Board Members:

SUBJECT: REQUEST FOR APPROVAL TO ENTER INTO A GRANT AGREEMENT BETWEEN THE NATIONAL FISH AND WILDLIFE FOUNDATION AND THE DIVISION OF FORESTRY AND WILDLIFE FOR $500,000 IN PRIVATE FUNDS TO COMPLETE THE LAND ACQUISITION AND MANAGEMENT PROJECT ENTITLED “CONSERVATION AND RESTORATION INITIATIVE AT UPPER KŪKA‘IAU RANCH, HAWAI‘I ISLAND,” TAX MAP KEY NUMBERS (3) 4-2-008:021 AND (3) 4-2-008:008.

SUMMARY:

The National Fish and Wildlife Foundation (NFWF) offered to award a $500,000 grant to the Division of Forestry and Wildlife (DOFAW) to protect and improve palila critical habitat for sustained recovery efforts. DOFAW would receive the grant as a subrecipient of funds that NFWF received from Walmart Stores, Inc., Acres for America Program. The NFWF grant would contribute about 15% of the cost of DOFAW’s proposed land acquisition at Upper Kūka‘iau Ranch, Kūka‘iau and Koholālele, Hāmākua, Hawai‘i. This property spans 4,469 acres on the northwestern slopes of Mauna Kea.

BACKGROUND:

DOFAW’s proposed land acquisition at Upper Kūka‘iau Ranch (UKR) is an outgrowth of efforts by The Nature Conservancy (TNC) to acquire fee title to the property, over which TNC holds a conservation easement that restricts development thereupon. During 2012-2013, TNC secured funding commitments for the acquisition from DOFAW’s Legacy Land Conservation Program (LLCP), the U.S. Fish and Wildlife Service Recovery Land Acquisition (RLA) grant

---

1 On May 11, 2012, the Board of Land and Natural Resources authorized full funding ($1,000,000) of TNC’s application to LLCP “for the protection of watershed and endangered Palila bird habitat.”
program (through a subgrant from DOFAW),\textsuperscript{2} and NFWF.\textsuperscript{3} In October 2014, TNC decided that it would not proceed with the acquisition. Thereafter, DOFAW decided to retain its RLA award and seek additional funding from LLCP,\textsuperscript{4} NFWF, and other sources to acquire the property for the State.

DOFAW and NFWF, aided by the Deputy Attorney General, recently agreed to terms for redirecting TNC’s initial NFWF grant to DOFAW, and DOFAW now seeks BLNR approval to accept a $500,000 grant from NFWF for the acquisition of Upper Kūkaʻiau Ranch, agreement attached (Exhibit A).

**DISCUSSION:**

Securing a funding commitment from NFWF for the acquisition of Upper Kūkaʻiau Ranch will enhance DOFAW’s opportunities to obtain matching funds from other sources, such as the Army Compatible Use Buffer Program, private donors, and the State Land Conservation Fund.

**CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:**

The proposed acquisition of land at Upper Kūkaʻiau Ranch is a minor action that will probably have minimal or no significant effects on the environment and is exempt from the requirement to prepare an environmental assessment in accordance with Chapter 343, HRS, and Chapter 11-200-8, Hawaii Administrative Rules, under the Department’s Exemption Class 1, Exemption 45 (Exemption List for the Department of Land and Natural Resources, Reviewed and Concurred Upon by the Environmental Council on June 05, 2015):

Exemption Class 1: Operations, repairs or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing.

45. Acquisition of land or interests in land.

\textsuperscript{2} The U.S. Fish and Wildlife Service awarded $1,217,114 to DOFAW and TNC for “Kūkaʻiau Acquisition and Palila Habitat Restoration.” The award performance period is July 31, 2012 to June 30, 2016.

\textsuperscript{3} On September 26, 2013, TNC entered into a grant agreement with NFWF for $500,000 “to protect and improve palila critical habitat for sustained recovery efforts.”

\textsuperscript{4} At its meeting of December 03, 2015, the Legacy Land Conservation Commission (LLCC) ranked DOFAW’s FY2016 application for Upper Kūkaʻiau Ranch acquisition fifth out of five, and recommended that the Board of Land and Natural Resources authorize $25,000 in funding, to be supplemented by additional Legacy Land funds—up to DOFAW’s total request of $1,363,346—from other FY2016 awards that do not use all of their funding.
DOFAW activities to be conducted under the terms of the grant agreement include fencing 250 acres of palila critical habitat and planting 500 māmāne trees on the newly-acquired State land. These are minor actions that will probably have minimal or no significant effects on the environment and are exempt from the requirement to prepare an environmental assessment in accordance with Chapter 343, HRS, and Chapter 11-200-8, Hawaiʻi Administrative Rules, under the Department's following exemption classes (Exemption List for the Department of Land and Natural Resources, Reviewed and Concurred Upon by the Environmental Council on June 05, 2015):

Exemption Class 1: Operations, repairs or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing.

Exemption Class 2: Replacement or reconstruction of existing structure and facilities where the new structure will be located generally on the same site and will have substantially the same purpose, capacity, density, height, and dimensions as the structure replaced.

Exemption Class 3: Construction and location of single, new, small facilities or structures and the alteration and modification of same and installation of new, small equipment and facilities and the alteration and modification of same [].

Exemption Class 4: Minor alteration in the conditions of land, water, or vegetation.

Exemption Class 5: Basic data collection, research, experimental management, and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource.

Exemption Class 6: Construction or placement of minor structures accessory to existing facilities.

In accordance with the Board’s action at its meeting of November 13, 2015, under Item C-6, the Chairperson or the Chairperson’s authorized representative is authorized to declare the exemptions.

RECOMMENDATIONS:

DOFAW recommends that the Board:

1. Approve DOFAW’s acceptance of a $500,000 grant from the National Fish and Wildlife Foundation for DOFAW’s “Conservation and Restoration Initiative at Upper Kūka‘iau Ranch, Hawai‘i Island” (proposed agreement attached as Exhibit A), subject to approval by the Attorney General.
Respectfully submitted,

Scott Fretz, Acting Administrator

SECTION 1 AGREEMENT ADMINISTRATION

1.1. Project Description/Purpose of Grant.
Acquire 4,469 acres on the northwestern slopes of Mauna Kea to protect and improve palila critical habitat for sustained recovery efforts. Project will strengthen connections between ranch lands, other existing protected lands, and ongoing reforestation and ecosystem restoration efforts; provide public access for people to enjoy the outdoors throughout the Mauna Kea summit region; and benefit local, community-based initiatives for historic preservation and cultural resource management.

1.2. Amendments.
During the life of the Project, the NFWF Subrecipient is required to inform the NFWF Grants Administrator of any changes in contact information or in the Project scope of work, as well as any difficulties in completing the performance goals articulated by the Project description immediately. If the NFWF Subrecipient determines that the amount of the budget is going to change in any one budget category by an amount that exceeds 10% of the Award, the NFWF Subrecipient must seek prior written approval from the Grants Administrator. NFWF Subrecipients must seek an amendment request upon determination of a deviation from the original Grant Agreement as soon as such deviation is detected. However, NFWF may initiate the amendment if NFWF determines an amendment is necessary at any time. Amendment requests are to be submitted via NFWF’s EasyGrants system.

1.3. Matching Contributions.
Matching Contributions consist of cash, contributed goods and services, volunteer hours, and/or property raised and spent for the Project. Matching Contributions for the purposes of this Project must meet the following criteria: (1) Are verifiable from the NFWF Subrecipient’s records; (2) Are not included as contributions for any other Federal award; (3) Are necessary and reasonable for the accomplishment of project or program objectives; (4) Are allowable under OMB Cost Principles; (5) Are not paid by the U.S. Government under another Federal award except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs when authorized by Federal statute; (6) Are provided for in the approved budget when required by the Federal awarding agency; (7) Are committed directly to the project and must be used within the period of performance as identified in this Grant Agreement; (8) Otherwise conform to the law; and, (9) Are in compliance with the requirements of Section 2 of this Grant Agreement concerning Compliance with Anti-Corruption, Anti-Money Laundering, Terrorist Financing, and Trafficking in Persons Statutes and Other Restrictions.
1.3.1. Documentation and Reporting of Matching Contributions. The NFWF Subrecipient must retain detailed time records for contributed services and original receipts and appraisals of real property and comparable rentals for other contributed property at its place of business in the event of an audit of the NFWF Subrecipient as required by applicable Federal regulations.

1.3.2. Cash, Goods and Services, and/or Property. The NFWF Subrecipient must report to NFWF as a part of the Final Report, the Matching Contributions received by the NFWF Subrecipient and expended in connection with the Project. Fair market value of donated goods and services, including volunteer hours, shall be computed as outlined in §200.306 of 2 CFR Subtitle A, Chapter II, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, (hereinafter “OMB Uniform Guidance”), regardless of whether this Grant Agreement is federally funded.

1.3.3. Property. The NFWF Subrecipient may have a third party donor submit a letter to NFWF, documenting the fair market value and date of a Matching Contribution and stating that the donation is non-Federal, voluntary, and intended to qualify as a Matching Contribution. A letter provided to document a donation of real property must be accompanied by an appraisal by a certified appraiser; a letter provided to document rental of equipment or space must list three comparable rentals in the location of the Project.

1.4. Payment of Funds.
To be eligible to receive funds, NFWF Subrecipient must (1) return to NFWF an original executed copy of the grant agreement for the Project; (2) submit any due financial and programmatic reports; and (3) submit a complete and accurate payment request. NFWF Subrecipient may request funds by submitting a Payment Request via Easigrants. In the event that submission of a Payment Request via Easigrants is not possible, NFWF Subrecipient may arrange as agreed to by their NFWF Grants Administrator to submit the Payment Request via alternate means. NFWF Subrecipient may request advance payment of funds prior to expenditure provided that (1) NFWF Subrecipient demonstrates an immediate need for advance payment; and (2) NFWF Subrecipient documents expenditure of advanced funds on the next payment request and/or required financial report to NFWF. Approval of any advance payment of funds is made at the sole discretion of NFWF, based on an assessment of the NFWF Subrecipient’s needs. In all other cases, funds are disbursed on a reimbursable basis. NFWF reserves the right to retain up to ten percent (10%) of funds until submission and acceptance of the final reports.

1.5. Reports.

1.5.1 Interim Programmatic and Financial Reports.
The NFWF Subrecipient will submit interim programmatic and financial reports to NFWF based on the reporting schedule in Line 21 of the Cover Sheet to this Agreement. The interim programmatic report shall consist of written statements of Project accomplishments since Project initiation, or since the last reporting period, and shall be uploaded via NFWF’s Easigrants system. The interim financial report shall consist of financial information detailing cumulative receipts and expenditures made under this Project since Project initiation, and shall be uploaded via NFWF’s Easigrants system.
An annual financial report detailing cumulative receipts and expenditures made under this Project is required annually, due on October 31st of each year of the grant term. In the annual financial report, the NFWF Subrecipient must report the amount of NFWF Funds expended during NFWF’s fiscal year (October 1 – September 30). The NFWF Subrecipient must enter a justification when there is a difference between the amount disbursed by NFWF and the amount expended by the grantee. Failure to submit an annual financial report in a timely manner will delay payment of submitted payment requests.

1.5.3. Final Reports.
No later than 90 days after the completion of the Project, the NFWF Subrecipient will submit (1) a Final Financial Report accounting for all Project receipts, Project expenditures, and budget variances (if any) compared to the approved budget; (2) a Final Programmatic Report summarizing and evaluating the accomplishments achieved during the Period of Performance; (3) copies of any publications, press releases and other appropriate products resulting from the Project; and (4) Photographs as described in Section 1.5.3.1 below. The final reports and digital photo files should be uploaded via NFWF’s Easygrants system. Any requests for extensions of the final reports submission date must be made in writing to the NFWF Grants Administrator and approved by NFWF in advance.

1.5.3.1. Photographs.
Together with the Final Programmatic Report NFWF Subrecipient will submit a representative number (minimum of 5) of high-resolution (minimum 300 dpi) photographs depicting the Project. Photographs should be uploaded via NFWF’s Easygrants system as individual .jpg files. NFWF requests, as appropriate for the Project, before-and-after images of the Project, images of species impacted by the Project, and images of staff/volunteers working on the Project. In the Final Programmatic Report narrative include for each submitted photograph the date the photograph was taken, the location of the photographed image, caption, photo credit, and any other pertinent information. By uploading photographs to NFWF’s Easygrants system the NFWF Subrecipient certifies that the photographs are unencumbered and may be used by NFWF and Project Funders as part of or separately from the permissions pertaining to the use of posting of Final Reports in Section 2.

1.5.4 Significant Developments.
The NFWF Subrecipient shall report on events that may occur between the scheduled performance reporting dates that have a significant impact on the Project. Such reporting shall be made as soon as the following conditions become known:

1.5.4.1 Problems, delays, or adverse conditions which will materially impair the ability to meet the Project objective. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the matter; and,
1.5.4.2 Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more or different beneficial results than originally planned.

1.5.5. Certification and Representation.
For each report in this section, except for 1.5.4, NFWF Subrecipient shall include the appropriate certification and representation pursuant to section 4.7.

1.6. Access to Records.
NFWF Subrecipient shall maintain all records connected with this Agreement for a period of at least three (3) years following the date of final payment or the close-out of all pending matters or audits related to this Agreement, whichever is later. NFWF or any of its authorized representatives shall have access to such records and financial statements upon request, as shall Inspectors General, the Comptroller General of the United States or any of their authorized representatives if the Funding Source or any funding entity (i.e., a secondary funding source) is a federal agency and/or any portion of the Project provided herein is paid with federal funds. NFWF Subrecipient must maintain records that demonstrate its compliance with federal statutory and regulatory requirements and that it is meeting the subaward project goals. Records for real property and equipment acquired with federal funds must be retained for at least three (3) years following disposition.

SECTION 2  NFWF AGREEMENT CLAUSES

2.1. Restrictions on Use of Funds.
The NFWF Subrecipient agrees that any funds provided by NFWF and all Matching Contributions will be expended only for the purposes and programs described in this Grant Agreement. No funds provided by NFWF pursuant to this Grant Agreement or Matching Contributions may be used to support litigation expenses, lobbying activities, or any other activities not authorized under this Grant Agreement or allowable under the Federal Cost Principles set forth in the OMB Uniform Guidance.

2.5. **Publicity and Acknowledgement of Support.**

The NFWF Subrecipient gives NFWF the right and authority to publicize NFWF's financial support for this Grant Agreement and the Project in press releases, publications and other public communications. NFWF Subrecipient agrees to: (i) give appropriate credit to NFWF and any Funding Sources identified in this Grant Agreement for their financial support in any and all press releases, publications, annual reports, signage, video credits, dedications, and other public communications regarding this Grant Agreement or any of the project deliverables associated with this Grant Agreement, subject to any terms and conditions as may be stated in Section 5 and Section 6 of this Agreement; and (ii) include the disclaimer provided for herein. The terms of this provision will survive termination of this Grant Agreement.

This Grant Agreement shall be subject to and interpreted by the laws of the District of Columbia, without regard to choice of law principles. By entering into this Grant Agreement, the NFWF Subrecipient agrees to submit to the jurisdiction of the courts of the District of Columbia. Upon the occurrence of any of the following enumerated circumstances, NFWF may terminate this Grant Agreement, or any portion thereunder, for default effective upon receipt by the NFWF Subrecipient of NFWF’s written notice of termination, or as otherwise specified in the notice of termination:

2.13.1.5. In the event NFWF learns that NFWF Subrecipient has an organizational conflict of interest, or any other conflict of interest, as determined in the sole discretion of NFWF, that NFWF believes cannot be mitigated; or,

2.13.1.6. After written notice and a reasonable opportunity to cure the perceived non-compliance with any material term of this Grant Agreement. The cure period shall be considered the timeframe specified by the Government, if any, minus one (1) to five (5) days or as agreed upon by the Parties in writing, or if no time is specified by the Government, ten (10) days or as otherwise agreed upon by the Parties. Within this time period the NFWF Subrecipient shall, as determined by NFWF, (a) satisfactorily demonstrate its compliance with the term(s) originally believed to be in non-compliance; or (b) NFWF, at its sole discretion, may determine that NFWF Subrecipient has satisfactorily demonstrated that reasonable progress has been made so as not to endanger performance under this Grant Agreement.

2.13.2. Either Party may terminate this Grant Agreement by written notice to the other Party for any reason by providing thirty (30) days' prior written notice to the other Party. NFWF shall have the right to terminate this Agreement in whole or in part at any time, if the Funding Source issues an early termination under the funding agreement(s) covering all or part of the Project at issue hereunder.

2.13.3. INSURANCE for Real Property and Equipment acquired

For purposes of the Agreement, the NFWF Subrecipient shall be required to provide NFWF evidence that it has obtained, at a minimum, equivalent insurance coverage for Real Property and Equipment acquired with Federal funds as provided to property owned by the NFWF Subrecipient (and obtain such evidence from any of its sub- recipients and contractors) and deliver it to NFWF within thirty (30) days of purchase of any such Real Property or Equipment.

Because this project involves land acquisition, the Award is subject to the following:

Prior to the disbursement of any funds, the NFWF Subrecipient shall provide NFWF with copies of the following documents: 1) recent appraisal by a licensed appraiser showing fair market value (FMV) of the Property; 2) recent survey (as applicable), map, and clear legal description of the Property; 3) title insurance report; 4) Level One Environmental Assessment report plus any additional reports appropriate to environmental work as required per the Level One Report; 5) baseline inventory of habitat and wildlife; 6) draft of the proposed conveyance of title; 7) letter from federal, state, or local agency or other entity stating that they will accept the property (applicable only to acquisitions involving subsequent third party transfer of title).

Following the disbursement of funds to acquire the Property, the NFWF Subrecipient shall provide NFWF with copies of the following documents: 1) final executed settlement statement; 2) management plan for Property, and 3) recorded deed conveying new title. The deed must include the following language: “One of the main purposes of this acquisition is to perpetually protect an important wildlife area. Therefore, as its purchase is partially funded by a National Fish and Wildlife Foundation (NFWF) grant, the funds awarded under this grant shall be returned to NFWF should a sale of the property occur without NFWF’s approval. Likewise, should the property be condemned in whole or in part, NFWF shall share in the proceeds of such condemnation, in direct proportion, percentage-wise, to its share in this purchase. NFWF will use such recovered funds to purchase, restore, or enhance similar wildlife habitats. If the property is sold by the NFWF Subrecipient with NFWF’s approval, but the sale price exceeds the sum of the purchase price paid by the grantee to acquire the property and the costs associated with the ownership and management of the property (Excess Proceeds), then NFWF shall share in such Excess Proceeds, in direct proportion, percentage-wise, to its share in this purchase. NFWF shall have the foregoing right to recover a portion of the Excess Proceeds solely with respect to a sale by the grantee, not sales by the successors in interest to the grantee. NFWF will use its share of any Excess Proceeds to purchase, restore, or enhance the property or similar wildlife habitats.”
