Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

PSF No.13HD-092
Hawaii

Issuance of Right-of-Entry Permit to Hawaii Explosives & Pyrotechnics, Inc. for
Set up and Firing of Aerial Fireworks Display on July 4, 2013, Ouli, South
Kohala, Hawaii, Tax Map Key: (3) 6-2-02: seaward of 04.

APPLICANT:

Hawaii Explosives & Pyrotechnics Inc., a Hawaii corporation

LEGAL REFERENCE:

Section 171-55, Hawaii Revised Statutes, as amended.

LOCATION:

Portion of Government lands of Ouli situated at Waimea, South Kohala, Hawaii, identified
by Tax Map Key: (3) 6-2-2: portion seaward of 4, as shown on the attached map labeled
Exhibit A.

AREA:

1,500 square feet, more or less for a set-up and firing site area, plus a safety zone with a
radius of approximately 200 feet around the firing site. The total approximate area
including the firing site and the safety zone on unencumbered State lands is
approximately 82,896 square feet.

ZONING:

State Land Use District: Conservation
County of Hawaii CZO: Un-zoned beach adjacent to parcel with V-1.25 Resort
Hotel zoning; also within Special Management Area

TRUST LAND STATUS:

Section 5(a) lands of the Hawaii Admission Act
DHHL 30% entitlement lands pursuant to the Hawaii State Constitution: No

CURRENT USE STATUS:

Requested area is vacant and unencumbered.

CHARACTER OF USE:

Set-up and firing of aerial fireworks display.

TERM:

From 10:00 a.m. to 11:45 p.m. on Thursday July 4, 2013

RENTAL:

$150.00 – set-up and firing site area
500.00 – safety zone area
Total: $650.00

COLLATERAL SECURITY DEPOSIT:

None.

CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

See Exhibit B attached.

DCCA VERIFICATION:

Place of business registration confirmed: YES X NO __
Registered business name confirmed: YES X NO __
Applicant in good standing confirmed: YES X NO __

REMARKS:

Hawaii Explosive & Pyrotechnics, Inc. (Applicant) has requested a right-of-entry onto the subject land for purposes of conducting a special events aerial fireworks display for the Fourth of July at Kauna'oa Beach near the Mauna Kea Beach Hotel. The specific location of the fireworks display firing site is shown on Exhibit C attached.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions. A revocable permit is more appropriate than a long-term disposition in light of the single date requested for the fireworks display.
In the past, Applicant was only charged for the area of the firing site, which is 1,500 square feet (or a charge of $150 for one day). But to conduct a display, Applicant needs to exclude the public from an area extending for a radius of approximately 200 feet from the firing site. The size of the area circumscribed by the safety zone is approximately 125,600 square feet, of which about two-thirds, or 82,896 square feet, are located on unencumbered State land. If the daily rent for commercial rights-of-entry were applied to the 82,896 square of safety zone on State land, the charge per event would be about $8,289, which is likely cost prohibitive for fireworks displays. The exclusion of the public is necessary for their safety but also poses a substantial interference with public use of the beach and near-shore waters. Accordingly, as a compromise, staff is recommending that an additional charge of $500 be imposed to cover Applicant’s exclusive use of safety zone around the firing site.

No comments were solicited from other government or community agencies because there is no change to the use of the area from prior years.

There are no other pertinent issues or concerns. Staff has no objection to the request.

RECOMMENDATION: That the Board;

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

2. Authorize the issuance of a right-of-entry permit to Hawaii Explosives & Pyrotechnics, Inc. covering the subject area for set-up and firing of aerial fireworks display purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:

a. The standard terms and conditions of the most current right-of-entry permit form, as may be amended from time to time; and

b. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Gordon C. Heit
District Land Agent
APPROVED FOR SUBMITTAL:

William J. Aila Jr., Chairperson
EXEMPTION NOTIFICATION
From the preparation of an environmental assessment under the authority of Chapter 343, HRS and Chapter 11-200, HAR

Project Title: Issuance of Revocable Permit to Hawaii Explosives & Pyrotechnics, Inc.

Project Number: PSF No. 13HD-092

Project Location: Ouli, Waimea, South Kohala, Hawaii Tax Map Key: (3) 6-2-02: portion seaward of 04

Project Description: Special Events aerial fireworks display for July 4, 2013

Consulted Parties: None

Exemption Class No.: In accordance with the "Exemption List for the State of Hawaii, Department of Land and Natural Resources, as Reviewed and Concurred Upon by the Environmental Council (Docket 91-EX-2, December 4, 1991), the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No.1, "Operations, repairs or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing [HAR § 11-200-8(a)(1)]."

Exemption Item No.
And Description: Class No.1, "Operations, repairs or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing."
This exemption is appropriate because the permittee, Hawaii Explosives & Pyrotechnics, Inc. (HEPI) has requested the use of a small area for a single aerial fireworks display. The location has been used periodically for such displays in recent years without significant impact on the environment.

The grant of a revocable permit for the limited purpose will result in no material change or significant cumulative impact. If further actions are taken that result in a material change, HEPI will be required to be in compliance with Chapter 343.

**Recommendation:**

It is recommended that the Board find that the issuance of a revocable permit to Hawaii Explosives & Pyrotechnics, Inc. will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.
