## I.

### Background

By Order Initiating Investigation, filed on May 14, 2009, the commission instituted this proceeding to examine the HECO Companies, KIUC, and the Consumer Advocate's proposed amendments to the Integrated Resource Planning ("IRP") Framework, as set forth in their letter dated and filed on April 28, 2009, which was attached as Exhibit "A" to the order. In that letter, the HECO Companies, KIUC, and Consumer Advocate proposed that the commission open a docket to replace the IRP Framework with a Clean Energy Scenario Planning ("CESP") process, and submitted a Proposed CESP Framework for the commission's review.

---

<sup>1</sup>By letter filed on August 18, 2009, counsel for the Marriotts informed the commission that management of the Kauai Marriott Resort & Beach Club had changed and that the Kauai Marriott Resort & Beach Club is now leased and managed by Essex House Condominium Corporation, a corporate affiliate of Marriott International, and thus the service list should be revised appropriately.

<sup>2</sup>The proposed Stipulated Procedural Order is attached as Exhibit 1 to this Order.

In the Order Initiating Investigation, the commission also directed the Parties to file a stipulated procedural order setting forth the issues, procedures, and schedule to govern this proceeding within sixty days of the date of the order. If the Parties were unable to stipulate, each of them was directed to file a proposed order for the commission's review and consideration within the same deadline.<sup>3</sup>

On July 29, 2009, the Stipulating Parties filed a proposed Stipulated Procedural Order. Also, on July 29, 2009, LIFE OF THE LAND ("LOL")<sup>4</sup> filed its Comments on Proposed Stipulated Procedural Order stating that it supports the stipulated procedural order with one caveat, that the commission "limit the number of hard copies to one: the original to be filed with the Commission."<sup>5</sup>

By letter filed August 31, 2009, from HDA to the commission, the commission was informed that the parties had agreed to move the date of the "Technical Session on Parties' Informal Proposed Modifications to the Proposed CESP Framework" from September 11, 2009 to September 15, 2009.

---

<sup>3</sup>Order Initiating Investigation, filed on May 14, 2009, at 7-8 (emphasis added). In the Order Granting Intervention, filed on July 1, 2009, the commission extended the deadline for filing a stipulated procedural order an additional two weeks from July 15, 2009 to July 29, 2009.

<sup>4</sup>The Stipulating Parties and LOL are collectively referred to as the "Parties."

<sup>5</sup>Life of the Land Comments on Proposed Stipulated Procedural Order, filed on July 29, 2009.

Thereafter, by letter dated September 11, 2009, the Stipulating Parties filed a revised proposed Stipulated Procedural Order ("SPO") to address two inaccuracies in the July 29, 2009 Stipulated Procedural Order. Attached to the SPO at Exhibit A is a proposed Stipulated Procedural Schedule.

## II.

### Stipulated Procedural Order

In reviewing the SPO, the commission finds it appropriate to adopt the SPO with the following modifications to the Statement of Issues in Section I; the Stipulated Regulatory Schedule in Exhibit A; and the number of copies to be filed with the commission, as set forth in Section II.C.

## A.

### Issues

In their SPO, the Stipulating Parties propose the following four issues.

1. Whether (a) the Proposed CESP Framework, as may be modified in this proceeding, establishes a framework for a reasonable, flexible, useful, efficient, and timely planning process across a wide range of potential futures and uncertainties which will provide guidance on how each utility will balance meeting the near and long term energy needs of Hawaii's electric utilities and their customers and/or members, and (b) if not, what changes should be made to the Proposed CESP Framework.

2. Whether (a) the Proposed CESP Framework, as may be modified in this proceeding, establishes a framework that supports achievement of State and/or federal energy policy objectives, and (b) if not, what changes should be made to the Proposed CESP Framework.
3. Whether (a) the Proposed CESP Framework, as may be modified in this proceeding, establishes a framework that properly and fully considers and reasonably accommodates the relationship between resource planning and utility consumers, energy stakeholders, the climate and environment, culture, community lifestyles, the economy, society, the need to present a stable electric grid and system reliability, and the financial soundness of the electric utilities, and (b) if not, what changes should be made to the Proposed CESP Framework.
4. Whether, as it pertains to KIUC, (a) the Proposed CESP Framework, as may be modified in this proceeding, is consistent with the objectives and policies of an electric cooperative as established by its Board and the electric cooperative's applicable lender requirements, and (b) if not, what changes should be made to the Proposed CESP Framework.

Upon review, the commission prefers to modify the issues, as set forth below. The Stipulating Parties' issues focus on the "Proposed CESP Framework, as may be modified" assuming that the "Proposed CESP Framework" is the appropriate starting point; when the starting point should instead be the existing commission-approved IRP Framework. Since the following issues are generic enough to address the parties' proposed issues, Section I titled "Statement of the Issues" in the SPO shall be replaced with the following:

1. What are the objectives of CESP and how do they differ from the objectives of IRP?

2. What is the basis for each of the proposed changes to the IRP process, and are these changes reasonable and in the public interest?
3. Whether the proposed changes to the IRP process should include changes to reflect differences between electric cooperatives and investor owned utilities?
4. What should be the role of the state's public benefits fee administrator?

B.

Schedule

In its Order Initiating Investigation, filed on May 14, 2009, the commission directed the parties to file a proposed schedule that includes panel hearings during the week of November 30, 2009. To allow the commission's consultant, the National Regulatory Research Institute ("NRRI"), additional time to provide comments and provide the Parties an opportunity to respond to those comments, the commission will modify the proposed schedule to add deadlines for those items. The commission will also extend the dates for prehearing conference from the week of November 23, 2009 to the week of January 18, 2010; and for panel hearings from the week of November 30, 2009 to the week of January 25, 2010. In addition, the commission will include deadlines for post-hearing opening and reply briefs. With the exception of the deadlines for Steps 1-3, which have already been completed, the commission deletes references to modifications to the "Proposed CESP Framework" as

the Parties should focus on developing a record to support any revisions to the IRP Framework, including those in the Proposed CESP Framework.

The following schedule replaces Exhibit A to the SPO and governs this proceeding unless otherwise ordered by the commission:

	PROCEDURAL STEPS	DEADLINE
1.	Technical Session on Proposed CESP Framework	August 11, 2009
2.	Informal Proposed Modifications to the Proposed CESP Framework	August 28, 2009
3.	Technical Session on Informal Proposed Modifications to the Proposed CESP Framework	September 15, 2009
4.	Parties' Preliminary Statement of Position	October 2, 2009
5.	NRRI Comments	November 3, 2009
6.	Parties' Information Requests	November 10, 2009
7.	Parties' Response to NRRI Comments	November 20, 2009
8.	Parties' Responses to Information Requests	November 25, 2009

	PROCEDURAL STEPS	DEADLINE
9.	Parties' Final Statement of Position and Final Proposed Framework	December 21, 2009
10.	Prehearing Conference	Week of January 19, 2010
11.	Panel Hearing	Week of January 25, 2010
12.	Opening Briefs	Three weeks after the filing of transcripts
13.	Reply Briefs	Two weeks after the filing of transcripts

C.

Copies

In their SPO, the Parties agree to electronic service of documents with the exceptions that the commission and Consumer Advocate will continue to be served with the requisite hard copies, see HAR § 6-61-18, and DBEDT and the HECO Companies will receive one hard copy of all documents filed. In its comments to the SPO, LOL proposes that the commission "limit the number of hard copies to one: the original to be filed with the Commission."<sup>6</sup>

---

<sup>6</sup>Life of the Land Comments on Proposed Stipulated Procedural Order, filed on July 29, 2009.

In reviewing the record, the commission finds the SPO on the issue of copies to be reasonable. Accordingly, the commission will approve the SPO with one modification. The number of copies to be filed with the commission shall be "Original + 4 copies" in this docket.

III.

**STIPULATED PROCEDURAL ORDER**

On April 28, 2009, Hawaiian Electric Company, Inc. ("Hawaiian Electric"), Hawaii Electric Light Company, Inc. ("HELCO") and Maui Electric Company, Limited ("MECO"), collectively referred to herein as the "Hawaiian Electric Companies" or "Companies", Kauai Island Utility Cooperative ("KIUC"), and the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs ("Consumer Advocate"), filed a letter proposing amendments to the Framework for Integrated Resource Planning. The proposed framework amendments submitted by the Companies, KIUC, and the Consumer Advocate are hereinafter referred to as the Proposed Clean Energy Scenario Planning Framework ("Proposed CESP Framework").

By *Order Initiating Investigation*, filed on May 14, 2009, the Commission instituted this proceeding to examine the proposed amendments to the Framework for

Integrated Resource Planning, as set forth in the letter filed on April 28, 2009, and attached as Exhibit A to the Order.

In the *Order Initiating Investigation*, the Commission stated:

Any interested individual, entity, agency, or community or business organization may file a motion to intervene or participate without intervention in this docket. Motions to intervene or participate without intervention must comply with all applicable rules of HAR Chapter 6-61.

Order Initiating Investigation, at 5. The Commission also stated:

Within sixty days from the date of this Order, the Parties (and intervenors and participants, if any) shall file a stipulated procedural order setting forth the issues, procedures, and schedule to govern this proceeding. If the Parties (and intervenors and participants, if any) are unable to stipulate, each of them shall file proposed orders for the commission's review and consideration within the same deadline.

Order Initiating Investigation, at 8-9.

Subsequent to the opening of this docket, the following motions to intervene were filed: 1) The Department of Business, Economic Development, and Tourism's ("DBEDT") Motion to Intervene, filed on June 3, 2009; 2) County of Hawai'i's ("COH") Motion to Intervene or to Participate in the Public Utilities Commission's Docket No. 2009-0108, Instituting a Proceeding to Investigate Proposed Amendments to the Framework for Integrated Resource Planning, filed on June 3, 2009; 3) County of Maui's ("COM") Motion to Intervene in the Public Utilities Commission's Docket No. 2009-0108, Instituting a Proceeding to Investigate Proposed Amendments to the Framework for Integrated Resource Planning, filed on June 1, 2009, as amended on June 2, 2009; 4) County of Kauai's ("COK") Motion to Intervene, filed on June 3, 2009; 5) Life of the Land's ("LOL") Motion to Intervene, filed on May 22, 2009; 6) Motion to Intervene of Haiku Design and Analysis ("HDA"), filed on June 2, 2009; 7) Motion to Intervene of

Hawaii Renewable Energy Alliance (“HREA”), filed on June 1, 2009; 8) Blue Planet Foundation’s (“Blue Planet”) Motion to Intervene, filed on June 3, 2009; 9) Motion for Intervention of Hawaii Solar Energy Association (“HSEA”), filed on June 3, 2009; 10) Motion to Intervene and Certificate of Service of JW Marriott Ihilani Resort & Spa, Waikoloa Marriott Beach Resort & Spa, Maui Ocean Club, Wailea Marriott, and Marriott Hotel Services, Inc., on behalf of Kauai Marriott Resort & Beach Club (collectively “Marriotts”), filed on June 2, 2009<sup>2</sup>; and 11) Forest City Hawaii Residential, Inc.’s (“Forest City”) Motion to Intervene, filed on June 3, 2009.

By letter filed on June 10, 2009, the Hawaiian Electric Companies stated that they do not oppose the granting of intervenor status to any of the Intervenor’s so long as movants do not broaden the issues or delay the proceeding and comply with the Commission’s Rules of Practice and Procedure.

On July 1, 2009, the Commission issued its *Order Granting Intervention*, granting intervenor status to DBEDT, COH, COM, COK, LOL, HDA, HREA, Blue Planet, HSEA, Marriotts, and Forest City (collectively “Intervenor’s”), and extended the original deadline for filing a stipulated procedural order in this docket from July 15, 2009 to July 29, 2009.

The “Parties” in this proceeding are the Hawaiian Electric Companies, KIUC, the Consumer Advocate, and the Intervenor’s. All Parties with the exception of LOL agree that the following provisions of this Stipulated Procedural Order are mutually acceptable

<sup>2</sup> On August 17, 2009, Marriotts filed a letter informing the Commission that the management of the Kauai Marriott Resort & Beach Club changed from Marriott Hotels Services, Inc. to Essex House Condominium Corporation (a corporate affiliate of Marriott International, Inc.

to each.<sup>3</sup> Accordingly, it is ordered that the following Statement of Issues, Schedule of Proceedings, and procedures shall be utilized in this docket.

### **I. STATEMENT OF THE ISSUES**

The issues in this docket are:

1. Whether (a) the Proposed CESP Framework, as may be modified in this proceeding, establishes a framework for a reasonable, flexible, useful, efficient, and timely planning process across a wide range of potential futures and uncertainties which will provide guidance on how each utility will balance meeting the near and long term energy needs of Hawaii's electric utilities and their customers and/or members, and (b) if not, what changes should be made to the Proposed CESP Framework.
2. Whether (a) the Proposed CESP Framework, as may be modified in this proceeding, establishes a framework that supports achievement of State and/or federal energy policy objectives, and (b) if not, what changes should be made to the Proposed CESP Framework.
3. Whether (a) the Proposed CESP Framework, as may be modified in this proceeding, establishes a framework that properly and fully considers and reasonably accommodates the relationship between resource planning and utility consumers, energy stakeholders, the climate and environment, culture, community lifestyles, the economy, society, the need to preserve a stable electric grid and system reliability, and the financial soundness of

<sup>3</sup> On July 29, 2009, LOL filed *Comments on Proposed Stipulated Order* stating LOL's support of the Proposed Stipulated Procedural Order with the caveat that for the instant docket, "the Commission limit the number of hard copies to one: the original to be filed with the Commission."

the electric utilities, and (b) if not, what changes should be made to the Proposed CESP Framework.

4. Whether, as it pertains to KIUC, (a) the Proposed CESP Framework, as may be modified in this proceeding, is consistent with the objectives and policies of an electric cooperative as established by its Board and the electric cooperative's applicable lender requirements, and (b) if not, what changes should be made to the Proposed CESP Framework.

## **II. SCHEDULE OF PROCEEDINGS**

The Parties shall adhere to the schedule of proceedings set forth in the Stipulated Procedural Schedule attached hereto as Exhibit "A", unless modified by the Commission. Notwithstanding the above, the Parties may amend the Stipulated Procedural Schedule as may be agreed in writing from time to time; provided that the requesting party or parties receive the Commission's approval in accordance with Hawaii Administrative Rules ("HAR") §6-61-23, to the extent applicable. However, the intent of the Parties in agreeing to a schedule at this time is to promote the efficient and cost-effective allocation of resources. Therefore, any changes to the schedule should be proposed only when there is an urgency or substantial competing need that cannot be reasonably accommodated without a change.

## **III. MISCELLANEOUS MATTERS TO FACILITATE AND EXPEDITE THE ORDERLY CONDUCT OF THESE PROCEEDINGS**

### **A. Requests for Information**

A party to this proceeding may submit information requests to another party within the time schedule specified in this Stipulated Procedural Order. To the extent

practical, the Parties will cooperate (1) by exchanging information requests and responses as they become available, and (2) by resolving questions regarding information requests and responses informally to attempt to work out problems with respect to understanding the scope or meaning of information requests, or with respect to the availability of information. If a party is unable to provide the information requested within the prescribed time period, it should so indicate to the inquiring party as soon as possible. The Parties shall then endeavor to agree upon a later date for submission of the requested information. If the Parties are unable to agree, the responding party may seek approval for the late submission from the Commission upon a showing of good cause. It is then within the Commission's discretion to approve or disapprove such late filings and take any additional action that may be appropriate, such as extending the date for the party to respond.

In lieu of responses to information requests that would require the reproduction of voluminous documents or materials (e.g., documents over 50 pages), the documents or materials may be made available for reasonable inspection and copying at a mutually agreeable designated location and time. In the event such information is available on computer diskette or other readily usable electronic medium, the party responding to the information request shall make the diskette or such electronic medium available to the other parties and the Commission. Subject to objections that may be raised and to the extent practicable, the electronic files for spreadsheets will contain all formulae intact, and will not be entirely converted to values prior to submission.

A party shall not be required, in a response to an information request, to provide data that is/are already on file with the Commission or otherwise part of the public

record, or that may be stipulated to pursuant to Part B, infra. The responding party shall, in lieu of production of a document in the public record, include in its response to the information request an identification of the document with reasonable specificity sufficient to enable the requesting party to locate and copy the document.<sup>4</sup> In addition, a party shall not be required, in a response to an information request, to make computations, compute ratios, reclassify, trend, calculate, or otherwise rework data contained in its files or records.

A party may object to responding to an information request that it deems to be irrelevant, immaterial, unduly burdensome, onerous or repetitious, or where the response contains information claimed to be privileged or subject to protection (confidential information). If a party claims that information requested is confidential, and withholds production of all or a portion of such confidential information, the party shall: (1) provide information reasonably sufficient to identify the confidential information withheld from the response, without disclosing privileged or protected information; (2) state the basis for withholding the confidential information (including, but not limited to, the specific privilege applicable or protection claimed for the confidential information and the specific harm that would befall the party if the information were disclosed); and (3) state whether the party is willing to provide the confidential information to some or all representatives of the party pursuant to a protective order governing this docket.

---

<sup>4</sup> As practical, each party will cooperate in making available documents that are already on file with the Commission or otherwise part of the public record and in reproducing (at reasonable charges), such public record documents as well as voluminous material referenced by such parties, designated by the requesting parties and/or making available one copy of the designated documents for loan for a reasonable period of time to be reproduced by the requesting party.

A party seeking production of documents notwithstanding a party's claim of confidentiality, may file a motion to compel production with the Commission.

The responses of each party to information requests shall adhere to a uniform system of numbering agreed upon by the Parties. For example, the first information request submitted by the Consumer Advocate in this docket shall be referred to and designated as "CA-IR-1," and a response to this information request shall be referred to and designated as "Response to CA-IR-1."

Each response shall be provided on a separate page and shall recite the entire question asked and set forth the response and/or reference the attached responsive document.

Generally, exhibits should include appropriate footnotes, or narratives inserted in the related testimony, setting forth the sources of the information used and explaining *the methods employed in making statistical compilations or estimates.*

**B. Matters of Public Record**

To reduce unnecessary reproduction of documents and to facilitate these proceedings, identified matters of public record, such as reports that HECO Companies or KIUC have filed with the Commission, published decisions of this or other Commissions, published scientific or economic statistical data, material and textbooks, technical or industry journals relating to electric utility matters, and specified parts of the record in previous Commission dockets shall be admissible in this proceeding without the necessity of reproducing each document; provided that the document to be admitted is clearly identified by reference to the place of publication, file or docket number, and the identified document is available for inspection by the Commission and the Parties;

and further provided that any party has the right to explain, qualify or conduct examination with respect to the identified document. The Commission can rule on whether the identified document can be admitted into evidence when a party proffers such document for admission as evidence in this case.

From time to time, the Parties may enter into stipulations that such documents, or any portion of such documents, may be introduced into evidence in this case.

**C. Copies of Testimony, Exhibits and Information Requests**

**1. Copies of Filings, Information Requests, Responses to Information**

**Requests, Statements of Position:**

2. All pleadings, briefs and other documents required to be filed with the Commission shall comply with the formatting requirements prescribed pursuant to Chapter 61, Subchapter 2, Section 6-61-16 of the Commission's Rules of Practice and Procedure and shall be filed at the office of the Commission in Honolulu within the time limit prescribed pursuant to Chapter 61, Subchapter 2, Section 6-61-15 of the Commission's Rules of Practice and Procedure.

3. Requisite copies of all documents should be sent to the Commission, Consumer Advocate, DBEDT, and HECO Companies by hand delivery or United States mail (first class, postage prepaid). The Parties stipulate and agree that service of documents between parties, other than documents designated as confidential pursuant to any protective order adopted in this proceeding, shall be served electronically via e-mail to the specific e-mail addresses designated by the Parties in writing, in a portable document format ("pdf") by 5:00 p.m. on the day due. The pdf versions served electronically via e-mail shall maintain the original formatting and pagination of the documents sent to the Commission, Consumer Advocate, DBEDT, and HECO Companies. The Parties agree to use Word 97, Word 2000, Word 2002, Word 2003, or later editions of Word readable by these versions as the standard programming format for filings in this case. The Parties also agree to submit any spreadsheets (e.g., used as workpapers or exhibits) in Microsoft Excel format. However, if workpapers, documentation, or exhibits attached to any filing are not readily available in an electronic format, a party shall not be required to convert such workpapers, documentation, or exhibits into an electronic format. Also, existing documents produced in response to requests need not be converted to Word 97, Word 2000, Word 2003 as long as the applicable format is identified.

**D. Communications**

Chapter 61, Subchapter 3, Section 6-61-29 of the Commission's Rules of Practice and Procedure concerning ex parte communications is applicable to any communications between a party and the Commission. However, the Parties may

communicate with Commission counsel on matters of practice and procedure through their own counsel or designated official.

Communications between the Parties should either be through counsel or through designated representatives. All pleadings, papers, and other documents filed in this proceeding shall be served on the opposing party. All motions, supporting memoranda, and the like shall also be served on opposing counsel.

**E. Order of Examination**

The order of presentation for witnesses, and whether the witness will present both written and rebuttal testimony at the same time, shall be determined at the prehearing conference to be held pursuant to the Stipulated Procedural Schedule.

Examination of any witness shall be limited to one attorney for a party. The parties shall avoid duplicative or repetitious cross-examination. Cross-examination shall be limited to witnesses whose testimony is adverse to the party desiring to cross-examine. Re-cross-examination shall be limited to the extent of material covered in redirect examination unless otherwise permitted by the Commission.

**F. General**

These procedures are consistent with the orderly conduct of this docket. Pursuant to Chapter 61, Subchapter 3, Section 6-61-37 of the Commission's Rules of Practice and Procedure, this Stipulated Procedural Order shall control the subsequent courses of the proceedings, unless modified at or prior to the hearing to prevent manifest injustice.

This Stipulated Procedural Order may be executed by the Parties in counterparts, each of which shall be deemed an original, and all of which taken together

shall constitute one and the same instrument. The Parties may execute this Stipulated Procedural Order by facsimile for initial submission to the Commission to be followed by the filing of originals of said facsimile pages.
