## IN THE CIRCUIT COURT OF THE FIRST CIRCUIT

## STATE OF HAWAI'I

SIERRA CLUB,  Plaintiff,  vs.	) CIVIL NO. 19-1-0019-01 JPC ) (Environmental Court) ) ) DECLARATION OF MIRANDA CAMP
BOARD OF LAND AND NATURAL RESOURCES, DEPARTMENT OF LAND AND NATURAL RESOURCES, SUZANNE CASE in her official capacity as Chairperson of the Board of Land and Natural Resources, ALEXANDER AND BALDWIN, INC., and EAST MAUI IRRIGATION, LLC	
Defendants.	,

## **DECLARATION OF MIRANDA CAMP**

- I, Miranda Camp, under penalty of perjury hereby state the following is true and accurate to the best of my knowledge and belief:
  - 1. The statements below are based upon my personal knowledge.
  - I have lived on, and have been a resident of, Maui for about 22 years.
  - 3. I have been a member of the Sierra Club for decades.
- 4. I am on the executive committee of the Sierra Club's Maui Group and am a hike leader.
- I have led Sierra Club hikes to or along Makapipi Stream, Punaluu Stream,
   Wailuaiki Stream, Waikamoi Stream, Kōlea Stream, and Wahinepe'e Stream in east Maui.
- 6. I have also hiked to, or along, Nailiilihaele Stream, Papaaea Stream, Hoalua Stream, Oopuola Stream, Puehu Stream, Hanehoi Stream and Honopou Stream.
  - I hike in the East Maui watershed several times a year.

8. I love hiking along streams with running water. I cannot fully describe how happy it makes me to see streams full of life flowing from mauka to makai. I enjoy seeing the diversity of life in streams and experiencing the natural world.

9. I have hiked above, below and next to the stream diversions.

10. It is far more pleasant to hike along a stream that is flowing than one that is bone dry or just a trickle.

11. While some streams are in better health than they used to be, I am concerned both that existing diversions and an increase in the amount of water diverted will diminish my enjoyment of hiking to and along streams in east Maui.

12. I appreciate seeing native plants and am discouraged by the growth of invasive species.

13. When the streams are diverted, the natural experience is diminished.

14. I have participated in numerous service projects on Maui to get rid of invasive species – but have not been able to do so within the area covered by the revocable permits.

15. I have seen invasive plants crowd out native species in the East Maui watershed covered by the revocable permits.

16. My interests would be adversely affected if the revocable permits are continued for another year without sufficient conditions to protect our natural environment.

I declare under penalty of perjury that the foregoing is true and correct.

DATED:

Kihei, Hawai'i, February 5 2019.
