Update on the Status of Efforts to Acquire Private Lands for Park Purposes, Waikapū,
Wailuku, Maui, Tax Map Key: (2)3-8-007:101 por.

BACKGROUND:

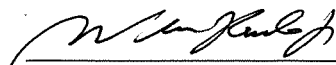

At its meeting on December 9, 2011, (Item E-3), the Board approved staff's request to, in principle, acquire approximately 66 acres of land owned by Alexander and Baldwin, Inc. for the purpose of developing a regional park in Waikapū, Maui. The proposed property is located within the master planned project known as Wai'ale. The Board also approved the expenditure of funds for due diligence and other requirements as outlined in the submittal. The Division of State Parks requests an opportunity to update the Board with the respect to the progress of the efforts to acquire the property.

Respectfully Submitted,

Daniel S. Quinn
Administrator, Division of State Parks

APPROVED FOR SUBMITTAL:

William J. Aila, Jr., Chairperson
