Docket No. 2009-0142

DECISION AND ORDER

By this Decision and Order, the commission grants M & R TRUCKS & EQUIPMENT, INC. ("Applicant") a certificate of public convenience and necessity ("Certificate") to operate as a common carrier of property by motor vehicle over irregular routes on the islands of Kauai, Oahu, and Hawaii, in the dump truck classification, subject to certain conditions, as described herein.

I.

Application for Common Carrier Authority

On June 25, 2009, Applicant filed an application requesting a Certificate to operate as a common carrier of property by motor vehicle over irregular routes on the islands of Kauai, Oahu, and Hawaii, in the dump truck classification. The application was filed pursuant to Hawaii Revised Statutes ("HRS") § 271-12.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS Chapter 271 and the requirements and rules of the commission. The commission also finds that the proposed service is required by the present and future public convenience and necessity. Accordingly, the commission concludes that Applicant's request for operating authority, as set forth in the application, should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is granted a Certificate to operate as a common carrier of property by motor vehicle over irregular routes on the islands of Kauai, Oahu, and Hawaii, in the dump truck classification.

2. Within one hundred and twenty (120) days after service of this Decision and Order, Applicant shall:

- a. Complete and submit the enclosed insurance forms: (a) Uniform Motor Carrier Bodily Injury and Property Damage Certificate of Insurance (WC-3539), and (b) Uniform Motor Carrier Bodily Injury and Property Damage Liability Endorsement (WC-3538). The forms should include the policy number and be completed and signed by Applicant's insurance agent or company; or they will be rejected.¹
- b. File a tariff in accordance with Hawaii Administrative Rules, Chapter 6-63. As the application indicates that Applicant will be participating in the tariff published by the Western Motor Tariff Bureau, Inc. ("WMTB"), Applicant shall submit an executed Rate and Tariff Agreement or a tariff scope sheet confirming Applicant's membership in the tariff bureau.
- c. Complete and submit the enclosed "Vehicle Inventory List" form. Applicant shall list all vehicles that it intends to use in the proposed operation. Applicant shall indicate on which island its motor vehicles will be stationed. Applicant must have at least one motor vehicle permanently stationed on each of the islands in which it was granted authority to operate, i.e., Kauai, Oahu, and Hawaii. The vehicles utilized must be registered under the corporation. If Applicant chooses to lease any vehicle, it is required to complete and submit a "Motor Vehicle Equipment Lease" form. The form is available on the commission's website at www.hawaii.gov/budget/puc.
- d. Submit a copy of the current Certificate of Registration or ownership document for all vehicles listed on the Vehicle Inventory List.

e. Provide the addresses of its physical facilities/base yards for the islands of Kauai, Oahu, and Hawaii.

3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified may constitute cause for this commission to vacate this Decision and Order.

4. Applicant shall not commence operations under this Decision and Order until it has received written confirmation from the commission that all requirements have been met.
