Amend Prior Board Action of November 14, 2014, Under Item D-12, for the Imposition of a \$5,000.00 Fine, an Additional \$1,000.00 Per Day Violation, and \$220.00 in Administrative Costs Against Maui Kayaks Inc., for Unauthorized Commercial Activities Conducted on State Unencumbered Lands. This Amendment Changes Payment of Fine and Fees from within Thirty (30) Days of the Date of the Board’s Action, to a Thirteen (13) Month Payment Plan at 7% Interest of the Declining Balance, Inclusive of an Additional \$500.00 Administrative Fee for a Total Payment of \$6,945.40; at Por. of Keauhou, Kalihi, Waipao, Papaanui, Kaeo, Honuaula, Makawao, Makena, Maui, at TMK: (2) 2-1-007: Seaward of 083 and 093.

BACKGROUND:

At its meeting of November 14, 2014, under agenda item D-12, the Board of Land and Natural Resources approved the issuance of a \$5,000.00 fine, additional \$1,000.00 for per day violation, and \$220.00 in administrative fees for the unauthorized use of State land by Maui Kayaks Inc.

On August 21, 2014, Maui Kayaks Inc. staff members were observed conducting commercial business operations along the shoreline (State Unencumbered Land) to the south of the area known as Makena landing. The shoreline was being utilized for the storage of numerous rental kayaks, and tables were set up on the beach where food and drinks were provided to clients as they returned to shore. Due to previous verbal and written warnings, staff requested through the Board that fines be issued for these unauthorized uses of unencumbered State land.

Since the Board’s approval of November 14, 2014, the Maui District Land Office has made several attempts through written correspondence (via certified mail) to Maui Kayaks Inc., owner Mr. Paul Noble for the collection of the \$6,220.00 due. See attached letters dated December 19, 2014 (Exhibit 2-a) and June 23, 2015 (Exhibit 3-a), requesting payment of the fines and administrative fees. On August 24, 2015, Mrs. Sarah Noble of Maui Kayaks Inc. contacted the Maui District Land Office to discuss the possibility of a monthly installment payment plan to cure the outstanding fine. In an attempt to work with Mr. and Mrs. Noble, staff has agreed to consider their request and ask that the Board approve a thirteen (13) month payment plan at \$500.00 per month, with a 7% interest rate on the declining balance, and include an additional \$500.00 administrative fee, for total final payment of \$6,945.40. Refer to the proposed payment plan labeled as (Exhibit 4-a).

EXHIBITS:

- Exhibit 1-a: Previously approved board submittal of November 14, 2014, Item D-12.
- Exhibit 2-a: Advisory letter to Maui Kayaks Inc., dated December 19, 2014.
- Exhibit 3-a: Advisory letter to Maui Kayaks Inc., dated June 23, 2015.
- Exhibit 4-a: Proposed 13 month payment plan.

RECOMMENDATION: That the Board:

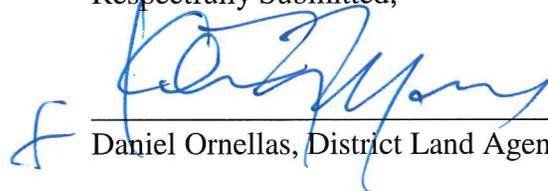

1. Amend its prior Board action of November 14, 2014, under agenda item D-12 by changing recommendation #1 which states: “ Find that Maui Kayaks Inc. violated the provisions of Chapter 171-6, Hawaii Revised Statutes, and Hawaii Administrative Rules 13-221-35, Commercial Activities, by conducting unauthorized commercial activities on unencumbered State land, order it to pay a fine of \$5,000.00, an additional \$1,000.00 per day per violation and \$220.00 in administrative costs within thirty (30) days of the date of the Board's action of today’s date. The fine and administrative costs shall be paid to the Department of Land and Natural Resources.”

To be replaced with the following:

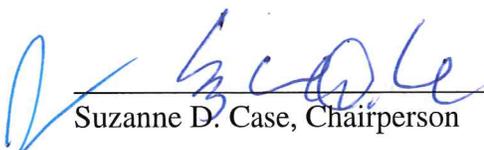

Find that Maui Kayaks Inc. violated provisions of Chapter 171-6, Hawaii Revised Statutes, and Hawaii Administrative Rules 13-221-35, Commercial Activities, by conducting unauthorized commercial activities on unencumbered State land, order payment of a \$5,000.00 fine, an additional \$1,000.00 per day violation, and \$220.00 in administrative costs through a thirteen (13) month payment plan at \$500.00 per month with a 7% interest on the declining balance, and assess an additional \$500.00 administrative fee for a total payment balance of \$6,945.40.

2. All terms and conditions listed in its November 14, 2015 approval to remain the same.

Respectfully Submitted,

 Daniel Ornellas, District Land Agent

VIOLATION:

On August 21, 2014 at approximately 10:20am, Conservation and Resources Enforcement Officer Erik Vuong observed staff members from Maui Kayaks Inc. to be conducting commercial kayak operations along the shoreline to the south of Makena Landing. Per Officer Vuong's report, he observed instructors James Adkins and Corey Laskoskie at the subject location with numerous rental kayaks lined up along the shoreline. Vuong monitored the operation for approximately thirty minutes and was able to observe both employees pulling returning customer kayaks up out of the water and placing them along the shoreline where they were stored as the employees interacted with their clients. Vuong also indicated that tables were set up on the beach area where food was provided for the returning customers.

Upon making contact with Adkins and Laskoskie Officer Vuong inquired if they had a permit to operate their commercial operation at the subject location. Officer Vuong was provided two County of Maui Commercial Ocean Recreational Activities Permits. The first permit (#20140078) was for Hanakao County Beach Park and the second permit (#20140077) was for DT Fleming County Beach Park. Neither employee was able to provide any permit or authorization for the use of the subject area for their commercial business operation.

Upon being advised of the observed violation, both instructors informed Officer Vuong that they were instructed by the owner Mr. Paul Noble to utilize the subject location to conduct kayak lessons on the beach and that if they were ever contacted by any DOCARE officers, they were to inform the officer(s) that they had the right to conduct their business at this location. Refer to Officer Erik Vuong's investigation report (15-0100-MA) for his complete statement, observations and actions taken. Report attached as Exhibit 1.

Previously documented warning and complaints against Maui Kayaks Inc. are listed below:

Complaint: 8/29/2013 for Commercial Activities @ Olowalu. Maui Kayaks Inc. employee Mr. James Adkins was observed providing lessons and a safety briefing to clients along the shoreline (State unencumbered land). This violation was taken to the Board of Land and Natural Resources for the issuance of fines and administrative fees. Per Mr. Noble's request, the BLNR approved a contested case hearing for the imposition of a \$1,000.00 fine and payment of \$580.00 in administrative fees. On

December 13, 2013, under agenda Item D-23, the BLNR approved staff's recommendation to impose a \$1,000.00 fine and \$580.00 in Administrative Cost against Maui Kayaks Inc. Due to Mr. Noble's request for a contested case hearing which has not taken place to date, a final disposition for the reported violation has not been completed.

Complaint: 8/11/2011 for Commercial Activities @ Olowalu, a warning was issued to the instructor John Hess and owner Paul Noble was contacted and informed of the violation. Mr. Noble related that he would inform his staff to only transit the shoreline and conduct no briefing.

Complaint: 3/22/2008 for Commercial Activities @ Makena, Maui. Warning issued to Mr. Paul Noble by Conservation Enforcement Officer Erik Vuong for conducting commercial operations (kayak tours) on state land. Report number MA-08-1062.

Cease & Desist Notice: March 24, 2008 to Paul Noble of Maui Kayaks Inc. for Unauthorized Commercial Activities.

Cease & Desist Notice: Refer to cease and desist notice dated April 7, 2008 which was sent to Maui Kayaks Inc. via certified mail related to unauthorized commercial activities and business operations on State lands.

REMARKS:

Staff feels the assessment of the maximum \$5,000.00 fine is reasonable given Maui Kayaks Inc.'s history of violations. An additional \$1,000.00 per day per violation fine for each day in which the violation persists is also applicable as Maui Kayaks Inc. has been issued verbal and written warnings to cease its commercial operations on State unencumbered lands. A previous board decision was made at which time Mr. Noble was in attendance. It is our request that the maximum fine be assessed as it will serve as a deterrent to future unauthorized activities by Maui Kayaks Inc. and other commercial operators.

Staff has been working with the County of Maui's Department of Parks and Recreation in providing information to vendors who are required to attend training classes prior to obtaining a Commercial Ocean Recreational Activity (C.O.R.A) Permit. The C.O.R.A permit allows vendors to operate their commercial business from designated park facilities under the jurisdiction of the County of Maui's, Department of Parks and Recreation. The Maui District Land Office has been dealing with the problem of commercial operators who, after obtaining a C.O.R.A permit, are now moving their business operations out of designated county park facilities and onto adjacent State unencumbered lands. Their choices to move from an assigned permitted area are usually due to changes in weather conditions which negatively impact their tour operations, or because of carrying capacity problems at the assigned and permitted park locations. Also, note that Mr. Paul Noble has attended and completed the C.O.R.A permitting class, which consists of a segment from the Department of Land and Natural Resources, Land Division which specifically addresses unauthorized commercial activities on the shoreline and State unencumbered land.

The Maui District Land Office continues to receive numerous complaints from the public and the Division of Conservation and Resources Enforcement, with regards to the overcrowding of shoreline areas due to vendors laying out kayaks or surfboards along the beach while awaiting the arrival of clients or during lessons and safety briefings being conducted prior to moving out into the water for tours or the water portion of their activity. The public has for generations utilized specific areas for family outings and recreational activities and are now being forced out of these locations because of the impacts from unauthorized commercial operators.

1. Find that Maui Kayaks Inc. violated the provisions of Chapter 171-6, Hawaii Revised Statutes, and Hawaii Administrative Rules 13-221-35, Commercial Activities, by conducting unauthorized commercial activities on unencumbered State land, order it to pay a fine of \$5,000.00, an additional \$1,000.00 per day per violation and \$220.00 in administrative costs within thirty (30) days of the date of the Board's action of

today's date. The fine and administrative costs shall be paid to the Department of Land and Natural Resources.

2. Order that in the event Maui Kayaks Inc., shall conduct unauthorized commercial activities on unencumbered State lands after the date of today's Board action, Maui Kayaks Inc. shall be fined up to \$10,000.00 for a second violation and \$1,000 for each day or part thereof that such activities occur per Hawaii Revised Statutes 171-6(15)(B).

Report

SYNOPSIS:

On 08/21/2014 at approximately 1020 hours, Maui Kayaks was observed to be operating a commercial activity within the jurisdiction of the State of Hawaii unencumbered land. Maui Kayaks has been previously warned for the same violations. Investigation referred to Land Division with recommendation to be forwarded to the Board of Land and Natural Resources for a civil assessment against Maui Kayaks.

ASSIGNMENT:

I am presently assigned to the Department of Land & Natural Resources (DLNR), Division of Conservation and Resources Enforcement (DOCARE), assigned to the Maui Division, Maui County. On 08/21/2014 at approximately 1020 hours, I was on routine patrol in full uniform along the Makena shorelines.

SCENE:

The scene in this case is located in the census of Wailuku, in the County Maui. The location of this violation occurred on the beach portion of the State unencumbered land, below the high water, just south of Makena Landing.

OBSERVATION:

While on patrol, I observed numerous kayaks lined up along the shoreline and there were additional people returning to the shore on kayaks. There was a white van with a trailer parked along the roadway with marking identifying that it belongs to Maui Kayaks. There was another truck parked nearby also pulling a trailer belong to Maui Kayaks. I observed one of the male subjects, later identified as Corey LASKOSKIE, pulling the kayak to shore and leaving it there. LASKOSKIE and another male subject later identified as James ADKINS also had tables set up on the beach to provide food for their returning customers. I monitored LASKOSKIE and ADKINS for approximately 30 minutes while they pulled the returning kayaks to shore, leaving it unattended while they interacted with their customers. They made no attempt to put their kayaks away on their trailer which was parked along the roadway.

CONTACTS:

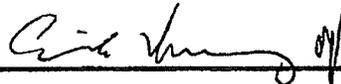

I made contact with ADKINS and LASKOSKIE and identified my purpose and intentions. I inquired if they were in possession of any State or county permit authorizing them to conduct their activity at this location. ADKINS provided two CORA permits (#20140078 – Hanakao Park and #20140077 – DT Fleming Beach Park) but did not have any permits for this location. They were advised of the observed violations and they both related that their employer, Paul NOBLE instructed them to come to this location to conduct the kayak lessons on the beach and that if they were contacted by any DOCARE officers that they have a right to conduct their business at this location. I informed them that the utilization of the State unencumbered land for commercial purpose was illegal and that Maui Kayaks has been previously warned (Refer to report #MA-08-1289) and a civil assessment was imposed against the business for the same violations. ADKINS and LASKOSKIE both advised that they were just following orders from their employer.

PHOTO REPORT:

Refer to the attached photo report.

DISPOSITION:

Forwarded to Land Division with recommendation for this investigation be referred to the Board of Land and Natural Resources to impose a civil assessment against Maui Kayaks.

VIOLATION:

On August 29, 2013 at 7:35 a.m., Mr. James Adkins of Maui Kayaks Inc. was observed conducting commercial business operations on the shoreline at Olowalu beach. Mr. Adkins, an instructor and tour guide with Maui Kayaks Inc., was observed providing lessons and a safety briefing to five clients. At the time, a total of four kayaks were lined up along the upper portion of the shoreline (State unencumbered land) to the rear of a trailer which had been modified for transporting kayaks. The operation and safety briefings lasted for approximately fifteen minutes. Upon completion of the briefing, the instructor pulled each kayak down to the water's edge and assisted the clients in launching their kayaks once they were seated.

Proper signage exists onsite notifying beachgoers that commercial activities are prohibited. Refer to the attached photo report (Exhibit A).

Cease & Desist Notice: Refer to cease and desist notice dated April 7, 2008 which

was sent to Maui Kayaks Inc. via certified mail related to unauthorized commercial activities and business operations on State lands.

REMARKS:

Staff feels the assessment of a fine is reasonable given Maui Kayaks Inc.'s history of violations. Verbal warnings have been issued to staff members and owner Mr. Paul Noble as well as multiple cease and desist notices which were sent to management via certified mail. It is our intent that a fine will serve as a deterrent to future unauthorized activity.

Staff has been working with the County of Maui Parks and Recreation Department in providing information to vendors who are required to attend training classes prior to obtaining a Commercial Ocean Recreational Activity (C.O.R.A) Permit from the County of Maui's Department of Parks and Recreation. The C.O.R.A permit allows vendors to operate their commercial business from designated park facilities under the jurisdiction of the County of Maui, Department of Parks and Recreation. The Maui District Land Office has been dealing with the problem of commercial operators who, after obtaining a C.O.R.A permit, are now moving their business operations out of designated county parks and onto adjacent State unencumbered lands. This is in an effort to provide better utilization of the area, due to changes in weather conditions which negatively affect their tour operations, or because of carrying capacity problems at the assigned and permitted park locations. Also note that Mr. Paul Noble has attended and completed the C.O.R.A permitting class, which consists of a segment from the Department of Land and Natural Resources, Land Division which specifically addresses unauthorized commercial activities on the shoreline and State unencumbered land.

The Maui District Land Office has to date, received numerous complaints from the public regarding the overcrowding of shoreline areas due to vendors laying out kayaks or surfboards along the beach while awaiting the arrival of clients or during lessons and safety briefings being conducted prior to moving out into the water for tours or the water portion of the surf lesson. RECOMMENDATION: That the Board:

1. Find that Maui Kayaks Inc. violated the provisions of Chapter 171-6, Hawaii Revised Statutes, and Hawaii Administrative Rules 13-221-35, Commercial Activities, by conducting unauthorized commercial activities on unencumbered State land order it to pay a fine of \$1,000 and \$580.00 in administrative costs within thirty (30) days of the date of the Board's action of today's date. Additional Information (fully describe the complaint or problem):

On 8/29/2013 at 7:35am, while conducting checks of State lands in the Olowalu area, I observed several kayaks lined up along the upper portion of the shoreline on unencumbered State land with a group of people standing around the kayaks. Upon approaching the group I observed a male individual providing instruction to five people who were standing above the kayaks with paddles in their hands and wearing life jackets. I monitored the instructor as he explained paddling techniques and a short safety briefing. After the instructions were completed, the instructor / guide then pulled each kayak into the water and assisted the clients with launching off the beach.

Contact was then made with the instructor who identified himself as James Adkins of Maui Kayaks. I informed Mr. Adkins of the rules related to conducting commercial activities on state unencumbered land under Hawaii Administrative Rule 13-221-35. Mr. Adkins related that he was not aware that he was violating any laws or rules and was never briefed by his employer Mr. Paul Noble that he was not allowed to conduct the lessons and or briefings on the shoreline.

Refer to the attached photo report.

2. Conduct Internal Review.

- a. Locate area on map(s). Attach tax map.
- b. Determine ownership. Findings and source used to verify (attach documents):
The subject area was identified and ownership confirmed via Tax Map and aerial overview.

State lands under DLNR:

- a. Provide report of what action taken. If site visit conducted, include photographs.

Mr. Adkins was issued a verbal warning and informed that commercial activities were not allowed on the shoreline and unencumbered state lands without a permit from the board or its authorized representative.

On 8/30/2013, at 11:50am, I contacted Maui Kayaks owner Mr. Paul Noble

During our conversation I did inform him of my contact on the previous morning with his instructor Mr. Adkins. Mr. Noble advised me that he was not aware that his instructor had not been briefed on the rules related to operating on state land. He indicated that they have to provide a safety briefing to prevent any injuries while out in the water and that he was sure the state would not want to be held responsible if something did happen to their clients while out on the water because they were unable to conduct a briefing before entering the water due to a state rule. I then informed Mr. Noble that this location is not a permitted site for commercial operations to take place and therefore, the state is not liable for any part of his business operation.

A file review was also conducted with regards to previous documented warnings and the following had been issued to Mr. Noble:

Complaint: 8/11/2011 for Commercial Activities @ Olowalu, a warning was issued to the instructor John Hess and owner Paul Noble was contacted and informed of the violation. Mr. Noble related that he would inform his staff to only transit the shoreline and conduct no briefing (Exhibit 1)

Complaint: 8/12/2008 for Commercial Activities @ Olowalu shoreline, Maui. Warning issued to Mr. Paul Noble by Conservation Enforcement Officer Ken Bode for conducting commercial activities (kayak tours) on state land. Report number MA-09-249 (Exhibit 2).

Complaint: 5/1/2008 for Commercial Activities @ Makena, Maui. A warning was issued to Mr. Paul Noble by Conservation Enforcement Officer Erik Vuong for conducting commercial operations (kayak tours) on state land. Report number MA-08-1289 (Exhibit 3).

Complaint: 3/22/2008 for Commercial Activities @ Makena, Maui. Warning issued to Mr. Paul Noble by Conservation Enforcement Officer Erik Vuong for conducting commercial operations (kayak tours) on state land. Report number MA-08-1062 (Exhibit 4).

Cease & Desist Notice: August 26, 2011 to Paul Noble of Maui Kayaks Inc. for Unauthorized Commercial Activities (Exhibit 5).

Cease & Desist Notice: March 24, 2008 to Paul Noble of Maui Kayaks Inc. for Unauthorized Commercial Activities (Exhibit 6).

Cease & Desist Notice: Refer to cease and desist notice dated April 7, 2008 which was sent to Maui Kayaks via certified mail related to unauthorized commercial activities and business operations on State lands (Exhibit 7).

3. Obtain approval from Administrator or Assistant Administrator (or District Land Agent) to close file. [The Administrator's approval will be required if the complaint may lead to a lawsuit, loss of life, etc.]

Recommendation: Seek Board approval for the issuance of fines for the repeated violation by Maui Kayaks Inc. for violating Hawaii Administrative Rule 13-221-35 Commercial Activities. Staff will document board submittal and request enforcement of rule and assessment of \$1,000.00 fine and administrative fees.

COMPLAINT FORM

1. Obtain the following information (minimum) from initial call:

Date/Time Of Call: 8/11/2011, 7:55 a.m.

Received By: Larry Pacheco

Name of Caller: On View

Telephone: _____

Address/Location: Olowalu Beach

Tax Map Key: (2) 4-8-003:001

Additional Information (fully describe the complaint or problem):

On 8/11/2011 at 7:55 a.m., I observed several different kayak tour groups along the shoreline and within the water at Olowalu Beach. The entire parking area was found to be full of vehicles from tourist participating in the kayak tours as well as multiple tour company's commercial vehicles with large trailers attached to them that are used to transport the kayaks. After stopping and monitoring the activities taking place along the shoreline and within the beach reserve, I noticed that three larger tour groups had already left the shoreline and had begun their kayak tours out within the water. I then observed four orange kayaks still laid out along the sand shoreline and a group of people standing to the rear of a white van within the parking area that had a Maui Kayak logo painted on the side of it. After being issued snorkel gear from an individual who was later identified as John Hess, the group moved down to the shoreline where the four kayaks were laid out. Once at the kayaks, Mr. Hess began to give the group a safety briefing and instruction on how to paddle and operate the kayaks. The group consisted of five adults and three children. The instruction and safety briefing along the shoreline went on for approximately 35 minutes. Mr. Hess then pulled each kayak down the shoreline and into the water where his clients then got into the vessels and paddled out to the nearby reef. Contact was then made with Mr. Hess as he was about to pull his guide kayak down the beach. Mr. Hess informed me that the company he works for (Maui Kayaks) does have a County of Maui C.O.R.A permit to conduct kayak tours. He also stated that he attended the C.O.R.A class approximately a year ago. He then stated that he normally conducts tours in the Makena area and rarely comes out to the Olowalu site because of the large amount of tour groups and commercial operators who operate from this location.

Will the caller agree to allow us to release his/her name and telephone number, so the parties concerned can follow-up with the complaint? yes

2. Conduct Internal Review.

- a. Locate area on map(s). Attach tax map.
- b. Determine ownership. Findings and source used to verify (attach documents):

The subject area where the commercial activities were observed to be taking place is state land. The area is also designated as a beach reserve.

3. If area identified is:

Notify caller that complaint or problem involves lands privately owned, provide name of owner(s).

State lands under DLNR:

a. Provide report of what action taken. If site visit conducted, include photographs. Refer to the attached photo report of the commercial activities taking place on state land without a permit or authorization. Mr. Hess was also advised that the use of the shoreline for storage and conducting his instruction and safety briefings were not allowed. He was informed that he was only allowed to use the beach and shoreline area for transit from his vehicle to the water. No lessons or storage at all should be conducted within the beach reserve. Mr. Hess acknowledged that he understood and stated that he was not aware of these rules as he observed all the other tour companies doing the same thing he did.

Maui Kayaks main office was also contacted via phone. Manager Paul Noble was informed of the above mentioned prohibited activities that were observed. He related that he would speak to his staff and try get them to use the shoreline area for transit purposes only, no instruction or safety briefings.

b. If lands are under jurisdiction of non-Land Division (e.g., DOFAW, State Parks, etc.), notify applicable DLNR agency, give location information and caller information.

4. Obtain approval from Administrator or Assistant Administrator (or District Land Agent) to close file. [The Administrator's approval will be required if the complaint may lead to a lawsuit, loss of life, etc.]

Recommendation: Maui District Land Office will attempt to issue a cease and desist notice to Maui Kayaks from the Chairperson's office. We will then serve the notice to the company and inform them that they can only conduct their commercial operations in the designated park areas for which their C.O.R.A permits them to operate out of. Maui DOCARE will also be advised of this complaint and asked to help with monitoring the shoreline and other state lands for unauthorized commercial activities.

This is an ongoing problem at this location with multiple tour companies using this site. Follow up checks of the area will continue to be conducted in an attempt to stop the unauthorized commercial activities from taking place.

Synopsis
SYNOPSIS:
 Maui Kayaks (Owner Paul Noble) was operating commercial activity on Makena Shoreline, state unencumbered land without a permit, a violation of section 13-221-35 HAR. Maui Kayaks was issued a cease and desist order from Land Division on 04/07/2008. Maui Kayaks employee, Kaleo Evangelista who was at the scene refused to comply with the order and insist DLNR take enforcement action against the kayak company.

ASSIGNMENTS:
 I am presently assigned to the Department of Land and Natural Resource (DLNR), Division of Conservation and Resource Enforcement, assigned to the Maui Division, County of Maui.

OBSERVATION:
 On 05/01/2008 at approximately 0945 hours, I was on patrol in the area south of Makena Landing when I observed five kayaks lined up along the shoreline on State unencumbered land. There were two male subjects, one of whom I recognized as an employee of Maui Kayaks lining up the kayaks on the shoreline. (Refer to report # MA-08-1036 & MA-08-1038)

CONTACT:
 I made contact with Subject Evangelista and again advised him of the violation for which he became argumentative and stated that DLNR cannot do anything to him or the company. I showed Subject Evangelista a copy of the cease and desist order from the State Land Agent and the attached tax map key showing the boundary of the state unencumbered land. Subject Evangelista challenged me to take enforcement action against him and/or the company. I advised him of the civil penalties for continuing to operate on State land and if necessary, the seizure of the equipment under section 199-7 of the Hawaii Revised Statutes. Subject Evangelista again challenged me and stated "go ahead take it!". I instructed Subject Evangelista to contact his employer, Paul Noble to get clarification and instructions regarding this violation and that any further actions would result in the company being fined \$2000 for everyday that he continues to operate on State unencumbered land.

DISPOSITION:
 I recommend this report be forwarded to Land Division for review and action

Synopsis South Pacific Kayak (Owner Roger Simonot) and Maui Kayak (Owner Paul Noble) continue to conduct commercial activity on Makena Shoreline, state unencumbered land without a permit, a violation of section 13-221-35 HAR. Both companies have been repeatedly warned not to conduct this type of activity on state unencumbered land but choose to disregard DOCARE officers orders.					
ASSIGNMENTS: I am presently assigned to the Department of Land and Natural Resource (DLNR), Division of Conservation and Resource Enforcement, assigned to the Maui Division, County of Maui. On 03/22/2008 at approximately 0730 hours, I was on routine patrol in the area of Makena landing.					
OBSERVATION: When I arrived on scene, I observed South Pacific Kayak and Maui Kayak's trucks parked with kayak trailer alongside the road. There were approximately 30-40 people sitting along the shoreline next to the kayaks receiving instructions from the kayak company employees. I monitored the activity for approximately 30 minutes while the employee gave instructions to the customers. At approximately 0800 hours, the kayak employee began to launch each individual kayaks with their customers. During this time, the kayak company maintained exclusive rights to this location, preventing any beachgoer from accessing the area.					
RECOMMENDATION: This is an on-going problem with these two companies who refused to comply with DOCARE officers orders to cease and desist commercial activities on state unencumbered land, a violation of section 13-221-35 HAR. Each time the employees are contacted by DOCARE officers, they are defiantly ignoring our orders and even stated that DOCARE officers have no jurisdiction and cannot take any action against them. I request that Land Division agents issue a cease and desist order against these two companies and any other companies that continue to operate commercial activities on state unencumbered land after being warned by DOCARE officers of their continued illegal activities. (Refer to previous reports MA-08-1035, MA-08-1036 & MA-08-1038).					
DISPOSITION: Forward to Land Division for further review and action. Refer to photo report.

HAR §13-221-35 Commercial Activities. No person shall engage in commercial activities of any kind without a written permit from the board or its authorized representative.

Aloha Larry,

In response to your request for info on Paul Noble of Maui Kayaks. Confirming that he did take the training that you and others gave at the Whale Sanctuary, April 21, 2010 for our CORA Vendors. I have in hand the test that he took. He only missed one question, it was not on the land division section, he got all of those questions correct. In addition, he attended a refresher class given in early 2012 for renewal of CORA Vendors awareness training cards. You did that presentation also.

Please contact me if you need additional information.

VIOLATION:

On August 29, 2013 at 7:35 a.m., Mr. James Adkins of Maui Kayaks Inc. was observed conducting commercial business operations on the shoreline at Olowalu beach. Mr. Adkins, an instructor and tour guide with Maui Kayaks Inc., was observed providing lessons and a safety briefing to five clients. At the time, a total of four kayaks were lined up along the upper portion of the shoreline (State unencumbered land) to the rear of a trailer which had been modified for transporting kayaks. The operation and safety briefings lasted for approximately fifteen minutes. Upon completion of the briefing, the instructor pulled each kayak down to the water's edge and assisted the clients in launching their kayaks once they were seated.

Proper signage exists onsite notifying beachgoers that commercial activities are prohibited. Refer to the attached photo report (Exhibit A).

Previously documented warning and complaints against Maui Kayaks Inc. are listed below:

Complaint: 8/11/2011 for Commercial Activities @ Olowalu, a warning was issued to the instructor John Hess and owner Paul Noble was contacted and informed of the violation. Mr. Noble related that he would inform his staff to only transit the shoreline and conduct no briefing.

Complaint: 8/12/2008 for Commercial Activities @ Olowalu shoreline, Maui. Warning issued to Mr. Paul Noble by Conservation Enforcement Officer Ken Bode for conducting commercial activities (kayak tours) on state land. Report number MA-09-249.

Complaint: 5/1/2008 for Commercial Activities @ Makena, Maui. A warning was issued to Mr. Paul Noble by Conservation Enforcement Officer Erik Vuong for conducting commercial operations (kayak tours) on state land. Report number MA-08-1289.

Complaint: 3/22/2008 for Commercial Activities @ Makena, Maui. Warning issued to Mr. Paul Noble by Conservation Enforcement Officer Erik Vuong for conducting commercial operations (kayak tours) on state land. Report number MA-08-1062.

Cease & Desist Notice: August 26, 2011 to Paul Noble of Maui Kayaks Inc. for Unauthorized Commercial Activities.

Cease & Desist Notice: March 24, 2008 to Paul Noble of Maui Kayaks Inc. for Unauthorized Commercial Activities.

Cease & Desist Notice: Refer to cease and desist notice dated April 7, 2008 which

was sent to Maui Kayaks Inc. via certified mail related to unauthorized commercial activities and business operations on State lands.

REMARKS:

Staff feels the assessment of a fine is reasonable given Maui Kayaks Inc.'s history of violations. Verbal warnings have been issued to staff members and owner Mr. Paul Noble as well as multiple cease and desist notices which were sent to management via certified mail. It is our intent that a fine will serve as a deterrent to future unauthorized activity.

Staff has been working with the County of Maui Parks and Recreation Department in providing information to vendors who are required to attend training classes prior to obtaining a Commercial Ocean Recreational Activity (C.O.R.A) Permit from the County of Maui's Department of Parks and Recreation. The C.O.R.A permit allows vendors to operate their commercial business from designated park facilities under the jurisdiction of the County of Maui, Department of Parks and Recreation. The Maui District Land Office has been dealing with the problem of commercial operators who, after obtaining a C.O.R.A permit, are now moving their business operations out of designated county parks and onto adjacent State unencumbered lands. This is in an effort to provide better utilization of the area, due to changes in weather conditions which negatively affect their tour operations, or because of carrying capacity problems at the assigned and permitted park locations. Also note that Mr. Paul Noble has attended and completed the C.O.R.A permitting class, which consists of a segment from the Department of Land and Natural Resources, Land Division which specifically addresses unauthorized commercial activities on the shoreline and State unencumbered land.

The Maui District Land Office has to date, received numerous complaints from the public regarding the overcrowding of shoreline areas due to vendors laying out kayaks or surfboards along the beach while awaiting the arrival of clients or during lessons and safety briefings being conducted prior to moving out into the water for tours or the water portion of the surf lesson. The public has for generations utilized specific areas for family outings and recreational activities and are now being forced out of these locations because of the impacts from unauthorized commercial operators.

EXHIBITS:

- Exhibit (A) - Photo of posted sign indicating no commercial activities at the subject location.
- Exhibit (B) - Staff report (Complaint) dated 8/30/2013, submitted by Land Agent Larry Pacheco.
- Exhibit (C) - Letter from the Department of Parks & Recreation dated September 4, 2013, confirming that Mr. Paul Noble attended the C.O.R.A training class on April 21, 2010 and the refresher class in early 2012.

RECOMMENDATION: That the Board:

1. Find that Maui Kayaks Inc. violated the provisions of Chapter 171-6, Hawaii Revised Statutes, and Hawaii Administrative Rules 13-221-35, Commercial Activities, by conducting unauthorized commercial activities on unencumbered State land order it to pay a fine of \$1,000 and \$580.00 in administrative costs within thirty (30) days of the date of the Board's action of today's date. The fine and administrative costs shall be paid to the Department of Land and Natural Resources.
2. Order that in the event Maui Kayaks Inc., shall conduct unauthorized commercial activities on unencumbered State lands after the date of today's Board action, Maui Kayaks Inc. shall be fined \$1,000 for each day or part thereof that such activities occur.

1. Obtain the following information (minimum) from initial call:

Date/Time Of Call: 8/29/2013 7:35 a.m.

Received By: L. Pacheco

Name of Caller: Larry Pacheco (Land Agent)

Telephone: _____

Address/Location: Olowalu, Unencumbered State Land

Tax Map Key: (2) 4-8-003:001

Additional Information (fully describe the complaint or problem):

On 8/29/2013 at 7:35am, while conducting checks of State lands in the Olowalu area, I observed several kayaks lined up along the upper portion of the shoreline on unencumbered State land with a group of people standing around the kayaks. Upon approaching the group I observed a male individual providing instruction to five people who were standing above the kayaks with paddles in their hands and wearing life jackets. I monitored the instructor as he explained paddling techniques and a short safety briefing. After the instructions were completed, the instructor / guide then pulled each kayak into the water and assisted the clients with launching off the beach.

Contact was then made with the instructor who identified himself as James Adkins of Maui Kayaks. I informed Mr. Adkins of the rules related to conducting commercial activities on state unencumbered land under Hawaii Administrative Rule 13-221-35. Mr. Adkins related that he was not aware that he was violating any laws or rules and was never briefed by his employer Mr. Paul Noble that he was not allowed to conduct the lessons and or briefings on the shoreline.

Refer to the attached photo report.

2. Conduct Internal Review.

- a. Locate area on map(s). Attach tax map.
- b. Determine ownership. Findings and source used to verify (attach documents):
The subject area was identified and ownership confirmed via Tax Map and aerial overview.

State lands under DLNR:

- a. Provide report of what action taken. If site visit conducted, include photographs.

Mr. Adkins was issued a verbal warning and informed that commercial activities were not allowed on the shoreline and unencumbered state lands without a permit from the board or its authorized representative.

On 8/30/2013, at 11:50am, I contacted Maui Kayaks owner Mr. Paul Noble

During our conversation I did inform him of my contact on the previous morning with his instructor Mr. Adkins. Mr. Noble advised me that he was not aware that his instructor had not been briefed on the rules related to operating on state land. He indicated that they have to provide a safety briefing to prevent any injuries while out in the water and that he was sure the state would not want to be held responsible if something did happen to their clients while out on the water because they were unable to conduct a briefing before entering the water due to a state rule. I then informed Mr. Noble that this location is not a permitted site for commercial operations to take place and therefore, the state is not liable for any part of his business operation.

A file review was also conducted with regards to previous documented warnings and the following had been issued to Mr. Noble:

Complaint: 8/11/2011 for Commercial Activities @ Olowalu, a warning was issued to the instructor John Hess and owner Paul Noble was contacted and informed of the violation. Mr. Noble related that he would inform his staff to only transit the shoreline and conduct no briefing (Exhibit 1)

Complaint: 8/12/2008 for Commercial Activities @ Olowalu shoreline, Maui. Warning issued to Mr. Paul Noble by Conservation Enforcement Officer Ken Bode for conducting commercial activities (kayak tours) on state land. Report number MA-09-249 (Exhibit 2).

Complaint: 5/1/2008 for Commercial Activities @ Makena, Maui. A warning was issued to Mr. Paul Noble by Conservation Enforcement Officer Erik Vuong for conducting commercial operations (kayak tours) on state land. Report number MA-08-1289 (Exhibit 3).

Complaint: 3/22/2008 for Commercial Activities @ Makena, Maui. Warning issued to Mr. Paul Noble by Conservation Enforcement Officer Erik Vuong for conducting commercial operations (kayak tours) on state land. Report number MA-08-1062 (Exhibit 4).

Cease & Desist Notice: Refer to cease and desist notice dated April 7, 2008 which was sent to Maui Kayaks via certified mail related to unauthorized commercial activities and business operations on State lands (Exhibit 7).

3. Obtain approval from Administrator or Assistant Administrator (or District Land Agent) to close file. [The Administrator's approval will be required if the complaint may lead to a lawsuit, loss of life, etc.]

Recommendation: Seek Board approval for the issuance of fines for the repeated violation by Maui Kayaks Inc. for violating Hawaii Administrative Rule 13-221-35 Commercial Activities. Staff will document board submittal and request enforcement of rule and assessment of \$1,000.00 fine and administrative fees.

Received By: Larry Pacheco

Additional Information (fully describe the complaint or problem):

On 8/11/2011 at 7:55 a.m., I observed several different kayak tour groups along the shoreline and within the water at Olowalu Beach. The entire parking area was found to be full of vehicles from tourist participating in the kayak tours as well as multiple tour company's commercial vehicles with large trailers attached to them that are used to transport the kayaks. After stopping and monitoring the activities taking place along the shoreline and within the beach reserve, I noticed that three larger tour groups had already left the shoreline and had begun their kayak tours out within the water. I then observed four orange kayaks still laid out along the sand shoreline and a group of people standing to the rear of a white van within the parking area that had a Maui Kayak logo painted on the side of it. After being issued snorkel gear from an individual who was later identified as John Hess, the group moved down to the shoreline where the four kayaks were laid out. Once at the kayaks, Mr. Hess began to give the group a safety briefing and instruction on how to paddle and operate the kayaks. The group consisted of five adults and three children. The instruction and safety briefing along the shoreline went on for approximately 35 minutes. Mr. Hess then pulled each kayak down the shoreline and into the water where his clients then got into the vessels and paddled out to the nearby reef. Contact was then made with Mr. Hess as he was about to pull his guide kayak down the beach. Mr. Hess informed me that the company he works for (Maui Kayaks) does have a County of Maui C.O.R.A permit to conduct kayak tours. He also stated that he attended the C.O.R.A class approximately a year ago. He then stated that he normally conducts tours in the Makena area and rarely comes out to the Olowalu site because of the large amount of tour groups and commercial operators who operate from this location.

Synopsis
SYNOPSIS:
 Maui Kayaks (Owner Paul Noble) was operating commercial activity on Makana Shoreline, state unencumbered land without a permit, a violation of section 13-221-35 HAR. Maui Kayaks was issued a cease and desist order from Land Division on 04/07/2008. Maui Kayaks employee, Kaleo Evangelista who was at the scene refused to comply with the order and insist DLNR take enforcement action against the kayak company.

ASSIGNMENTS:
 I am presently assigned to the Department of Land and Natural Resource (DLNR), Division of Conservation and Resource Enforcement, assigned to the Maui Division, County of Maui.

OBSERVATION:
 On 05/01/2008 at approximately 0945 hours, I was on patrol in the area south of Makana Landing when I observed five kayaks lined up along the shoreline on State unencumbered land. There were two male subjects, one of whom I recognized as an employee of Maui Kayaks lining up the kayaks on the shoreline. (Refer to report # MA-08-1036 & MA-08-1038)

CONTACT:
 I made contact with Subject Evangelista and again advised him of the violation for which he became argumentative and stated that DLNR cannot do anything to him or the company. I showed Subject Evangelista a copy of the cease and desist order from the State Land Agent and the attached tax map key showing the boundary of the state unencumbered land. Subject Evangelista challenged me to take enforcement action against him and/or the company. I advised him of the civil penalties for continuing to operate on State land and if necessary, the seizure of the equipment under section 199-7 of the Hawaii Revised Statutes. Subject Evangelista again challenged me and stated "go ahead take it!". I instructed Subject Evangelista to contact his employer, Paul Noble to get clarification and instructions regarding this violation and that any further actions would result in the company being fined \$2000 for everyday that he continues to operate on State unencumbered land.

DISPOSITION:
 I recommend this report be forwarded to Land Division for review and action

Synopsis South Pacific Kayak (Owner Roger Simonot) and Maui Kayak (Owner Paul Noble) continue to conduct commercial activity on Makena Shoreline, state unencumbered land without a permit, a violation of section 13-221-35 HAR. Both companies have been repeatedly warned not to conduct this type of activity on state unencumbered land but choose to disregard DOCARE officers orders.			
ASSIGNMENTS: I am presently assigned to the Department of Land and Natural Resource (DLNR), Division of Conservation and Resource Enforcement, assigned to the Maui Division, County of Maui. On 03/22/2008 at approximately 0730 hours, I was on routine patrol in the area of Makena landing.			
OBSERVATION: When I arrived on scene, I observed South Pacific Kayak and Maui Kayak's trucks parked with kayak trailer alongside the road. There were approximately 30-40 people sitting along the shoreline next to the kayaks receiving instructions from the kayak company employees. I monitored the activity for approximately 30 minutes while the employees gave instructions to the customers. At approximately 0800 hours, the kayak employees began to launch each individual kayaks with their customers. During this time, the kayak company maintained exclusive rights to this location, preventing any beachgoer from accessing the area.			
RECOMMENDATION: This is an on-going problem with these two companies who refused to comply with DOCARE officers orders to cease and desist commercial activities on state unencumbered land, a violation of section 13-221-35 HAR. Each time the employees are contacted by DOCARE officers, they are defiantly ignoring our orders and even stated that DOCARE officers have no jurisdiction and cannot take any action against them. I request that Land Division agents issue a cease and desist order against these two companies and any other companies that continue to operate commercial activities on state unencumbered land after being warned by DOCARE officers of their continued illegal activities. (Refer to previous reports MA-08-1035, MA-08-1036 & MA-08-1038).			
DISPOSITION: Forward to Land Division for further review and action. Refer to photo report.

Aloha Larry,

In response to your request for info on Paul Noble of Maui Kayaks. Confirming that he did take the training that you and others gave at the Whale Sanctuary, April 21, 2010 for our CORA Vendors. I have in hand the test that he took. He only missed one question, it was not on the land division section, he got all of those questions correct. In addition, he attended a refresher class given in early 2012 for renewal of CORA Vendors awareness training cards. You did that presentation also.

Please contact me if you need additional information.
