It includes but is not limited to:

- (1) Administration, evaluation, modification of treatment, and instruction involving the use of physical measures, activities, and devices, for preventive and therapeutic purposes; provided that should the care or treatment given by the physical therapist contravene treatment diagnosed or prescribed by a medical doctor, osteopath, or as determined by the Board, the physical therapist shall confer with the professional regarding the manner or course of treatment in conflict and take appropriate action in the best interest of the patient; and
- (2) The provision of consultative, educational, and other advisory services for the purpose of reducing the incidence and severity of physical disability, bodily malfunction, or pain.

After the Board has determined that you are eligible to sit for the exam, you are to register electronically and submit payment directly to the FSBPT. To register and obtain information regarding the examination (process, content, fees, etc.), go to: [www.fsbpt.org](http://www.fsbpt.org).

FSBPT will be notified of your eligibility for the exam and will send you an Authorization to Test form to be received approximately within 15 working days after you were made eligible.

**You must sit for the exam within your eligibility period/date as indicated on your Authorization to Test.** If you fail to do so, you must contact the Board and re-register for the exam. You should receive your examination results approximately within 15 working days after taking the exam.

### EXAM SCORES

For an applicant sitting for the NPTE beginning with the November 1994 test administration, the passing score is the criterion-referenced scaled score of 600. The passing raw score may vary from exam to exam. Therefore, the Board relies on the Examination Services' report to ascertain whether a particular applicant has a passing score.

For an applicant who was initially licensed by taking the exam prior to November 1994, the passing score is - 1.0 Standard Deviation below the national mean of the exam taken by the applicant. This score may vary from exam to exam. Applicants are required to pass the NPTE at one sitting; combining of scores from more than one sitting is not accepted.

(CONTINUED ON PAGE 3)

## EXAM WAIVER

If you have already taken the NPTE and your score meets with Hawaii's passing score requirement **and** you hold or ever held a physical therapy license in the United States **and** you meet the education requirement, the Board will consider issuance of license through the exam waiver provision. Contact the Federation of State Boards of Physical Therapy Score Transfer Service (FSBPT) to have your scores transmitted **directly** to the Board. An application for the FSBPT Score Transfer Service can be made on the internet at the website below or by contacting them directly.

## TEMPORARY LICENSE

You may apply for a temporary license to practice while waiting to sit for the NPTE exam for the **first time**. You are not eligible for a temporary license if you already sat for the exam and failed at anytime, anywhere.

If you are sitting for the NPTE exam for the first time, you can be issued a temporary license when you provide the Board with either:

- (1) the documents and evidence of qualifications listed in §16-110-20(b)(1) or (2), Hawaii Administrative Rules and evidence that you submitted to the Board either an application to take the licensure examination within six months or evidence showing that you have taken the licensure examination and are awaiting its results; or

To apply for a temporary license to practice, submit a completed Statement of Supervising Licensed Physical Therapist from your proposed supervising physical therapist and **attach** the additional \$30 fee.

Only one temporary license will be issued per applicant. Any request for extension of a temporary license will require Board review. For failing candidates, the temporary license automatically expires upon notification of the exam score.

For more information on the requirements for temporary licenses, please refer to Chapter 110, Hawaii Administrative Rules.

## AGE OF MAJORITY AND U.S. CITIZEN

In addition to the education and examination requirements, an applicant shall be beyond the age of majority (18 years of age) and a United States citizen, a United States national, or an alien authorized to work in the United States. If you are not a citizen or national of the United States or alien authorized to work in the United States you may be granted conditional approval pending receipt of your Social Security Number and authorization to work in the U.S.

Reforms in the immigration laws of the United States have led to new requirements for aliens who seek to enter the United States for the purpose of performing labor as a health-care worker, including physical therapists. Federal law mandates that any such alien is inadmissible from the country unless the alien presents a certificate from the CGFNS International, or a certificate from an equivalent independent credentialing organization approved by the Attorney General.
