REMARKS:

Pursuant to section 171-52, HRS, a remnant is defined as "a parcel of land economically or physically unsuitable or undesirable for development or utilization as a separate unit by reason of location, size, shape, or other characteristics." The subject parcel has been determined to be a remnant by this definition for the following reasons:

Research conducted by staff has determined that under General Lease No. S-1697, dated February 1925, Lot 54-B reserved a 12' wide right-of-way for access to Lot 54-A. Subsequently, Lot 54-A was sold by the Territory of Hawaii to Mrs. Kealiikaapuni Kanakaole and was issued Land Patent Grant No. 7663. Lot 54-B was sold at Public Auction on March 22, 1940 to Mrs. Kealiikaapuni Kanakaole and issued Land Patent Grant No. 10,832. With the sale of Lot 54-B, the 12' wide right-of-way to Lot 54-A was extinguished. The current 10 foot wide remnant was subdivided out of Lot 54-B giving access to Lot 54-A prior to the Public Auction sale in 1940. Since the creation of the current remnant was done
prior to the auction sale, it still remained with the Territory of Hawaii, making it a state owned remnant.

Applicant is the owner of parcel (4) 1-9-002:025 as staff has confirmed by the Kauai County, Real Property Tax website. Other abutting properties to the subject remnant parcel include TMK: (4) 1-9-002:024, owned by Ethan and Camille Page and TMK: (4) 1-9-002:022 owned by McBride Sugar Company. According to Section 171-52, HRS, if there is more than one abutting owner who is interested in purchasing the remnant, it shall be sold to the one submitting the highest sealed bid or if the remnant abuts more than one parcel, the Board may subdivide the remnant so that a portion may be sold to each abutting owner.

By letter dated April 26, 2007, staff informed abutting property owners Ethan and Camille Page and McBride Sugar Company of the request to purchase subject remnant and the purchase was offered to them as well. To date, there been no response or indication of interest from Ethan and Camille Page or McBride Sugar Company to purchase this remnant.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

RECOMMENDATION:

That the Board:

1. Find that the subject lands are economically or physically unsuitable or undesirable for development or utilization as a separate unit by reason of location, size, shape, or other characteristics and, therefore, by definition is a remnant pursuant to Chapter 171, HRS.

2. Authorize the subject requests to be applicable in the event of a change in the ownership of the abutting parcel described as Tax Map Key: (4) 1-9-002:025,
provided the succeeding owner has not had a lease, permit, easement or other disposition of State lands terminated within the last five (5) years due to non-compliance with such terms and conditions.

3. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

4. Subject to the Applicant fulfilling all of the Applicant Requirements listed above, authorize the sale of the subject remnant to James G. Page and Judith C. Page and covering the subject area under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:

   a. The standard terms and conditions of the most current deed or grant (remnant) form, as may be amended from time to time;
   b. Review and approval by the Department of the Attorney General; and
   c. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
