Curt Cottrell, Na Ala Hele Program Manager and the Chairperson's designee for the Act 82 Risk Assessment Working Group (RAWG) came forward to present the above agenda item. Mr. Cottrell pointed out Act 82 provided for the promulgation of Administrative Rules. He believes that although it has taken some to come up with these rules, he feels the end result will be much better. Mr. Cottrell pointed out a public hearing was held in which three people attended. One of the attendees at the public hearing was Robert Toyofuku, representing the Consumer Lawyers of Hawaii. At the meeting and through written testimony Mr. Toyofuku suggested some revisions to the proposed rules which staff incorporated into the rules presented today. Mr. Cottrell communicated the real changes in the rules were in regards to the definition of "caution", "warning" and "danger." Mr. Cottrell brought a sample of the size of the various signage which the rules would authorize. Mr. Cottrell recommended the Board approve the public hearing minutes and concur with the changes as described and adopts the proposed new Chapter 13-8, HAR, for the Design and Placement of Warning Signs on Improved Public Lands and directs staff to forward the proposed final HAR to the office of the Attorney General for approval as to form and the Governor and the Lieutenant Governor for filing.

Russell Tsuji, Administrator of the Land Division recommended the Board approve the issuance of a direct lease to the YWCA but that the Board determine the lease rent to the YWCA based on the three options presented by staff (one-time payment of fair market rent, one-time payment of nominal rent or annual payments of nominal rent).

Bob Schaver, Senior Facilities Manager for the YWCA made it known their organization in a non-profit organization. He went on to say that the subject pier has been in existence for over eighty (80) years and is being used by the community as a community pier. He acknowledged the YWCA does not charge the community for use of the pier nor is it available to YWCA members only. Mr. Schaver announced that his organization has raised over \$100,000 to fix the deteriorated pier and realizes that they would need to raise an additional \$300,000. When asked by the Board which payment option he'd prefer, Mr. Schaver indicated a one-time payment of nominal rent, but he would entertain an option for a lower rent amount.

Mr. Tsuji reminded the Board of a previous policy they adopted in May 2005 in which the nominal rent amount was designed to cover administrative costs in monitoring the lease (i.e. sending bills out and making sure the lessee has insurance).

### **The Board amended Recommendation B**

**“B. Determine that the lease rent to the YWCA shall be:**

~~[Fair market rent (one-time payment) for the time period July 13, 2001 to July 12, 2056, which is \$75,700.~~

~~\$480 per annum, with no rental reopenings provision.]”~~

**Item K-1: Request for Public Hearing and Small Business Impact Determination to Amend Title 13, Chapter 222, Hawaii Administrative Rules Related to the Definition of the Shoreline (Shoreline Certification Rules).**

Sam Lemmo, Administrator for the Office of Conservation and Coastal Lands (OCCL) acknowledged he would like to change the definition of “shoreline” as contained in Hawaii Administrative Rules (HAR) Title 13, Chapter 222. He pointed out the definition in the HAR

differs from the definition under Chapter 205A-1, Hawaii Revised Statutes. Mr. Lemmo went over the proposed changes he is requesting. Mr. Lemmo recommended the Board approve the Department's request to process the subject amendment to Chapter 13-222, HAR, determine that the proposed rule amendment will not impact small business, authorize the forwarding of a request for public hearings to the Governor, upon executive approval, publish public hearing notices and upon executive approval, appoint a representative of the Board of Land and Natural Resources as public hearing master.

Mr. Lemmo explained previously the Board approved Conservation District Use Permit KA-3160 and included in the recommendation section was a provision requiring the applicant to provide documentation that the approval has been placed in recordable form as a part of the deed instrument. Mr. Lemmo indicated this provision is not typically included for government agencies and recommended the Board approve an amendment to remove condition #6 from CDUP KA-3160 subject to the conditions listed in staff's submittal.

**Item K-2: Request for Public Hearing and Small Business Impact Determination: Petition to Amend Title 13, Chapter 5, Hawaii Administrative Rules (13-5, HAR) to Designate a Portion of the State Land Use conservation District into the Resource Subzone.**

Mr. Lemmo noted the County of Kauai is requesting to create a resource subzone on the island of Kauai in Kealia. This action will require an amendment to the rules therefore a public hearing will need to be held. Once the area is designated a resource subzone the County will be able to commence completion of the Bike and Pedestrian Pathway. Mr. Lemmo recommended the Board approve the petitioner's request to process the subject petition to amend chapter 13-5, Hawaii Administrative Rules, determine that the proposed rule amendment will not impact or affect small business, authorize the forwarding of a request for public hearing to the Governor, upon executive approval, publish public hearing notice and upon executive approval, appoint a representative of the Board as public hearing master for the proposed rule amendment's public hearing.

Mr. Tsuji let it be known this Board action is for the sale of reclaimed lands and a grant of term non-exclusive easement. Mr. Tsuji recommended the Board impose a \$500 fine for the illegal encroachment, authorize the subject request to be applicable in the event of a change in the ownership of the abutting parcel, subject to the applicant fulfilling all of the requirements authorize the issuance of a term, non-exclusive easement to the applicant, find that the sale of the subject reclaimed land is not prejudicial to the best interest of the State, community or area and authorize the sale of the subject reclaimed land to Stevan M. Bailey covering the subject area under the terms and conditions listed in staff's submittal.

Stevan Bailey, the applicant appeared before the Board to appeal the \$500 fine as the subject encroachment happened over fifty years ago when he was not the property owner. Mr. Bailey feels the owner of the property at the time the subject encroachment occurred should be responsible for the fine.

Carol Lopes, mother of Ronald Lopes testified before the Board. Mrs. Lopes indicated her son's policy was dropped by his current insurance company. She asked the Board for additional time to acquire the necessary insurance coverage to satisfy the terms of her son's lease. Mrs. Lopes noted that a possible reason for her son's insurance coverage to be dropped was due to the falling rocks in the area and the poor condition of the road.

Jocelyn Kaawa, President of the Maunalaha Community Association told the Board she would need more than sixty days to obtain the required liability insurance. Ms. Kaawa made the Board aware of the fact that there are others in Maunalaha that do not have insurance coverage and their community

association will be working with those residents to resolve the situation. Mr. Kaawa asked for an additional ninety days to obtain the required insurance coverage.
