Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

PSF No: 11MD-206

Maui

Amend Prior Board Action of June 27, 2014, Item D-9 by including a 1) Recommendation for Exemption Statement Relative to Environmental Assessment and, 2) Change in Term Expiration Date; Consent to Lease of Lands Under Governor's Executive Order No. 2358 to Lae 'Ula O Kai, a Hawaii Nonprofit Corporation Kanaha Beach Park, Kahului, Wailuku, Maui, Hawaii, Tax Map Key:(2) 3-8-001: Por. of 119.

BACKGROUND:

Kanaha Beach Park has been under the management and control of the County of Maui, Department of Parks and Recreation for public park purposes since January 2, 1968 via Executive Order No. 2358. In 1991, Lae 'Ula O Kai received permission from the parks department to construct an open air canoe hale (house) for the storage of several club canoes. The subject structure is also used for related canoe club activities and Hawaiian cultural practices.

In 2012, staff learned that consent was never obtained from the Board of Land and Natural Resources (BLNR) for this new use and agreement between the County of Maui and Lae 'Ula O Kai. Therefore, an after-the-fact approval was requested and granted by the BLNR on June 27, 2014 under agenda item D-9.

REMARKS:

Upon review by the office of the Attorney General it was noted that a correction needed to be made with regards to the term of this agreement. The original approval indicated a fifteen (15) year duration commencing in 2014 and expiring in 2027, a term of only thirteen (13) years. The appropriate duration should be from the commencement date through June 30, 2029. Refer to most recent draft lease between the County of Maui and Lae 'Ula O Kai, attached as Exhibit B (2).

Also, because this project has been deemed exempt from preparation of an environment assessment, staff has been advised this needs to be addressed with in the land board submittal.

EXHIBIT:

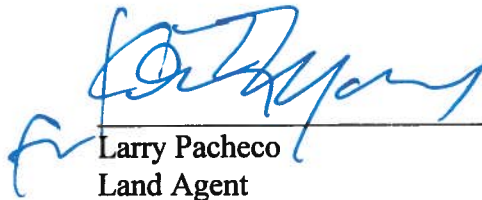

Exhibit A (1) – June 27, 2014, Item D-9 approved Board submittal.

Exhibit B (2) – Lae ‘Ula O Kai Lease of County Recreational Space.

RECOMMENDATION: That the Board:

1. Amend its prior Board action of June 27, 2014, under agenda item D-9, to include Recommendation No. 5. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore, exempt from the preparation of an environmental assessment.
2. Approve change in term of lease to commence upon execution and expire upon the 30th day of June 2029, unless sooner terminated.
3. All terms and conditions listed in its June 27, 2014 approval to remain the same.

Respectfully Submitted,

Larry Pacheco
Land Agent

REMARKS:

In 1991, the County Department of Parks and Recreation allowed Lae 'Ula O Kai to construct an open-air canoe house. The canoe house provides a covered area for storing of several valuable canoes. Classes geared towards perpetuating Hawaiian cultural practices and other canoe club related activities are also conducted at this site. The applicant intends to continue the same use under the lease agreement.

The proposed use being requested by Lae 'Ula O Kai is consistent with the intended purposes of EO No. 2358. Staff has no objection to the disposition of a 15 year lease to the applicant at the nominal rent of \$100.00 per year.

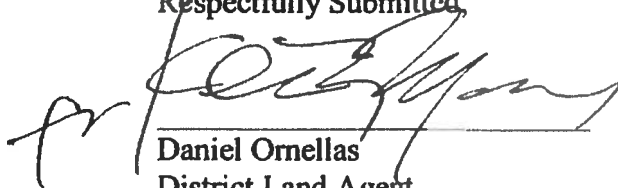

RECOMMENDATION:

That the Board consent to the lease between County of Maui, Department of Parks and Recreation and Lae 'Ula O Kai, subject to any applicable conditions cited above which are by this reference incorporated herein and further subject to the following:

1. Upon receiving approval from the Board, Lae 'Ula O Kai shall provide approved building permits for the existing structure. If no building permits were obtained at the time of construction, after the fact permits must be obtained. All structures must be permitted and built to Maui County code.
2. All uses by the Applicant shall not interfere with the functions and operations of the Kahului Airport.
3. Review and approval by the Department of the Attorney General; and

4. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

12. Fixed Improvements. Lessee shall not at any time during the term construct, place, maintain or install on the premises any building, structure or improvement of any kind or description except with the prior written approval of Lessor and the BLNR and upon those conditions the Lessor and/or BLNR may impose, including any adjustment of rent, unless otherwise provided in this Lease. All improvements of whatever kind or nature located on the Premises prior to, or on the commencement date of this Lease shall be, and at all time remain, the property of the Lessor.

13. Repair and Maintenance. Lessee shall at its own expense at all times during the term of this Lease, substantially repair and maintain, and keep all improvements now or hereafter built or

Lessor further reserves the right to authorize public access over, across, under and through the Premises.

Lessee shall, unless otherwise agreed to through the joint decision and discretion of the Director of the Department of Finance and the Director, procure and, during the entire term of this Lease, keep in force and effect special form property insurance covering all of Lessee's leasehold improvements, trade fixtures, inventory, equipment and personal

Rejection of or refusal to accept a notice or the inability to give notice because a notice of a change in address was not given as required by this Paragraph shall be deemed to be receipt of the notice sent when tendered as provided by this Paragraph.

If a party has designated an agent for service of process, notice to the agent shall conclusively be deemed service on the party. A party shall have the right from time to time to change its address for receipt of notice and to specify any other address within the United States of America by giving written notice of the change in address to the other party or parties at least fifteen (15) days in advance. Re: After-the-fact approval for the Lea 'Ula O Kai Halau Wa'a
TMK: (2) 3-8-001:119
Kanaha Beach Park, County of Maui, Hawaii

Dear Mr. Correa,

The Office of Conservation and Coastal Lands (OCCL) is in receipt of your application, dated April 11, 2012, notifying the Department of your request for After-the-fact (ATF) approval for an existing 40-foot by 60-foot wooden canoe house, built on the subject parcel located within the Conservation District Limited Subzone.

The existing canoe house was built and is occupied by the lessee, Hawaii non-profit organization Lae 'Ula O kai. The County of Maui did obtain shoreline setback approval and special management area permits in 1991, then received the building permit for the Halau Wa'a in 1995; although the applicant failed to obtain proper authorization from this office for work in the Conservation District. After the April 11, 2012 correspondence was received by this office an enforcement case (MA-12-31) was opened for the unauthorized construction. On April 26, 2012 the Maui County Department of Parks and Recreation was sent a Notice of Civil Resource Violation, and a fine of \$1000.00 was levied against Maui County. On May 14, 2012 the County of Maui paid the fine of \$1000.00 and the enforcement case was closed.

ANALYSIS:

Under §13-5-22, Hawaii Administrative Rules (HAR), the construction of a Halau Wa'a is considered to be an identified land uses in the Resource Subzone, §13-5-22; P-9, STRUCTURES, ACCESSORY (B-1); *Construction or placement of structures accessory to existing facilities or uses;*

The proposed project is minor in scope and may be considered an exempt action under state environmental laws §11-200-8(4) *Minor alterations in the conditions of land, water, or vegetation.*

Therefore, Site Plan Approval (SPA) is hereby granted for the existing Lea 'Ula O Kai Halau Wa'a; this approval is subject to the following conditions:

1. The permittee shall comply with all applicable statutes, ordinances, rules, and regulations of the federal, state, and county governments, and applicable parts of Chapter 13-5, HAR;
2. Where required, the permittee shall submit future site plans, including construction, grading, site restoration, landscaping or any other plans to the department for its review and approval. All

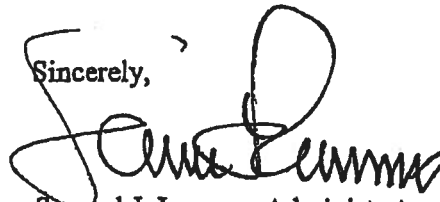

EXHIBIT " D "

plans shall first obtain department approval before plans are submitted for approval by the pertinent state and county agencies;

3. The permittee, its successors and assigns, shall indemnify and hold the State of Hawaii harmless from and against any loss, liability, claim or demand for property damage, personal injury or death arising out of any act or omission of the permittee, its successors, assigns, officers, employees, contractors and agents under this permit or relating to or connected with the granting of this permit;
4. There shall be no ground excavation, grading or disturbance of any kind at the proposed site without additional authorization from the department;
5. The permittee will continue to adhere to the conditions listed in the Conservation District Use Permit (CDUP) MA-656 approved by the Board on June 13, 1975;
6. If the permittee proposes any additional land uses on the subject parcel they will contact the Office of Conservation and Coastal Lands office prior to applying for approval; and
7. Other terms and conditions as may be prescribed by the Chairperson.

Please acknowledge receipt of this approval, with the above noted conditions, in the space provided below. Please sign two copies. Retain one and return the other within thirty (30) days. Should you have any questions, please feel free to contact Alex J. Roy of our Office of Conservation and Coastal Lands at 808-587-0316.

Sincerely,

Lessee accepts the Premises in a completely "as is" condition, with full assumption of the risks, and consequences of such conditions.

8. Mortgage. Lessee may mortgage or create a security interest in the Premises or any portion thereof with the prior written approval of the Director and the BLNR, provided that, in the case of default the leasehold interest may be foreclosed only by judicial action pursuant to Chapter 667, Hawaii Revised Statutes, and the leasehold interest shall be transferred to the purchaser by assignment of lease for the remainder of the lease term only.

10. Rules and Regulations. Lessor excepts and reserves the right, from time to time, to adopt reasonable rules and regulations pertaining to Lessee's use of the Premises, which rules and regulations shall be binding upon Lessee upon notice thereof to Lessee. For enforcement of such rules and regulations, if any, Lessor shall have all remedies in this Agreement and any other remedies allowed by law.

11. Alterations and Improvements. Lessee shall make no alterations to any structure on the Premises or construct any building or make any other improvements on the Premises without the prior written approval of the Director and the BLNR. Alterations or improvements on the Premises approved by the Director and the BLNR, made by and paid for by Lessee, with the exception of fixtures which cannot be removed without damage to the Premises, shall, unless otherwise provided by written agreement between the Parties, be the property of Lessee.

12. Fixed Improvements. Lessee shall not at any time during the term construct, place, maintain or install on the premises any building, structure or improvement of any kind or description except with the prior written approval of Lessor and the BLNR and upon those conditions the Lessor and/or BLNR may impose, including any adjustment of rent, unless otherwise provided in this Lease. All improvements of whatever kind or nature located on the Premises prior to, or on the commencement date of this Lease shall be, and at all time remain, the property of the Lessor.

13. Repair and Maintenance. Lessee shall at its own expense at all times during the term of this Lease, substantially repair and maintain, and keep all improvements now or hereafter built or made on the Premises in good and safe repair, order, and condition, reasonable wear and tear excepted.

Lessee shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards relating to the use, analysis, production storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or polluting materials which are now or in the future subject to any governmental regulation (hereinafter collectively referred to as "hazardous substances"). Prior to commencing use of the Premises for any activity involving the storage, use, or distribution of (a) any hazardous substance, or (b) products or materials which (i) include any hazardous substance as a component and (ii) which, if an accident occurred, might result in the release or discharge of any hazardous substance, Lessee shall give written notice of such proposed use to Lessor. Such notice shall set forth (a) the proposed use and the hazardous substance involved, (b) a hazardous substance management plan describing the actions taken or proposed to be taken by Lessee to assure Lessee's compliance with the requirements of this Lease, and (c) evidence of insurance or other financial resources available to Lessee sufficient to assure Lessee's ability to comply with its obligations. Upon the expiration or earlier termination or revocation of this Lease, Lessee shall (a) cause all hazardous substances previously owned, stored, or used by Lessee to be removed from the Premises and disposed of in accordance with applicable provisions of law; (b) remove any storage tanks or containers installed or used by Lessee to store any hazardous substances and repair any damage caused by such removal; (c) cause any soil or other portion of the Premises which has become contaminated by any hazardous substances stored or used by Lessee to be decontaminated, detoxified or otherwise cleaned up in accordance with the requirements of cognizant governmental authorities; and (d) surrender possession of the Premises to Lessor free of the presence or effects of any hazardous substances generated or used by Lessee in, on, or about the Premises during the term of this Lease. Lessee shall indemnify, defend, and hold harmless Lessor and the State of Hawaii from and against any and all claims relating to hazardous materials arising from this Lease.

The obligations of Lessee under this section shall survive the expiration or earlier termination of the Lease without limitation.

17. Rights of Way and Easements. Lessor further reserves the right to authorize public access over, across, under and through the Premises.

18. Access to Information. Lessee shall provide Lessor and the BLNR with access to Lessee's books, records, assets, facilities, and all other information relative to the use of the Premises, as deemed necessary in the judgment of Lessor and, if applicable, the BLNR.

Lessee shall obtain, pay for, and keep in force throughout the period of this Lease comprehensive liability insurance issued by an insurance company (the "Carrier") authorized to do business in the State of Hawaii (an "Admitted Carrier"), or by a company not authorized to do business in the State of Hawaii (a "Non-Admitted Carrier") only through a general insurance agent or broker licensed in the State of Hawaii. The Carrier shall be rated no less than "A-" as established by "AM Best" or "Standard and Poor" ratings.

The insurance policy, as evidenced by issuance of a "Policy Endorsement", shall name Lessor, the State of Hawaii, and their respective officers, employees and agents as "Additional Named Insured", and shall include a duty to defend, indemnify, and hold harmless Lessor, State of Hawaii, and their respective officers, employees and agents against any loss, liability, claims, and demands for injury or damage, including but limited to, claims for property damage, personal injury, or wrongful death, arising out of, or in connection with Lessee's actions and/or use of Premises.

Unless otherwise agreed to through the joint decision and discretion of the Director of the Department of Finance and the Director, the insurance policy shall contain the following minimum requirements:

If the scheduled expiration date of a current insurance policy is sooner than the specified termination date of this Lease, the Lessee shall, upon renewal of the insurance policy, provide the County with a copy of the renewed insurance policy certificate together with the required endorsements.

Unless waived by Lessor and the State of Hawaii, the insurance policy shall expressly state that the coverage provided under such policy shall not be cancelled or terminated, unless the Carrier has first given Lessor and the State of Hawaii thirty (30) calendar days prior written notice of the intended cancellation or termination.

If at any time, and from time to time, a higher limit or other requirements shall be deemed appropriate, customary, or necessary, in the reasonable discretion of the Director, the BLNR, or both, Lessee shall obtain and maintain such coverage.

20. Property Insurance. Lessee shall, unless otherwise agreed to through the joint decision and discretion of the Director of the Department of Finance and the Director, procure and, during the entire term of this Lease, keep in force and effect special form property insurance covering all of Lessee's leasehold improvements, trade fixtures, inventory, equipment and personal property from time to time in, on or upon the Premises, in an amount not less than the full replacement cost thereof without deduction for depreciation, providing protection against all risks of loss not otherwise excluded for the Premises, together with insurance against sprinkler damage, vandalism, and malicious mischief, including demolition and debris removal and extended coverage, hurricane/wind coverage, and with inflation guard endorsement, if available in any insurance company qualified to do business in the State of Hawaii and shall, from time to time, deposit promptly with Lessor the policy and premium receipts therefor or a current certificate that such insurance is in full force and effect and shall not be cancelled without written notice to Lessor sixty (60) days prior to the effective date of such cancellation. All such policies shall be made payable to Lessor

and Lessee as their interests may appear (it being understood and agreed that Lessor's interest shall be limited to permanent fixtures and other installations which are not removable by Lessee upon the termination of this Lease), and shall provide for a deductible of not more than \$5,000.00. All policy proceeds shall be used for the repair or replacement of the property damaged or destroyed unless this Lease shall cease and terminate in accordance with the provisions of this Lease.

The policy or policies of insurance shall be made payable in the case of loss to the County of Maui, as its interest may appear, and shall be deposited with the County. Any proceeds derived therefrom in the event of total or partial loss shall be immediately available to, and as soon as reasonably possible be used by Lessee for rebuilding, repairing, or otherwise reinstating the same buildings in a good and substantial manner according to the plans and specifications approved in writing by the County; provided, however that with the approval of the County, Lessee may surrender this Lease and Lessee shall then receive that portion of said proceeds which constitute the proportionate value of permanent improvements made by Lessee, if any, in relation to the unexpired term of this Lease and useful life of the improvements at the time of the loss, if any, with the County retaining the remaining proceeds of said proceeds.

22. Condemnation. If at any time during the term of this Lease any portion of the leased Premises should be condemned or required for public purposes by the State of Hawaii or the United States, Lessee shall be entitled to receive from the condemning authority the proportionate value of Lessee's permanent improvements so taken in the proportion that it bears to the unexpired term of this Lease; provided that Lessee may, in the alternative, remove and relocate Lessee's improvements to the remainder of the Premises occupied by Lessee. Lessee shall not by reason of the condemnation be entitled to any claim against Lessor for condemnation or indemnity for its interest in this Lease and all compensation payable or to be paid for or on account of this Lease by reason of the condemnation, except as aforesaid as to Lessee's improvements, shall be payable to and be the sole property

of Lessor. Where the portion taken renders the remainder unsuitable for the use or uses for which the land was leased, Lessee shall have the option to surrender this Lease and be discharged and relieved from any further liability therefor; provided that Lessee may remove the permanent improvements constructed, erected and placed by it within such reasonable period as may be allowed by Lessor. The foregoing right of Lessor shall not be exclusive of any other to which Lessor may be entitled by law.

23. Lessor's Lien. Lessor shall have a lien on all the buildings and improvements placed on the Premises by Lessee, on all property kept or used on the Premises, whether the same is exempt from execution or not, and on the premises, whether the same is exempt from execution or not, and on the rents of all improvements and buildings situated on the Premises for all costs, attorney's fees, rent reserved, taxes, and assessments paid by Lessor on behalf of Lessee and for the payment of all money as provided in this Lease to be paid by Lessee, and such lien shall continue until the amounts are paid.

24. Sublease. Lessee may, with written approval of the Director and the BLNR, sublease the demised premises.

25. Lessee's Right to Terminate. If Lessee is not in default of the terms of this Lease to be observed and performed, Lessee may terminate this Lease by giving Lessor at least sixty (60) days prior written notice of such termination.

26. Surrender of Premises. At the expiration, revocation, cancellation or termination of this Lease, Lessee shall peaceably surrender the Premises, together with all improvements existing or constructed thereon, unless provided otherwise. On or before the last day of the term or the sooner termination thereof, Lessee, if not then in default, shall remove all trade fixtures, operating equipment and other personal property of Lessee from the Premises and repair any damage occasioned by any such removal. Property not so removed shall be deemed abandoned by Lessee.

27. Termination. If Lessee becomes bankrupt, dissolves, becomes inactive, or abandons the leased Premises for a period of four (4) consecutive months, or if this Lease and the leased Premises shall be attached or otherwise taken by operation of law, or if any assignment be made of Lessee's property for the benefit of creditors, or shall fail to observe and perform any of the covenants, obligations, rules, regulations, provisions, terms and conditions, and such failure shall continue for a period of more than thirty (30) days after delivery by Lessor of a written notice

of such breach or default, by personal service, registered mail or certified mail to Lessee at Lessee's last known address, all rights granted hereunder to Lessee shall cease and this Lease shall terminate without prejudice to any other remedy or right of action for arrears of rent or damages or for any preceding or other breach or contract; and in the event of such termination, all buildings and improvements there on shall remain and become the property of Lessor, subject to any valid mortgages against the property, subject to the provisions of Section 171-21, Hawaii Revised Statutes.

The use and enjoyment of the Premises shall not be in support of any policy which discriminates against anyone based upon race, sex, sexual orientation, age, religion, color, ancestry, national origin, disability, marital status, arrest and court record, assignment of income for child support obligations and National Guard participation.

29. ADA Compliance. Lessor makes no representations or warranties, express or implied, as to the Premises or any existing improvements thereon, regarding compliance with the Americans with Disabilities Act of 1990 ("ADA"), 42 U.S.C. §§12101-12213 (2000). Lessee shall be responsible for complying with the ADA and Lessee shall defend, indemnify and hold harmless Lessor and the State of Hawaii against any and all claims regarding non-compliance with any requirement of the ADA. All costs relating to any required improvements or modifications to the Premises, and any existing improvements thereon, shall be borne by Lessee. Notwithstanding any other provision of this Lease to the contrary, any improvements to the Premises constructed by Lessee shall be in compliance with the ADA.

30. Compliance with Laws. Lessee shall comply with all federal, state, and county laws pertaining to the Premises and activities conducted on the Premises, now in force or which may hereinafter be in force.

34. Time of the Essence. Time is of the essence of this Lease and all of the terms, provisions, covenants, and conditions hereof.

35. Notices. All notices or demands that are required or may be given under this Lease by one party to another party, or that are required by law, shall be in writing and shall be deemed to have been validly given or served in the following manner: (a) by delivery to the intended addressee; or (b) by depositing the notice with a reputable private courier service for next business day delivery to the intended recipient at its address set forth on the first page of this Lease or at such other address as a party shall have designated for such purpose by notice to the other party or parties; or (c) by depositing the notice with the United States Postal Service for delivery, postage prepaid, registered or certified mail, return receipt requested, to the intended recipient at its address set forth on the first page of this Lease or at such other address as a party shall have designated for such purpose by notice to the other party or parties.

A notice shall be deemed received upon personal delivery to the designated address or three days after being deposited with a private courier service or with the United States Postal Service as described, supra. Rejection of or refusal to accept a notice or the inability to give notice because a notice of a change in address was not given as required by this Paragraph shall be deemed to be receipt of the notice sent when tendered as provided by this Paragraph.

If a party has designated an agent for service of process, notice to the agent shall conclusively be deemed service on the party. A party shall have the right from time to time to change its address for receipt of notice and to specify any other address within the United States of America by giving written notice of the change in address to the other party or parties at least fifteen (15) days in advance. A notice of change of address is effective under this Lease only when actually received.
