MINUTE ORDER NO. 4

ORDER SETTING PRE-HEARING CONFERENCE

On August 23, 2021, the Circuit Court of the First Circuit issued its Findings of Fact, Conclusions of Law and Order (“FOF/COL”) in Civil No. 20-0001541 which found, among other things, that Petitioner Sierra Club has standing to challenge Applicants Alexander & Baldwin, Inc. and East Maui Irrigation Company, LLC’s request for the continuation of the revocable permits at issue. In accordance with the Court’s FOF/COL, the Board is proceeding on the assumption that Sierra Club has standing as Petitioner in this contested case. However, by proceeding in this manner, the Board does so without prejudice to its right to challenge the Court’s FOF/COL or any other findings, conclusions, or judgments which have been or will be entered by the Court in Civil No. 20-0001541.

A pre-hearing conference in this matter is scheduled for October 29, 2021 at 9 a.m. via Zoom video conference. The purpose of the pre-hearing conference is to discuss the scope of the

contested case and set the dates for the contested case hearing and all pre-hearing deadlines. The parties shall log onto the Zoom platform using the following information:
