RE: Request Board Approval to Enter Into Contracts for Furnishing and Delivery of Full Size Crew Cab Pick Up Trucks for the State of Hawaii, Department of Land and Natural Resources, Division of Conservation and Resources Enforcement

The Division of Conservation and Resources Enforcement (DOCARE) made a solicitation to purchase eight (8) Full Size Crew Cab Pick Up Trucks for their DOCARE offices throughout the State of Hawaii. Funds used to purchase these vehicles were from a transfer of FY 2013 payroll savings.

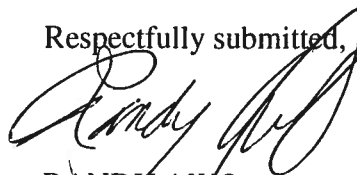

These 4 x 4 vehicles will replace some of our aging DOCARE vehicles throughout the State. Vehicles are used to transport Conservation and Resources Enforcement Officers and their equipment to conduct their law enforcement patrols and operations from the shoreline to mountainous terrain.

RECOMMENDATION:

DOCARE recommends approval:

1. To authorize the Chairperson to sign the contracts for the furnishing and delivery of eight (8) Full Size Crew Cab Pick Up Trucks, provided that the Attorney General's Office first approve the content of the agreement or make substantive changes to the contracts in order to meet all State requirements.

Respectfully submitted,

RANDY AWO  
Enforcement Chief
