State of Hawaii  
Honolulu, Hawaii

**Declare Project Exempt From Requirements of Chapter 343, HRS, and Title 11,  
Chapter 200, Hawaii Administrative Rules**

**Job No. B75CO71E- Waianae Small Boat Harbor Pier Improvements, Phase V, Waianae, Oahu, Hawaii**

The Board of Land and Natural Resources approved the award of the construction contract for the subject project on July 10, 2015. Pursuant to Chapter 343, Hawaii Revised Statutes (HRS), and Chapter 11-200, Hawaii Administrative Rules (HAR), the attached Exemption Notification labeled Exhibit A was prepared.

The Division of Boating and Ocean Recreation is proposing improvements to the Waianae Small Boat Harbor which includes the repair of Pier A, including utilities and miscellaneous work. The existing concrete fixed main and finger piers are badly deteriorated and pose a safety hazard to harbor users. The new piers will be constructed with Marine grade concrete and epoxy coated reinforcing steel.

In accordance with HAR Section 11-200-8(A) and the Exemption List for the Department of Land and Natural Resources, approved by the Environmental Council, on June 5, 2015, this project is exempt from the preparation of an Environmental Assessment (EA) pursuant to Exemption Class 2, Item No. 6: Replacement or reconstruction of existing loading docks, piers, piles, boat launch ramps, offshore mooring facilities, and similar support structures, not to exceed the footprint of the existing facility, as permitted by the U.S. Army Corps of Engineers, Honolulu District, under a Nationwide Permit 3 (Maintenance).

**REMARKS**

Bids for the project were opened on December 23, 2015 and the project was awarded to the low bidder, Sea Engineering, Inc. A construction contract is awaiting execution.

**RECOMMENDATION**

Declare that, after considering the potential effects of the proposed project as provided by Chapter 343, HRS, and Chapter 11-200, HAR, these projects will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

Respectfully submitted,

EDWARD R. UNDERWOOD
