ROLL  
CALL

Chairperson William W. Paty called the meeting of the Board of Land and Natural Resources to order at 9:00 A.M. The following were in attendance:

MEMBERS: Mr. J. Douglas Ing  
Mr. Moses W. Kealoha  
Mr. Herbert Arata  
Mr. Herbert Apaka  
Mr. William W. Paty

Absent & Excused

Mr. John Arisumi

STAFF: Mr. Henry Sakuda  
Mr. Ralph Dahler  
Mr. Ralston Nagata  
Mr. Mike Shimabukuro  
Mr. Roger Evans  
Mr. Sam Lee  
Mrs. LaVerne Tirrell

OTHERS: Mr. Johnson Wong, Deputy A.G.  
Mr. Peter Garcia, Dept. of Transportation  
Mr. Hugh Ono (Item F-2)  
Dr. Philip Helfrich (Item H-2)  
Ms. Duk Hee Murabayashi & Mr. Clyde Nagata (Item  
H-3)  
Ms. Diane Faye (Item H-6)

MINUTES: The board voted unanimously to approve the minutes of August 12, 1988.  
(Ing/Kealoha)

ADDED  
ITEMS: Upon motion by Mr. Ing and a second by Mr. Kealoha, the board voted  
unanimously to add the following items to the Agenda:

Item D-3 -- Filling of Engineer (Civil) V Position No. 09715.

Item D-4 -- Filling of Civil Engineer VI Position No. 09745.

Item E-3 -- Filling of Archaeologist Positions for Hawaiian Home Lands  
Inventory Projects.

Item E-4 -- Approval of Proposed Funding of Project Under the Land and  
Water Conservation Fund Program.

Item I-2 -- Filling of Position No. 02954, Conservation and Resources  
Enforcement Officer V, Island of Hawaii.

Item I-3 -- Filling of Position No. 02958, Conservation and Resources  
Enforcement Officer V, Island of Oahu.

Items on the Agenda were considered in the following order to accommodate those applicants present at the meeting:

**REQUEST OF COUNTY OF HAWAII FOR SET ASIDE OF LAND FOR MUNICIPAL WASTEWATER TREATMENT PLANT AND WASTEWATER RECLAMATION FIELD, KEALAKEHE, NO. KONA, HAWAII.**

ITEM F-2

Inasmuch as the area in question is in conflict with the State Housing Financing and Development Corporation's plans for the Kealakehe Housing Project and because of Hawaii County's deadline for EPA funding, Mr. Shimabukuro asked that this item be deferred to the October 14, 1988 meeting.

ACTION      Deferred.

**REQUEST FOR AN AMENDMENT TO CDUA OA-487A FOR AN ADDITIONAL GENERATOR AND AUXILIARY EQUIPMENT AT HELCO'S GENERATING STATION AT KEAHOLE, NORTH KONA, HAWAII - AGENT: DHM PLANNERS, INC.; APPLICANT: HAWAIIAN ELECTRIC LIGHT CO.**

ITEM H-3

Rather than a diesel generator, Mr. Evans said that Hawaiian Electric is requesting approval to use an electric turbine generator. The last time the board approved an amendment the question was raised to the applicant as to how many more generators would be required on the site. The intent was for the applicant to take advantage of the potential geothermal development that was expected to be coming in the future. The applicant, at that time, did indicate that they were going to pursue the idea of making full use of the geothermal that was to be developed. However, between that board approval and those representations, geothermal development today has not really progressed at the same speed that the population increased in density and need has progressed. Accordingly, staff is recommending approval of this request.

Mr. Kealoha noted that staff's recommendation did not indicate the type of generator that would be used and said that he would feel more comfortable if this was shown in the recommendation. Mr. Evans said that there would be no problem amending the recommendation to show that an electric turbine would be used.

Relative to Condition No. 1, that the noise level be monitored at the property line and that additional noise abatement measures be provided, Mr. Paty asked if staff had a specific abatement measure in mind if it should exceed 70 dBA. Mr. Evans said that the noise study which was done on this indicated that under the worse case scenerio, that 70dBA noise level would be exceeded in the southern portion of the property line. The study pointed out that if you put on new mufflers that should alleviate even the worse case conditions. Notwithstanding that, staff felt that they should have an opportunity, if complaints come in and it turns out that the problem is that it is going above 70dBA, that staff have some flexibility of forcing them to do something else.

Mr. Paty asked, "if it turns out that whatever measures currently being planned are not adequate to hold the noise level at an acceptable point what then would the mitigating measure be?" Mr. Evans said that they use a term "GEP", which means good engineering practices. This is where they go back and look to see what they can do, on an engineering basis, to reduce the noise.

Mr. Paty asked the same question of the applicant. Mr. Clyde Nagata, representing the applicant, said that they intend to monitor the noise level after installation of the new generator and if it should exceed the noise level then they are looking at other options i.e. earth berm barrier around the facility. Mr. Paty then asked, "you would be prepared to

undertake those measures if the board is able to show that this noise level is not being met?" Mr. Paty was trying to determine what would need to be done for the applicant to say that they are willing to spend this extra money to put up a hollow tile barrier or whatever is needed to deal with the noise level. Mr. Nagata said that if their monitoring does show that they are exceeding the noise level then they will come back to the board with plans to do the mitigation work.

As he understood the noise code, Mr. Ing said that he thought that this was measured at the point of the closest residence, rather than the property line itself. He asked if, in the analysis, this was ever taken into consideration. Mr. Nagata said that, basically, there is no noise code for the Big Island. However, in trying to comply with what was required of them, basically the concern, in a worst-case basis, would be at the property line. If they are able to maintain this at the property line then the noise at the residences would be much less.

Mr. Ing said that when they went through the geothermal proceedings they did talk in great detail about the noise levels so he wondered where they got those standards from. In reply, Mr. Evans said that when the board approved an earlier application for this particular request, the board, as a condition of the approval, used the figure 70dBA. There is no noise code for the Big Island so staff came to the board with a figure of 70 dBA, which was issued by the City and County of Honolulu.

While recognizing the problems, Mr. Kealoha felt also that the board would have to look at other terms and conditions, which could be worked out with the applicant. He expressed concerns for those people living within the ag park area.

Mr. Paty asked what the difference in the current noise level would be as opposed to the noise level anticipated with the new generator. Mr. Nagata felt that the level would only be raised by 1 dBA with the new generator.

ACTION

Mr. Arata moved to approve as submitted by staff and also to add a new condition with respect to monitoring. Motion carried unanimously with a second by Mr. Kealoha.

ITEM H-6

CDUA FOR FENCING TO CONTROL ILLEGAL PARKING, "FOR PROTECTION OF DESIRED VEGETATION...(AND FOR) EROSION CONTROL" - FILED BY DIANE G. FAYE.

Mr. Evans said that the applicant proposes to protect the subject parcel from illegal parking by trespassers, which (parking) is in violation of the Administrative Rules of the Department and HRS, Chapter 183, Section 41, by constructing a fence 3'6" in height, with supporting fence posts.

While recommending approval, Mr. Evans said that staff is concerned with the use of barbed wire as fencing material. Therefore, Condition No. 8 says that the applicant is authorized to use (subject to Condition No. 5) only such fencing material (not barbed wire), will be acceptable to DLNR and the Kauai Planning Department.

As long as they are in compliance with the County Ordinance, Mr. Kealoha did not feel that we should be concerned with the type of fencing material they use. Mr. Evans said that staff was just trying to address concerns which they have received. Kauai County, for instance, had asked that they don't use barbed wire.

Ms. Diane Faye, one of the landowners, said that her family has owned this property for more than fifteen years and, years ago, had no problems requiring a fence. However, in recent years, with the growth of commercial activities in the area, there has been a growing problem of people using their private property as though it's a public park. Trash is everywhere and people are relieving themselves without regard to decency or privacy.

Ms. Faye said that they would like to use their property and the only way to do this is by building a fence to keep the people and cars off.

ACTION Mr. Apaka moved to approve with an amendment to the conditions that there will be no restriction as to the type of fencing to be used. Seconded by Mr. Kealoha, motion carried unanimously.

ITEM H-2 AFTER-THE-FACT CDUA FOR A BURIED INTAKE PIPELINE AT COCONUT ISLAND, KANEHOE BAY, HAWAII - FILED BY MR. CLYDE AKITA.

Mr. Evans presented this item with a recommendation to 1) assess the applicant a fine of \$500.00 for the unauthorized work in the conservation district; and 2) that the board approve this request for excavation and entrenchment of the filtered seawater intake system subject to the conditions listed in the submittal.

Dr. Helfrich took responsibility for being negligent, although not wilful, and therefore had no problems with the conditions imposed by staff.

ACTION Unanimously approved as submitted. (Ing/Kealoha)

ITEM B-1 OUT-OF-STATE TRAVEL REQUEST FOR ERIC ONIZUKA TO ATTEND FEDERAL AID COORDINATORS CONFERENCE, OCTOBER 11-13, 1988.

ACTION Unanimously approved Eric's Onizuka's request to attend the Federal Aid Coordinators Conference in Coeur d'Alene, Idaho, from October 10-14, 1988. (Ing/Kealoha)

ITEM B-2 FILLING OF A TEMPORARY FISHERY AID POSITION NO. 32693 IN THE DIVISION OF AQUATIC RESOURCES (OAHU).

ACTION Unanimously approved the appointment of Ms. Nicole Stypa to Position No. 32693. (Ing/Kealoha)

ITEM C-1 FILLING OF VACANT WILDLIFE MANAGEMENT ASSISTANT III POSITION, MAUI.

ACTION Unanimously approved the appointment of John S. Medeiros to Position No. 10945. (Apaka/Ing)

ITEM C-2 FILLING OF EQUIPMENT OPERATOR III, POSITION NO. 02942, ISLAND OF MAUI.

ACTION Unanimously approved the appointment of Richard Pacheco to fill Position No. 02942. (Arata/Kealoha)

ITEM D-1 FILLING OF TEMPORARY FULL TIME CIVIL ENGINEER III, POSITION NO. 32433, DIVISION OF WATER AND LAND DEVELOPMENT, OAHU.

ACTION Unanimously approved the appointment of Ms. Alyson K. Yim to Position No. 32433. (Arata/Kealoha)

ITEM D-2 FILLING OF FULL TIME CIVIL ENGINEER VI, POSITION NO. 2776, DIVISION OF WATER AND LAND DEVELOPMENT.

ACTION Unanimously approved the appointment of Andrew M. Monden to Position No. 2776. (Ing/Kealoha)

ADDED  
ITEM D-3 FILLING OF ENGINEER (CIVIL) V POSITION NO. 09715.

ACTION Unanimously approved the appointment of Dickey H. Lee to Position No. 09715. (Kealoha/Arata)

ADDED  
ITEM D-4 FILLING OF CIVIL ENGINEER VI POSITION NO. 09745.

ACTION Unanimously approved the appointment of Richard K. Chung to Position No. 09745. (Kealoha/Arata)

ITEM E-1 RESUBMITTAL - REQUEST TO ERECT A TENT CITY IN THE WAILOA RIVER STATE RECREATION AREA, ISLAND OF HAWAII.

ACTION The board voted unanimously to deny 1) the issuance of a permit to the Veterans of the Vietnam War, Inc. to use a portion of the Wailoa River State Park on November 9-12, 1988 because of health and traffic concerns; and 2) the issuance of a permit to have a simulated air-ground assault show on November 11, 1988 because this type of activity may endanger the viewing public. (Arata/Kealoha)

ITEM E-2 SPECIAL USE PERMIT TO THE CITY AND COUNTY OF HONOLULU, DEPARTMENT OF PARKS AND RECREATION FOR USE OF SANS SOUCI STATE RECREATION AREA.

ACTION Unanimously approved as submitted. (Kealoha/Ing)

ADDED  
ITEM E-3 FILLING OF ARCHAEOLOGIST POSITIONS FOR HAWAIIAN HOME LANDS INVENTORY PROJECT.

ACTION Unanimously approved the appointment of Perry A. Tourtellotte and Edward Archer to fill the Temporary Hire Archaeologist I positions assigned to the Historic Sites Program. (Ing/Kealoha)

ADDED  
ITEM E-4 APPROVAL OF PROPOSED FUNDING OF PROJECT UNDER THE LAND AND WATER CONSERVATION FUND PROGRAM.

ACTION Unanimously approved as submitted. (Ing/Kealoha)

ITEM F-1 DOCUMENTS FOR CONSIDERATION.

Item F-1-a ISSUANCE OF REVOCABLE PERMIT TO HEMMETER CORPORATION FOR FENCE AND LAND-SCAPING PURPOSES, TMK 2-1-17:02, HONOLULU, OAHU.

Item F-1-b CONSENT TO ASSIGNMENT OF GENERAL LEASE NO. S-3766 COVERING LOT 26, WAIMANALO AGRICULTURAL SUBDIVISION, TMK 4-1-27:29, WAIMANALO, KOOLAUPOKO, OAHU.

Item F-1-c REQUEST FOR CONSENT TO ASSIGN GENERAL LEASE NO. S-3169, DAVID VICTOR HUGGETT AND LEE MCDANIEL HUGGETT TO BARBA BEVIN, LOT 36, OCEAN VIEW LEASE LOTS, WAIAKEA, SO. HILO, HAWAII.

Item F-1-d REQUEST FOR REVOCABLE PERMIT, KAILUA-KONA VILLAGE DEVELOPMENT GROUP, HONUULA, NO. KONA, HAWAII.

ITEM F-1-e

RESUBMITTAL -- REQUEST FOR REVOCABLE PERMIT, OLU KAI, LTD., PUA A 1ST, NO. KONA, HAWAII.

Mr. Shimabukuro explained that this item had been deferred earlier because of a disagreement between the applicant and staff with respect to the rental. Staff still has not been able to come up with a recommended rental and therefore asked that the board approve the issuance of this permit but that the rental be established by staff appraiser, such rental to be subject to the approval of the chairperson.

Messrs. Ing and Kealoha felt that this item should be deferred until such time that the rental is determined.

ACTION

Mr. Apaka moved to approve Items F-1-a, b, c and d as submitted and to defer taking action on Item F-1-e until such time as the monthly rental has been determined. Motion carried unanimously with a second by Mr. Kealoha.

RECESS:

10:20 - 10:30 a.m.

ITEM F-2

REQUEST OF COUNTY OF HAWAII FOR SET ASIDE OF LAND FOR MUNICIPAL WASTEWATER TREATMENT PLANT AND WASTEWATER RECLAMATION FIELD, KEALAKEHE, NO. KONA, HAWAII.

ACTION

Deferred. See Page 2.

ITEM F-3

REQUEST FOR ONE (1) YEAR HOLDOVER OF GENERAL LEASE NO. S-4211, TMK 2-2-15:16, KULA, MAKAWAO, MAUI.

ACTION

Unanimously approved as submitted. (Kealoha/Apaka)

ITEM F-4

RESUBMITTAL - APPROVAL FOR ADOPTION OF CHAPTER 13-222, HAWAII ADMINISTRATIVE RULES ENTITLED "SHORELINE CERTIFICATION."

At the request of the Native Hawaiian Legal Corporation, Mr. Shimabukuro asked that this item be deferred until the October 14, 1988 Land Board meeting.

ACTION

Deferred until the October 14, 1988 meeting. (Kealoha/Ing)

ITEM F-5

RESCISSION TO PREVIOUS BOARD ACTION COVERING ASSIGNMENT OF GENERAL LEASE NO. S-3793, WAIMANALO, KOOLAUPOKO, OAHU.

ACTION
