Engineering Division
Honolulu, HI 96813

July 27, 2012

Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

**Authorization to Issue Procurement Solicitations and Award of Contracts
Under Hawaii Revised Statutes Chapter 103D for
Various Capital Improvements Program Projects Listed in Exhibit 1**

The Engineering Division and other user divisions desire to engage consultants to provide various professional services and contractors to provide construction services for the Capital Improvements Program (CIP) projects, locations and types of services including, but not limited to, those indicated and described in Exhibit 1. The list is arranged by the Program ID in which the funds were appropriated.

The General Appropriations Act of 2011, as amended by the Supplemental Appropriations Act of 2012, and other prior CIP appropriations for which funds have not lapsed, authorize expenditures for these projects.

All procurements will be made in accordance with the State Procurement Code, Chapter 103D, Hawaii Revised Statutes (HRS). All projects will comply with applicable provisions of Chapter 343, HRS, regarding Environmental Impact Statements.

RECOMMENDATION:

1. That the Board of Land and Natural Resources authorize the issuance of procurement solicitations and award of contracts under HRS Chapter 103D for various capital improvements program projects listed in Exhibit 1 and authorize the Chairperson to sign the necessary documents pertaining to the individual projects, subject to available funding, release of funds by the Governor, and review and approval as to form by the Department of the Attorney General.
2. That the Board authorize the Chairperson, subject to available funding and review and approval by the Department of the Attorney General, to enter into supplemental contracts to address unforeseen project-related conditions and sign the necessary documents to implement the additional work.

Respectfully Submitted,

CARTY S. CHANG
Chief Engineer
