#### **Board of Nursing APRN-Rx Controlled Substances Prescriptive Authority Notification to Pharmacists and Pharmacies**

The Chair stated that it may be helpful for the Board to provide information to the pharmacists on the practice and prescribing privileges for advanced practice registered nurses ("APRN"), especially since they will begin prescribing controlled substances. He stated he has mentioned this to the EO and they have been working on an information sheet to be posted on the pharmacy web page that includes information on how pharmacists can verify an ARP's license and/or specialty.

#### **Proposed Emergency Preparedness Statutory Amendment**

The Chair stated that he will be contacting someone from the Department of Health to see if they are favorable to amending the HRS relating to emergency preparedness and recognizing pharmacists during an emergency as one who is able to provide services without liability.

At 9:05 a.m. the Chair called for a recess from the committee meeting to break for the Board meeting.

The Chair announced that the committee was reconvening its meeting at 10:40 a.m.

The Committee continued their review and discussion of the "definitions" section.
