In some of the matters before the Commission, a person may wish to request a contested case hearing. If such a request is made before the Commission’s decision, then the Commission will consider the request first before considering the merits of the item before it. A person who wants a contested case may also wait until the Commission decides the issue, then request the contested case after the decision, but before the close of the Commission meeting. Any request must also be made in writing within ten calendar days. If no request for contested case is made, the Commission will make a decision.
