Mr. John Stufflebean, Director
Department of Water Supply
County of Maui
200 South High Street
Wailuku, HI 96793

Dear Mr. Stufflebean,

SUBJECT: Inquiry related to County of Maui, Department of Water Supply Well Field Ground Water Use Permit Applications for Honokahua B 573 Well (Well #6-5938-001), Napili A 569 Well (Well #6-5838-001), Napili B 570 Well (Well #6-5838-002), Napili C 571 Well (Well #6-5838-004); Honolua Aquifer System, West Maui

We are in receipt of your inquiry related to indemnification of and authorization to submit applications for Ground Water Use Permits from the Commission on Water Resource Management for the subject wells. Pursuant to review of our records the following tax map key (TMK) parcels associated with each well are not State lands:

- TMK 4-2-001:040, Honokahua B 573 Well (Well #6-5938-001)
- TMK 4-3-001:093, Napili A 569 Well (Well #6-5838-001)
- TMK 4-3-001:094, Napili B 570 Well (Well #6-5838-002)
- TMK 4-2-001-038, Napili C 571 Well (Well #6-5838-004)

The Department of Land and Natural (DLNR) recognizes that there may be inconsistent records between the County of Maui Real Property Assessment Division's (RPAD) TMK records of ownership and DLNR's Public Land Trust Information System (PLTIS). This letter serves to confirm that the State of Hawaii does not have fee simple ownership of the four parcels listed above. If you have any questions, please contact me at the DLNR Maui District Land Office at (808) 984-8117.

Aloha,
