REMARKS:

Waikiki Community Center (WCC) is requesting permission to conduct beach activities for its annual fund raising event on State property, located at Duke Kahanamoku Beach, and further shown on the map attached as Exhibit A2.

The setting-up for the event is scheduled to begin on Saturday, March 14, 2015, from 9:00 a.m. and the event will be held between 9:00 a.m. and 4:00 p.m. on the following day.

Members of the general public will be invited to participate in the event for the purpose of fostering good will with the prevailing commercial and residential interests located within Waikiki, and Honolulu. Planned beach activities include open ocean sprint canoe races, Hawaiian land makahiki games, stand up paddle relays, a Hawaiian craft and marketplace, live entertainment located upon the Hilton Hawaiian Village Hotel property and Duke Kahanamoku Beach, as well as a unique huki kaula or, tug of war, in the Duke Kahanamoku Lagoon. All amplified sound will be directed toward the hotel and its lagoon lawn.

For the Board's information, the Board approved similar requests from WCC in the past two years.

Hilton Hawaiian Village has agreed to serve as the title sponsor of this event and to lead a community-wide effort to raise contributions. WCC understands and is agreeable, that no advertising or commercial activities are allowed on the State owned beach.

The goal is to raise \$60,000 to fund operations that consist of educational and social services for the benefit of residents, employees and the visitors to Waikiki, and in particular, to benefit those who are in need. WCC requests the fee for the requested right-of-entry be waived and staff has no objections to this request.¹

WCC has not had a lease, permit, easement or other disposition of State lands terminated within the past five years due to non-compliance with such terms and conditions.

No comments were requested from government or community agencies. Staff has no objections to the subject request.

RECOMMENDATION: That the Board

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the issuance of a right-of-entry permit to Waikiki Community Center for the beach activities purposes covering the subject area for under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - A. The standard terms and conditions of the most current right-of-entry permit form, as may be amended from time to time; and

¹ The fee would be \$10,645 for the subject request.

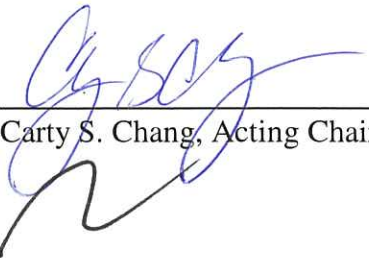

- B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

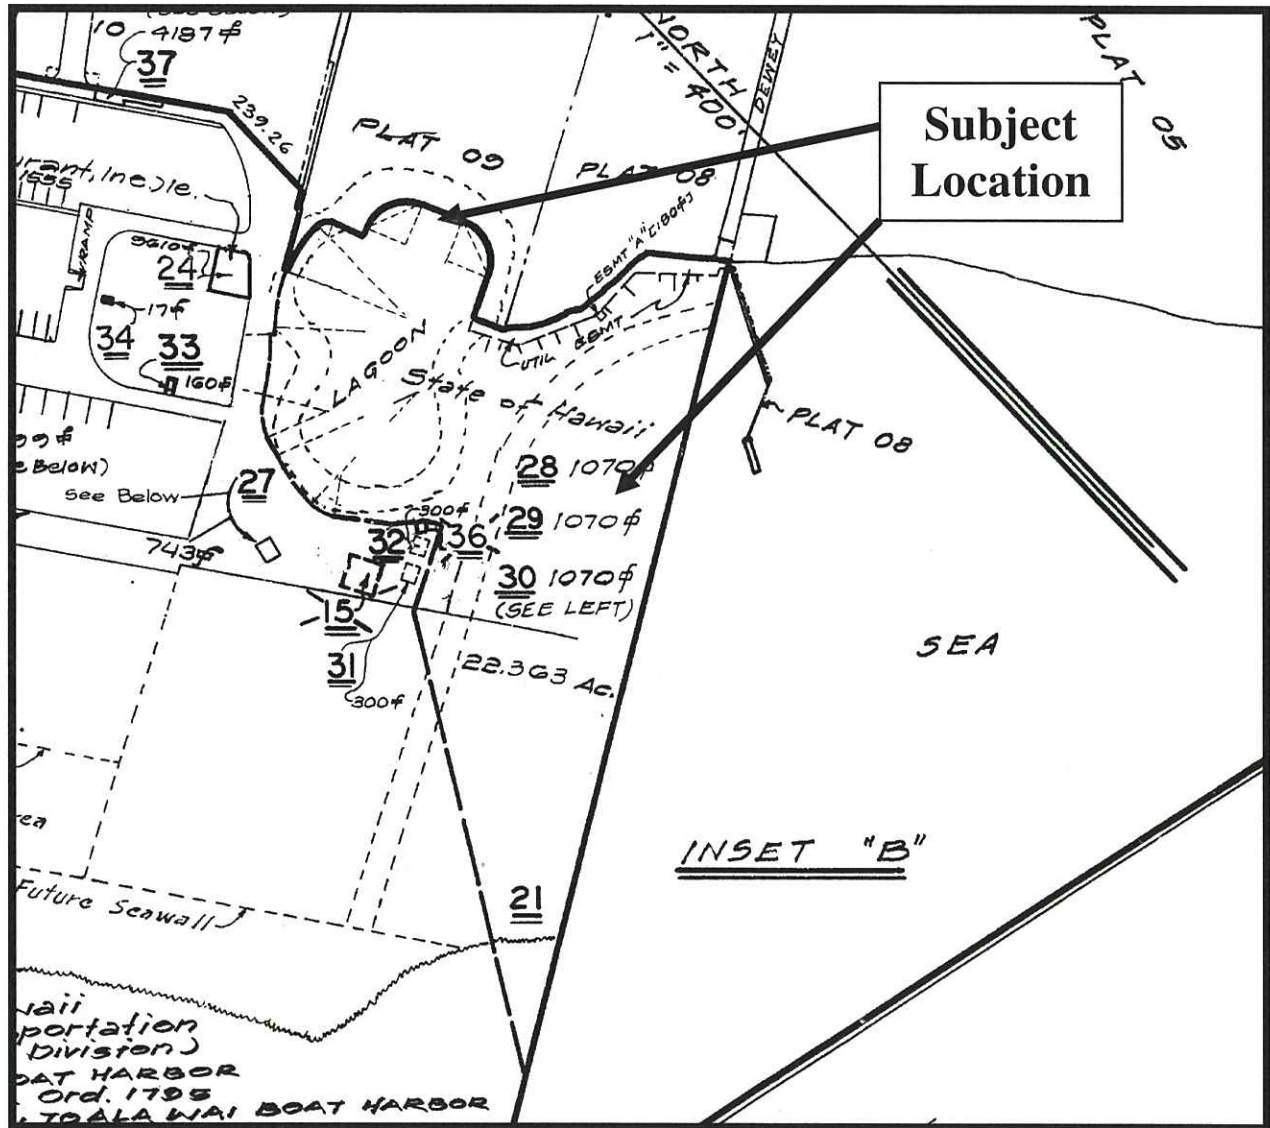

Barry Cheung
District Land Agent
