

TITLE 13

DEPARTMENT OF LAND AND NATURAL RESOURCES

SUB-TITLE 1 ADMINISTRATION

CHAPTER 3

WILDERNESS PRESERVES

- §13-3-1 Purpose
- §13-3-2 Alakai wilderness preserve
- 513-3-3 Penalty

Historical Note: Chapter 3 of Title 13, Administrative Rules is based substantially on Regulation 2, entitled "Concerning the Establishment, Regulation and Protection of Alakai Wilderness Preserve, Island of Kauai." [Eff. 2/10/64; R JUN 22 1981]

513-3-1 Purpose. For the purposes of preserving, protecting, and conserving all manner of flora and fauna, the board of land and natural resources hereby establishes a policy of setting aside selected parcels of land under its control as wilderness preserves.
[Eff. JUN 22 1981] (Auth: HRS §183-2)
(Imp: HRS §183-2)

§13-3-2 Alakai wilderness preserve. (a) The area shown on the map entitled "Alakai Wilderness Preserve", June 30, 1981, attached at the end of this chapter, is hereby declared a wilderness preserve, and shall be known henceforth as the Alakai wilderness preserve.

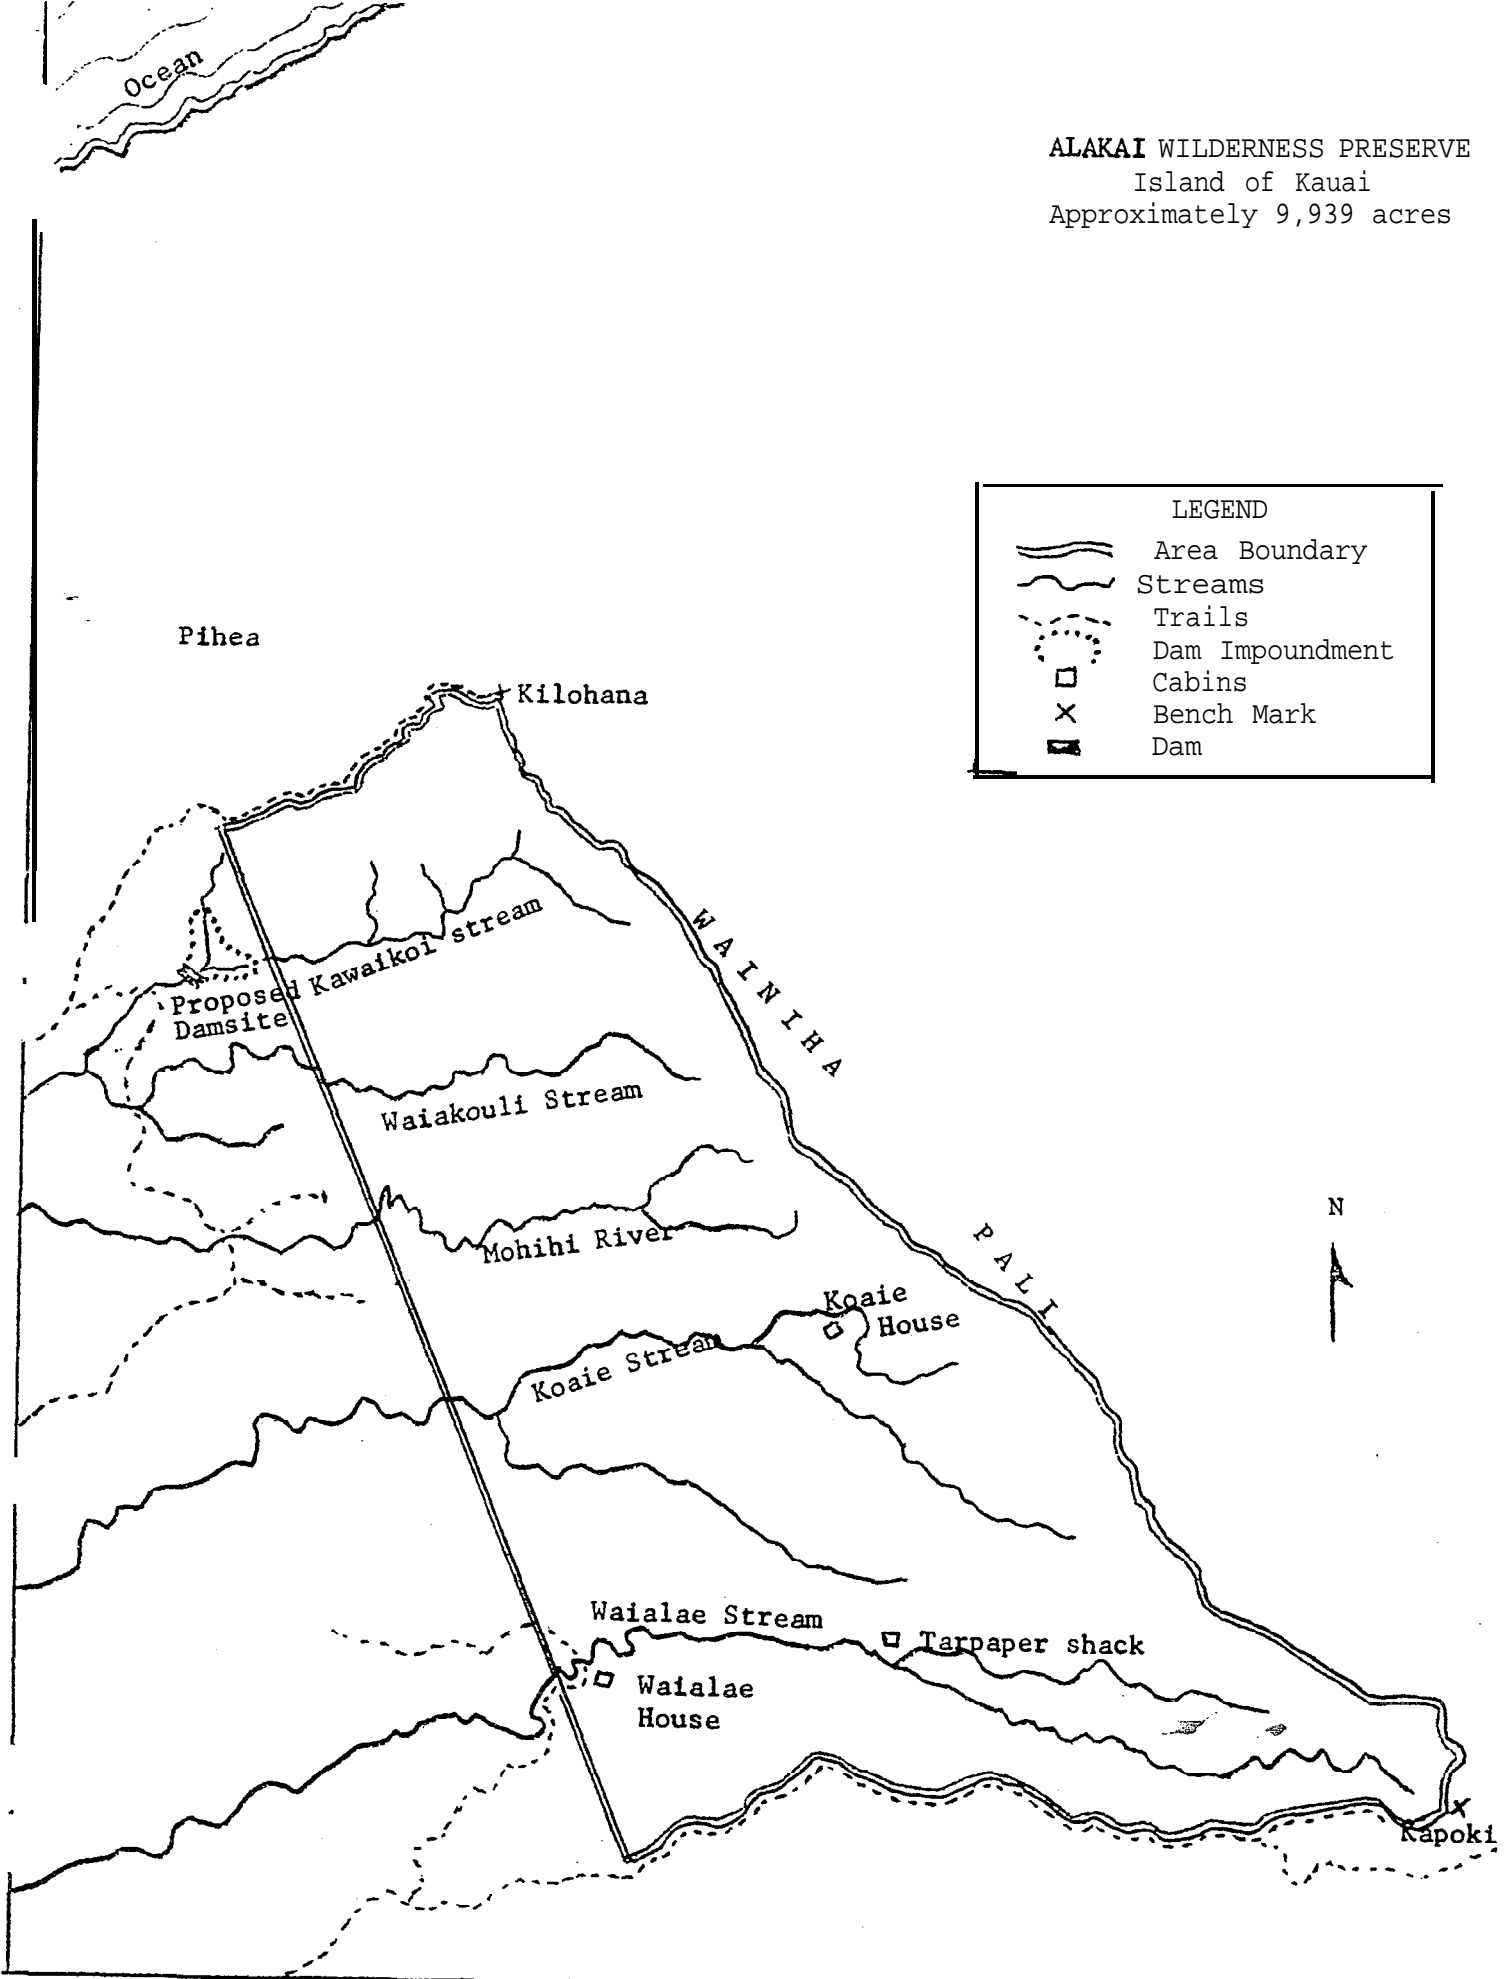

(b) In addition to the provisions of chapter 104, Title 13, Administrative Rules and other applicable rules of the board, the following restrictions shall also apply to the Alakai wilderness preserve:

- (1) The introduction of lantana (Lantana camara), black wattle (Acacia decurrens), firetree (Myrica faya), blackberry (Rubus penetrans), or any plants or animals deemed objectionable by the board is prohibited;
- (2) Mining, grazing of horses, cattle, or any other domestic animal is prohibited:

ALAKAI WILDERNESS PRESERVE
Island of Kauai
Approximately 9,939 acres
