REGARDING: Unauthorized Land Uses within the State Land Use Conservation District Protective Subzone

LANDOWNER: Lance Laney

LOCATION: “Taro Patch Hale”, Hanalei District, Island of Kaua‘i

TMK: (4) 5-4-002:032

AREA OF PARCEL: 3.18 acres

AREA OF USE: 3.18 acres

SUBZONE: PROTECTIVE

DESCRIPTION OF AREA:

The subject parcel is located in the District of Hanalei on the Island of Kaua‘i (Exhibit 1) within a valley formed by the Hanalei River, which runs around, and through, the subject parcel. The Hanalei River is diverted immediately downstream of the parcel for taro production and a wildlife habitat; additional use of the area includes recreational activities such as kayaking, fishing, and boating along with hiking along the banks of the Hanalei River. The subject parcel lies within the large, broad floodplain created by the Hanalei River (Exhibit 2), and the area is generally very gently sloped with steep ridges on both sides of the valley.

The U.S. Fish and Wildlife Service (USFWS) has classified the vegetation/habitat around the subject parcel as palustrine (i.e., inland non-tidal wetlands) forested broad-leaved evergreen seasonal with areas of riverine upper perennial open water permanent wetland. The parcel, and immediate area, is located within the State Land Use (SLU) Conservation District Protective Subzone (Exhibit 3). The parcel is located at the landward (mauka) end of Ohiki Rd, which is accessed via Kuhio Highway in Princeville. Primary use of the valley is light farming and recreational uses; only minor residential development is present.
ALLEGED UNAUTHORIZED LAND USES:

The ongoing investigation that was initiated by an anonymous complaint in 2008 has recently been afforded new information and evidence that supports this alleged violation claim. A review of this new information required further investigation by OCCL staff into the alleged unauthorized land uses. At this time the Office of Conservation and Coastal Lands (OCCL) has determined that two (2) alleged unauthorized land uses have been conducted on the subject parcel:

- Unauthorized construction; and
- Vacation rentals

DISCUSSION:

Unauthorized Construction:
A review of OCCL files indicated that an approved site plan for the reconstruction of an existing structure after Hurricane Iniki included one (1) non-conforming Single Family Residence (SFR) structure; no other buildings were recorded on the approved plans for reconstruction (Exhibit 4). It appears that this non-conforming residence was permitted in the Conservation District Protective Subzone due to its existence prior to the parcel’s 1964 Conservation District designation. The OCCL investigation reveals that additional structures were built on the subject parcel after Hurricane Iniki and that the additional structures were not authorized by the Department or Board of Land and Natural Resources. Pursuant to Hawaii Administrative Rules (HAR) §13-5-6 (d) no land uses shall be conducted in the conservation district unless a permit or approval is first obtained from the department or board.

Evidence of the alleged unauthorized construction was determined from pre-Iniki (1988) (Exhibit 5, 5a, 5b) and post-Iniki aerial photographs (Exhibit 6, 6a, 6b) of the subject parcel which indicates that two (2) structures (total) were present on the parcel in 1988. Recent aerial and site photographs, along with State of Hawaii and County of Kaua’i tax records reveal that there are now five (5) structures located on the parcel (Exhibit 7).

Vacation Rentals:
The OCCL investigation revealed multiple listings (i.e., websites) for vacation rentals under the name “TARO PATCH HALE” which is located on the subject parcel (Exhibit 8, 8a, 8b, 8c, 8d, 8e); two (2) separate rental structures, named in the advertisements as the “Li’i” and “Nui” Cottages, were being promoted as vacation rentals. Information on the vacation rental “cottages” was obtained via an internet web-search and included photographs of the alleged unauthorized cottages, current rates and taxes for vacation rentals, written descriptions of recent interior improvements (i.e., new kitchens) and testimonials from clients (Exhibit 9, 9a, 9b, 9c).

Notice of the alleged violation was provided to the landowner Lance Larey (landowner) via certified mail which was delivered to the property on January 3, 2014 (Exhibit 10; 2pgs., 10a). A phone call to this office from the landowner on January 21, 2014 revealed
that vacation rental activities were still ongoing (landowner admitted to OCCL staff that both rental units were currently occupied) and that future rentals had already been reserved through monetary deposits. Landowner also requested that the future vacation rentals be allowed to proceed as monetary deposits had been obtained. OCCL staff reiterated that vacation rentals are not an identified land use in the conservation district. Additionally, according to the Notice of Alleged Violation and Order, which was signed by the Chair of the Board of Land and Natural Resources, the landowner was ordered to cease any further land uses or activities (including all current and future vacation rentals) on the subject parcel immediately.

ANALYSIS:

The penalty range for the unauthorized land uses will be substantially determined based on the type of permit that would have been required, had the landowner applied to the DLNR to conduct the identified land use. In this case there is no identified land use for construction of new structures in the Protective Subzone and for commercial vacation rental activities on the subject parcel. Therefore, based on the Conservation District Violation Penalties Schedule Guidelines and Assessment of Damages to Public Land or Natural Resources, (2.1) Penalty Calculation:

- Unauthorized construction is prohibited pursuant to HAR §13-5-6 (d) No land use(s) shall be conducted in the conservation district unless a permit or approval is first obtained by the department or board.

- Vacation rentals are prohibited pursuant to HAR §13-5-42 (a) (5) Transient rentals are prohibited, with the exception of wilderness camps approved by the board.

This report and staff recommended conditions seek to resolve the subject Conservation District violation.

FINDINGS:

1. That the landowner did in fact, authorize, cause or allow construction to occur without authorization;

2. That the landowner did in fact, authorize, cause or allow commercial vacation rentals to occur; and

3. That the unauthorized land use and unauthorized activity occurred within the State Land Use Conservation District, Protective Subzone.

AS SUCH, STAFF RECOMMENDS AS FOLLOWS:

That, pursuant to §183C, HRS, the Board find the landowner in violation of §183C-7, HRS, §13-5-6 HAR, and §13-5-42, HAR, and is subject to the following:
1. The landowner is fined in one instance for violating the provisions of §183C-7, HRS, and §13-5-6, HAR, for unauthorized construction by failing to obtain the appropriate approvals within the Conservation District, for $15,000;

2. The landowner is fined in one instance for violating the provisions of §183C-7, HRS, and §13-5-42, HAR, for the unauthorized commercial vacation rental activity within the Conservation District for $15,000;

3. The landowner is fined an additional $1000.00 for administrative costs associated with the subject violations;

4. The landowner shall pay all designated fines and administrative costs ($31,000) within ninety (90) days from the date of the Board’s action;

5. The landowner shall remove all unauthorized structures as determined by the Board and discontinue all commercial activity on the subject parcel; additionally the landowner shall allow OCCL staff to access the site to verify that the structures have been removed and that no commercial activity is being conducted. This shall be done within one-hundred and twenty (120) days of the date of the Board’s action; and

6. That in the event of failure of the landowner to comply with any order herein, the matter shall be turned over to the State of Hawaii, Office of the Attorney General for disposition, including all administrative costs.

Respectfully submitted,

Comments from the Guest Book

"Scott & I arrived in the dark of night. Welcomed by the sound of the creek and fell into bed after our long flight. Upon awakening, we were completely filled with awe at the natural setting - the rural feeling - the bonsai. Whew, what a 10!"
Deb & Scott, Billings, Montana

"...a wonderful place for our first vacation with our four month old baby - Thomas. We hope he remembers the sounds of the river, of the birds, of the wind blowing in the trees, the incredible smells of the pure jungle air, the beautiful mountains, the bonsai, the stars but especially the touch of the sun's rays at sunrise... Thank you for letting us welcome Thomas into this world by introducing him to nature."

"I'll never listen to those travel agents again when they say 'all you need is someplace to sleep as you'll be spending all of your time out anyway.' Well, what we've had here were long relaxing mornings and restful end of days sipping mai tais on the porch. Blissful."

**“Serene and Tranquil”**

We just spent a weekend at Taro Patch Hale, and are tempted not to tell people about it just to keep it a secret! The setting is absolutely beautiful and serene. on a rocky stream about 2 miles into the Hanalei National Wildlife Refuge. The cottage is very comfortable, with a kitchenette (food is very expensive on Kauai). The outdoor...

My wife and I spent three nights in one of the two small cottages at Taro Patch Hale, located a few miles east of Hanalei. We loved it there. It's located up the Hanalei River valley, two miles from the turn off from Route 56 and within the National Wildlife Refuge. There aren't many people around there. The Hanalei River...

**“Sweet Little Nature Retreat”**
**Reviewed December 11, 2013**

This sweet, basic little cottage Li'i is away from it all down the end of a little narrow taro patch road.) Listen to the birds, the stream and watch the sunrise from the lanai. I traveled solo and felt very safe here. Lance greeted me and made sure that I knew where everything was and told me to ask if I needed anything so as not to "bug me". He brought me a nice lawn chair so that I could sit right down by the stream and enjoy the view. There is a beach mat and towels that I look to the beach each day. I made a Costco run on the way out of Lihue for coffee and to stock the fridge with a few supplies. I was only 3 miles from Hanalei for coffee and cinnamon rolls at the Hanalei Coffee Roasters. There's a line there by 7:30am. Head up west to the end of the road and pick a beach. Park in the lot and walk the beach a few minutes in either direction and you are almost alone (except for the Monk seals). Awesome snorkeling at Tunnels Beach. There are lots of neat vintage items to check out at Yellow Fish Trading Co like cool lamps, signs etc.

Of special note: As I was alone I was invited to the Taro Patch family Thanksgiving dinner. What a blessing it was to share such a beautiful place and live with such lovely people. There was much Aloha being created and shared. I am still pinching myself.

Stayed November 2013. traveled solo
