REGARDING: Unauthorized Land Uses within the State Land Use Conservation District Protective Subzone

LANDOWNER: Lance Laney

LOCATION: Hanalei Valley, Hanalei District, Island of Kaua‘i

TMK: (4) 5-4-002:032

AREA OF PARCEL: 3.18 acres

AREA OF USE: ~2.0 acres

SUBZONE: PROTECTIVE

DESCRIPTION OF AREA:

The subject parcel is located in the District of Hanalei on the Island of Kaua‘i (Exhibit 1) within a valley formed by the Hanalei River, which runs around, and through, the subject parcel. The Hanalei River is diverted immediately downstream of the parcel for taro production and a wildlife habitat; additional use of the broad river plain includes recreational activities such as kayaking, fishing, and boating along with hiking along the banks of the Hanalei River. The subject parcel lies within the large, broad floodplain created by the Hanalei River (Exhibit 2), and the area is generally very gently sloped with steep ridges on both sides of the valley. The parcel, and immediate area, is located within the State Land Use (SLU) Conservation District Protective Subzone (Exhibit 3). The parcel is located at the landward (mauka) end of Ohiki Rd, which is accessed via Kuhio Highway in Princeville. Primary use of the valley is light farming and recreational uses; only minor residential development is present.
ALLEGED UNAUTHORIZED LAND USES:

The ongoing investigation, beginning with a complaint received by this office, has recently been afforded new information and evidence that supports this alleged violation. A review of this new information prompted further investigation by OCCL staff into the alleged unauthorized land uses. At this time the Office of Conservation and Coastal Lands (OCCL) has determined that two (2) alleged unauthorized land uses have been conducted on the subject parcel:

1) Unauthorized construction; and
2) Vacation rentals

DISCUSSION:

Unauthorized Construction:
A review of OCCL files indicated that an approved site plan for the reconstruction of an existing structure after Hurricane Iniki included one (1) non-conforming Single Family Residence (SFR) structure; no other buildings were recorded on the approved plans for reconstruction (Exhibit 4). This non-conforming residence was permitted in the Conservation District Protective Subzone due to its existence prior to the parcel's 1964 Conservation District designation.

Evidence of the alleged unauthorized construction was determined from pre-Iniki (1988) (Exhibit 5, 5a, 5b) and post-Iniki aerial photographs (Exhibit 6, 6a, 6b) of the subject parcel which shows that two (2) structures (total) were present on the parcel in 1988. Recent aerial and site photographs, along with State of Hawaii and County of Kaua'i tax records reveal that there are now five (5) structures located on the parcel (Exhibit 7).

Vacation Rentals:
The OCCL investigation revealed multiple listings (i.e., websites) for vacation rentals under the name “TARO PATCH HALE” (Exhibit 8, 8a, 8b, 8c, 8d, 8e); two (2) separate rental structures, named in the advertisements as the “Li’i” and “Nui” Cottages, were being promoted as vacation rentals. Information on the vacation rental “cottages” was obtained via an internet web-search and included photographs of the alleged unauthorized cottages, current rates and taxes for vacation rentals, written descriptions of recent interior improvements (i.e., new kitchens) and testimonials from clients (Exhibit 9, 9a, 9b, 9c).

Notice of the alleged violation was provided to the landowner Lance Laney (landowner) via certified mail which was delivered to the property on January 3, 2014 (Exhibit 10; 2pgs., 10a).

ANALYSIS:

The penalty range for the unauthorized land uses will be substantially determined based on the type of permit that would have been required, had the landowner applied to the
Board of Land and Natural Resources

DLNR to conduct the identified land use. In this case there is no identified land use for construction of new structures in the Protective Subzone and for commercial vacation rental activities on the subject parcel. Therefore, based on the Conservation District Violation Penalties Schedule Guidelines and Assessment of Damages to Public Land or Natural Resources, (2.1) Penalty Calculation:

- Unauthorized construction is prohibited pursuant to HAR §13-5-6 (d) No land use(s) shall be conducted in the conservation district unless a permit or approval is first obtained by the department or board.

- Vacation rentals are prohibited pursuant to HAR §13-5-42 (a) (5) Transient rentals are prohibited, with the exception of wilderness camps approved by the board.

This report and staff recommended conditions seek to resolve the subject Conservation District violation.

FINDINGS:

1. That the landowner did in fact, authorize, cause or allow construction to occur without authorization;

2. That the landowner did in fact, authorize, cause or allow commercial vacation rentals to occur; and

3. That the unauthorized land use and unauthorized activity occurred within the State Land Use Conservation District, Protective Subzone.

AS SUCH, STAFF RECOMMENDS AS FOLLOWS:

That, pursuant to §183C, HRS, the Board find the landowner in violation of §183C-7, HRS, §13-5-6 HAR, and §13-5-42, HAR, and is subject to the following:

1. The landowner is fined in one instance for violating the provisions of §183C-7, HRS, and §13-5-6, HAR, for unauthorized construction by failing to obtain the appropriate approvals within the Conservation District, for $15,000;

2. The landowner is fined in one instance for violating the provisions of §183C-7, HRS, and §13-5-42, HAR, for the unauthorized commercial vacation rental activity within the Conservation District for $15,000;

3. The landowner is fined an additional $1000.00 for administrative costs associated with the subject violations;

4. The landowner shall pay all designated fines and administrative costs ($31,000) within ninety (90) days from the date of the Board’s action;
5. The landowner shall completely remove the two (2) rental cottages, named *Li‘i Cottage* and *Nui Cottage*, and shall discontinue all commercial activity on the subject parcel; additionally the landowner shall allow OCCL staff to access the site to verify that the structures have been removed and that no commercial activity is being conducted. This shall be done within one-hundred and twenty (120) days of the date of the Board’s action;

6. The landowner shall submit for processing an After-the-Fact (ATF) Conservation District Use Application (CDUA) to obtain Site Plan Approval for the large garage type structure located on the subject parcel. The ATF CDUA shall be submitted to the Office of Conservation and Coastal Lands within ninety (90) days of the Board’s action; and

7. That in the event of failure of the landowner to comply with any order herein, the matter shall be turned over to the State of Hawaii, Office of the Attorney General for disposition, including all administrative costs.

Respectfully submitted,

ALEX J. ROY, M.Sc., Planner
Office of Conservation and Coastal Lands

Comments from the Guest Book

"Scott & I arrived in the dark of night. Welcomed by the sound of the creek and fell into bed after our long flight. Upon awakening, we were completely filled with awe at the natural setting - the rural feeling - the bonsai. Whew, what a 10!"
Deb & Scott, Billings, Montana

"...a wonderful place for our first vacation with our four month old baby - Thomas. We hope he remembers the sounds of the river, of the birds, of the wind blowing in the trees, the incredible smells of the pure jungle air, the beautiful mountains, the bonsai, the stars but especially the touch of the sun's rays at sunrise ... Thank you for letting us welcome Thomas into this world by introducing him to nature."
Stephanie & Robert, Montreal, Quebec, Canada

"I'll never listen to those travel agents again when they say 'all you need is someplace to sleep as you'll be spending all of your time out anyway.' Well, what we've had here were long relaxing mornings and restful end of days sipping mai tais on the porch. Blissful."

SUBJECT: ALLEGED UNAUTHORIZED LAND USES AND ACTIVITIES IN THE STATE LAND USE CONSERVATION DISTRICT
“Taro Patch Hale” Hanalei District, Island of Kaua’i
TMK: (4) 5-4-002:032

Dear Mr. and Mrs. Laney,

Notice is hereby given that you may be in violation of Hawaii Administrative Rules (HAR) Title 13, Chapter 5, entitled Conservation District, providing for land use within the Conservation District, enacted pursuant to Chapter 183C, Hawaii Revised Statutes (HRS).

The Department of Land and Natural Resources (DLNR) has determined that:

1. The location of the alleged unauthorized land uses and activities have occurred on Tax Map Key (TMK) (4) 5-4-002:032, and is located in the Conservation District Protective Subzone;

2. We have evidence that the following land uses were conducted on the subject parcel without our knowledge or authorization: clearing of vegetation; grubbing; construction of three (3) building structures; construction of one (1) large carport/building; on-going vacation rental of the “Li’i Cottage” and “Nui Cottage”; and

3. These land uses and activities were not authorized by the Department or Board of Land and Natural Resources; pursuant to Hawaii Administrative Rules (HAR) §13-5-6 (d) no land uses shall be conducted in the conservation district unless a permit or approval is first obtained from the department or board.
You are hereby ordered to cease any further land uses or activities (including all current and future vacation rentals) on the subject parcel immediately. Pursuant to §183C-7, HRS, the Board of Land and Natural Resources may subject the landowners to fines of up to $15,000.00 per violation in addition to administrative costs.

Should you fail to immediately cease such activities and land uses (i.e., vacation rental) after written or verbal notification from the department, willful violation may incur an additional fine of up to $15,000.00 per day, per violation for each day in which the violation persists.

The Office of Conservation and Coastal Lands (OCCL) intends to schedule this matter before the Board of Land and Natural Resources (BLNR) for final disposition. You will be notified at that time concerning the meeting time and place.

Please note any information provided to the Department in regards to this alleged violation may be used in civil proceedings. Should you have any questions, please contact Alex J. Roy, M.Sc. of our Office of Conservation and Coastal Lands staff at 808-587-0316.
