FINAL REPORT TO THE 2003 HAWAII STATE LEGISLATURE
ON
ACT 259, SLH 2001, RELATING TO THE STATE BUDGET

SUBMITTED TO THE TWENTY-SECOND
STATE LEGISLATURE, 2003

SECTION 40: REGARDING THE APPROPRIATIONS FOR THE NURSING HOME WITHOUT WALLS (NHWW) AND RESIDENTIAL ALTERNATIVES COMMUNITY CARE PROGRAM (RACCP) – [HMS 603]:

The number of clients receiving services and projected to receive services, the number of individuals requesting services or on any waitlists, and the number of individuals in the State that qualify for these services.

	Number of Clients as of 11/1/02	Projected Number of Clients by 6/30/03	Projected Waitlist
NHWW	650	910	486
RACCP	665	782	230

Eligibility requirements for the NHWW and RACC Programs (Medicaid eligible and nursing facility level of care) are explained to each individual prior to placing the name on the waitlist. Therefore, each person on the waitlist is presumed to qualify for these programs. Eligibility requirements are verified at the time the person is admitted into the NHWW or RACC Program.
