REMARKS:

Hale Makua Health Services was established in 1946 to provide a home for elders who had no one to care for them or means to pay for care. It is the only Eden Alternative registered home in the state of Hawaii and is one of Maui’s largest non-government employers. The Wailuku facility is one of two nursing homes on the island of Maui. As a home health care agency it is equipped with a rehab center that specializes in both in and out-patient physical, occupational and speech therapies, an adult day health center, and an adult residential care home.

In March of 2014, the Hale Makua Health Services administration approached the County of Maui with a request for a modification to the originally approved language for the character of use for the Executive Order area. The current use is described as “For home for the care of the aged”. The requested change, if approved, will reflect a more detailed description of what is actually occurring on the subject premises. The new description will state: “Serve the Frail, Elderly or Disabled and Other Allied Purposes”. The requested change in use is consistent with the purpose of the set aside and staff has no objections to this request.

A change in the controlling agency for Executive Order number 2129 is also required as the Board of Supervisors of the County of Maui no longer exists. The new controlling agency will be identified as the County of Maui, Department of Housing and Human Concerns.

The County of Maui has also requested the consent from the State of Hawaii, Board of Land and Natural Resources to a new long term lease agreement with Hale Makua Health Services which would begin upon the execution of this document and expire on the 30th day of June 2064.

Upon review of the requested changes by the Hale Makua Health Services and the County of Maui, Department of Housing and Human Concerns, staff is recommending the cancellation of the existing Governor’s Executive Order No. 2129 and the issuance of a new Governor’s Executive Order to the new managing department with the updated character of use and term.
Staff did not solicit any agency or community comments. There are no pertinent issues or concerns relative to this change in use.

RECOMMENDATION: That the Board:

1. Approve of and recommend to the Governor issuance of an executive order canceling Governor’s Executive Order No. 2129 and subject to the following:
   A. The standard terms and conditions of the most current executive order form, as may be amended from time to time;
   B. Disapproval by the Legislature by two-thirds vote of either the House of Representatives or the Senate or by a majority vote by both in any regular or special session next following the date of the setting aside;
   C. Review and approval by the Department of the Attorney General; and
   D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

2. Approve of and recommend to the Governor the issuance of an executive order setting aside the subject lands to County of Maui, Department of Housing and Human Concerns under the terms and conditions cited above, which are by this reference incorporated herein and subject further to the following:
   A. The standard terms and conditions of the most current executive order form, as may be amended from time to time;
   B. Disapproval by the Legislature by two-thirds vote of either the House of Representatives or the Senate or by a majority vote by both in any regular or special session next following the date of the setting aside;
   C. Review and approval by the Department of the Attorney General; and
   D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

3. Consent to a new lease agreement between the County of Maui, Department of Housing and Human Concerns, as lessor, and the Hale Makua Health Services, as lessee, to begin upon the execution of the lease and expire on the 30th day of June 2064, subject to any applicable conditions cited above which are by this reference incorporated herein and further subject to the following:
