APPLICANT REQUIREMENTS:

Applicant shall be required to:

- 2) Consolidate the remnant with the Applicant's abutting property through the County subdivision process;
- 3) Provide survey maps and descriptions according to State DAGS standards and at Applicant's own cost;
- 4) Pay for the pro-rated cost to subdivide the remnant so that portions may be sold to multiple abutting owners.

REMARKS:

Pursuant to section 171-52, HRS, a remnant is defined as "a parcel of land economically or physically unsuitable or undesirable for development or utilization as a separate unit by reason of location, size, shape, or other characteristics." The subject parcel has been determined to be a remnant by this definition for the following reasons:

The subject parcel is considered to be a remnant parcel because it is a portion of an abandoned irrigation ditch, and is physically unsuitable for development.

The subject ditch parcel was formerly used for water delivery to the agricultural

lots in Waimanalo. State of Hawaii is the fee owner of the irrigation ditch system and is under the jurisdiction of the Department of Agriculture pursuant to Governor's Executive Order No. 1598.

Harry Y N Mau Family Trust owns the property identified as tax map key (1) 4-1-024:059, while Mr. & Mrs. Leonhardt own (1) 4-1-024:088 as staff has confirmed the respective ownership information with the City and County of Honolulu's records. The subject remnant is located between the applicants and there are no other abutting property owners.

According to Section 171-52, HRS, if there is more than one abutting owner who is interested in purchasing the remnant, it shall be sold to the one submitting the highest sealed bid or if the remnant abuts more than one parcel, the Board may subdivide the remnant so that a portion may be sold to each abutting owner. Both applicants agree to a proposal of subdividing the subject remnant depicted on Exhibit A.

Applicants have not had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

Board of Water Supply, Department of Agriculture, and Department of Health have no comment/objection to the request. Department of Hawaiian Home Lands, Division of Aquatic Resources, Historic Preservation Division, Commission on Water Resource Management, Department of Planning and Permitting, Department of Facility Maintenance, and the Office of Hawaiian Affairs have not responded as of the suspense date.

There are no other pertinent issues or concerns. Staff has no objection to the request.

#### RECOMMENDATION:

That the Board:

1. Find that the subject lands are economically or physically unsuitable or undesirable for development or utilization as a separate unit by reason of location, size, shape, or other characteristics and, therefore, by definition is a remnant pursuant to Chapter 171, HRS.
2. Authorize the subject requests to be applicable in the event of a change in the ownership of the abutting parcel described as Tax Map Key: (1) 4-1-024:059 and 088, as appropriate, provided the succeeding owner has not had a lease, permit, easement or other disposition of State lands terminated within the last five (5) years due to non-compliance with such terms and conditions.
3. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is

therefore exempt from the preparation of an environmental assessment.

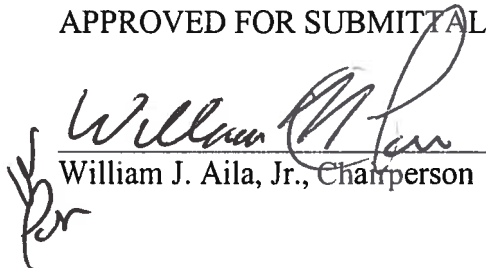

4. Authorize the subdivision and consolidation of the subject remnant by the Applicant.
5. Approve of and recommend to the Governor the issuance of an executive order withdrawing the subject area from Governor's Executive Order No. 1598, subject to the following:
  - a. The standard terms and conditions of the most current executive order form, as may be amended from time to time;
  - b. Disapproval by the Legislature by two-third vote of either the House of Representatives or the Senate or by the majority vote by both in any regular or special session following the date of the setting aside;
  - c. Review and approval by the Department of the Attorney General;
  - d. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
6. Subject to the Applicant fulfilling all of the Applicant Requirements listed above, authorize the sale of the subject remnant to Harry Y N Mau Family Trust and Kenneth and Estrellita Leonhardt covering the respective subject area under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
  - a. The standard terms and conditions of the most current deed or grant (remnant) form, as may be amended from time to time;
  - b. Review and approval by the Department of the Attorney General; and
