Prepared by

THE STATE OF HAWAII DEPARTMENT OF LAND AND NATURAL RESOURCES

In response to Section 5 of Act 178, Session Laws of Hawaii 2006

Honolulu, Hawaii

December 2023

ACCOUNTING OF ALL RECEIPTS FROM LANDS DESCRIBED IN SECTION 5(f) OF THE ADMISSION ACT FOR FISCAL YEAR 2023

EXECUTIVE SUMMARY

Pursuant to Section 5 of Act 178, Session Laws of Hawaii (SLH) 2006, this report provides an accounting of all receipts from lands described in Section 5(f) of the Admission Act ("ceded lands").

All amounts reported as transferred to the Office of Hawaiian Affairs (OHA) by the participating agencies were reconciled against the amounts of transfers on file with the Department of Budget and Finance (B&F). Any discrepancies were explained in the respective agencies' reports.

According to B&F records, the total amount of agency transfers to OHA in all quarters of FY 2023 exceeded the guaranteed quarterly payment of \$5.375 million.

Pursuant to Governor's Executive Order 06-06 and Act 226, SLH 2022, if the total amount of receipts transferred to OHA exceeds the guaranteed quarterly payment of \$5.375 million, B&F must notify OHA and request that OHA deposit the overpayment by journal voucher into the carry-forward trust holding account established by the Director of Finance, B&F. Details regarding agency transfers and deposits into theaforementioned carry-forward trust holding account can be found on the attached "FY 2023 OHA Payments" report submitted by B&F.

The B&F report, Summary of Data from the agencies, and each individual agency report(s) are included as attachments.

BACKGROUND

This report is prepared pursuant to Section 5 of Act 178, SLH 2006, which calls for the Department of Land and Natural Resources (DLNR) to provide an accounting of all receipts from lands described in section 5(f) of the Admission Act, for the prior FY.

Section 5 of Act 178, SLH 2006, states:

"Not later than January 1 of each year, the department of land and natural resources, with the cooperation of the department of budget and finance and any other state department or agency that uses or manages public lands, shall provide an accounting of all receipts from lands described in section 5(f) of the Admission Act for the prior fiscal year. With respect to each receipt, the department of land and natural resources shall identify:

- (1) The total gross amount;
- (2) The amount transferred to OHA;
- (3) The amount retained by the State;
- (4) The account or fund in which the amount specified in paragraph (3) was transferred or deposited;
- (5) The parcel of land subject to section 5(f) of the Admission Act that generated the receipt, whether by tax map key number, department of land and natural resources inventory number, or other recognizable description; and
- (6) The state department or agency that received the total gross amount identified in Paragraph (1).

The accounting shall also indicate whether any parcel of land described in section 5(f) of the Admission Act was sold or exchanged in the prior fiscal year and, if so, the amount of consideration that the State received for the respective parcels."

METHODOLOGY

Agencies submitted their data to DLNR. Agency reports were validated using the B&F report for the amount transferred to OHA.

If a report did not contain this data, or if the total transfer amount on the spreadsheet did not agree with the transfer amount as reported by B&F, DLNR staff contacted the agency representative for clarification, correction or resubmission of the report. Explanations for any transfer discrepancies were noted on the agencies' respective reports.

DLNR separately reported a table identifying parcels that were sold or exchanged by DLNR during this reporting period. UH reported an exchange of 1 parcel at no cost and provided a quitclaim deed.

Responsibility for the accuracy of the data rests with the agencies. Verifying the accuracy of individual transactions and confirming the trust land status for individual parcels are beyond the scope of the tasks prescribed in Act 178, SLH 2006.

#### (1) Required by Hawaii Revised Statutes Chapter 10 Section 13.5.

On October 27, 1997, President Clinton signed H.R. 2169, the Fiscal Year 1998 Transportation Appropriations bill, which contains the OHA forgiveness legislation. Section 340 (c) "Prohibition on Further Diversion" states that " There shall be no further payment of airport revenues from claims related to ceded lands, whether characterized as operating expenses, rent, or otherwise, and whether related to claims for periods of time prior to or after the date of enactment of this Act."

Based on the Federal legislation, the Airports Division is not responsible for any payments to OHA. However, payments by the State of Hawaii to OHA may still be required for OHA ceded land used by the Airports Division. Exhibits A - G is used to report the OHA payments due from the State of Hawaii relating to OHA ceded lands used by the Airports Division.
