REMARKS:

In 1970, the Department of Transportation, Harbors Division (DOTHAR), in order to relocate its terminal freight shed from the Kailua-Kona Wharf, requested the set aside of the subject property.

At its meeting of August 14, 1970, agenda item F-4, the Board approved a set aside to DOTHAR for its freight terminal site. Approximately 4.015 acres (subject site), together with two non-exclusive easements for access purposes were set aside by Governor’s
Executive Order No. 2565 (EO2565) and executed June 14, 1971.

At the BLNR meeting of July 9, 1971, agenda item J-3, DOTTHAR requested approval to put the subject property out for lease via public auction. The lessee would be required to build a 20,000 square foot warehouse and then sublease the property back to DOTTHAR for use as their freight terminal shed. The Board approved and DOTTHAR issued Lease No. H-71-1 (Harbor Lease) to American Factors (AMFAC) as the sole and successful bidder. The lease was for a period of 45 years commencing on February 16, 1972 and expiring on February 15, 2027 for industrial, commercial and transportation purposes and uses accessory thereto.

The sublease to DOTTHAR was executed January 15, 1974 for the same purpose as the lease and was to be coterminous with the master ground lease.

By 1980, DOTTHAR had determined that the subject property was "in excess of their needs" and requested cancellation of EO2565, which could not be done immediately due to the existing 45 year lease between DOTTHAR and AMFAC.

At its meeting of April 23, 1982, agenda item J-8, the BLNR approved an amendment to the Harbor Lease. The amendment acknowledged the mutual cancellation of the sublease between AMFAC and DOTTHAR effective July 5, 1981, a new sublease between AMFAC and George Tamashiro effective July 6, 1981 and an increase to the annual rent also effective July 6, 1981.

At its meeting of February 11, 1983, agenda item J-11, the BLNR consented to the assignment of the Harbor Lease from AMFAC to AMFAC Property Development Corp. The assignment was due to a reorganization of the corporation.

At its meeting of October 21, 1983, agenda item J-22, the BLNR consented to the assignment of the Harbor Lease from AMFAC Property Development Corp to Richard Minoru Jitchaku and George Y. Tamashiro.

At its meeting of December 5, 1986, agenda item J-3, the BLNR consented to the assignment of the Harbor Lease from Richard Minoru Jitchaku and George Y. Tamashiro to George Y. Tamashiro and Suzuko Tamashiro.

Pursuant to Act 272, Session Laws of Hawaii 1991, the Department of Land and Natural Resources (DLNR) was designated as the agency responsible for overseeing and administering the boating and coastal areas programs under the Division of Boating and Ocean Recreation (DOBOR). The DLNR was to provide for the orderly transitions of the jurisdictional responsibilities for the boating and coastal areas program from DOT to DOBOR. As a result of the Act, EO2565 and the Harbor Lease were transferred to DOBOR.

During the transition, the Director of Transportation confirmed the need to cancel
EO2565 to DOTHAR for a freight terminal site. The subject property no longer benefitted DOTHAR or DOBOR as originally intended due to its distance from the nearest commercial harbor.

At its meeting of December 13, 2002, agenda item D-46, the BLNR approved the cancellation of EO2565. On May 3, 2004, Executive Order No. 4048 was executed cancelling EO2565. The Land Management Division of DLNR would be administering the Harbor Lease which was assigned GLS-5700 as an identifier.

At its meeting of December 1, 2010, agenda item D-2, the BLNR consented to the assignment of GLS-5700 from George Y. Tamashiro and Suzuko Tamashiro to Hiram Rivera. The lease was purchased with $500,000.00 in seller financing. At the time of the assignment, a consent for the private mortgage funding was not done. The term of the mortgage was 3 years.

In 2013, when the mortgage was due and payable, Mr. Rivera was unable to come up with the balance due and defaulted on the mortgage.

On August 6, 2014, George Y. Tamashiro and Suzuko Tamashiro filed a motion for Summary Judgment and Interlocutory Decree of Foreclosure. The motion was granted on March 25, 2015 and Frederick Giannini was appointed Commissioner to sell the leasehold interest in the subject property.

The Commissioner held a public auction on June 9, 2015. Conen Nakamura was the high bidder at $795,000.00 and on July 20, 2015 the court approved and confirmed the sale of the subject property. The Commissioner, as assignor, was ordered to make good and sufficient conveyance of the subject property.

The subject action includes an assignment of lease from Frederick Giannini as Commissioner to Conen Nakamura followed by an assignment of lease from Conen Nakamura to his newly formed corporation, Kealakehe Freight, LLC.

Mr. Nakamura has been operating a successful freight business in Hilo and Kona for more than 20 years. The acquisition of GLS-5700 will allow a diversification and expansion of his Kona operations.

The lessee, Hiram Rivera, is not in compliance with the terms and conditions of the lease with respect to rent, bond and insurance. The Commissioner has brought the rent current, however, the performance bond and insurance are still in default. The assignee will be required to deposit a performance bond equal to 1/6th of the annual rent and provide a certificate of insurance for liability and fire insurance policies satisfying the terms of the lease prior to execution of the consent documents.

Neither Conen Nakamura nor Kealakehe Freight, LLC has had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-
