Chairperson Hall requested an update from the Board's attorney(s) on the status on the litigation involving Laurie Thorson.

#### Approval of Minutes

#### Director Campos moved,

#### To Approve the Regular Meeting Minutes of February 20, 2025

Chairperson Hall stated that the Board would accept public testimony on this item. No public testimony was given.

#### The minutes were approved as presented.

#### **Discussion and Decision Making**

**Director Campos moved,** 

To (1) Accept the Hawaii Public Housing Authority's Single Audit Report for Fiscal Year July 1, 2023, through June 30, 2024, Conducted by Plante Moran, PLLC; (2) Authorize the Executive Director to Submit the Audit Reports to the Federal Audit Clearinghouse, the U.S. Department of Housing and Urban Development, and Other Interested Parties As Required; and (3) Authorize the Executive Director to Take Any Necessary Steps to Ensure Compliance and Address Single Audit Finding(s), if any

Chairperson Hall stated that the Board would accept public testimony on this item.

Laurie Thorson made references from her second and third set of written testimony (Attached) alleging that Section 8 funds are stolen contrary to the auditors finding and staff should be fired and Board meeting to be suspended.

Chairperson Hall reiterated the statement made by Deputy AG Suzumoto as the Board continues to receive guidance in response to Ms. Thorson's allegations. Chairperson Hall continued to state that the Board is allowing the process to take its course and will proceed with the meeting.

No additional public testimony was given.

Executive Director Ouansafi reported that the Hawaii Public Housing Authority (HPHA) completed its financial and single audit for the fiscal year ending June 30, 2024. The

audit was conducted by Plante Moran, PLLC, an independent auditor procured by the State Office of the Auditor. The review covered HPHA's financial statements, internal controls, and compliance with federal and state regulations. Executive Director Ouansafi also introduced and thanked the Plante Moran audit team, which included senior leaders and staff specializing in both financial and single audit functions.

Jean Young, Plante & Moran partner stated that the report includes the financial statements that were released in December 2024 because it includes supplementary information regarding the single audit. There were no changes to the financial statements. Ms. Young continued to report that the focus was on the single audit and presented the results of the single audit.

Director Campos asked Ms. Young in her experience is it common to have a clean audit or are there normally issues with clients.

Ms. Young reported that it will vary on the client. She stated that there were two (2) new audit standards that impacted the amount of testing needed to do internal controls. Ms. Young has found more findings with other clients due to these new standards. She went on to say, a clean report with no findings is something to be very proud of.

Director Campos thanked Ms. Young and clarified that even with the expanded requirements the report had no findings.

Chairperson Hall thanked Ms. Young and her team. It was Plante & Moran's first year auditing HPHA, so they had to dig even deeper than other auditors in the past and a clean report was still issued.

The motion was unanimously approved.

Director Campos moved,

To (1) Approve the Hawaii Public Housing Authority's Annual Public Housing Agency (PHA) Plan for Fiscal Year 2025 - 2026 (July 1, 2025 – June 30, 2026) ; and (2) Authorize the Executive Director to Take the Required Actions Needed to Submit the Approved Annual PHA Plan for Fiscal Year 2025 - 2026 to the U.S. Department of Housing and Urban Development

Chairperson Hall stated that the Board would accept public testimony on this item. No public testimony was given.

Executive Director Ouansafi reported that HPHA must submit an Annual Public Housing Agency (PHA) Plan to HUD to maintain eligibility for federal funding. The plan outlines HPHA's policies, goals, and strategies for the upcoming fiscal year. Key points of the plan were presented and detailed in the Board packet.

Director Darcy was interested in understanding how the coordination would work with individuals who are actively working with case managers. She feels the coordination would really help people move into and secure housing.

Executive Director Ouansafi stated that HPHA revised the definition to expand its reach to as many people experiencing homelessness as possible. If an individual or family is working with a case manager or a state/county agency, HPHA will be able to place them on a waitlist and provide them housing at the first available opportunity.

Director Darcy wanted to acknowledge that this is a significant change. She was grateful to HPHA for broadening its scope of how it reaches people.

Director Larson asked if adopting streamlined income determinations for family members with a fixed source of income would also be used for recertifications or just initial entry.

Executive Director Ouansafi reported that it would be for both initial entry and recertification. Under the approved MTW supplement, HPHA may complete recertifications biennially, except if there are changes in income or family composition.

Director Larson stated that this would be helpful to the clients and improve efficiency.

Chairperson Hall requested an annual report of all the amendments made to the PHA Plans and agency rules. Chairperson Hall stated that it would provide a full picture to the Board on the policies that were made, the impact that it had, what worked, and what didn't work.

Executive Director Ouansafi confirmed that it would be done.

#### The motion was unanimously approved.

#### Director Katsuda moved,

To (1) Approve the Hawaii Public Housing Authority's Moving to Work Supplement for Fiscal Year 2025-2026 (July 1, 2025 – June 30, 2026); (2) Approve Board Resolution No. 25-01 Approving the Hawaii Public Housing Authority's Annual Public Housing Agency Plan for Fiscal Year 2025-2026 and Moving To Work Supplement for Fiscal Year 2025-2026 and (3) Authorize the Executive Director to Take the Required Actions to Submit the Moving to Work Supplement for Fiscal Year 2025-2026 and Board Resolution No. 25-01 to the U.S. Department of Housing and Urban Development

Chairperson Hall stated that the Board would accept public testimony on this item.

Laurie Thorson stated that the PHA plan should not be approved because it is illegal referencing her second set of written testimony (Attached).

Chairperson Hall reiterated that the course of action is being led by the Attorney General's team in response to Ms. Thorson's legal assertions.

Executive Director Ouansafi presented key facts of the MTW Supplement as presented in the Board packet. HPHA is seeking Board approval to submit the MTW Supplement for Fiscal Year 2025-2026.

No questions or comments were made by the Board.

#### The motion was unanimously approved.

Director Glenn moved,

To (1) Approve the Agreement Regarding Transfer and Assignment of the Master Development Agreement ("MDA") for the Kuhio Park Terrace Low-Rise Project ("Project") Located at 1474 Linapuni Street, Honolulu, Hawaii, 98619, ("Property") Tax Map Key Nos. (1) 1-3-039-006 por. and (1) 1-3-039-008; and (2) Authorize the Executive Director to Consent to and Enter into the Assignment of the Master Development Agreement and Release to Transfer the Master Development of the Project from The Michaels Development Company I, L.P ("MDC"), a New Jersey Limited Partnership, to HCDC Kuhio Park 1 LLC, a Hawaii Limited Liability Company ("HCDC"), Subject to Review of the Department of the Attorney General

Chairperson Hall opened the floor for public testimony-none was received.

Executive Director Ouansafi requested Board approval to transfer the Master Development Agreement (MDA) for Kuhio Park Terrace Low-Rises from The Michaels Development Company (MDC) to HCDC Kuhio Park 1 LLC (HCDC). He emphasized the urgency of the approval to meet the financing deadline of June 30, 2025, and to avoid project delays. HPHA will coordinate with both developers to ensure a smooth transition. Key details were included in the Board packet.

Director Campos inquired whether the financing was encumbered. Executive Director Ouansafi confirmed it was, with tax credits approved, a letter of intent secured from lenders and investors, and building permits issued. Groundbreaking is expected by year-end.

Director Larson asked about potential legal concerns. Deputy Attorney General Linda Chow reported no legal issues with the transfer and confirmed funders agree. Chairperson Hall acknowledged Michaels' efforts and invited both Michaels and HCDC to comment. Sharon Har (Michaels) supported the transfer, citing strong partnerships and economies of scale. Mohannad Mohanna (HCDC) confirmed commitments from the City, HHFDC, and lenders, and affirmed readiness for a smooth transition and timely construction start.

Director Taniguchi asked if any risks could impact the schedule or financing. Both developers affirmed there were none. Executive Director Ouansafi reiterated the strength of HPHA's relationship with Michaels and clarified that they were not removed from the project. The transfer is viewed as beneficial for the community and timeline. Executive Director Ouansafi also reported that despite national economic uncertainty, HCDC secured reliable financing, including from JP Morgan. Chairperson Hall noted the transfer addressed earlier public testimony.

Chairperson Hall asked how many families were relocated. Executive Director Ouansafi reported 174 families total, with 60 relocated in Phase I through public housing units, KPT Towers, or Section 8 vouchers. He confirmed the relocation process complied fully with all regulations and emphasized the extensive support provided—far beyond private-sector norms—including professional assistance, paid relocation costs, and a guaranteed right to return. Rents will remain at 30% of income.

#### The motion was unanimously approved.

#### **Director Darcy moved**,

To (1) Approve the Proposed Disposition and Development Agreement (DDA) for the Revitalization and Redevelopment of Kuhio Park Terrace Low-Rise Phase I Located at Tax Map Key Nos. (1) 1-3-039:006 por. and (1) 1-3-039:008; (2) Authorize the Executive Director to Enter into the DDA with KPLR Phase 1, LP, a Hawai'i Limited Partnership and Affiliate of Highridge Costa Development Company (HCDC); and (3) Authorize the Executive Director to Make Minimal or Ministerial Changes to the DDA with KPLR Phase 1, LP in Consultation with HPHA's Legal Counsel and Consultants

Chairperson Hall opened the floor for public testimony.

Delia Parker-Ulima, a Kalihi-Palama Neighborhood Board member and private homeowner, raised a concern regarding an existing MOA involving DLNR, HPHA, and Michaels Development related to a historic feature on her property. She asked whether the MOA's obligations would transfer from Michaels to HCDC. Sharon Har (Michaels) asked Ms. Parker-Ulima to contact her directly.

Executive Director Ouansafi requested Board approval of the Disposition and Development Agreement (DDA) for Phase I of the Kuhio Park Terrace Low-Rise Redevelopment. He outlined key elements of the DDA, including project scope, financial structure, and responsibilities of HPHA and the developer. He emphasized the DDA is critical for moving the redevelopment forward. He also thanked HPHA staff, the Attorney General's office, consultants, and legal counsel for their support.

Director Larson asked about discrepancies in unit counts in the MDA and DDA. Executive Director Ouansafi clarified that 469 is the minimum commitment, with up to 650 units possible overall; 304 will be built in Phase I. She also asked whether the financing applies only to Phase I—Executive Director Ouansafi confirmed it does.

Director Larson expressed concern about the \$704,140 per-unit cost and questioned sustainability for future phases. Executive Director Ouansafi explained this is why HPHA is pursuing a phased approach, constrained by available LIHTC funding and high construction costs in Hawaii.

Regarding affordability, Director Larson asked how returning residents will pay 30% of income. Executive Director Ouansafi explained that each returning household will receive a project-based voucher, ensuring affordability. She further asked whether the 65 project-based vouchers and the 5% Rental Housing Revolving Fund (RHRF) units for 30% AMI tenants could be combined. Executive Director Ouansafi clarified that "double dipping" isn't allowed, but using Faircloth-to-RAD can effectively increase affordable unit counts.

Director Larson confirmed that the project will meet HHFDC's requirement that 5% of units serve tenants at 30% AMI and that Phase I includes 65 project-based vouchers. She thanked Executive Director Ouansafi for the detailed responses.

Chairperson Hall concluded by recognizing the participation of the Board and public, and commended Executive Director Ouansafi for his continued transparency on redevelopment matters.

#### The motion was unanimously approved.

#### **Executive Director's Report**

Chairperson Hall opened the floor for public testimony.

Laurie Thorson raised concerns about the 300 vacancies in HPHA's staffing levels.

Chairperson Hall then invited Executive Director Ouansafi to present highlights from his report.

Executive Director Ouansafi clarified that HPHA currently has 291 filled positions and 93 vacancies, with ongoing recruitment efforts. He noted HPHA's participation in the Governor's "Operation Hire Hawaii" to support displaced federal workers.

Additional updates were shared on redevelopment efforts, public housing, and Section 8 programs.

Director Larson inquired about HB 1096, which would repeal veteran preferences in state low-income housing. Executive Director Ouansafi explained that HPHA has not used that preference for years, as the VASH program better serves veterans through both housing and supportive VA services.

Director Darcy asked what could have gone better. Executive Director Ouansafi responded that while operations are running smoothly, more funding is always needed. He acknowledged that staff have faced personal attacks but continue to serve with professionalism and patience, noting the emotional toll of public service.

He expressed gratitude for the legislature's \$65 million appropriation for the Mayor Wright Homes redevelopment and acknowledged concerns over federal uncertainty. Despite challenges, he emphasized HPHA's national standing, highlighting ten consecutive years of clean audits. He also shared concern for ill staff members and praised the team's hard work.

Director Darcy appreciated the transparency and emotional insight into the agency's operations.

Chairperson Hall recognized CFO Bennett Liu for leading another successful audit and thanked the Development Team and Board for their continued dedication. He encouraged federal employees to apply for HPHA positions and emphasized that open dialogue enhances transparency.

Case 1:23-cv-00412-MWJS-WRP

#### I. INTRODUCTION

Thorson filed suit against Defendants HPHA and its officials alleging Fair Housing Act discrimination and retaliation claims. These claims fail because Defendants HPHA and its officials are entitled to Eleventh Amendment immunity, qualified immunity, or both. And, even if neither Eleventh Amendment immunity nor qualified immunity shielded Defendants from Thorson's unmeritorious claims, there are no genuine issues of material fact and Defendants HPHA and its officials, in their official and individual capacities, are entitled to judgment as a matter of law on all claims asserted against them.

#### II. STATUTORY AND REGULATORY BACKGROUND

The Housing Choice Voucher (HCV) Program provides federally funded rental assistance to individuals in need. The federal funds are administered by state or local public housing agencies. 24 C.F.R. § 982.1(a) (2023). HPHA is the state agency that administers these funds in Hawai'i. *See* Hawai'i Administrative Rules (HAR) § 17-2031-1 (eff. 2022).

This Court described the benefits of the HCV Program as follows:

Under the HCV Program, HPHA approves reasonable accommodations for individuals with disabilities so that federal rental assistance might be realistically available to them. For example, if an individual needs the assistance of a live-in aide – *i.e.*, someone who resides with them, is not obligated to support them, provides them essential care, and would not be living with them were it not to provide that care – then HPHA would authorize a voucher for a rental with two bedrooms, rather than one or zero, to allow the live-in aide to reside in the rental unit. See 24 C.F.R. § 5.403; HAR § 17-2031 Ex. D. Or if an individual is limited in the types of units they are able to rent – say, because their disability precludes them from living in a high-rise or near busy streets – then HPHA might authorize assistance of up to 120 percent of the ordinary payment, to acknowledge the fact that the individual's ability to find a unit will be more limited than that of most people. See 24 C.F.R. § 982.503(b)(1)(v); HAR § 17-2031-54.

Before a unit is rented with a voucher, HPHA must determine whether the requested rent is reasonable. *See* 24 C.F.R. § 983.303. Under this rent reasonableness test, HPHA calculates a reasonable rent amount by obtaining the average rent of three comparable units on the market. Only if a unit's rent does not exceed that average may a voucher be used to rent it. ECF No. 44 at PageID.2033-2034.

ECF No. 44 at PageID.2033-2044.

Upon satisfaction of the rent reasonableness test and following a physical inspection of the unit, HPHA and the unit owner will execute a housing assistance payment (HAP) contract. The HAP contract specifies the maximum monthly rent

the unit owner may charge. 42 U.S.C. § 1437f(c). HPHA, under the HAP

contract, will pay a portion of the individual's rent directly to the unit owner. 24

C.F.R. § 982.451(b). Under Part B of the HAP contract,<sup>1</sup> HPHA must never pay

Exhibit "Q" at PDF 7.

<sup>&</sup>lt;sup>1</sup> Part B of the HAP contract in this case provides, in relevant part:

d. During the HAP contract term, the rent to owner may at no time exceed the reasonable rent for the contract unit as most recently determined or redetermined by the PHA in accordance with HUD requirements.

the owner rent in an amount that exceeds the rent it determines to be reasonable for the contract unit. *Housing Assistance Payments (HAP) Contracts*, Housing Choice Voucher Program Guidebook, at 12 (July 2021).<sup>2</sup> The HCV participant – Thorson in this case – is not a party to or third-party beneficiary of Part B of the HAP contract and therefore, cannot enforce any provision of Part B and cannot take action against HPHA under Part B. *Id.* at 14; *see* Exhibit "Q" at PDF 5.

The HCV participant must contribute 30 percent of their monthly adjusted income, or 10 percent of their monthly gross income, whichever is greater. 24 C.F.R. § 5.628. However, HPHA cannot approve a tenancy if the tenant's share of the gross rent (rent plus utilities) would exceed 40 percent of their monthly adjusted income. 24 C.F.R. § 982.305(a)(5).

#### III. FACTUAL AND PROCEDURAL BACKGROUND

#### A. First Voucher

Before moving to Hawai'i, Thorson received federally subsidized housing through the Housing Choice Voucher (HCV) Program in Oregon. Concise Statement at #5. In 2017, when she moved to Hawai'i she rented a unit in Kailua. Concise Statement at #9. At that time, Thorson requested, and HPHA approved, two reasonable accommodations: (1) for a two-bedroom voucher so her son Ryan

<sup>&</sup>lt;sup>2</sup> This Guidebook is available at

https://www.hud.gov/sites/dfiles/PIH/documents/HAP%20Contracts%20HCV%20 Guidebook%20Chapter\_revised\_april\_2023.pdf.

Thorson could serve as her live-in aide; and (2) for a 120 percent payment standard exception because her doctor certified disabilities<sup>3</sup> precluded her from living in a high-rise or near busy streets. Concise Statement at #5-#6.

#### B. Second Voucher

On or about March 4, 2022, Thorson requested, and HPHA issued her, a two-bedroom voucher to use in her search for a new unit. Concise Statement #11. She identified a two-bedroom rental unit located in Hawai'i Kai at 6125 B Summer St., Honolulu, Hawai'i 96821. Concise Statement #12. The Hawai'i Kai unit Landlord proposed rent in the amount of \$4,000. Concise Statement at #13.

HPHA Public Housing Supervisor IV of the Section 8 Subsidy Program Branch, Defendant Lyle Matsuura, informed Thorson that the Landlord "would need to come down on rent" because the proposed gross rent – the \$4,000 rent plus \$207 in utility allowance – exceeded the applicable payment standard, even with the 120 percent payment standard exception. Concise Statement at #14. Because Thorson's share of the rent could not exceed 40 percent of her monthly adjusted income, Matsuura made clear: "The max she can pay . . . is \$4031. So, there is still a \$176 difference. . . . This does not mean that any unit under \$4031 is automatically approved. It must still pass the affordability test." Concise

<sup>&</sup>lt;sup>3</sup> These disabilities included (among others): epilepsy and transient epileptic amnesia. ECF No. 1 at PageID.14.

Statement at #16. For the affordability test (also known as the rent reasonableness test) the inspector takes the average of 2 high and 1 low comparables to determine the reasonable rent. Concise Statement at #17.

The Section 8 Housing Quality Standards (HQS) Inspection Section conducts HPHA's rent reasonableness determinations. Concise Statement at #18. HQS inspector Gary Shinde conducted three rent reasonableness tests between March 23, 2022 and March 29, 2022 for Ms. Thorson. Concise Statement at #19. The average of the three comparables in the first rent reasonableness test was \$2,854.33. Because the proposed rent exceeded this amount, this first rent reasonableness test failed. Concise Statement at #20-#21. Thorson challenged the result of the first rent reasonableness test, purportedly on the Landlord's behalf. Concise Statement at #23. Thorson sent HPHA, what she believed, were "four comparables [that] meet the market analysis requirements." Concise Statement at #24. Shinde concluded that these four comparables could not be used in the rent reasonableness test. Concise Statement at #25.

Shinde, however, performed a second rent reasonableness test to further assist Thorson. Concise Statement at #26. The average of the three comparables in the second rent reasonableness test was \$3,114. Since the proposed rent still exceeded this amount, the second rent reasonableness test failed. Concise Statement at #27. Thorson, through her son, challenged the results of the second

5

#### Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 13 of 54 PageID.4456

rent reasonableness test. Concise Statement at #28. He sent HPHA four more comparables; Shinde used one in the third rent reasonableness test. Concise Statement at #29-#30.

The average of the three comparables in the third rent reasonableness test was \$3,480.67; still less than the proposed rent, so the third rent reasonableness test failed. Concise Statement at #30-#31. When Matsuura informed Thorson that the third rent reasonableness test failed, he offered them the following options: (1) lower the proposed rent to \$3,273; (2) make rent \$3,480 with all utilities included; or (3) decline the unit. Concise Statement at #32.

On April 5, 2022, Thorson informed Matsuura that the Landlord agreed to lower the monthly rent to \$3,273 (her counsel from Legal Aid Society of Hawai'i (LASH) was copied on the email). Concise Statement at #33. The Hawai'i Kai unit was then certified as passing the third rent reasonableness test. Concise Statement at #34. The physical inspection of the Hawai'i Kai unit was completed on April 13, 2022, and the HAP contract was fully executed on May 10, 2022. Concise Statement at #34-#35.

#### C. Thorson's Notice to HPHA and Subsequent Questions About Her Live-in Aide Arrangement

On April 4, 2022, Thorson's counsel notified HPHA that Thorson would be filing a complaint with HUD if HPHA did not modify its rent reasonableness determinations. Concise Statement at #37.

6

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 14 of 54 PageID.4457

The next day, HPHA's executive director, Defendant Hakim Ouansafi, instructed HPHA staff to conduct a complete review of Thorson's files to look into and respond to Thorson's complaints. Concise Statement at #38. Ouansafi notified LASH that HPHA's chief compliance officer, Defendant Ryan Akamine, would take the lead on the matter. Concise Statement at #39.

On April 6, 2022, Akamine emailed LASH to explain how HPHA had reached its rent reasonableness determinations. Concise Statement at #40. He also noted that the Landlord had agreed to rent Thorson the unit using HPHA's third rent reasonableness determination. Concise Statement at #41.

While reviewing Thorson's files, Akamine flagged a new concern. Concise Statement at #42. Thorson's communications with HPHA staff mentioned that her son would go to her unit at certain times. Concise Statement at #46, #52. In addition, emails in Thorson's file sent by her son indicated that he was working as a "Site Safety Health Officer" and "Project Supervisor" for a construction company. Concise Statement at #43-#45. This led Akamine to question whether Thorson required a live-in aide and a second bedroom subsidy for her son who was not living with her in the Kailua unit. Concise Statement at #47.

As a result of discovering this information, Akamine asked LASH: "[H]ow many hours a day (or per week) does Ms. Thorson's son visit[] her unit to provide the necessary supportive services previously certified?" Concise Statement at #48.

## Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 15 of 54 PageID.4458

In a follow up email, Akamine clarified that he was "asking about Ms. Thorson's son's status because his status is pertinent and consequential to the size of the voucher that [Thorson] receives." Concise Statement at #49.

LASH responded that they believed Thorson's son's live-in aide status "was addressed years ago." LASH asserted that HPHA's "sudden 'investigation'" was a "pretext[,]" and that it was "hard to fathom why you, personally, and HPHA have chosen to exacerbate an already unfortunate situation." Concise Statement at #50. LASH did not address any of the questions about the residential status of Thorson's son. *Id.* 

Despite LASH's lack of substantive response, Thorson directly emailed Ouansafi on April 8, 2022, responding to the questions about the residential status of her son. Concise Statement at #51. She explained that her "son is and always will be my live-in aide," and that "[i]n the past, on numerous occasions, Ryan has moved in permanently to give me round the clock care when I am experiencing seizures on a daily basis, which is the case now. As soon as you allow my new rental to be inspected, my son will be moving in with me as my permanent live-in aide." Concise Statement at #52.

Based on Thorson's April 8, 2022 email, Akamine sent an email to Thorson on April 12, 2022 (since LASH no longer represented Thorson), asking Thorson to provide answers to a series of questions about her son. Concise Statement at #53-

## Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 16 of 54 PageID.4459

#54. Thorson answered these questions by email that same day. Concise Statement at #55.

Akamine's questions focused on whether Thorson's son would be living with her full time, the type of care he would provide, how many hours a day he would be providing this care, and whether Thorson's son would be working a fulltime job. Concise Statement at #54. In response, Thorson stated her son would be providing her with "full-time care, 24 hours a day, with 1-on-1 daily help." Concise Statement at #55. He would be helping her with her seizures and that his care was "essential to my life" and that he would be working "a job with varying hours." *Id.* 

After receiving these responses, Akamine sent a "Certification for Live-In Aide" form to Thorson's primary care physician, Dr. Megan Bradham, to determine whether Thorson required a live-in aide. Concise Statement at #56. Dr. Bradham certified that Thorson required "24 hr a day" care from her son, which included: "[C]ooking, cleaning, housekeeping, caring for patient, monitoring for seizures and monitors [sic] afterwards to avoid self-harm and keep her safe." Concise Statement at #57. This care, Dr. Bradham certified, is required "indefinitely" and is "essential for the care and well-being of [Thorson]." Concise Statement at #58.

9

Thorson was approved to move into the Hawai'i Kai unit with a twobedroom voucher (based on having an identified live-in aide reside with her in the unit to provide the needed essential care) and a 120 percent payment standard exception. Concise Statement at #59.

#### D. Thorson's HUD Complaint

On November 22, 2022, Thorson submitted a complaint to HUD, asserting (among other things): (1) HPHA discriminated against her based on her disability, in violation of Sections 804(f)(2), 804(f)(3)(B), and 818 of the Fair Housing Act (FHA), by using allegedly inappropriate comparables in its rent reasonableness determinations; and (2) "retaliated against her[,]" in violation of Section 818 of the FHA, by "conducting a review of her file, questioning her continued need for a live-in aide, and delaying the execution" of the HAP contact and payments to the Landlord. Akamine Decl. in ¶24; Exhibit "NN" at PDF 7-10.

HPHA responded to the HUD complaint by maintaining that it had used appropriate comparables to conduct its rent reasonableness determinations. Akamine Decl. in ¶25; Exhibit "OO" at PDF 3-7. It further asserted that it had properly conducted a full file review of Thorson's case to address the concerns raised to HPHA and, during that review, information emerged that suggested Thorson's son did not live with Thorson as her live-in aide. Exhibit "OO" at PDF 7-9. Because Thorson's two-bedroom voucher depended on whether she had a

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 18 of 54 PageID.4461

live-in aide residing with her, HPHA asserted that it was required to confirm that Thorson's son would be living with her full-time as a live-in aide before approving her selected unit. *Id.* at PDF 9. HPHA also explained that HPHA uncovered additional evidence suggesting that at times, between 2017 and 2022, Thorson's son had not been living with Thorson in her prior unit. *Id.* 

On September 15, 2023, HUD issued its Determination of No Reasonable Cause and "Final Investigative Report[.]" Akamine Decl. in ¶26; Exhibit "PP." As detailed in these documents, HUD found there was no probable cause to support Thorson's complaints under the FHA.

#### E. Thorson's Updated Housing Situation

On September 18, 2023, Thorson emailed Ouansafi, Akamine and Matsuura, indicating that she no longer had a live-in aide. Concise Statement at #61. Matsuura informed Thorson that the two-bedroom plus 120 percent payment standard exception voucher provided as a reasonable accommodation would remain in effect until her April 2024 Recertification was completed. Concise Statement at #62. If no live-in aide was identified before the recertification, then a 0-bedroom voucher plus 120 percent payment standard exception would be applied. *Id.* Akamine confirmed that same information. Concise Statement at #63.

Because Thorson did not identify a live-in aide before the April 2024

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 19 of 54 PageID.4462

Recertification, HPHA notified Thorson that, effective April 1, 2024: (1) the contract rent would remain at \$3,273 a month; (2) the housing assistance payments would decrease to \$2,517 a month; and (3) her portion of the rent would be \$756 a month. Concise Statement at #64. These changes reflected the updated 0-bedroom voucher plus 120 percent payment standard exception which was necessary because HPHA could not knowingly continue to use HUD funds to subsidize a second bedroom because Thorson failed to identify a live-in aide.

On August 22, 2024, Thorson requested, and HPHA issued her, a 0-bedroom voucher so she could search for a new unit.<sup>4</sup> Concise Statement at #65. Thorson identified a 0-bedroom unit in Kailua on October 14, 2024. Concise Statement at #66. Thorson has resided in this 0-bedroom unit since November 1, 2024. Concise Statement at #67.

#### F. Procedural History for this Proceeding

On October 4, 2023, Thorson filed, *pro se*, her 67-page Complaint. ECF No. 1. The Complaint asserts FHA discrimination and retaliation claims identical to the ones raised in the HUD complaint. Defendants filed their Answer on January 21, 2024. ECF No. 24.

<sup>&</sup>lt;sup>4</sup> As this Court acknowledged, Thorson needed to find a new unit because the Landlord had hired a realtor to sell the Hawai'i Kai unit. ECF No. 85 at PageID.2867 (citing ECF No. 84-1 at PageID.2854).

## Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 20 of 54 PageID.4463

On August 9, 2024, Thorson filed her first motion for leave to file an amended complaint. ECF No. 71. This Court denied the motion. ECF No. 75.

Thorson filed her second motion for leave to file an amended complaint on August 23, 2024, seeking to add a new claim for fraud in violation of 18 U.S.C. § 666 and to add Bennett Liu, HPHA Chief Financial Officer, as a defendant. ECF No. 76. Defendants opposed this Motion. ECF No. 81. This Court denied Thorson's second motion in its entirety. ECF No. 91.

On October 10, 2024, Thorson requested this Court reconsider the denial of her second motion for leave to file an amended complaint. ECF No. 92. This Court denied the motion for reconsideration because the motion did not meet the requirements for reconsideration. ECF No. 93. It emphasized: "Mere disagreement with a previous order is an insufficient basis for reconsideration." *Id.* (citing *Fisher v. Kealoha*, 49 F. Supp. 3d 727, 735 (D. Haw. 2014)).

On December 16, 2024, Thorson moved, a third time, for leave to file an amended complaint. ECF No. 94. Thorson again seeks to add a new claim for fraud under 18 U.S.C. § 666 and to add Bennett Liu as a defendant. *Id.* In addition, she seeks to add a bribery claim on the basis that Ouansafi "convince[d] the legislature to pass Senate Bill 3120[.]" Briefing has been completed and the motion remains pending. ECF Nos. 94-97.

#### IV. STANDARD OF REVIEW

Summary judgment is proper when there is no genuine issue of material fact, and the moving party is entitled to judgment as a matter of law. Fed. R. Civ. P. 56(a). "An issue is 'genuine' only if there is a sufficient evidentiary basis on which a reasonable fact finder could find for the nonmoving party, and a dispute is 'material' only if it could affect the outcome of the suit under the governing law." *In re Barboza*, 545 F.3d 702, 707 (9th Cir. 2008) (citing *Anderson v. Liberty Lobby, Inc.*, 477 U.S. 242, 248 (1986)).

"The moving party initially bears the burden of proving the absence of a genuine issue of material fact." *In re Oracle Corp. Sec. Litig.*, 627 F.3d 376, 387 (9th Cir. 2010). Where, as here, the moving party does not have the ultimate burden of persuasion at trial, they bear both the initial burden of production and the ultimate burden of persuasion on their motion for summary judgment. *Friedman v. Live Nation Merch., Inc.*, 833 F.3d 1180, 1188 (9th Cir. 2016) (citing *Nissan Fire & Marine Ins. Co.*, 210 F.3d 1099, 1102 (9th Cir. 2000)).

"When the moving party has carried its burden . . . its opponent must do more than simply show that there is some metaphysical doubt as to the material facts"; instead, the opponent must "come forward with specific facts showing that there is a genuine issue for trial." *Matsushita Elec. #### V. ARGUMENT

In her Complaint, Thorson claims: (1) Defendants discriminated against her based on her disability, in violation of Sections 804(f)(2) and 804(f)(3)(B) of the FHA (which are codified in 42 U.S.C. § 3604(f)(2) and (f)(3), respectively),<sup>5</sup> by using allegedly inappropriate comparables in the rent reasonableness determination (Discrimination Claim); and (2) Defendants retaliated against her, in violation of Section 818 of the FHA (which is codified in 42 U.S.C. § 3617), by subjecting her live-in aide arrangement to inappropriate scrutiny and by threatening that live-in

aide with fraud charges or prison (Retaliation Claim). See ECF No. 1 at

PageID.10, 12.

As relief for these alleged violations, she appears to seek:

- General damages in the amount of \$350,000 (ECF No. 1 at PageID.62-64);<sup>6</sup>
- Punitive damages in the amount of \$5,000,000 (ECF No. 1 at PageID.65-66);
- (3) An order declaring that Defendants' alleged actions, policies, and practices violate federal law (ECF No. 1 at PageID.57).
- (4) A blanket reinstatement of contract rent in the amount of \$4,000, to be applied retroactively (ECF No. 1 at PageID.60);
- (5) A blanket reinstatement of her 120 percent payment standard exception accommodation (ECF No. 1 at PageID.60);
- (6) An order requiring Defendants to use appropriate charts in determining her portion of rent (ECF No. 1 at PageID.60);
- (7) An order requiring Defendants to purge all records pertaining to her disability (ECF No. 1 at PageID.60-61);
- (8) An order requiring Defendants to comply with federal rules and HUD guidelines (ECF No. 1 at PageID.61);
- An order requiring Defendants to revise their Administrative Plan to comply with federal rules and HUD guidelines (ECF No. 1 at PageID.57);

<sup>&</sup>lt;sup>6</sup> Although Thorson also requests that this Court "award[] a civil penalty against [D]efendants . . . [under] 42 [U.S.C § 3614(d)(1)(C)[,]" ECF No. 1 at PageID.66, that section refers to enforcement actions initiated by the United States Attorney General, not a private citizen like Thorson. Because Thorson is an individual, she cannot seek damages under this section. Instead, the relief that can granted by the Court through a private right of action is governed by 42 U.S.C. § 3613(c).

- (10) An order prohibiting Defendants from using low comparables as policy in their rent reasonableness determinations (ECF No. 1 at PageID.61); and
- (11) An order requiring Defendants to provide an accounting of the allocation of alleged "surplus grant funds" over the last 10 years (ECF No. 1 at PageID.61).

We construe the relief requested in (1) and (2) as monetary damages, (3) as declaratory relief, and the relief requested in (4) through (11) as injunctive relief.

Although Thorson does not clearly specify whether she sues each of the named HPHA officials in their official or individual capacities, this Court should award summary judgment in favor of HPHA and each its officials, in both their official and individual capacities, on the Discrimination and Retaliation Claims for the following reasons: (A) the Eleventh Amendment bars all claims asserted against HPHA and the individual defendants in their official capacities because (1) none of the limited circumstances permitting suit against a state in federal court apply in this case and (2) none of the exceptions permitting suit against a state official in federal court apply in this case; (B) the *Ex parte Young* exception does not apply to Thorson's claims for injunctive and declaratory relief as asserted against Ouansafi, Akamine, and Matsuura in their official capacities; (C) qualified immunity protects the HPHA's officials from liability in their individual capacities; and (D) even if neither Eleventh Amendment immunity nor qualified immunity applies in this case, there are no genuine issues of material fact and

Defendants are entitled to judgment as a matter of law on all claims asserted against them by Thorson.

### A. The Eleventh Amendment Bars All Claims Against HPHA and its Officials in their Official Capacity

"The ultimate guarantee of the Eleventh Amendment is that nonconsenting States may not be sued by private individuals in federal court." *Bd. of Trs. Of Univ. of Ala. v. Garrett*, 531 U.S. 356, 363 (2001) (citation omitted); *see also* U.S. Const. amend. XI.<sup>7</sup> A nonconsenting state is thus "immune from suits brought in federal courts by her own citizens as well as by citizens of another state." *Pennhurst State Sch. & Hosp. v. Halderman*, 465 U.S. 89, 100 (1984) (quoting *Mo. Emps. of Dep't of Pub. Health & Welfare v. Mo. Dep't of Pub. Health & Welfare*, 411 U.S. 279, 280 (1973)). Eleventh Amendment immunity "applies regardless of the nature of relief sought and extends to state instrumentalities and agencies." *Krainski v. Nev. ex rel. Bd. of Regents of the Nev. Sys. of Higher Educ.*, 616 F.3d 963, 967 (9th Cir. 2010) (citing *Papasan v. Allain*, 478 U.S. 265, 276 (1986)). Since suit against a state official in their official capacity is no different from a suit against the State itself, "[t]he Eleventh Amendment also shields state officials from

<sup>&</sup>lt;sup>7</sup> The Eleventh Amendment to the United States Constitution provides:

The Judicial power of the United States shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by Citizens of another State, or by Citizens or Subjects of any Foreign State.

official capacity suits." *Monet v. Hawaii*, Civ. No. 11-00211 SOM/RLP, 2011 WL 2446310, at \*4 (D. Haw. June 14, 2011) (citing *Krainski*, 616 F.3d at 967-68).

The Supreme Court, however, has recognized limited circumstances in which a state or its agencies may be sued. "A State may waive its sovereign immunity at its pleasure, *College Savings Bank v. Florida Prepaid Postsecondary Ed. Expense Bd.*, 527 U.S. 666, 675-76 (1999), and, in some circumstances, Congress may abrogate it by appropriate legislation." *Virginia Office for Prot. & Advocacy v. Stewart*, 563 U.S. 247, 253-54 (2011). "But absent waiver or valid abrogation, federal courts may not entertain a private person's suit against a State" or its agents sued in their official capacity. *Na Kia'i Kai v. Nakatani*, 401 F.Supp.3d 1097, 1111 (D. Haw. 2019) (quoting *Stewart*, 563 U.S. at 253-54).

In this case, Defendants preserved an Eleventh Amendment defense in their answer to the Complaint; clearly evidencing an intent not to waive Eleventh Amendment immunity. ECF No. 24 at PageID.113. In addition, this Court has previously recognized that Congress, through the FHA, did not abrogate HPHA's and its employees' Eleventh Amendment immunity. *Kalai v. Hawaii*, Civil No. 06-00433 JMS/LEK, 2008 WL 3874616, at \*2-3 (D. Haw. Aug. 20, 2008) (concluding the FHA contains no congressional intent to abrogate states' sovereign immunity). Because none of the limited circumstances in which a state may be sued apply in this case, HPHA and its officials – Ouansafi, Akamine, and Matsuura – in their official capacities are immune from Thorson's claims for money damages (and her claims for punitive damages) which, like in *Kalai*, arise from alleged violations of the FHA.<sup>8</sup>

### B. Thorson's Claims for Declaratory and Injunctive Relief are Barred by the Eleventh Amendment

Under the *Ex parte Young* exception to Eleventh Amendment immunity, "private individuals may sue state officials in federal court for prospective relief from ongoing violations of federal law, as opposed to money damages, without running afoul of the doctrine of sovereign immunity." *Koala v. Khosla*, 931 F.3d 887, 895 (9th Cir. 2019) (citing *Stewart*, 563 U.S. at 254-55); *see also Ex parte Young*, 209 U.S. 123 (1908). This exception "strikes a delicate balance by ensuring on the one hand that states enjoy the sovereign immunity preserved for them by the Eleventh Amendment while, on the other hand, 'giving recognition to the need to prevent violations of federal law.'" *Agua Caliente Band of Cahuilla Indians v. Hardin*, 223 F.3d 1041, 1045 (9th Cir. 2000) (quoting *Idaho v. Coeur d'Alene Tribe of Idaho*, 521 U.S. 261, 269 (1997)).

<sup>\*</sup> See Bylsma v. Haw. Pub. Hous. Auth., 951 F.Supp.2d 1116, 1120 (D. Haw. 2013) (citing Kalai, 2008 WL 3874616, at \*2-3 (HPHA is entitled to sovereign immunity)); see also Lazarus v. Ouansafi, Civ. No. 21-00247-HG-RT, 2023 WL 6446422, at \*4-5 (D. Haw. Oct. 3, 2023) (sovereign immunity bars claims for monetary damages against HPHA and its officers under the FHA).

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 28 of 54 PageID.4471

In determining whether the *Ex parte Young* exception applies, this court conducts a "straightforward inquiry" into whether the complaint (1) alleges an ongoing violation of federal law, and (2) seeks relief properly characterized as prospective. *Verizon Md., Inc. v. Pub. Serv. Comm'n of Md.*, 535 U.S. 635, 645 (2002) (first citing *Coeur d'Alene Tribe of Idaho*, 521 U.S. at 296 (O'Connor, J., joined by Scalia and Thomas, JJ., concurring in part and concurring in judgment); and then citing *Coeur d'Alene Tribe of Idaho*, 521 U.S. at 298-99 (Souter, J., joined by Stevens, Ginsburg, and Breyer, JJ., dissenting)).

Further, under *Ex parte Young*, the state officers "must have some connection with enforcement of the act." *Coal. to Defend Affirmative Action v. Brown*, 674 F.3d 1128, 1134 (9th Cir. 2012) (quoting *Ex parte Young*, 209 U.S. at 157). The connection requirement is a modest one, and "demands merely that the implicated state official have a relevant role that goes beyond 'a generalized duty to enforce state law or general supervisory power over the person responsible for enforcing the challenged provision." *Mecinas v. Hobbs*, 30 F.4th 890, 903-04 (9th Cir. 2022) (quoting *Planned Parenthood of Idaho, Inc. v. Wasden*, 376 F.3d 908, 919 (9th Cir. 2004)).

As shown below, the *Ex parte Young* exception does not apply to Thorson's claims for injunctive and declaratory relief as asserted against Ouansafi, Akamine, and Matsuura in their official capacities.

#### 1. Discrimination Claim

Thorson alleges that Defendants discriminated against her based on her disability by "adopt[ing] an illegal policy to use one low comparable in all their rent reasonableness determinations, which is not in compliance with the federal rules and HUD guidelines." ECF No. 1 at PageID.3. She claims that, as a result of Defendants' adoption and implementation of this illegal policy in the rent reasonableness test for the Hawai'i Kai unit, her "payment standard and contract rent [was] reduced from \$4,000 to \$3,273[.]" *Id* at PageID.5. Thorson seeks (among other things): a declaration that Defendants failed to comply with federal rules and HUD guidelines in conducting the rent reasonableness tests for the Hawai'i Kai unit and an injunction prohibiting Defendants from "us[ing] low comparables as policy in any rent reasonableness determinations[.]" *Id*. at PageID.57, 61.

Thorson's Discrimination Claim is based on an alleged violation of federal law that occurred over a period of time almost two years ago. Specifically, the violation is alleged to have occurred when Shinde conducted the three rent reasonableness tests for the Hawai'i Kai unit between March 23, 2022 and March 29, 2022. Concise Statement at #19. Because Thorson alleges that "federal law has been violated at one time or over a period of time in the past" rather than an ongoing "violation of federal law by a state official[,]" her Discrimination Claim is

#### Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 30 of 54 PageID.4473

prohibited by the Eleventh Amendment. *See Denis v. Ige*, 557 F.Supp.3d 1083, 1092 (D. Haw. 2021) (quoting *Papasan*, 478 U.S. at 277-78). In addition, none of the Defendants were directly involved in conducting the rent reasonableness tests.

As to Ouansafi in particular, Thorson alleges that he is "solely responsible for adopting the illegal policy to use one low comparable in all rent reasonableness determination." ECF No. 1 at PageID.37-38. Ouansafi attested that the extent of his involvement in the facts surrounding the Discrimination Claim involved his instruction to HPHA staff to complete a thorough review of Thorson's file for purposes of looking into Thorson's complaints. Concise Statement at #38-#39. While Ouansafi received updates on critical issues, he confirmed that staff handled the day-to-day matters for Section 8 tenants. Ouansafi Decl. at ¶8.

Likewise, neither Akamine nor Matsuura participated in the determination of rent reasonableness for the Hawai'i Kai unit. Because, as HQS inspector Shinde confirmed, the Section 8 Subsidy Programs Branch's HQS Inspection Section conducts the rent reasonableness tests for HPHA. Concise Statement at #18. Thorson therefore cannot establish that Ouansafi, Akamine, or Matsuura participated in, authorized, or ratified the alleged discrimination. *See Lazarus*, 2023 WL 6446422, at \*4 (citing *Fielder v. Sterling Park Homeowners Ass'n*, 914 F.Supp.2d 1222, 1227 (W.D. Wash. 2012)).

## Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 31 of 54 PageID.4474

Because *Ex Parte Young* is inapplicable to this claim, the Eleventh Amendment bars the Discrimination Claim (relating to any prayer for declaratory and injunctive relief arising from this claim) as asserted against Ouansafi, Akamine, and Matsuura in their official capacities.

#### 2. Retaliation Claim

Thorson alleges that Defendants retaliated against her by investigating her live-in aide arrangement after her attorney at LASH notified Defendants of the intent to file a complaint with HUD. ECF No. 1 at PageID.4, 12, 33, 38. She claims that Defendants' retaliatory investigation occurred in June 2023 and, as a result of this investigation, Thorson's son quit as her live-in aide as of September 18, 2023. ECF No. 1 at PageID.12, 30, 33. Thorson seeks (among other things) a declaration that Defendants' alleged retaliatory investigation "violate[s] the federal rules outlined in th[e] complaint" and asks for "restraining orders against [Defendants] to protect . . . [her] and the live[-]in aide from future retaliation[.]" ECF No. 1 at PageID.59.

Thorson's Retaliation Claim is based upon Defendants' alleged investigation into her live-in aide arrangement *after* LASH notified Defendants of the intent to file a complaint with HUD. Thorson specifies that Akamine restarted his investigation on or around June 12, 2023, as a result of the submission of her complaint to HUD. ECF No. 1 at PageID.30, 33. Although not clearly stated in

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 32 of 54 PageID.4475

her Complaint, this investigation would have concluded, at the latest, on September 18, 2023 – when Thorson notified HPHA that she no longer had a livein aide. Concise Statement at #61. Thorson again fails to allege an ongoing violation of federal law – as opposed to a "federal law has been violated at one time or over a period of time in the past[,]" *Denis*, 557 F.Supp.3d at 1092 (quoting *Papasan*, 478 U.S. at 277-78) – as to her Retaliation Claim against Ouansafi, Akamine, or Matsuura. And, like her Discrimination Claim, despite Thorson's claim that Ouansafi's instruction to Akamine to review the file was an order "to go on the attack against [her]"; Thorson cannot establish that he participated in, authorized, or ratified the alleged retaliation. ECF No. 1 at PageID.37-38.

The *Ex parte Young* exception therefore does not apply to Thorson's Retaliation Claim and so the Eleventh Amendment bars this claim (relating to Thorson's prayer for declaratory and injunctive relief) against Ouansafi, Akamine, and Matsuura in their official capacities.

### C. Defendants Ouansafi, Akamine, and Matsuura are Entitled to Qualified Immunity to the Extent Thorson Asserts Claims Against Them in their Individual Capacities

"Personal-capacity suits seek to impose personal liability upon a government official for actions [they] take[] under color of [the] law." *Dittman v. California*, 191 F.3d 1020, 1027 (9th Cir. 1999) (citation omitted). A public official, however, is not subject to personal liability if they are entitled to qualified immunity.

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 33 of 54 PageID.4476

"[Q]ualified immunity protects government officials 'from liability for civil damages insofar as their conduct does not violate clearly established statutory or constitutional rights of which a reasonable person would have known."" *Pearson v. Callahan*, 555 U.S. 223, 231 (2009) (quoting *Harlow v. Fitzgerald*, 457 U.S. 800, 818 (1982)). Qualified immunity applies "regardless of whether the government official's error is a mistake of law, a mistake of fact, or a mistake based on mixed questions of law and fact." *Id.* (cleaned up).

A qualified immunity analysis consists of two prongs: (1) whether the facts alleged, taken in the light most favorable to the party asserting the injury, show that the defendant's conduct violated a constitutional or statutory right, and (2) that right was "clearly established." *Cmty. House, Inc. v. City of Boise*, 623 F.3d 945, 967 (9th Cir. 2010) (citation omitted). Courts may "exercise their sound discretion in deciding which of the two prongs of the qualified immunity analysis should be addressed first in light of the circumstances in the particular case at hand." *Id.; see also Pearson*, 555 U.S. at 236. Unless the facts show both a constitutional violation and that the right violated was clearly established, the government officials are entitled to qualified immunity. *Cmty. House, Inc.*, 623 F.3d at 967.

The dispositive inquiry under the second prong, in particular, is whether it would have been clear to a reasonable official that their conduct was unlawful in the specific situation presented. *Saucier v. Katz*, 533 U.S. 194, 202 (2001),

overruled in part by Pearson, 555 U.S. 223 (2009). This standard "gives ample room for mistaken judgments by protecting all but the plainly incompetent or those who knowingly violate the law." *Hunter v. Bryant*, 502 U.S. 224, 229 (1991) (internal quotation marks omitted). The Ninth Circuit has held that "the existence of a statute or an ordinance authorizing particular conduct is a factor which militates in favor of the conclusion that a reasonable official would find that conduct constitutional." *Cmty. House, Inc.*, 623 F.3d at 967-68 (citing *Grossman v. City of Portland*, 33 F.3d 1200, 1209 (9th Cir. 1994)).

The HPHA's officials are entitled to qualified immunity for claims asserted against them in their individual capacities because they acted in accordance with and reliance on the relevant federal statutes, Department of Housing and Urban Development (HUD) regulations, HUD notices, and the HPHA Administrative Plan and Hawaii Administrative Rules.

#### 1. Discrimination Claim

As to her Discrimination Claim, Thorson alleges that Ouansafi "created and enforces the illegal policy to use one low comparable in all rent reasonableness determinations[,]" "which is not in compliance with the federal rules and HUD guidelines." ECF No. 1 at PageID.3. Matsuura, she claims, "purposefully and intentionally us[ed] illegitimate low comparables as policy in the rent reasonableness determinations" when he "approved the 'low' comparable in the

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 35 of 54 PageID.4478

amount of \$1,621 to interfere with [her] securing the [Hawai'i Kai unit]." ECF No. 1 at PageID.35.

However, in this case, the HPHA Board of Directors (as a quasi-legislative body), not Ouansafi, adopted the HPHA Administrative Plan. HPHA Administrative Plan at PDF 1-2. Section 8-III.D. in Chapter 8 of the HPHA Administrative Plan sets forth HPHA's "rent reasonableness methodology[.]" HPHA Administrative Plan § 8-III.D. at Page 8-17. This section provides that "[a]t least three comparable units will be used for each rent determination and of which at least two must have a gross rent that exceeds the subject gross contract rent, and the total average gross rent of the comparable units exceeds the subject gross rent." *Id.* While the Administrative Plan recognizes that "units may be similar, but not exactly like the unit proposed for HCV assistance"; Section 8-III.D. does not provide guidance on how an HQS inspector must handle a situation in which the proposed rent for the unit exceeds comparables in the immediate zip code and those in the next adjacent district, as was the case here.

Shinde, in this case, indicated that the use of two low comparables in the first and second rent reasonableness test were necessary because he was "unable to find comparables w/ gross rent 'higher' than subject unit at this time." Concise Statement at #22; Exhibit "AA" at PDF 3. However, he was able to use two high comparables and one low comparable in the third rent reasonableness test. Concise

Statement #30-#31. And the Landlord, in fact, agreed to lower the monthly rent to the \$3,273 amount necessary to pass the results of the third rent reasonableness test. Concise Statement at #33.

It was therefore "objective[ly] legal[ly] reasonable" for the HPHA officials to rely upon the "rent reasonableness methodology" set forth in Section 8-III.D. in Chapter 8 of the HPHA Administrative Plan, which was duly adopted by the HPHA Board of Directors on November 17, 2011. *Harlow*, 457 U.S. at 819; HPHA Administrative Plan at PDF 1. Contrary to Thorson's assertions, this section of the HPHA Administrative Plan is in accord with the federal statute and HUD regulation that require rent for the subject unit be reasonable before approval of the lease and execution of the HAP contract. *See* 42 U.S.C. § 1437f(o)(10)(A) ("The rent for dwelling units for which a housing assistance payment contract is established under this subsection shall be reasonable in comparison with rents charged for comparable dwelling units in the private, unassisted local market."); 24 C.F.R. § 982.507(b) ("[T]he [public housing authority] may not approve a lease until [it] determines that the initial rent to owner is a reasonable rent.").

Ouansafi, Matsuura, and Akamine are therefore entitled to qualified immunity as to Thorson's Discrimination Claim in their individual capacities. *See Grossman*, 33 F.3d at 1210.

#### 2. Retaliation Claim

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 37 of 54 PageID.4480

As to Thorson's Retaliation Claim, she alleges that after she notified Defendants of her intent to file a complaint with HUD, Akamine "acted outside the scope of his duties by purposefully and intentionally not complying with the federal rules and HUD guidelines that dictate how the Section 8 Housing Choice Voucher Program is to be implemented." ECF No. 1 at PageID.26. Instead of approving her live-in aide in compliance with these applicable rules, she claims that he "demand[ed] that the plaintiff, [her] live in aide, and [her] doctor answer numerous interrogating invasive questions about [her] disability and live in aide." *Id.* 

Akamine, however, attested that his inquiry into the residential status of Thorson's live-in aide was necessary under the HPHA Administrative Plan. *See* Akamine Decl. at ¶19. Chapter 14 of the HPHA Administrative Plan requires that HPHA "ensur[es] that subsidy funds made available to [HPHA] are spent in accordance with HUD requirements." HPHA Administrative Plan at Page 14-1. Some of these HUD requirements are detailed in HUD Notice PIH 2014-25 (HA),<sup>9</sup> which aims to reduce the amount of over-payments by public housing authorities to unit owners due to over subsidization.

<sup>&</sup>lt;sup>9</sup> This HUD Notice is available at <u>https://www.hud.gov/sites/documents/PIH2014-25MARKUPOVERSUB.PDF</u>.

As detailed in HUD Notice PIH 2014-25 (HA), 24 C.F.R. § 5.403 requires that live-in aides "reside[]" in the rental unit of an HCV Program participant to provide care that is deemed "essential" by tenant's doctor. The subsidized unit must be "the aide's primary residence"; "[o]ccasional, intermittent, multiple or rotating care givers typically do not reside in the unit and would not qualify as livein aides." HUD Notice PIH 2014-25 (HA) at PDF 2-3. Thus, HUD prohibits public housing authorities from subsidizing an additional bedroom for a live-in aide under these circumstances. *Id.* at PDF 3.

The HPHA Administrative Plan, consistent with HUD Notice PIH 2014-25 (HA), requires that HPHA look into "inconsistent information related to the family that is identified through file reviews and the verification process[,]" HPHA Administrative Plan § 14-I.C. at Page 14-4, which is exactly what Akamine did in this case.

Akamine, in this case, looked into Thorson's file to prepare a response to her complaints. Concise Statement at #42. This review, he attested, raised a number of concerns. Concise Statement at #42-#47. Namely, whether Thorson's son was still residing with Thorson as her live-in aide and able to provide her the essential care needed to be receiving a subsidized second bedroom. Concise Statement at #47. He discovered that (among other things) Thorson's son was working as a Site

#### Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 39 of 54 PageID.4482

Safety Health Officer for Pacific Tech Construction, Inc., which was at no time disclosed to HPHA. Concise Statement at #43-#45, #55.

Given this information, Akamine asked Thorson's counsel at LASH to advise on the following question: "[H]ow many hours a day (or per week) does Ms. Thorson's son visit[] her unit to provide the necessary supportive services previously certified?" Concise Statement at #48. LASH did not answer this question; however, Thorson sent an email on April 8, 2022, responding to Akamine's question about the residential status of her son. Concise Statement at #50-#52. She stated, in relevant part, that "[a]s soon as [the Hawai'i Kai unit] is inspected, [her] son will be moving in with [her] as [her] permanent live-in aide." Concise Statement at #52. This statement raised concerns that Thorson may have been improperly benefitting from the over-payment of the additional subsidy provided with her two-bedroom voucher. *See* Akamine Decl. in ¶19.

Akamine, in light of the above representations made in the April 8, 2022 email, sent an email to Thorson on April 12, 2022, requesting answers to a series of questions about her son. Concise Statement at #53-#54. Akamine's questions included: whether Thorson's son would be living with her full time; the type of care he would provide; how many hours a day he will be providing this care; and whether he would be working a full-time job. Concise Statement at #54. In response, Thorson stated her son would be providing her full-time care, 24 hours a

day, with 1-on-1 daily help. Concise Statement at #55. He would be helping her with her seizures and that his care was "essential to my life." *Id.* And that her son would be working "a job with varying hours." *Id.* 

Akamine subsequently sent a "Certification for Live-In Aide" form to Dr. Bradham, Thorson's primary care physician, to inquire about what care was deemed to be "essential" for Thorson and whether Thorson's son can provide that care. Concise Statement at #56. Dr. Bradham certified that Thorson requires "24 hr a day" care from her son. Concise Statement #57. The care that Thorson's son was to provide to Plaintiff on a "24/7" basis included: "[C]ooking, cleaning, housekeeping, caring for patient, monitoring for seizures and monitors [sic] afterwards to avoid self-harm and keep her safe." Id. This care, Dr. Bradham certified, is required "indefinitely" and is "essential for the care and well-being of [Thorson]." Concise Statement #58. The record therefore establishes that Akamine, under the HPHA Administrative Plan, was obligated to look into the inconsistent information discovered in his review of Thorson's file to ensure that HPHA was not violating the relevant federal statutes, HUD regulations, and HUD notices. He fulfilled this obligation by completing his review of Thorson's file, and then following up with questions to Plaintiff and obtaining the "Certification" for Live-In Aide" form from Dr. Bradham. Since Akamine acted pursuant to Chapter 14 of the HPHA Administrative Plan – which was duly adopted by the

HPHA Board of Directors on January 25, 2001 (with revisions distributed in September 2013), HPHA Administrative Plan at Page 1 – and in accord with federal statutes, HUD regulations, and HUD Notice PIH 2014-25 (HA); he, along with Ouansafi and Matsuura, are entitled to qualified immunity against Thorson's Retaliation Claim in their individual capacities. *See Grossman*, 33 F.3d at 1210.

### D. Defendants are Entitled to Judgment as a Matter of Law on Thorson's Discrimination Claim and Retaliation Claim

Even if neither the *Ex parte Young* exception to Eleventh Amendment immunity nor qualified immunity applies in this case, there are no genuine issues of material fact that would preclude this Court from granting HPHA and its officials, in their official and individual capacities, judgment as a matter of law as to the Discrimination Claim and Retaliation Claim.

### 1. Discrimination Claim

The FHA makes it unlawful to "discriminate against any person . . . in the provision of services or facilities in connection with [their] dwelling, because of a handicap" of that person or any person associated with that person. 42 U.S.C. § 3604(f)(2). Discrimination includes "a refusal to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford [a disabled] person equal opportunity to use and enjoy a dwelling . . . ." 42 U.S.C. § 3604(f)(3)(B); 24 C.F.R. § 100.204.

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 42 of 54 PageID.4485

To prevail on a claim under 42 U.S.C. § 3604(f)(3), Thorson must prove all of the following elements: (1) that she is handicapped within the meaning of 42 U.S.C. § 3602(h); (2) that Defendants knew or should reasonably be expected to know of the handicap; (3) that accommodation of the handicap may be necessary to afford the handicapped person an equal opportunity to use and enjoy the dwelling; (4) that the accommodation is reasonable; and (5) that Defendants refused to make the requested accommodation. *Dubois v. Ass 'n of Apartment Owners of 2987 Kalakaua*, 453 F.3d 1175, 1179 (9th Cir. 2006) (citations omitted).

Thorson's Discrimination Claim consists of two parts. In the first part, Thorson alleges that Defendants "adopted an illegal policy to use one low comparable in all their rent reasonableness determinations, which is not in compliance with the federal rules and the HUD Guidelines." ECF No. 1 at PageID.3. Because of this deviation from federal rules and HUD Guidelines, the rent reasonableness determinations in this case were set too low.

In the second part of Thorson's Discrimination Claim, she alleges that this artificially low rent reasonableness determinations constitute disability discrimination because it limits her options for housing that can provide the accommodations for her disabilities. ECF No. 1 at PageID.5, 10, 16, 25, 27, 34, 36. Neither of these parts withstand scrutiny for two reasons.

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 43 of 54 PageID.4486

First, as a preliminary matter, Thorson lacks standing to assert a claim on behalf of the Landlord. HPHA, under a HAP contract like the one in this case, is required to pay a portion of an individual's rent directly to the unit owner. HAR § 17-2031-65(e). The Landlord agreed to the contract rent amount of \$3,273, despite an initial request for \$4,000. Concise Statement at #33. Thorson now complains that as a result of Defendants' use of one low comparable in the Hawai'i Kai unit rent reasonableness determinations, the Landlord is not receiving all of the rent he contracted to get. ECF No. 1 at PageID.19-20, 23-24.

However, "a plaintiff may only bring a claim on [their] own behalf, and may not raise claims based on the rights of another party." *Epona v. County of Ventura*, 876 F.3d 1214, 1219 (9th Cir. 2017) (quoting *Pony v. County of Los Angeles*, 433 F.3d 1138, 1146 (9th Cir. 2006)). This principle is in accord with the Housing Choice Voucher Program Guidebook, which makes clear that an HCV program participant, like Thorson, cannot enforce the rent-reasonableness provisions in Part B of the HAP contract against the public housing authority. Housing Choice Voucher Program Guidebook at 14. Thus, any claim arising from the alleged underpayment of rent under the May 10, 2022 HAP contract must be raised by the Landlord, not Thorson. Thorson lacks standing to sue on behalf of the Landlord; therefore, summary judgment should be entered in favor of Defendants on the Discrimination Claim.

## Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 44 of 54 PageID.4487

But even if this Court determines that Thorson has standing to assert her Discrimination Claim, it is clear that Defendants did not refuse to make any of Thorson's requested accommodations. In fact, all of Thorson's requested accommodations – namely, the 120 percent payment standard exception – were approved by the Defendants. Concise Statement at #6-#7, #60.

Contrary to Thorson's unfounded claims, HPHA undertook great efforts to ensure that a reasonable rent was paid for the Hawai'i Kai unit, as required by federal law and the HPHA Administrative Plan. *See* 42 U.S.C. § 1437f(o)(10)(A); 24 C.F.R. § 982.507(b); *see also* HPHA Administrative Plan § 8-III.A. at Page 8-15. Shinde not only conducted the required rent reasonableness test, but he went above and beyond his duties by conducting three separate rent reasonableness tests using nine different comparables to find a reasonable rent for the benefit of Thorson. Concise Statement at #19.

At the end, Shinde determined the maximum rent HPHA could pay was \$3,273. Concise Statement at #30-#32. Thorson confirmed the Landlord's acceptance of this reduced amount by email and through the submission of a revised lease for the Hawai'i Kai unit. Concise Statement at #33.

Defendants therefore never refused to make any requested accommodation and instead preserved the grant of Thorson's 120 percent payment standard exception accommodation. Concise Statement at #60. Thorson's Discrimination

Claim – which is based solely on speculation of Defendants' implementation of an "illegal policy" – must necessarily fail. *Dubois*, 453 F.3d at 1179 (holding the FHA discrimination claim fails because defendant never refused to make the requested accommodation (citations omitted)).

Because Thorson lacks standing to assert this claim on behalf of the Landlord and the record confirms that Defendants' conduct was certainly not discriminatory under the FHA, summary judgment must be entered in favor of Defendants on the Discrimination Claim.

#### 2. Retaliation Claim

The FHA forbids retaliation in response to a person having exercised a protected right. *See* 42 U.S.C. § 3617. To establish a prima facie case of retaliation, a plaintiff must establish the following elements: "(1) that she was engaged in a protected activity; (2) that she suffered an adverse action in the form of coercion, intimidation, threats, or interference that was causally linked to the protected activity; [and] (3) that she suffered some resulting damage as a result of the adverse action[.]" *Lazarus*, 2023 WL 6446422, at \*4 (citing *San Pedro Hotel Co. v. City of Los Angeles*, 159 F.3d 470, 477 (9th Cir. 1998)). If the plaintiff presents a prima facie case, "the burden shifts to the defendant to articulate a legitimate nondiscriminatory reason for its decision." *Walker v. City of Lakewood*, 272 F.3d 1114, 1128 (9th Cir. 2001). Finally, if the defendant "articulates such a

## Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 46 of 54 PageID.4489

reason, the plaintiff bears the ultimate burden of demonstrating that the reason was merely a pretext for a discriminatory motive. *Id.* 

In her Complaint, Thorson alleged that Defendants retaliated against her, in violation of Section 818 of the FHA, by subjecting her live-in aide arrangement to inappropriate scrutiny and by threatening that live-in aide with fraud charges or prison. *See* ECF No. 1 at PageID.10, 12. This retaliation, she alleged, resulted from her complaining to Defendants about their use of a low cost comparable in their rent reasonableness determinations; and which grew worse upon the submission of her complaint to HUD. *See id.* at PageID.4, 31, 33. She alleges that her son quit as her live-in aide because of Defendants' above-mentioned actions, and she is now left without a live-in aide. *Id.* at PageID.55. Thorson's Retaliation Claim is without merit because she cannot establish that she was harmed by any adverse action by Defendants in retaliation for complaints and HUD filing.

The April 2022 inquiry into Thorson's live-in aide arrangement *did not cause* her son to halt his services. Thorson confirms that her son continued to serve as her live-in aide until September 18, 2023 – almost 17 months after the start of the April 2022 inquiry. *See* ECF No. 1 at PageID.12. She clarified, however, that her son "quit," not because of HPHA's general inquiry into her livein aide arrangement, but more specifically because HPHA officials threatened that she and her son were "going to jail for fraud." *Id.* at PageID.14. This position is

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 47 of 54 PageID.4490

premised on the unsupported and mistaken belief that an HPHA official made these threats; Thorson continues to confuse HPHA's review of her file with HUD's investigation of the claims made in the HUD complaint.

In fact, evidence in this record suggests that it was not Defendants, but rather the inquiries of an investigator with HUD that caused Thorson's son to begin to be too afraid to continue in his role as Thorson's live-in aide. *See* ECF No. 35-12 at PageID.666;<sup>10</sup> ECF No. 36-3 at PageID.843, 45.<sup>11</sup> HPHA, in its submissions to the

I just, uh, got your email yesterday. And, uh, (laughs), threw me back, I, I, very intense, and it's kind of scary, it feels like I'm being aaccused or investigated . . . Yeah, if you just give me a call and chat. I, I don't mind at all, um, just want to get to the bottom of this and get this over with because I, I don't want to be involved in this at all. This isn't my issue, so, um, yeah, please give me a call back.

ECF No. 35-12 at PageID.666.

<sup>11</sup> Thorson previously submitted to this Court images of text messages that she alleged were from a former neighbor at the Kailua unit, which appear to indicate that an "investigator" contacted the former neighbor as part of an investigation:

I love the investigators on your discrimination case! You are going to prison! Awe! Do you want to pretend shake so you can get more drugs.

. . . .

Is fraud spelt with a capital F? Is Prison spelt with little p? You and mommy will be finding out SOON! Ha!....

<sup>&</sup>lt;sup>10</sup> Thorson's son left a voice message with a HUD investigator on June 7, 2023, saying, among other things:

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 48 of 54 PageID.4491

HUD official investigating Thorson's complaint, stated that it was "considering further action and/or investigation . . . to determine whether this might be an occurrence of fraud." ECF No. 35-9 at PageID.497-98. When faced with possible program abuse, HPHA's policy is to "[r]efer the case to state or federal officials for criminal prosecution[,]" not take criminal enforcement action itself. HPHA Administrative Plan § 14-II.C. at Page 14-10. This is because HUD, unlike HPHA, has statutory law enforcement authority with a primary focus on preventing fraud, waste, and abuse. *See* 5 U.S.C. § 406(f)(1)(B); *see also* Office of Inspector General United States Department of Housing and Urban Development, *Investigation & Inquiry Reports.*<sup>12</sup> Because Ouansafi, Akamine, and Matsuura had no direct contact with Thorson's son that would have led him to quit as her live-in aide, they are entitled to judgment as a matter of law on the Retaliation Claim.

Second, even if the burden shifts to Defendants under *Walker*, they can articulate a "legitimate nondiscriminatory reason for [their] decision" to conduct

Oh man .. the investigator just contacted me again and you seem so screwed! Why did you put your name on the line for dumb dumb and it's getting [sic] ruin your career and they are seeking fraud for both of you! I can testify and want to!

the April 2022 inquiry into Thorson's live-in aide arrangement. In this case, LASH notified HPHA that Thorson would be filing a complaint with HUD, challenging the use of one low cost comparable in the rent reasonableness determinations for the Hawai'i Kai unit. Concise Statement at #37. Akamine then conducted a review of Thorson's file to ensure that HPHA was complying with relevant federal laws, regulations and notices for the ultimate benefit of Thorson. Concise Statement at #38-#39, #42; *accord* HPHA Administrative Plan chapter 1 (Introduction) at Page 1-1. However, this review of Thorson's file indicated that Thorson's son was not living with Thorson in the subsidized two-bedroom unit. Concise Statement at #46-#47.

As previously discussed, live-in aides, like Thorson's son, must "reside[]" in the rental unit of an HCV Program participant to provide "essential" care. 24 C.F.R. § 5.403. HUD requires that the subsidized unit must be "the aide's primary residence," and that "[h]elpers who come and go during the day are considered guests or employees of the participant" and would not constitute live-in aides. Lisa Sloane, Emily Cooper & Ann O'Hara, *Live-In Aides and the Housing Choice Voucher Program Fact Sheet* at PDF 5 (August 2003).<sup>13</sup> HUD Notice PIH 2014-25 (HA) further confirms that "[o]ccasional, intermittent, multiple or rotating care

<sup>&</sup>lt;sup>13</sup> This fact sheet, which was written under contract with HUD, is available at <u>https://www.tacinc.org/wp-content/uploads/2020/08/Live-in\_Aides.pdf</u>.

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 50 of 54 PageID.4493

givers typically do not reside in the unit and would not qualify as live-in aides." HUD Notice PIH 2014-25 (HA) at PDF 3. These restrictions are in place for a specific reason: "Since housing funds are limited and there are many eligible families on the [public housing authority, or PHA] waiting lists, PHAs must ensure that a live-in aide is necessary for the support of a person with a disability." *Live-In Aides and the Housing Choice Voucher Program Fact Sheet* at PDF 6.

Akamine's inquiries into Thorson's live-in aide arrangement were therefore not prompted by Thorson's complaints or the submission of her HUD complaint. These inquiries were triggered by the information discovered by Akamine in his review of Thorson's file that raised concerns as to whether HPHA's subsidization of a second bedroom for Thorson's son was appropriate. Concise Statement at #46-#47. Akamine ensured, through his inquiries with Thorson and Dr. Bradham, that Thorson's son, as Thorson's live-in aide, was necessary for the support of Thorson as a person with a disability. Concise Statement at #53-#59. This is a legitimate nondiscriminatory reason for Akamine's inquiries into Thorson's live-in aide arrangement with her son, the peculiarities of which came distinctly to their attention only when Akamine actually looked into Thorson's file.

Thorson's factual allegations also do not support any inference that Defendants' legitimate nondiscriminatory reason for allegedly scrutinizing her live-in aide arrangement was pretextual. Thorson admits, through her allegations

# Case 1:23-cv-00412-MWJS-WRP Document 101-1 Filed 02/15/25 Page 51 of 54 PageID.4494

in the Complaint, that she essentially requested a second bedroom in her unit be subsidized for her live-in aide even though he would, at most, only be providing "[o]ccasional" or "intermittent" care.<sup>14</sup> Because a live-in aide must be "essential to the care" of the voucher holder, see 24 C.F.R. § 5.403, Thorson's son, or any later identified live-in aide, must reside in the unit for an amount of time sufficient to provide Thorson with the "24 hr a day" care that she represented, and Dr. Bradham certified, is "essential for [Thorson's] care and wellbeing." Concise Statement at #57-#58. And it was reasonable for HPHA to require Thorson's son to reside with her full-time, given (1) Dr. Bradham's May 2022 certification that Thorson requires care "24 hours" a day, Concise Statement at #57-#58; and (2) Thorson's own representations to HPHA that her son would be "moving in with me [into the Hawai'i Kai unit] as my permanent live-in aide," that he would be living with her "full time," and that he would be providing her with "24hr a day" care and "1-on-1 help on a daily basis." Concise Statement at #52. In light of this evidence, this Court cannot find it likely that it was pretextual or bad faith for Defendants to make efforts to determine whether Thorson's live-in aide arrangement comported with federal laws, regulations and notices – namely, the objective in HUD Notice

<sup>&</sup>lt;sup>14</sup> Even without this subsidized second bedroom, HPHA has not precluded (and Thorson has not alleged that HPHA has precluded) her son from visiting the Hawai'i Kai unit to provide the "[o]ccasional" or "intermittent" care Thorson appears to now seek.

PIH 2014-25 which aims to reduce the amount of over-payments due to over subsidization. HUD Notice PIH 2014-25 (HA) at PDF 1.

Thus, even if neither the *Ex parte Young* exception nor qualified immunity applies, Thorson has failed to establish the elements for either a Discrimination Claim or Retaliation Claim. Defendants, in their official and individual capacities, are therefore entitled to judgment as a matter of law as to the Discrimination Claim and Retaliation Claim.

### VI. CONCLUSION

Based on the foregoing, Defendants respectfully request that this Court grant Defendants' Motion for Summary Judgment and enter judgment as a matter of law in favor of Defendants on all claims.

**PLAINTIFF's OPPOSITION TO DEFENDANTS MOTION FOR** SUMMARY JUDGMENT

TABLE OF CONTENTS IS ATTACHED COURT CERTIFIED 45 PAGE LIMIT - DOCKET #99

Plaintiff opposes the defendants Motion for Summary Judgment. First, the plaintiff would like to bring to the court's attention the defendants are intentionally providing the court with false and misleading information to support their Motion for Summary Judgment. The defendants want the court to believe that they were not a party to the investigation against the plaintiff and the live in aide, but rather it was HUD. The truth is confirmed by FHEO Branch Chief, Stephanie Rabiner, who confirms that the defendants are providing the court with false and misleading information in their Motion for Summary Judgment by writing the following:

#### The defendants write in their Motion for Summary Judgment:

"...Thorson continues to **confuse HPHA's review** of her file **with HUD's investigation** of the claims made in the HUD complaint..." (REFER TO PAGE 40 OF D's SJ MOTION) (Note: Plaintiff is not confused.)

"...evidence in this record suggests that it was **not** Defendants, but rather the inquiries of an investigator with HUD that caused Thorson's son to begin to be too afraid to continue in his role as Thorson's live-in aide..."

(REFER TO PAGE 40 OF D's SJ MOTION)

"...Thorson previously submitted to this Court images of text messages that she alleged were from a former neighbor at the Kailua unit, which **appear** to indicate that an "investigator" contacted the former neighbor as part of an investigation..." (REFER TO PAGE 40 OF D's SJ MOTION)

"...HUD official investigating Thorson's complaint, stated that it was "considering further action and/or investigation...to determine whether this might be an occurrence of fraud." (REFER TO PAGE 41 OF D's SJ MOTION)

On 06.12.23, HUD's FHEO Branch Chief, Stephanie Rabiner wrote

to the plaintiff and confirmed that <u>it was not HUD</u>, but rather it was the defendants who were 'investigating' the plaintiff and her live in aide, and it was the defendants who contacted the ex-neighbor and ex-landlord, not HUD. FHEO Branch Chief, Stephanie Rabiner, writes:

"...FHEO is **not** investigating you for fraud – fraud is outside of our jurisdiction. HUD's Office of Inspector General is responsible for investigating fraud within the Department's programs, and we are unaware of any complaint made to that office about you or your live-in aide..."

"...Please be advised that HPHA has informed FHEO that HPHA has continued its investigation into your son's residency between 2017 and April 2022. HPHA's ongoing investigation is a continuation of its April 2022 inquiry into your <u>need</u> for a livein aide and your son's **place of residence** as your designated livein aide..."

"...Do note that HPHA has given FHEO the evidence it has collected during its investigation, including information that **HPHA staff obtained from your former neighbor and former landlord**..."

(refer to Attachment 1 - 06.12.23 EMAIL FROM HUD/FHEO BRANCH CHIEF, STEPHANIE RABINER, re HPHA INVESTIGATION)

# Case 1:23-cv-00412-MWJS-WRP Document 113 Filed 03/12/25 Page 3 of 47 PageID.4810

The plaintiff contacted the FHEO because she believed the investigators belonged to FHEO, but as Mrs. Rabiner confirms, the defendants investigators made contact with the ex-neighbor, not HUD. It was the investigators who communicated to the ex-neighbor the threat that the plaintiff and live in aide were going to prison for fraud (*as was conveyed by the "investigators*"). It was this "threat" that caused the plaintiff's live in aide to quit.

(refer to Attachment 2 - 06.12.23 EMAIL FROM P TO FHEO re INVESTIGATION)

The facts prove the defendants were determined to interfere with the plaintiff's reasonable accommodation to have a live in aide because the plaintiff disputed their illegal policies (*which defendants admit to implementing*) are of no benefit to the recipients or the landlords of the Section 8 program, **but only benefit the defendants whose purpose to implement the illegal policies is to increase the amount of subsidy** (federal funds) the defendants steal from each Section 8 youcher.

Defendant Hakim Ouansafii does not dispute the use of the illegal policy to use low comparables, but rather he deflects liability to the board members and to subordinate state employees, in which he writes in his Declaration: *(refer to D's SJ Motion attachment – docket #102-1, page 3)* 

## "...It is the HPHA Board, <u>not me as the Executive Director</u>, that is responsible for adopting policies such as the "one low comparable" policy referenced by plaintiff..." (§356D-4)

Plaintiff provides the necessary federal rules that prove the defendants intentionally are violating federal and state rules in order to fraudulently steal millions from the Section 8 program.

The illegal policy to use low comparables against the contract rent in determining rent reasonableness is a part of the fraud scheme. To prove the fraud scheme, the plaintiff created FRAUD CHARTS using only figures extracted from the defendants' financial statements and HUD records, which confirm defendants stole over \$110M since January 2015, and continue to steal over \$1M each month from the Section 8 program. *(refer to Attachment A – FRAUD CHART – PHA: H1901 Hawaii Public Housing Authority)* 

The plaintiff also created two additional FRAUD CHARTS to prove that actually three of five PHAs in Hawaii steal from the Section 8 Housing Choice Voucher Program. Big Island and Maui do not steal and actually issue 100% of the vouchers they receive from HUD. Even though this lawsuit is not against the other two PHAs, the pattern of behavior proves government corruption in Hawaii by state employees who have adopted and are implementing the same fraud scheme as the defendants (state employees: Hakim Ouansafi, Ryan Akamine, and Lyle Matsuura).

#### (refer to Attachment B – FRAUD CHART – PHA H1003 City and County of Honolulu) (refer to Attachment C – FRAUD CHART – PHA: H1005 Kauai County Housing Agency)

The plaintiff's facts prove the defendants intentionally interfered with plaintiff's reasonable accommodation to have a live in aide **after** she disputed their illegal policies, by first terminating her live in aide *(which defendants approved in 2017), then* terminated her 2-bedroom voucher *(which defendants approved in 2017), then* issued the plaintiff a 0-bedroom voucher so that she could no longer receive support services which included overnight care, *then* created obstacles to prevent the landlord from reducing the size of his rental unit from a 2-bedroom to a 1bedroom unit so that the plaintiff could not remain as a tenant using her 0-bedroom voucher, which ultimately caused the plaintiff, a 65 year old disabled woman, to be homeless sleeping in her vehicle.

To make it even worse, defendants then decided to present themselves as truly caring about plaintiff by deceitfully claiming plaintiff still qualified for a live in aide, **but only if** she complied with defendants newly fabricated illegal policies regarding her live in aide (*which illegal policies apply only to the plaintiff and not to any all recipients*).

# Case 1:23-cv-00412-MWJS-WRP Document 113 Filed 03/12/25 Page 5 of 47 PageID.4812

The defendants knew full well the plaintiff could never comply with their illegal policies regarding her live in aide because the plaintiff does not have the financial resources to pay for a live in aide (*only receives SSDI and food stamps*).

Defendants illegal policies required the live in aide to live in the plaintiff's home as their "primary residence", required live in aide to sleep in the plaintiff's home each night of the week (24/7), required the plaintiff to not have a separate residence, and require that the live in aide not be employed. These illegal policies were prerequisites that the plaintiff had to comply with in order for the defendants to approve the plaintiff's live in aide can provide support services, which includes overnight care when needed.

The defendants ultimately succeeded in interfering with the plaintiff's live in aide *(who was her son, who was helping his mother for free).* Because the plaintiff could not comply with the defendants illegal policies, and because they threatened the plaintiff and the live in aide that they were going to prison for fraud, the live in aide quit.

Defendants succeeded in terminating the plaintiff's live in aide which allowed the defendants to terminate the plaintiff's 2-bedroom voucher (which was initially approved in Oregon, which defendants approved in 2017 and every year thereafter).

The plaintiff believes there is a substantial amount of evidence to prove all the plaintiff's claims against the defendants are true and valid. Therefore, the plaintiff prays the court denies the defendants Motion for Summary Judgment and allows this case to proceed to trial.

### I. INTRODUCTION

#### a. About Plaintiff, Laurie Thorson

Plaintiff, Laurie Thorson, is a 65 year old disabled woman. Plaintiff has been under the care of physicians and neurologists since 2009, diagnosed with Epilepsy and Transient Epileptic Amnesia. The plaintiff is diabetic, is blind in the right eye, has multiple back fractures (T-3 to T-12) in the thoracic and lumbar areas - from falling during seizures, has five pinched nerves in her back – which causes pain in her legs, has scoliosis, has arthritis in both knees, neuropathy in all extremities, has limited use of her left arm after breaking her arm during a fall in 2016, and now has limited use of her right arm after recently falling and tearing the ligament on the upper part of her right arm. Plaintiff is always in pain. The plaintiff provided the defendants with a voluminous amount of medical evidence and written verification in the form of seven (7) letters from six (6) different physicians, who unanimously agree the plaintiff is disabled and requires a live in aide to provide support services, including overnight care when needed.

In 2009, Social Security Disability determined the plaintiff was 'permanently' and 'indefinitely' disabled and unable to work.

Prior to moving to Hawaii in 2017, the plaintiff's neurologist in Oregon, Dr. Michael Bell, expressed concerns about the plaintiff continuing to incur physical damage because she had nobody to provide support services when needed, nor did she know anyone who could provide support services for free. Plaintiff went without support services for years, which explains numerous irreversible physical injuries.

Plaintiff's neurologist (*Dr. Michel Bell*) and two other physicians (*Dr. Jessica Morgan and Dr. Dana Rhode*) cared for the plaintiff in Oregon.

Dr. Michael Bell decided that it was in the best interest of his patient to contact the plaintiff's son in Hawaii to ask if he could help his mother. The son agreed and moved his mother to Hawaii.

Plaintiff's Oregon voucher was designated as a 0-1-2-bedrom voucher (*since 2010 and every year thereafter until 2017*). Oregon revised the 0-1-2 voucher to a 2-bedroom voucher before the plaintiff moved to Hawaii, knowing the plaintiff was finally going to have a live in aide for free. After arriving in Hawaii in 2017, defendants issued the plaintiff a new 2-bedroom voucher, and plaintiff lived in Kailua until April 2022. (*refer to Attachment 3 – 2016 OREGON VOUCHER ISSUED AS A 0, 1, OR 2 BEDROOM VOUCHER*) (*refer to Attachment 4 – 2017 OREGON ISSUED A NEW 2-BEDROOM VOUCHER FOR HER MOVE TO HAWAII*)

# II. FACTS / GENUINE ISSUES OF MATERIAL FACTS TO PROVE HARASSMENT, RETALIATION & INTENTIONAL INTERFERENCE

The plaintiff claims the defendants intentionally discriminated and retaliated against her **after** she disputed the use of defendants' illegal policies to use low comparables against the contract in rent reasonableness determinations.

The plaintiff claims the defendants retaliated against her by interfering with her reasonable accommodation to have a live in aide who can provide support services to accommodate her disabilities, and by intentionally interfering with her Section 8 voucher, which was originally issued in Oregon, and was transferred to Hawaii in 2017 *(which defendants approved every year thereafter)*.

The facts prove the defendants acted outside the scope of their duties to cause the plaintiff harm and even went so far as to investigate the plaintiff and her live in aide for fraud, which defendants threatened the plaintiff and her live in aide of going to prison for fraud.

# Case 1:23-cv-00412-MWJS-WRP Document 113 Filed 03/12/25 Page 8 of 47 PageID.4815

The facts prove the defendants acted outside the scope of their duties by harassing and retaliating against the plaintiff by intentionally interfering with the disabled plaintiff's live in aide and housing.

In 2017, after plaintiff arrived in Hawaii, the defendants issued the plaintiff a new 2-bedroom voucher and approved her reasonable accommodation to have a live in aide (*based on written verification by two (2) physicians in Oregon*).

#### (refer to Attachment 5 - 07.10.17 Ds APPROVED Ps LIA RA BASED ON 2 DR LETTERS )

In addition, the defendants also approved a 120% reasonable accommodation to increase the plaintiff's "payment standard" because of the difficulty the plaintiff was having in securing a rental that was not in a high-rise or near a busy street, to keep her safe from falling off the lanai or walking into a busy street during episodes of amnesia. (refer to Attachment 6 – 07.10.17 HPHA ADDED 120% RA, IN ADDITION TO LIA RA)

Every year thereafter (2017 - 2022), the defendants approved the plaintiff's 2-bedroom voucher and reasonable accommodations (*live in aide RA and 120% RA*).

### On March 1, 2022, plaintiff was given 'Notice to Move'.

On March 4, 2022, the defendants issued the plaintiff a new 2-bedroom voucher, which included the approved reasonable accommodations approved in 2017 (*live in aide RA and 120% RA*). The defendants informed the plaintiff her payment standard for the 2-bedroom voucher was \$4,207.

# (refer to Attachment 7 - 03.04.22 D ISSUED P NEW 2-BDRM VOUCHER - LIA RA AND 120% RA APPROVED)

**On March 21, 2022, 3:58pm,** the plaintiff emailed Lyle Matsuura to inform him that she found a rental for \$4,000 rent in Hawaii Kai.

(refer to Attachment 8 - 03.21.22 EMAIL FROM P TO LYLE MATSUURA re ZIP CODE v CORRECT PAYMENT STANDARD)

**On March 21, 2022, 4:18pm,** Lyle Matsuura confirmed the payment standard of "...\$3,948...There is a possibility you could go over a bit cause you can pay up to 40% of your gross monthly income..."

(refer to Attachment 9 - 03.21.22 4.18pm EMAIL FROM LYLE MATSUURA TO P re CORRECT PAYMENT STANDARD)

**On March 21, 2022**, the new landlord and the plaintiff met and both signed the Lease dated March 21, 2022. The lease confirms the rent is \$4,000 for a 2-bedroom townhouse located in Hawaii Kai.

(refer to Attachment 10 – 03.21.22 LANDLORD AND PLAINTFF SIGNED LEASE FOR \$4,000 RENT)

**On March 22, 2022,** the new landlord and the plaintiff met again to complete the RFTA (Request for Tenancy Approval), which confirms the rent is \$4,000.

(refer to Attachment 11 – 03.22.22 LANDLORD AND PLAINTIFF SIGNED RFTA FOR \$4,000 RENT, LANDLORD PROVIDES BANK INFO TO RECEIVE AUTO-DEPOSIT)

**On March 22, 2022, 4:28pm,** the plaintiff personally dropped off the RFTA and Lease at the HPHA office (*see date stamp on RFTA*).

**On March 22, 2022**, **4:45PM**, plaintiff emailed Lyle Matsuura to inform him that she personally just dropped off the RFTA and Lease.

(refer to Attachment 12 - 03.22.22 EMAIL FROM P TO LYLE re CONFIRMATION P DROPPED OFF RFTA AND LEASE AT HPHA OFFICE FOR RENTAL IN HAWAII KAI

**On March 23, 2022, 2:48pm**, plaintiff emailed Lyle Matsuura regarding the old Utility Allowance chart he sent her. Plaintiff requests she be permitted to use utility chart for 2022 (*plaintiff found online*). Ryan Akamine did not respond.

(refer to Attachment 13 - 03.23.22 EMAIL FROM P TO LYLE MATSUURA re P REQUESTED 2022 UA CHART, SINCE LYLE SENT AN OLD UA CHART)

**On March 23, 2022, 4:49pm,** caseworker Cosme Caal emailed the landlord to notify him that a rent reasonableness test was performed, and the landlord was required to reduce the rent by \$1,363 to \$2,647,

or the plaintiff would need to find another rental using the new reduced payment standard (*determined by defendants after applying two low comparables in their rent reasonableness test*).

To determine rent reasonableness, the defendants used 2 low comparables in the amounts of \$1,500 and \$2,621. The low comparable in the amount of \$1,500 was 62.5% lower than the proposed rental.

(refer to Attachment 14 - 03.23.22, 4:49pm, EMAIL FROM CASEWORKER re LANDLORD REQUIRED TO LOWER THE RENT BY \$1,363 TO \$2,647 - PER **2** LOW COMPS USED IN RENT REASONABLENESS TEST)

(refer to Attachment 15 - \$1,500 LOW COMP USED, 2 LOW COMPS USED TO REDUCE PS PAYMENT STANDARD AND REDUCE RENT FROM \$4,000 TO \$2,854)

On March 23, 2022, 4:55pm, the landlord said <u>no</u> to decreasing his rent, writing to defendants: "...sticking with FMV at 4,000/month...". (refer to Attachment 16 - 03.23.22 LANDLORD REFUSED TO REDUCE RENT)

The defendants now admit that they knew about the illegal policy to use low comparables and confirm the use of low comparables is not in compliance with HUD Regulations (*confirmed by defendants in their SJ Motion, refer to docket #101-2, page 12 of 54*). Now the defendants claim they are only complying with a 15 year old illegal policy in their Admin Plan Rule **8.III-D** (*from 2011*), which only proves that the defendants had 15 years to ratify their illegal policy to be in compliance with HUD Regulations, in accordance with **24 CFR 982.52**.

(HPHA Admin Plan, Rule 8.III-D, confirmed by defendants in their SJ Motion, refer to docket #101-2, page 12 of 54).

Defendants used **two (2) low** comparables in their initial rent reasonableness test, and then used the same low comparable in the amount of \$1,500 throughout all their tests, which after the fourth test this low comp for \$1,500 required the landlord to reduce his rent by \$727 to \$3,273. The landlord already confirmed he was firm on \$4,000. (refer to Attachment 15 - \$1,500 LOW COMP USED AGAIN TO LOWER THE RENT AGAIN) (refer to Attachment 16 - LANDLORD REFUSED TO \$4,000 RENT) On March 24, 2022, supervisor Noble Choy informed the plaintiff

she can challenge the comparables by submitting her own comparables.

Defendants rejected all four of the plaintiff's comps she submitted.

(refer to Attachment 17 - 03.24.22, 2:31pm, EMAIL FROM SUPV NOBLE CHOY re INFORMED P IT IS OK TO CHALLENGE COMPS)

(refer to Attachment 18 – 03.24.22, 8:49 EMAIL FROM P TO D re P SUBMITS 4 NEW COMPARABLES. The defendants rejected all 4)

On March 25, 2022, the plaintiff contacted Jesse Wu, HUD/PIH

Director in Hawaii, inquiring about defendants' use of low comparables.

Mr. Wu confirmed low comparables is not in compliance with HUD

Regulations, and forwarded a copy of the HUD Regulations to plaintiff.

(refer to Attachment 19–03.25.22 and 04.01.22 EMAILS TO AND FROM JESSE WU, PIH DIRECTOR, WHO SENDS P HUD REGS TO PROVE LOW COMPARABLES ARE ILLEGAL) (refer to Attachment 20 - HUD REGULATION, page 8, re LEGAL METHODOLOGY IN GATHERING COMPS AGAINST THE PAYMENT STANDARD – LEGAL RENT REASONABLENESS)

On March 28, 2022, 2:58pm, Lyle Matsuura allowed the plaintiff's

son to submit 4 more comparables to support the rent for \$4000 was

reasonable. Lyle Matsuura explained in detail the criteria for the comps

to be acceptable. The son complied. Defendants threw out 2, and kept 2.

(refer to Attachment 21 - 03.28.22 2.58pm, LYLE MATSUURA ALLOWED PLAINTIFF'S SON TO SUBMIT 4 NEW COMPS TO SUPPORT \$4K RENT IS REASONABLE)

On March 28, 2022, 4:53pm, Lyle Matsuura confirms the

plaintiff's payment standard is \$4,207.

(refer to Attachment 22 - 03.28.22, 4.53pm EMAIL FROM LYLE MATSUURA re CONFIRMATION THAT PLAINTIFF'S PAYMENT IS ACTUALLY \$4,207)

**On March 29, 2022,** 11:04am, defendants performed another rent reasonableness test, using the same low comparable in the amount of \$1,500 that they used in the first test on March 23, 2022. This low comparable was not in Hawaii Kai, not a 2-bedroom 2-bathroom townhouse, not in the same zip code, and was in very poor condition.

The low comparable amount of \$1,500 is what caused the plaintiff's payment standard to be reduced to \$3,273.

**On March 29, 2022,** 11:04am, Lyle Matsuura responds to an email by plaintiff, confirms the same low comparable used on 03.23.22 was being used again, in conjunction with 2 comparables that the son submitted on 03.28.22 in the amounts of \$4,321 and \$4,500. Knowing landlord refused to decrease the rent, the new reduced rent is \$3,273.

(refer to Attachment 23 - 03.29.22, 11.04am EMAIL FROM LYLE MATSUURA re CONFIRMED ANOTHER RR TEST PERFORMED AND LOW COMP USED AGAIN TO REDUCE RENT TO \$3,273

(refer to attachment to D's SJ Motion, docket #105-2) (refer to Attachment 15 - \$1,500 low comparable **– 62.5% lower than the rent**)

**On March 29, 2023,** 12:22pm, the plaintiff's son emails Lyle Matsuura to inform him "...the numbers I provided are \$5,225, \$4,500, and \$4,200...I provided legit current rentals on the market...if this does not get approved, then my mom will be homeless..." "...it seems like your office is purposefully trying to prevent us from getting this rental..."

(refer to Attachment 24 - 03.29.23, 12.22pm EMAIL FROM P SON TO LYLE MATSUURA re LYLE REFUSED TO ACCEPT SON'S 4 COMPS, SON CLAIMS DS ARE PREVENTING P FROM SECURING THE RENTAL)

**On April 1, 2022**, the plaintiff forwarded Mr. Wu's email to Lyle Matsuura to inform him that the use of low comparables was not in compliance with HUD Regulations. **Lyle Matsuura did not respond.** 

(refer to Attachment 19–03.25.22 and 04.01.22 EMAILS TO-FROM JESSE WU, PIH DIRECTOR, WHO PROVIDES HUD REGS TO PROVE Ds LOW COMPARABLE IS ILLEGAL)

**On April 5, 2022**, 3:42pm, **16** days after submitting the RFTA and Lease to the defendants, plaintiff emailed defendants and informed them

abase to the defendance, plantin chianed defendance and mornied them

of 24 CFR §982.305 which requires inspections to be performed within

15 days from receipt of the RFTA and Lease (received March 22, 2022).

(refer to Attachment 25 - 04.05.22 EMAIL FROM P TO D, REQ FOR INSPECTION re COMPLIANCE WITH 24 CFR § 982.305)

**On April 6, 2022,** defendants confirm to the plaintiff that Hakim Ouansafii requested Ryan Akamine to "review" the plaintiff's file. At this point, the defendants were fully informed that the landlord refused to decrease his rent to accommodate their low comparable. **The defendants** 

### acknowledged the landlord's "refusal" to decrease his rent by

proceeding with scheduling an inspection of the rental (which was

scheduled for 8:00am on April 13, 2022). RFTA and Lease (*rent is \$4,000*) submitted on March 22, 2022 - basis to proceed with inspection.

(refer to Attachment 26 - **FEDERAL REGISTER 98-10374, <u>page 23857</u>** re INSPECTION IS BASIS FOR ACCEPTANCE OF RFTA AND LEASE RECEIVED BEFORE THE INSPECTION IS PERFORMED, REQUIRED BEFORE SIGN THE HAP CONTRACT)

### On April 12, 2022, 1:17pm, the day before the rental unit was

scheduled to be inspected, Ryan Akamine (HPHA's Chief Compliance

Officer) wrote to the plaintiff and said he was instructed by Hakim

Ouansafi to "review" the plaintiff's file. Defendant Ryan Akamine

informed the plaintiff that the inspection scheduled for the following

morning at 8:00am would be cancelled if the plaintiff failed to answer

numerous interrogating questions by the end of the day (4:00pm)

regarding her disability and her live in aide. Ryan Akamine required

the plaintiff to respond in literally 2 hours and 43 minutes or the

inspection scheduled for the following morning would be cancelled.

(refer to Attachment 27 – 04.12.22 1.17pm EMAIL FROM RYAN AKAMINE THE BEGINNING OF HIS INTERFERENCE AND RETALIATION)

**On April 12, 2022, 1:17pm**, in the same email noted above, Ryan Akamine writes,

"...**With respect to your** <u>inspection</u>...scheduled to take place on Wednesday, April 13, 2022...the inspection is also subject to the questions below..."

"...With respect to your <u>live-in aide</u>, your son Ryan Thorson executed his Live-in aide Housing Agreement in 2017. In your subsequent discussions with Mr. Matsuura, you indicated that Ryan Thorson was NOT living in your unit on a full-time basis and would visit you only at certain times...provide us answers to the following by 4:00pm <u>today</u>..."

**On April 12, 2022, 3:35pm**, the plaintiff respectfully responded to Ryan Akamine's interrogatory questions (*received this same day at* 

1:17pm) before the deadline of 4:00pm.

(refer to Attachment 28 - 04.12.22 3.35pm EMAIL FROM P TO RYAN AKAMINE re LIA)

The plaintiff provided Ryan Akamine with a voluminous amount of evidence to prove she is disabled and is required to have a live in aide who can provide support services (*which defendants approved in 2017*), and plaintiff provided Ryan Akamine with a new letter from Dr. Megan Bradham dated this same day. This 'written verification' by plaintiff's doctor was not acceptable for Ryan Akamine to "certify" the live in aide.

### Dr. Megan Bradham writes on April 12, 2022:

"...Laurie Thorson is a patient of mine and medically required to have her son as her live in aide. Ryan Thorson is permitted to live in Laurie Thorson's home to provide monitoring and care as needed...".

### (refer to Attachment 29 - 04.12.22 LETTER FROM DR. BRADHAM)

Ryan Akamine now had three (3) letters from three (3) different doctors, sufficient "written verification" to "certify" plaintiff's live in aide.

### Again, Ryan Akamine's refused to "certify" the live in aide.

**On April 12, 2022, 3:50pm**, the plaintiff again emailed Ryan Akamine again, and provided additional medical documents to prove her disabilities and need for a live in aide.

(i.e., medical records, chart notes, x-rays, numerous pictures to prove what happened/happens if plaintiff is without a live in aide, pictures of holes in her tongue, puddles of blood all over the house, wounds on elbows and knees, scratches on her face from seizing, wounds on her face from falling and hitting her face on the corners of tables, x-rays of numerous back fractures (T-3 to T-12), x-ray of broken left arm and several pinched nerves in thoracic spine and lower lumbar areas which cause plaintiff chronic pain in her back and legs, etc.).

(refer to Attachment 30 - 04.12.22 3.50pm, EMAIL TO RYAN AKAMINE, ADD'L MEDICAL EVIDENCE TO SUPPORT LIVE IN AIDE RA)

On April 13, 2022, 6:29am, the plaintiff again emailed Ryan

Akamine to provide him with even more medical evidence, in hopes he

would not cancel the inspection scheduled for 8:00am.

(refer to Attachment 31 – 04.13.22 6.29am, EMAIL TO RYAN AKAMINE, ADD'L EVIDENCE TO SUPPORT LIVE IN AIDE RA)

**On April 13, 2022**, 8:00am, the HPHA inspector arrived, and the unit passed inspection. The unit was inspected **24 days after** the defendants received the RFTA and Lease because Ryan Akamine was trying desperately to interfere with the plaintiff's live in aide before the unit was inspected, and before the HAP contract was signed.

The defendants failed to comply with **24 CFR §982.305** which requires the inspection to be performed within **15** days from receiving the RFTA and Lease, which the defendants received on March 22, 2022.

#### 24 CFR §982.305 (42 USC §1437(f)

"...Inspection and determination **<u>must</u>** be completed within **fifteen** days after the family and the owner submit a request for approval of the tenancy..."

On April 13, 2022, 8:03am, after Ryan Akamine received written verification the previous day from Dr. Megan Bradham, Ryan Akamine writes to the plaintiff, "...we will contact Dr. Megan Bradham for our required certification...". At this point, it is evident that Ryan Akamine is determined to act outside the scope of his duties to intentionally interfere with the plaintiff's live in aide.

(refer to Attachment 32 - 04.13.22 8.03am EMAIL FROM RYAN AKAMINE, DETERMINED TO INTERFERE w/LIA RA)

**On April 13, 2022**, 4:03pm, after the inspection, Lyle Matsuura left a voicemail message and said, "...the unit passed inspection, and you can move in today...". According to the HAP contract signed on May 9, 2022, the rent began on April 13, 2022 (*which RFTA and Lease for \$4,000 was the basis for the inspection*).

(refer to Attachment 26 – FEDERAL REGISTER 98-10374, **page 23857** re INSPECTION IS THE BASIS FOR ACCEPTANCE re HAP CONTRACT)

**On 04.18.22**, Lyle Matsuura notified the plaintiff that her voucher was being processed.

**On 04.25.22,** Lyle Matsuura again notified the plaintiff that her voucher was "...next in line to be processed...".

**On 04.25.22**, 4:10pm, defendant Ryan Akamine wrote to the plaintiff that he intended to contact Dr. Bradham (*again*) to continue certifying the live in aide. (He was definitely determined to not help me.) Ryan Akamine confirmed to the plaintiff he sent Dr. Bradham an "interrogatory questionnaire", even though Ryan Akamine already had Dr. Bradham's letter dated April 12, 2022.

### Ryan Akamine writes in his email to Dr. Bradham:

"...This request seeks your professional opinions regarding the **necessity** for a live in aide for your patient, the time and schedule requirements of a live in aide for your patient, and your knowledge about your patient's **proposed** live in aide...".

(refer to Attachment 33 - 04.25.22 4.10pm EMAIL FROM RYAN AKAMINE, CONTINUES TO CERTIFY LIA)

Ryan Akamine is incorrect. The live in aide is not being

"proposed". Plaintiff's live in aide was "approved" in 2017.

(refer to Attachment 5, 6 - 2017 HPHA APPROVED 120% RA, IN ADDITION TO LIA RA)

According to Federal Register 98-10374, page 23850, Ryan

Akamine is not the gatekeeper to determine plaintiff's "necessity"

for a live in aide.

(refer to Attachment 26 - FEDERAL REGISTER 98-10374, page 23850 re NO AUTHORITY TO ACT AS GATEKEEPERS OR INQUIRE INTO DISABILITY)

**On 04.26.22**, 5:01pm, plaintiff emails Akamine to provide more information regarding her "need" for a live in aide, and also provides him with federal rules to substantiate "certifying" the live in aide as a

reasonable accommodation to accommodate plaintiff's disabilities.

(refer to Attachment 34 - 04.26.22 5.01pm P EMAIL TO RYAN AKAMINE, ANOTHER REQ FOR LIA RA)

On 04.27.22, 4:33pm, Ryan Akamine emails plaintiff again,

requiring more information as part of his "...request for certification and information..." "...<u>to determine</u> if you only need assistance "to

# provide monitoring and care as needed" <u>or someone else</u> who "shall be living in the unit solely to provide supportive services"..."

Ryan Akamine writes:

"...Thank you for your email and for *agreeing* that you will assist us **in gathering information regarding your live in aide**..."

"...you informed Hawaii Public Housing Authority staff and others that your approved live in aide (Ryan Thorson) comes over to see you only when you have a seizure or episode, and that your son travels a lot for his job. In your Friday, April 8, 2022 10:51pm email to Executive Director Ouansafi, you said "In the past, on numerous occasions, Ryan has moved in permanently to give me round the clock care when I am experiencing seizures on a daily basis. In your email Tuesday, April 12, 2022 3:35pm email to me, you said: "Ryan Thorson works varying hours as a project manager" and "Ryan Thorson has a job with varying hours" and "Ryan Thorson is employed with PTC Construction". Additionally, Dr. Bradham's April 12, 2022 letter in support of a live in aide says, "Ryan Thorson is permitted to live in Laurie Thorson's home to provide monitoring and care as needed."..."

"...The photos of your injuries in your Tuesday, **April 12, 2022 (3:49pm) email** to me are very concerning, as your live in aide is supposed to be living in your unit **solely** to provide you necessary support services. The injuries that you shared are either an unusual result where <u>no</u> live in aide is necessary or typical of what can result when you don't have a <u>proper</u> live in aide. In light of the above, the HPHA is seeking clarifying and necessary information from Dr. Bradham.....".

"...HPHA does not question that you have a disability; the HPHA is diligently and conscientiously trying to fulfill our fiduciary duty by asking relevant questions **to determine** if you only <u>need</u> assistance "to provide monitoring and care as needed" <u>or someone else</u> who "shall be living in the unit solely to provide supportive services" to you...".

# (refer to Attachment 35 - 04.27.22, 4.33pm, EMAIL FROM RYAN AKAMINE TO P, STILL CERTIFYING LIA RA?)

Ryan Akamine has no authority **to determine** if plaintiff needs or doesn't need a live in aide, nor does he have the authority to inquire into the nature of plaintiff's disabilities to determine what support services the plaintiff can or cannot receive to accommodate her disabilities. Federal Register 98-10374, page 23850, HUD confirms that Ryan Akamine has <u>no authority to act as the "gatekeeper"</u>, nor does he have the authority to inquire into the nature or extent of plaintiff's disability.

#### (refer to Attachment 26 - FEDERAL REGISTER 98-10374, <u>page 23850</u> re Ds HAS NO AUTHORITY TO ACT AS GATEKEEPERS OR INQUIRE INTO DISABILITY)

Because the plaintiff was already living in the rental unit for **16** days (*from April 13 to April 29*) and defendants refused to return their phone calls or respond to their emails, the landlord was left with only two options: **kick the plaintiff out <u>or</u> accept the \$3,273 reduced rent**.

To provoke the defendants into signing the HAP contract so the landlord could receive payment for his rental (*that the plaintiff was already living in for 16 days*), the landlord told the plaintiff he would agree to lower his rent to \$3,273 to accommodate the defendants low comparable, but only **if** plaintiff agreed to appeal the low comparable that caused the plaintiff's payment standard to be reduced. The plaintiff agreed.

**On April 29, 2022, 16** days after the rental was inspected on April 13, 2022, and after the plaintiff was already living in the rental unit, the plaintiff and the landlord signed a revised Lease in the amount to \$3,273 (to accommodate defendant's illegal policy to use low comparables in determining rent reasonableness). A new RFTA was not submitted.

(refer to Attachment 36 – 04.29.22 REVISED LEASE (submitted after inspection on 04.13.22, and after plaintiff was already living in the rental unit for 16 days)

**On May 9, 2022,** the landlord signed the HAP contract (which cancelled out plaintiff's "approved exception payment standard" (120% RA), drastically reducing the plaintiff's payment standard from \$4,207 to \$3,273).

**Before** the HAP contract was signed on May 9, 2025, the facts prove that Ryan Akamine was relentless in his efforts to intentionally interfere with the plaintiff's live in aide. **Ryan Akamine blatantly** refused to 'certify' the live in aide regardless of evidence received.

18 of 45

### But he's not done yet!

**On page 29** of the defendants Motion for Summary Judgement, the defendants write: "...the <u>landlord agreed</u> to lower the month rent to the \$3,273 amount necessary to pass the results of the third rent reasonableness test...".

**On page 37** of the defendants Motion for Summary Judgment, the defendants write: "...<u>Thorson confirmed</u> the Landlord's acceptance of this reduced amount by email and through the submission of a revised lease for the Hawaii Kai unit..."

**On 03.23.22**, the landlord confirmed to the defendants that he was firm on \$4,000 rent.

### (refer to Attachment 16 - 03.23.22 LANDLORD REFUSED TO REDUCE RENT - FIRM ON FMR OF \$4,000/MONTH)

Plaintiff has no authority to speak on behalf of the landlord. It is defendants' sole responsibility to obtain written confirmation from the landlord regarding landlord's denial or acceptance to reduce his rent. The plaintiff and landlord do not have a personal relationship, other than a landlord/tenant relationship.)

The voucher belongs to the recipient, not to the landlord; and any adjustments made to the plaintiff's payment standard has a direct effect on the plaintiff, not the landlord. The landlord could find another tenant, but it is very difficult for Section 8 recipients to find rentals and to find landlords who will accept Section 8 vouchers.)

Even though the HAP contract was signed on May 9, 2022, Ryan Akamine is done yet!

### Now we're in June 2023.

Defendants **falsely** claim in their Motion for Summary Judgment that it was HUD who was investigating the plaintiff in June 2023. "...Thorson continues to confuse HPHA's review of her file with HUD's investigation of the claims made in the HUD complaint..." (*REFER TO PAGE 40 OF D's SJ MOTION*)

"...evidence in this record suggests that it was not Defendants, but rather the inquiries of an investigator with HUD that caused Thorson's son to begin to be too afraid to continue in his role as Thorson's live-in aide..."

(REFER TO PAGE 40 OF D's SJ MOTION)

"...HUD official investigating Thorson's complaint, stated that it was "considering further action and/or investigation...to determine whether this might be an occurrence of fraud." (REFER TO PAGE 41 OF D's SJ MOTION)

On 06.06.23, the plaintiff's ex-neighbor sent text messages to the

plaintiff and plaintiff's live in aide to notify them that "investigators" told

her that the plaintiff and plaintiff's son were going to prison for fraud.

(refer to Attachment 37, TEXT MESSAGES FROM EX-NEIGHBOR WHO INFORMED THE PLAINTIFF AND LIVE IN AIDE THAT INVESTIGATOR(S) SAID THEY WERE GOING TO PRISON FOR FRAUD – THIS "THREAT" IS WHAT CAUSED THE LIVE IN AIDE TO QUIT)

**On 06.12.23,** plaintiff wrote to FHEO, believing the investigators were from FHEO.

(refer to Attachment 2 - 06.12.23 EMAIL FROM P TO FHEO re INVESTIGATION)

On 06.12.23, HUD / FHEO Branch Chief, Stephanie Rabiner,

confirmed to the plaintiff that the investigators were **not from the** 

### FHEO, but rather the investigators were from the Hawaii Public

**Housing Authority,** and who were investigating the plaintiff and live in aide, and made contact with the ex-neighbor, as part of "...HPHA's ongoing investigation, a continuation of its April 2022 inquiry into your **need** for a live in aide and your son's place of residence...".

### The HUD/FHEO Branch Chief, Stephanie Rabiner, writes:

"...FHEO is not investigating you for fraud – fraud is outside of our jurisdiction. HUD's Office of Inspector General is responsible for investigating fraud within the Department's programs, and we are unaware of any complaint made to that office about you or your live-in aide..."

"...Please be advised that HPHA has informed FHEO that HPHA has continued its investigation into your son's residency between 2017 and April 2022. HPHA's ongoing investigation is a continuation of its April 2022 inquiry into your <u>need</u> for a livein aide and your son's place of residence as your designated live-in aide..."

"...Do note that HPHA has given FHEO the evidence it has collected during its investigation, including information that HPHA staff obtained from your former neighbor and former landlord..."

"...Thorson previously submitted images of text messages that she alleged were from a former neighbor...which **appear** to indicate that **an "investigator" contacted the former neighbor as part of an investigation**..."

# (refer to Attachment 1 - 06.12.23 EMAIL TO P FROM HUD/FHEO BRANCH CHIEF, STEPHANIE RABINER, re HPHA INVESTIGATION)

There is no disputing now that it was indeed the defendant's investigator who made the threat and informed the ex-neighbor that the plaintiff and live in aide were going to prison for fraud. It is this "threat" that caused my son to quit as my live in aide.

It is against the law for any state employee *(including state investigators)* to provide confidential and personal information about the plaintiff's disability and housing accommodations to third parties outside the agency, which includes the "threat" that the recipient of the Section 8 program and her live in aide are going to prison for fraud.

**On 06.13.23,** FHEO Branch Chief, Stephanie Rabiner, **also** confirmed to the plaintiff that she was unable "...to find anything that refers to a live in aide's primary residence or HUD's definition of a live in aides primary residence...", which seems the basis for the defendants removing plaintiff's live in aide from her home.

(refer to Attachment 38 - 06.13.23 EMAIL FROM FHEO BRANCH CHIEF, STEPHANIE RABINER, re HUD DOES NOT DEFINE LIVE IN AIDE'S PRIMARY RESIDENCE) Case 1:23-cv-00412-MWJS-WRP Document 113 Filed 03/12/25 Page 22 of 47 PageID.4829

**On 09.18.23**, the plaintiff emailed Hakim Ouansafi, the Executive Director of the Hawaii Public Housing Authority, to inform him the live in aide quit because of "threats" made by the investigators.

#### (refer to Attachment 39 - 09.18.23 EMAIL FROM P TO HAKIM OUANSAFI re NOTICE LIA QUIT DUE TO THREAT MADE BY HIS INVESTIGATORS – THREAT = "GOING TO PRISON FOR FRAUD")

On 10.04.23, the plaintiff filed this lawsuit.

Plaintiff provides substantial evidence to prove the defendants purposefully and intentionally terminated the plaintiff's reasonable accommodation to have a live in aide (*required to accommodate plaintiff's disabilities*), then terminating the plaintiff's 2-bedroom voucher **after** she made known to the defendants their illegal policies, which we now know is part of the fraud scheme to steal from the Section 8 program.

Defendants had in their possession a voluminous amount of medical evidence to warrant approval, including seven (7) letters from six (6) difference physicians. Federal rules and HUD regulations confirm that 'disability-related overnight care' warrants a separate bedroom for a live in aide to sleep in when providing overnight care. The defendants do not determine what support services the plaintiff can or cannot receive, nor are they permitted to inquire into the nature of plaintiff's disability.

According to FHEO Branch Chief, Stephanie Rabiner (see quote on previous page), there is no HUD regulation or federal laws that defines or dictates a live in aide's "primary residence". The fact is defendants just made up their "interpretation" of the word "reside" of **24 CFR §5.403** to terminate plaintiff's live in aide and 2-bedroom voucher.

(refer to Attachment 38 - 06.13.23 EMAIL FROM FHEO BRANCH CHIEF, STEPHANIE RABINER, re HUD DOES NOT DEFINE LIVE IN AIDE'S PRIMARY RESIDENCE)

As confirmed in this Federal Register, the defendants are not the gatekeepers, nor are they authorized to inquire into the plaintiff's disability. Case 1:23-cv-00412-MWJS-WRP

(refer to Attachment 26 - FEDERAL REGISTER 98-10374, <u>page 23850</u> re HPHA HAS NO AUTHORITY TO ACT AS A GATEKEEPERS OR INQUIRE INTO DISABILITY)

(refer to Attachment 20 - HUD PIH GUIDEBOOK pg 13, re ADD'L BEDROOM PERMITTED TO ALLOW DISABILITY RELATED OVERNIGHT CARE)

### But the defendants are not done. The retaliation continues!

On 01.25.24, plaintiff again requests the defendants not remove

the reasonable accommodations that were approved in 2017, and stop

imposing illegal policies to restrict her from using her 2-bdrm voucher.

(refer to Attachment 40 - 01.25.24 EMAIL FROM P TO D re HARASSMENT, INTERFERENCE, ILLEGAL POLICIES, TERMINATION OF RA, P REQUIRED TO PROVIDE ANOTHER DR LETTER TO WARRANT APPROVAL OF 120% RA - APPROVED IN 2017)

On 01.25.24, Lyle Matsuura responded to plaintiff's email dated

01.25.24 and confirmed

"...if you remain in your current unit, your updated OBR 120% HUD FMR RA payment standard will be applied.."

(This will prove to be another lie.)

(refer to Attachment 41-01.25.24 LETTER FROM LYLE MATSUURA TO P re OBR WILL BE APPLIED IF P REMAINS IN UNIT)

**Defendants' next form of harassment and interference** was to refuse plaintiff's request to remain in her current rental with her "...OBR 120% HUD FMR RA payment standard...", as promised by Lyle Matsuura *(noted above)*. The landlord agreed to accept the plaintiff's 0-bedroom payment standard if he was permitted to reduce the size of his rental unit from a 2-bedroom to a 1-bedroom, by locking a door to separate the downstairs master bedroom *(which had its own entrance)*.

(refer to Attachment 42 - 02.19.24 LETTER FROM LANDLORD, KELLY McGILL, TO Ds, REQUESTING P REMAIN IN UNIT WITH 0-BR VOUCHER +120% RA)

The defendants refused by now fabricating yet another "interpretation" - of the City's property tax records to prevent the plaintiff from remaining in her current unit.

# Case 1:23-cv-00412-MWJS-WRP Document 113 Filed 03/12/25 Page 24 of 47 PageID.4831

**On 02.28.24,** Lyle Matsuura wrote to the landlord to inform him the designation of the owner's property (*according to tax property records*), did not allow the owner to reduce the size of his rental from a 2-bedroom to a 1-bedroom unit so the plaintiff could remain as a tenant using her 0-bedroom voucher. I will prove Lyle Matsuura is lying.

### (refer to Attachment 43 - 02.28.24 LETTER TO LANDLORD FROM LYLE MATSUURA)

**On 03.05.24**, Lyle Matsuura wrote to the landlord and cautioned the landlord from making any changes to his rental that would affect the 2-bedroom designation of the unit (*according to the City's property tax records, per Lyle*). The designation was "residential", but we had no idea what he was talking about, only that Lyle Matsuura would not all the landlord to lock a door to reduce the size of the rental unit so that the plaintiff could remain as a tenant using her 0-bedroom voucher.

(refer to Attachment 44 - 03.05.24 EMAIL BETWEEN LANDLORD AND D re LYLE MATSUURA CAUTIONS LANDLORD TO NOT CHANGE 2-BEDROOM)

**On 03.07.24**, Lyle Matsuura confirmed to landlord that if plaintiff remained in the rental after April 1, 2024, plaintiff's portion of the rent would be \$756 per month. This was not an option for the plaintiff, since her only income is SSDI (\$934 per month). Defendants knew full well the plaintiff does not have money to pay for a live in aide or to pay to stay in her current rental.

# (refer to Attachment 45 - 03.07.24 EMAIL FROM LANDLORD, KELLY McGILL, TO D, confirming info and re COMPARABLES)

**On 08.04.24,** the landlord gave the plaintf a NOTICE TO VACATE, only after the defendants refused to allow him to reduce the size of his rental unit from a 2-bedroom to a 1-bedroom unit so that the plaintiff could remain as a tenant using her 0-bedroom voucher.

(refer to Attachment 46 - 08.04.24 LETTER FROM LANDLORD TO PLAINTIFF - NOTICE TO VACATE - AFTER DS REFUSED TO ALLOW HIM TO REDUCE SIZE OF RENTAL) On 08.09.24, 5:03am, plaintiff provides Ryan Akamine the federal

rules to prove she can receive overnight care when needed. Plaintiff writes:

"...so far I've been unable to find anyone who can be my live in aide for free, and agree to not have their own separate residence, and agree to not be employed...".

"...Because I'm being evicted and afraid I will be homeless soon, my son is reconsidering helping me again (*at least until I can find another live in aide*). But first we need you to confirm your policies so we can decide if we can comply..."

(refer to Attachment 47 - 08.09.24, 5:03am, EMAIL FROM P TO RYAN AKAMINE re P CAN'T FIND FREE LIA, D CONFIRMS ILLEGAL POLICIES FOR LIA)

On 08.09.24, 4:47pm, Ryan Akamine confirms his illegal policies

re live in aides, which apply only to the plaintiff, and not to all recipients.

(refer to Attachment 48 - 08.09.24, 4:47pm, EMAIL FROM RYAN AKAMINE - LIA RA DENIED, HE CONFIRMS ILLEGAL POLICIES)

Ryan Akamine refused to honor the seven (7) 'written verification'

letters he received from six (6) physicians. His refusal denied the plaintiff

the right to receive overnight care when needed.

(refer to Attachment 49 - 7 LETTERS BY 6 PHYSICIANS – 'WRITTEN VERIFICATION' CONFIRMS LIVE IN AIDE TO PROVIDE OVERNIGHT CARE WHEN NEEDED)

On 08.10.24, plaintiff emails Ryan Akamine, requesting

"...policies to support your continued refusal...soon I will be homeless ... "

(refer to Attachment 50 - 08.10.24 FROM P TO D re REFUSAL TO APPROVE OVERNIGHT CARE RA – P REQUESTS COPY OF POLICIES TO SUPPORT REFUSAL – INFORMS Ds SHE WILL BE HOMELESS SOON)

**On 08.13.24,** plaintiff again requests approval to receive overnight

care as a reasonable accommodation. Ryan Akamine refused again.

(refer to Attachment 51 - 08.13.24 EMAIL FROM P TO D re ANOTHER REQUEST FOR LIA RA)

**On 08.15.24,** plaintiff writes again to request approval for her to

have a live in aide, and informs the defendants she is unable to find a

live in aide for free who would reside in her unit as their primary

residence, and again requested the defendants make an exception to

their illegal policies regarding her live in aide. Defendants refused.

(refer to Attachment 52 - 08.15.24 EMAIL FROM P TO D re ANOTHER REQUEST FOR LIA RA, CAN'T FIND FREE LIA) On 08.29.24, 12:03pm, plaintiff emailed Lyle Matsuura to please

allow the landlord to reduce his 2-bedroom unit to a 1-bedroom unit, so

plaintiff could remain as a tenant using her 0-BR voucher.

**On 08.30.24**, plaintiff emailed defendants to inform them of information received from Mr. Sam Rowland, City and County of Honolulu, who informed the plaintiff the defendants were incorrect in determining the landlord could not reduce the size of the rental from a 2-bedroom unit to a 1-bedroom unit.

## On 08.30.24, the plaintiff wrote to the defendants:

"...Dept. of Commercial and Multi-family Code Enforcement Branch...Mr. Sam Rowland confirmed the **owner of the property is legally allowed to lock a door to reduce the size of his rental from a 2-bedroom unit to a 1-bedroom unit**, especially since my Section 8 voucher was reduced from a 2-bedroom voucher to a

0-bedroom voucher. Mr. Rowland confirmed the **owner is allowed to lock the door to reduce the size of his rental** and to restrict access to other parts of the building (outside the designated 1-bedroom unit)..."

"...Mr. Rowland confirmed that it is nobody's business what the landlord does with his part of the building I would no longer have access to. As long as the landlord does not add a kitchen or make physical alterations to the physical building itself, **the landlord can do whatever he wants with his property, including locking a door to reduce the size of his rental** and/or to restrict me from having access to other part so of the building..."

"...If you have any questions, Mr. Sam Rowland said you are welcome to contact him directly at 808-768-8152..."

"..Based on the above information, I am requesting that you continue to apply my 0-bedroom voucher to my current rental, but only as a 1bedroom rental. This will allow me to remain as a tenant. As of today, the door is locked..."

(refer to Attachment 55 - 08.30.24 and 09.04.24 EMAILS FROM P TO D re PER CITY, LANDLORD IS PERMITTED TO LOCK A DOOR TO REDUCE THE SIZE OF RENTAL – 09.04.24 EMAIL IS TO HAKIM OUANSAFI)

# Defendants refused to allow the landlord to reduce size of his rental so plaintiff could remain as a tenant with 0-bedroom voucher.

**On 09.04.24**, 10:04am, plaintiff writes to Hakim Ouansafi: "...please apply my 0-bedroom voucher to my current rental, but only as a 1-bedroom rental. Your written approval is required before the landlord can reneg on his notice that I am required to move out by September 30..." **Hakim Ouansafi did not respond.** 

**On 09.04.24**, 11:28am, Lyle Matsuura writes to the plaintiff, assuming on behalf of Hakim Ouansafi:

"...As previously explained, your current unit is designated as a 2-bedroom unit with the City and County of Honolulu and therefore, your 0-bedroom voucher cannot be applied to your current unit as a 1-bedroom unit..."

(refer to Attachment 55 - 08.30.24 and 09.04.24 EMAILS FROM P TO D re PER CITY, LANDLORD IS PERMITTED TO LOCK A DOOR TO REDUCE THE SIZE OF RENTAL – 09.04.24 EMAIL FROM PLAINTIFF TO HAKIM OUANSAFI)

**On 09.29.24,** the landlord, Mr. Kelly McGill, wrote a letter to the District Court Judge Micah Smith, who is assigned to my case. The landlord's letter confirms the defendants illegal policy to use low comparables "...negatively affects all landlords who participate in the Section 8 program...". The landlord's letter to the Judge Micah Smith confirmed the landlord had no other option but to ask the plaintiff to vacate the unit because he could no longer sustain the rental for the reduced rent amount he was receiving from the defendants as a result of defendants illegal policy to use low comparables.

(refer to Attachment 56 - 09.29.24 LETTER FROM LANDLORD KELLY McGILL TO JUDGE MICAH SMITH)

On 09.30.24, the plaintiff, who is a 65 year old disabled woman, vacated her home and was now homeless, sleeping in her vehicle! **On 10.09.24**, the plaintiff submitted another request for a reasonable accommodation to have a live in aide, and provided another letter from another physician, Dr. Kelsey Finn dated 10.09.24.

(refer to Attachment 57 – 10.09.24 P SUBMITTED ANOTHER RAR FOR LIA RA) (refer to Attachment 48 - 7 LETTERS BY 6 PHYSICIANS - WRITTEN VERIFICATION CONFIRMS DISABILITY AND NEED FOR LIA, NOW INCLUDES LETTER FROM DR. KELSEY FINN DATED 10.09.24)

On 10.17.24, Ryan Akamine denied this request too.

(refer to Attachment 58 – 10.17.24 LETTER FROM RYAN AKAMINE re DENIED LIA RAR (p requested on 10.09.24)

Because the plaintiff was homeless and living in her vehicle, and was now without a live in aide to provide support services, and because the 0-bedroom voucher was due to expire by 10.31.24, the plaintiff was desperate to secure a rental unit so that she was not living in the streets (*which police confirmed to the plaintiff that it is illegal in Hawaii to sleep in your vehicle*). Just days before the voucher was due to expire (*which defendants denied her request for an extension*), the plaintiff found a small studio above a garage, and the landlord accepted her voucher.

The plaintiff and landlord signed a RFTA and Lease and submitted it to the defendants. The rent was \$2,700, plaintiff's payment standard for her 0-bedroom voucher was \$2,800. But before the defendants would approve the rental, defendants asked the landlord to reduce her rent by \$400 which would nullify the plaintiff 120% RA. The landlord refused.

Defendants approved the \$2,700 rent. But now the plaintiff is living in a very small studio with no space for an extra bed even if she is ever to be permitted to have a live in aide - HUD rules confirm a live in aide is not allowed to sleep in the same bed as recipients).

**Important to note,** this rental has the exact same designation (*per City's property tax records*) as the rental in Hawaii Kai. This proves Lyle Matsuura lied, and was acting outside the scope of their duties when he

determined the owner of the Hawaii Kai rental was not allowed to reduce the size of his rental from 2-bedroom unit to a 1-bedroom unit so that the plaintiff could remain as a tenant with her 0-bedroom voucher.

**On 12.05.24,** the plaintiff attended a board meeting to inform the board members of her lawsuit and to inform the board members of the retaliation by the defendants. During this board meeting, Attorney Chase Suzumoto (defendants attorney) lied to the board and told them that the plaintiff had 2 restraining orders against her. Immediately after the board meeting, the plaintiff wrote to Attorney Chase Suzumoto and was upset he lied to the board. No response, no apology.

# (refer to Attachment 59 – 12.05.24 EMAIL FROM PLAINTIFF TO ATTORNEY CHASE SUZUMOTO – HE LIED TO THE BOARD ABOUT THE PLAINTIFF)

**On 12.12.24,** plaintiff submits another request for a 2-bedroom voucher for a LIA RA. **Defendants did not respond.** 

(refer to Attachment 60 - 12.12.24, P SUBMITS ANOTHER LIA RAR, NO RESPONSE)

The defendants now had seven (7) letters from six (6) different doctors, and tons of evidence to prove past injuries when plaintiff did not have a live in aide, which included proof that plaintiff broke her left arm from a fall during a seizure. Because of that injury, the plaintiff has limited use of her left arm. Now the plaintiff has injured her right arm.

Since being without a live in aide, the plaintiff has made several visits to her doctor and to urgent care, and the plaintiff is now in physical therapy for injuries sustained during seizures and from falling during episodes of amnesia, which are evident during and after seizures.

Plaintiff provides a copy of her evaluation report dated 01.06.25 from the Kailua Physical Therapy Clinic, which proves the plaintiff is now in physical therapy for injuring her right arm. The plaintiff is righthanded and now has limited use of her right arm.

(refer to Attachment 61 – 01.06.25, P PROVIDES PROOF OF INJURIES AND PT)

There is no argument that the plaintiff is disabled. The argument is whether the defendants have the authority to have precedence over the authority of the plaintiff's physicians in determining if and/or when support services the plaintiff can or cannot receive.

According to federal and state rules, the defendants do not have the authority to refuse approving a reasonable accommodation when needed to accommodate my disabilities. In addition to be disabled, I am a 65 year old elderly woman, which also qualifies me to have a live in aide.

According to **HUD PIH Notice 2010-26 (pages 5, 23-25),** HUD confirms the following:

Page 5, "...PHA...**required to make reasonable adjustments to their rules, policies, practices and procedures** in order to enable an applicant or resident with a disability to have an equal opportunity to use and enjoy the housing unit..."

Page 23, "...Live-in-Aides...A live in aide should **not be required to share a bedroom** with another member of the household (24 CFR 966.4(d)(3) and 982.316, 982.402(b)..."

Page 25, "...It is **unlawful** to fail to provide a reasonable accommodation which denies such a family the opportunity to apply for and obtain a larger unit **if the disability of the family member requires this type of accommodation**..."

(refer to Attachment 62 - HUD PIH NOTICE 2010-26, pages 5, 23-25, LIA NOT REQUIRED TO SHARE A BEDROOM)

According to HUD PIH Notice 2014-25 (pages 5, 23-25), HUD

confirms the following:

Page 2, "...a health care provider must document the need for a live in aide (which would result in the issuance of an additional bedroom size voucher)..."

Page 3, "...PHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR part 8 to make the program accessible to and usable by a family member with a disability..."

"...Occasional, intermittent, multiple or rotating care givers *typically* do not reside in the unit and would not qualify as live-in aides.

Therefore, an additional bedroom should not be approved for a live-in aide under these circumstances..."

### HOWEVER...the defendants refuse to read the following:

"...Reasonable Accommodation Issues. A family may always request a reasonable accommodation to program rules, policies, practices, or services, including to the live-in aide policy, to permit program participation by individuals with disabilities. A family's composition or circumstances may warrant the provision of an additional bedroom to permit disability-related overnight care and allow the family equal use and enjoyment of the unit..."

"...no additional bedrooms will be provided for the family members of the live in aide..."

(Note: according to defendants theory, my live in aide would not be permitted to have a family if the live in aide is required to reside 24/7 in the plaintiff's home as their primary residence, and is not permitted to have a job to care for himself and his family – Ryan Akamine's thinking is not reasonable.).

(refer to Attachment 63 - HUD PIH NOTICE 2014-25, pages 2, 23-25, LIA)

### III. ILLEGAL POLICIES FABRICATED AND ENFORCED BY DEFENDANTS

#### re: LIVE IN AIDE

Plaintiff does not want her son or any live in aide living in her home unless they are providing support services. Federal rules and HUD Regulations support live in aides **may** reside in recipients home only when providing support services, including overnight care. The defendants were only required to obtain written verification from plaintiff's physicians.

Defendants' "authority" does not have precedence over the authority of physicians in determining what support services a recipient can or cannot receive. State employees are only authorized to obtain 'written verification' from physicians and are not authorized to act as gatekeepers in determining what support services are necessary.

In this case, the defendants have not met the plaintiff.

Defendants fabricated policies are based on their "interpretation" of the word reside in **24 CFR §5.403** by claiming the word **reside** means a live in aide **must** reside in plaintiff's home as his "primary residence" for the plaintiff to receive overnight care.

Facts prove defendants are acting outside the scope of their duties by "interpreting" federal rules that HUD themselves have not interpreted.

06.13.23 email, FHEO Branch Manager, Stepanie Rabiner writes: "...I have looked in our Housing Choice Voucher handbooks (old and new), our regulations, and the PIH notices that refer to live in aides. <u>I cannot find anything that refers to a live in</u> <u>aide's primary residence</u> of HUD's definition of a live in aide's primary residence..."

(refer to Attachment 38 - 06.13.23 EMAIL FROM FHEO BRANCH CHIEF, STEPHANIE RABINER, re HUD DOES NOT DEFINE LIVE IN AIDE'S "PRIMARY RESIDENCE")

Facts prove the defendants are acting outside the scope of their duties by refusing to approve "..an additional bedroom..." "...to permit disability-related overnight care..."

### HUD Notice PIH 2009- 22 (HA)

(https://www.hud.gov/sites/documents/DOC\_8989.PDF)

"...A family **may** always request a reasonable accommodation to permit program participation by individuals with disabilities. A family's composition or **circumstances may warrant the provision of an additional bedroom** <u>to permit disability-related</u> <u>overnight care</u> and allow the family equal use and enjoyment of the unit. Such limited exceptions to the established subsidy standards are permitted under 24 CFR Section §982.402(b)(8)..."

Defendants authorize themselves in their policy manual by adding the words "...by the authority..." to **24 CFR §5.403(1), thereby granting themselves authority to** determine the "...care and well being..." for recipients, determining what support services a live in aide can or cannot

provide. (p 2 rev policy, original policy is dated 08.17.23).

"...(1) Is determined **by the authority** to be essential to the care

and well-being of the persons ... "

# (refer to Attachment 64-**08.17.23** HPHA REASONABLE ACCOMODATION AND MODIFICATION POLICY AND PROCEDURES, rev. 08.17.23 by Ryan Akamine)

The 2019 version of this HPHA policy and procedures manual was

### amended as noted above on 08.17.23 to include the words "...by the

authority ... ", noting that it was Ryan Akamine who created the 2023

version of this manual, which was signed by Hakim Ouansafi.

(refer to Attachment 65 - **04.18.19** HPHA REASONABLE ACCOMODATION AND MODIFICATION POLICY AND PROCEDURES, 04.18.19, signed by Hakim Ouansafi)

24 CFR §5.403 actually reads:

"...Live-in aide means a person who **resides** with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) Is determined to be essential to the care and well-being of the persons;

(2) Is not obligated for the support of the persons; and

(3) Would **<u>not</u> be living in the unit <u>except</u>** to provide the necessary supportive services.

It is physicians who determine patient's "...care and well

being...". It is not reasonable to expect a state employee to determine the "...care and well being..." of a person they have never met.

Defendants alter federal law to grant themselves "authority",

allowing defendants (state employees) to act outside the scope of their

duties; even going so far as to allow state employees to define federal laws, like the word "reside" in 24 CFR 5.403.

HUD FHEO Branch Chief, Stephanie Rabiner, confirmed HUD does not define a live in aide's "primary residence", which proves the Ryan Akamine's "interpretation" is fabricated.

(refer to Attachment 37 - 06.13.23 EMAIL FROM FHEO BRANCH CHIEF, STEPHANIE RABINER, re HUD DOES NOT DEFINE LIVE IN AIDE'S "PRIMARY RESIDENCE") (refer to Attachment 66 - HUD PIH GUIDEBOOK pg 13, re ADD'L BEDROOM PERMITTED TO ALLOW DISABILITY RELATED OVERNIGHT CARE)

# a. DEFENDANTS NOT AUTHORIZED TO ACT AS GATEKEEPERS DEFENDANTS NOT AUTORIZED TO INQUIRE INTO THE NATURE OR EXTENT OF PLAINTIFF'S DISABILITY

Ryan Akamine does not have the authority to "assess the nature and character of the occupant's disability" and "may not inquire into the nature or extent of [plaintiff's] disability".

Ryan Akamine acted outside the scope of his duties when he purposefully and intentionally acted as the **gatekeeper in falsely** claiming his authority (as a state employee) has precedence over the authority of plaintiff's physicians.

### FEDERAL REGISTER 98-10374, pages 23850

HUD writes:

"...<u>HA does not assess the nature and character of the occupant's</u> <u>disability</u> in order to match the occupant with requirements for occupancy...or to assure that the occupant will benefit from appropriate supportive services..."

"...An elderly or disabled Section 8 participant chooses whether [where] to live in a group home or in other housing that satisfies the HUD housing quality standards. The HA may not bar access to group housing because the HA believes that the participant can live independently and <u>does not need supportive services</u>. Conversely, the HA may not bar access to group housing because the HA believes that the participant needs supportive services that are not available at the housing..."

"...<u>the HA has no responsibility or authority to act as a gatekeeper</u> who determines whether the assisted family has or lacks the capacity to live independently..."

"...The HA may not inquire into the nature or extent of disability..."

The defendants had a fiduciary duty to accommodate the plaintiff's disability by approving "disability-related overnight care" as needed so that the plaintiff could keep her 2-bedroom voucher to accommodate sleeping arrangement for her live in aide when providing overnight care.

### 24 CFR §982.316

Live in Aide "...PHA **must** approve a live in aide if needed as a reasonable accommodation in accordance with 24 CFR part 8..."

### HPHA Administrative Plan 2-II.D. and 7.11.F.

"...PHA will **not** inquire about nature or extent of any disability...".

### HUD Notice PIH 2009-22 (HA)

(https://www.hud.gov/sites/documents/DOC\_8989.PDF)

Page 1, para. 3, "...live-in aide is a person who resides with..." and "...would **not** be living in the unit **except** to provide the necessary supportive services..."

Page 2, para. 2, "...A family's composition or <u>circumstances may</u> warrant the provision of an additional bedroom to permit disabilityrelated overnight care and allow the family equal use and enjoyment of the unit..."

According to HUD, the live in aide is permitted to stay overnight

only if providing "disability-related overnight care". This does not say that

the live in aide is required to solely reside in the unit and use it as his

"primary residence", and is not allowed to be employed.

### HUD document: 4350.3 REV-1

(https://www.hud.gov/sites/documents/43503c3HSGH.PDF)

Page 3-9

3-6(E.)(3.)(a.) Live-in aide.

(2) To qualify as a live-in aide:

(a) The owner [PHA] **must** <u>verify</u> the need for the live-in aide.

"...Verification that the live-in aide is needed to provide the necessary supportive services essential to the care and well-being of the person **must be obtained from the person's physician...**"

"...The owner may verify whether the live-in aide is necessary <u>only to</u> <u>the extent necessary to document</u> that applicants or tenants who have requested a live-in aide have a disability-related need for the requested accommodation. This may include <u>verification from the</u> <u>person's physician...</u>"

(2)(a) above, "verification" must be "obtained from the person's physician", not a state employee. The actions of Ryan Akamine to act as the gatekeeper to determine what support services the plaintiff could or could not receive only proves he acted <u>outside</u> the scope of his duties.

### HPHA Admin Rule 3-I.M. PHA Policy A family's request for a live-in aide must be made in writing. "...<u>Written verification will be required from a reliable,</u> knowledgeable professional, such as a doctor..."

The defendants acted outside the scope of their duties by refusing

to accept 'written verification', seven (7) letters from six (6) different

doctors, who unanimously agree plaintiff is requires a live in aide.

## IV. ILLEGAL POLICIES FABRICATED AND ENFORCED BY DEFENDANTS re: LOW COMPARABLES

On page 5 of defendants Motion for Summary Judgment, the

defendants confirm inspector used low comparables, by writing:

"...the affordability test (also known as the rent reasonableness test) the inspector takes the average of 2 high and  $\underline{1 \text{ low}}$  comparables to determine the reasonable rent..."

The defendants admit that the use of low comparables

"...differs from the HUD mandate...", and is not in compliance with

HUD Regulations, which is required in 24 CFR §982.54, which reads:

### 24 CFR §982.54

### "...ADMINISTRATIVE PLAN <u>MUST</u> BE IN ACCORDANCE WITH HUD REGULATIONS AND REQUIREMENTS..."

The **HUD** Regulations confirm the legal methodology in gathering

comparables in determining rent reasonableness.

### HUD/PIH HOUSING CHOICE VOUCHER PROGRAM GUIDEBOOK, CHAPTER 3 / RENT REASONABLENESS

"...Rent Reasonableness

"...3.1.2 Ensure method represents entire market, not only units within the PHA's Payment Standard PHAs need to be careful not to limit their rent reasonableness analysis to only mid-range units or only units in certain more affordable neighborhoods. Voucher families may choose to rent units above the payment standard. As a rule of thumb, <u>the PHA</u> <u>should collect data on units with gross rents at least 20-25 percent</u> <u>above the greater of the payment standard or the FMR, including</u> <u>any HUD approved exception payment standards...</u>"

(refer to Attachment 20 - HUD REGULATIONS re: LEGAL METHODOLOGY

## V. ILLEGAL POLICIES FABRICATED AND ENFORCED BY DEFENDANTS

## re: LOW COMPARABLES USED AGAINST THE CONTRACT RENT

Defendants illegal policy to use low comparables against the

contract rent in all rent reasonableness determinations is confirmed in

defendants Section 8 Administration Plan (8-III.D.), which methodology

in gathering comparables is not in compliance with HUD regulations.

HPHA Admin Plan 8-III.D incorrectly reads:

"...At least three comparable units will be used for each rent determination and of which at least two must have a gross rent that exceeds the subject gross **contract rent**..."

(refer to Attachment 67 - HPHA ADMIN PLAN 8.III.D - ILLEGAL POLICY, page 3 re LOW COMPARABLES USED AGAISNT THE CONTRACT RENT

The defendants policy to use low comparables against the

contract rent is not in compliance with HUD Regulations, which reads:

HUD/PIH HOUSING CHOICE VOUCHER PROGRAM GUIDEBOOK, CHAPTER 3 / RENT REASONABLENESS "Rent Reasonableness" "...As a rule of thumb, the PHA should collect data [comparables] on units with gross rents at least 20-25 percent above the greater of the <u>payment standard or the FMR</u>, including any HUD approved exception payment standards..."

(refer to Attachment 20 – HUD REGULATIONS re: LEGAL METHODOLOGY IN GATHERING COMPARABLES IN RENT REASONABLENESS TESTS)

According to 24 CFR §982.52, all PHA (Public Housing

Authority), including the defendants, Hawaii Public Housing Authority, are required to comply with HUD regulations:

24 CFR §982.52 / HUD REQUIREMENTS

"...(a) The **PHA must comply with HUD regulations and other <u>HUD requirements for the program.</u>** HUD requirements are issued by HUD headquarters, as regulations, Federal Register notices, or other binding program directives..."

**According to 24 CFR §982.54**, defendants are required to incorporate HUD regulations and requirements into the Admin Plan:

### 24 CFR §982.54 / ADMINISTRATION PLAN

"...(a) The PHA must adopt a written administrative plan that establishes local policies for administration of the program in accordance with HUD requirements ... "

"...(b) The administrative plan must be in accordance with HUD regulations and requirements ... "

"...The PHA **must** revise the administrative plan if needed to comply with HUD requirements ... "

"...(c) The PHA **must** administer the program in accordance with the PHA administrative plan ... "

"...(d) The PHA administrative plan **must** cover PHA policies on these subjects:

(15) The method of determining that rent to owner is a reasonable rent. (initially and during the term of a HAP contract) ... "

#### 24 CFR §982.153 / PHA RESPONSIBILITIES

"...The PHA **must** comply with the consolidated ACC, the application, HUD regulations and other requirements, and the PHA administrative plan [which is required to be in compliance with HUD regulations per 24 CFR § 982.52 and 24 CFR § 982.54]..."

Nobody is disputing that the defendants' illegal policy to use low comparables **against the contract rent** is not in compliance with HUD regulations. In fact, the defendants repeatedly admit it. The defendants had 15 years to ratify the HCV Admin Plan, Rule 8.III.D, to be in compliance with HUD Regulations, but refused. Why?

Defendants using the low comparable in the amount of \$1,500 (62.5% below plaintiff's payment standard) against the contract rent allows the defendants to reduce the payment standard for all the Section 8 vouchers. This increases the amount of federal funds the defendants can steal from the Section 8 Housing Choice Voucher Program.

Defendants don't dispute using illegal policies, they even admit it; and they don't even dispute stealing the money, but only imply they are not liable for their actions (to implement illegal policies to steal federal funds from the Section 8 Housing Choice Voucher Program).

### a. THE FRAUD SCHEME

The fraud scheme implemented by Hakim Ouansafi and his

management staff is as follows:

(**Plan A**) to increase the amount of subsidy HPHA receives from HUD (*currently the HPHA receives 120% of HUD's payment standard for each Section 8 voucher*),

**(Plan B)** to decrease the amount of subsidy HPHA issues to the landlord (currently the HPHA is enforcing the illegal policy to use **low** comparables against the **contract rent** in all rent reasonableness determinations, which reduces the contract rent paid to all Section 8 landlords).

(Plan C) the balance of subsidy not used is stolen. By using comparables against the contract rent, this consistently decreases the amount of subsidy paid out on each and every voucher. This reduces the amount of the contract rent so landlords will never be able to receive the Fair Market Rent for their rentals. The lower the contract rent, the more subsidy the defendants can steal.

Hawaii is the only state in the country that uses low comparables

against the contract rent. Plaintiff's FRAUD CHARTS proves 3 of 5 PHAs

in Hawaii are currently stealing from the Section 8 program. Big Island

and Maui do not steal, HUD confirms all the vouchers are issued.

(refer to Attachment A – FRAUD CHART – PHA: H1901 Hawaii Public Housing Authority) (refer to Attachment B – FRAUD CHART – PHA H1003 City and County of Honolulu) (refer to Attachment C – FRAUD CHART – PHA: H1005 Kauai County Housing Agency)

### VI. IMMUNITY

### DOES NOT APPLY TO DEFENDANTS

Immunity does not apply if the facts prove state employees acted outside the scope of their duties and violated "clearly established" federal rules and HUD regulations, of which a reasonable person would have known their conduct was illegal.

### Harlow v. Fitzgerald, 457 U.S. 800, 818 (1982)

"...application of qualified immunity no longer depends upon an officials subjective state of mind, but on whether or not a reasonable person in the official's position would have known their actions were in line with clearly established legal principles..." The facts prove the defendants purposefully and intentionally defied the federal rules and HUD regulations by enforcing illegal policies. And the actions against plaintiff disqualifies the defendants from claiming immunity.

### a. GOVERNMENTAL IMMUNITY

This doctrine provides immunity unless a governmental body gives permission to be sued. Hawaii Public Housing Authority grants permission to be sued in **HRS §356D-4(a)(1)**.

### b. QUALIFIED IMMUNITY

This doctrine provides that no government official can be sued unless their actions violate "clearly established" statutory or constitutional rights of which a reasonable person would have known. This applies to discretionary actions performed within their official capacity unless those actions are contrary to established laws.

State employee cannot hide behind "qualified immunity" as justification for violating established laws or violating the rights of others of which a reasonable person would have known was unlawful. Therefore, immunity does not apply to the defendants.

### c. ABSOLUTE IMMUNITY

This doctrine provides immunity for government officials, as long as the official is acting **within** the scope of their duties, extending to "...all [state employees and government officials] **but the plainly incompetent or those who knowingly violate the law**..." *Malley v. Briggs, 475 US 335, 341 (1986).* Absolute immunity definitely does not apply.

### d. SOVEREIGN IMMUNITY

This doctrine provides immunity to federal, state, and local government, based on the ancient principle that "the king can do no wrong". However, the government can waive immunity and consent to be sued. According to HRS §356D-4(a)(1), the defendants waive immunity.

### e. DEFENDANTS DO NOT QUALIFY FOR IMMUNITY

Qualified immunity does not apply in this case because the actions of the defendants against plaintiff were retaliatory and illegal, acting outside the scope of their duties. Defendants know the illegal policy to use low comparables is of no benefit to the recipients and landlords of the Section 8 program, yet the defendants refused to ratify the illegal policies into compliance with federal rules and HUD regulations. Therefore, defendants do not qualify for immunity.

**On page 26** of defendants Motion for Summary Judgment, defendants write:

"...Qualified immunity protects government officials 'from liability for civil damages insofar as their conduct does not violate clearly established statutory or constitutional rights of which a reasonable person would have known." **Pearson v. Callahan, 555 U.S. 223, 231 (2009)** (quoting Harlow v. Fitzgerald, 457 U.S. 800, 818 (1982)). Qualified immunity applies "regardless of whether the government official's error is a mistake of law, a mistake of fact, or a mistake based on mixed questions of law and fact.".

Defendants did not make a mistake. Their actions were illegal, purposeful, and intentional. Defendants do not qualify for immunity.

### VII. CONCLUSION

### re: HAKIM OUANSAFI

Hakim Ouansafi was hired in January 2012 (as Executive Director), and Ryan Akamine was hired in January 2022 (as Chief Compliance Officer. Both are responsible for ensuring compliance with federal rules and HUD regulations that govern implementation of the Section 8 Housing Choice Voucher Program.

### (refer to Attachment 68 - HAKIM OUANSAFI, EMPLOYMENT CONTRACT AND JOB DESCRIPTION - ATTACHED TO THE 09.15.22 BOARD MEETING AGENDA, PAGES 23-53) (refer to Attachment 69 – RYAN AKAMINE, CHIEF COMPLIANCE OFFICER JOB DESCRIPTION

**On page 25** of the defendants' Motion for Summary Judgment, defendants write:

"...Thorson cannot establish that he [Hakim Ouansafi] participated in, authorized, or ratified the alleged retaliation...". Only **after** the plaintiff disputed the defendants illegal policies, did Hakim Ouansafi instructed his staff to "review" the plaintiff's file, and then a year later authorized his staff to "investigate" the plaintiff and her live in aide. Hakim Ouansafi deflects any responsibility as the Executive Director now to the Board of Directors and to his subordinate staff. There is no doubt Hakim Ouansafi participated in, authorized, and ratified the retaliation against the plaintiff, or he would have stopped it.

**On page 28** of the defendant's Motion for Summary Judgment, Hakim Ouansafi imputes liability to the Board of Directors, by writing:

"...the HPHA Board of Directors (as a quasi-legislative body), **not Ouansafi**, adopted the HPHA Administrative Plan...Section 8-III.D in Chapter 8 of the HPHA Administrative Plan sets forth HPHA's "rent reasonableness methodology"..."

On page 29 of the defendant's Motion for Summary Judgment,

defendants again impute liability to the Board of Directors, by writing:

"...It was "objectively legally reasonable" for the HPHA officials to rely upon the "rent reasonableness methodology" set forth in Section 8-III.D in Chapter 8 of the HPHA Administrative Plan, which was duly **adopted by the HPHA Board of Directors on November 17, 2011**..."

The defendants are incorrect in deflecting liability to the board or to

subordinate state employees. HRS §356D-1 defines the "authority" and

the "board", and HRS §356D-4 defines the powers of the "authority":

### §356D-1 Definitions.

"Authority" means the Hawaii public housing authority.(paid employees)

"Board" means the board of directors of the Hawaii public housing authority. (board members are not paid employees)

### §356D-4 General powers of the authority.

- (a) The authority may:
- (1) Sue and be sued;
- (3) Make and execute contracts and other instruments necessary or convenient to the exercise of **its powers**;
- (4) <u>Adopt bylaws and rules</u> in accordance with chapter 91 for its organization, internal management, <u>and to carry into effect</u> its purposes, powers, and programs;

### Hakim Ouansafi (incorrectly) writes in his Declaration:

"...The governing body of HPHA is the Board of Directors as established under Hawaii Revised Statutes 356D-3. The Board is responsible for adopting HPHA's policies, including administrative rules and the HPHA Administrative Plan (among others)..."

(refer to docket #102-1 - defendants Motion for Summary Judgment)

### Hakim Ouansafi has not yet read HRS §356D-4, which reads:

"...(3)Make and execute contracts and other instruments necessary or convenient to the exercise of its powers...";

"...(4) <u>Adopt bylaws and rules</u> in accordance with chapter 91 for its organization, internal management, <u>and to carry into effect its</u> <u>purposes, powers, and programs</u>..."

The "authority" *(the defendants)* is responsible to "...adopt bylaws and rules...and to carry into effect its purposes, powers, and programs...", as mandated in §356D-4.

**24 CFR §982.52** mandates HCV Admin Plan is in compliance with HUD Regulations. Hakim Ouansafi diverts his legal responsibility as the Executive Director to the board members and subordinate state employees by claiming the illegal policies were "...adopted by the HPHA Board of Directors on **November 17, 2011**...". Hakim Ouansafi was hired in January 2012 and has had 15 years to ratify HCV Admin Plan 8.III-D. into compliance with HUD regulations. This 'refusal' proves the fraud scheme to steal federal funds from the Section 8 program, which is a violation of **18 U.S.C. §666** ~ refer to DOJ CRM 1002.

### (refer to Attachment 20 – HUD REGULATIONS re: LEGAL METHODOLOGY IN GATHERING COMPARABLES IN RENT REASONABLENESS TESTS)

Hakim Ouansafi admits the illegal policies to use low comparables against the contract rent was in effect since 2011, and he admits the use of low comps "...differs from the [HUD] mandate..." (confirmed by Hakim Ouansafi in HPHA Annual Plan to HUD re Admin Plan, Rule 8.III.D)

"...is a local process to determine rent reasonableness <u>that differs</u> from the currently mandated program requirements...".

<sup>(</sup>refer to Attachment 70 - HAKIM OUANSAFI ADMITS TO ILLEGAL POLICY TO USE LOW COMPS '..THAT DIFFERS FROM HUD MANDATE..' see pg 147 of HUD ADMIN PLAN

### The plaintiff claims the defendants purposefully and intentionally:

(1) **retaliated and discriminated** against the plaintiff **after** she disputed defendants illegal policy to use low comparables against the contract rent in all rent reasonable determinations, which caused the plaintiff's payment standard to be reduced *(illegal policies apply to all recipients);* 

(2) **retaliated and discriminated** against the plaintiff **after** she disputed defendants using old payment standard charts and utility allowance charts;

(3) **retaliated and discriminated** against the plaintiff by intentionally terminating the plaintiff's reasonable accommodation to have a live in aide who is required to provide support services, to accommodate the plaintiff's disabilities (*after defendants approved in 2017, and every year thereafter*);

(4) **retaliated and discriminated** against the plaintiff by intentionally interfering with the plaintiff's right to receive support services, which includes disability-related overnight care when needed (*according to written verification defendants received - seven (7) letters by six (6) different physicians);* 

(5) **retaliated and discriminated** against the plaintiff by intentionally interfering with plaintiff's right to receive support services (*after* defendants received written verification from plaintiff's physicians and evidence proving plaintiff is disabled and requires a live in aide to provide support services to accommodate her disabilities, including overnight care when needed);

(6) **retaliated and discriminated** against the plaintiff **again** by reopening an **investigation** into the plaintiff and her live in aide, a year and a half **after** Hakim Ouansafi requested that Ryan Akamine "review" plaintiff's file, in which defendants determined they had the authority to act as gatekeepers to determine what support services the plaintiff could receive and to determine the live in aide's primary residence;

(7) **retaliated and discriminated** against the plaintiff by "investigators" informing members of the public (*outside the agency*) that plaintiff and her live in aide were going to prison for "fraud" (*apparently for not being in compliance with unknown and undocumented illegal polices*);

(8) **retaliated and discriminated** against the plaintiff by causing her live in aide to quit *after* defendants threatened he was going to prison for fraud;

(9) **retaliated and discriminated** against the plaintiff by requiring that in order for the plaintiff to receive support services (*which includes disability*-

related overnight care when needed) to accommodate her disabilities that the plaintiff is required to pay for a live in aide in order to be in compliance with the defendants illegal policies regarding plaintiff's live in aides (i.e., plaintiff's home must be live in aide's "primary residence", live in aide is not permitted to have a separate residence, live in aide is required to sleep in the plaintiff's home 24/7 - every night of the week; the live in aide is not permitted to be employed). (Note: defendants illegal policies only apply to plaintiff's live in aide and not to all recipients of the Section 8 program)

(10) **retaliated and discriminated** against plaintiff by requiring plaintiff pay for and care for a live in aide on her SSDI in the amount of \$934 per month *(and food stamps)* in order to receive support services from a live in aide;

(11) **retaliated and discriminated** against the plaintiff by causing her to be homeless at 65 years old;

(12) **retaliated and discriminated** against the plaintiff by refusing to allow plaintiff's landlord to reduce the size of his rental from a 2-bedroom rental 1-bedroom rental, which would have allowed the plaintiff to remain in as a tenant using her 0-bedroom voucher.

(13) **retaliated and retaliated** against the plaintiff by terminating her 2-bedroom voucher and issuing her a 0-bedroom so that she can no longer receive disability-related overnight care, and can no longer provide sleeping arrangements for a live in provide overnight care.

(14) **retaliated and discriminated** against the plaintiff by causing her to incur irreversible physical damages (*caused from falling during seizures and amnesia evident during and after seizures*);

(15) **retaliated and discriminated** against plaintiff by mandating plaintiff is no longer permitted to receive support services from her son for free;

(16) **retaliated and discriminated** against the plaintiff by defendants repeatedly refusing to approve plaintiff's multiple requests to be approved for a reasonable accommodation to have a live in aide, despite plaintiff providing the defendants *seven (7) letters by six (6) different physicians and a voluminous amount of medical evidence.;* ...and the list goes on!

*In closing, p*laintiff prays the court will deny the defendant's Motion for Summary Judgment and allow this case to proceed to trial.

### Audit / Hawaii Public Housing Authority

Laurie Thorson <lthorson7@gmail.com> Mon, Mar 17, 2025 at 12:50 PM To: jean.young@plantemoran.com, Ashley.Schade@plantemoran.com Cc: "Governor Josh B. Lopez" <hawaiiag@hawaii.gov>

Dear Plante & Moran auditors (acting on behalf of the State of Hawaii / Hawaii Public Housing Authority):

Please refer to the attached document titled: 03.20.25 board meeting agenda. Refer to page **55**. **The figure of <u>\$61,866,933</u> is incorrect**. This figure is based on the assumption that 100% of the vouchers that HUD actually issued to the HPHA were used. However, my attached FRAUD CHART proves that only approximately 80% of the vouchers the HPHA received from HUD were actually issued to the public. Remember, the vouchers belong to HUD, not to the HPHA, so HUD knows exactly how many vouchers are actually used.

**Note:** the same false figure that the HPHA reports to you, the HPHA actually reports to HUD (falsely claiming it used all the subsidy it received, only to ensure the HPHA receives the same amount in federal funds the following year - it seems like Hawaii's HUD/PIH Director, Mr. Jesse Wu, might be a participant in this fraud scheme, or I would think he would have the authority to immediately stop this fraud scheme and the diversion/misappropriation of over \$12M per year from the Section 8 Housing Choice Voucher Program.

Based on the false figures that the HPHA provided to you, by falsely claiming it used over 100% of the subsidy it received (based on subsidy for each voucher = 120% payment standard for each voucher), and based on the fact that approximately only 80% of the vouchers were actually issued to the public, **the figure of \$61,866,933 is incorrect**. This proves that approximately \$12.4M was diverted, misappropriated, or stolen from the Section 8 Housing Choice Voucher Program, and also proves that approximately \$1M is stolen each month. I know I am barely scratching the surface of the many fraud schemes being implemented by state employees to steal from the State of Hawaii. I'm sure you would agree that DOGE is desperately needed in Hawaii; but for now, we have you, as state auditors, to examine and ensure the figures are true and accurate (as Hawaii's State Auditor, Les Kondo, is depending on you to do your job effectively and efficiently).

To confirm my HUD figures are correct in my FRAUD CHART, you can reference the HUD link (noted below) to access the actual HUD figures (total vouchers issued/used) regarding the Hawaii Public Housing Authority.

Please do not hesitate to contact me if you have any questions or concerns. You're also welcome to ask me any questions at the board meeting, since I plan to attend. God bless!

P.S.: Attached is my FRAUD CHART for the HPHA, but I am also sending you my FRAUD CHARTS for two other PHAs in Hawaii, who have adopted the same fraud scheme as the HPHA, proving that 3 of the 5 PHAs in Hawaii are stealing federal funds. Maui and Big Island PHAs do not steal, and in fact issue 100% of the HUD vouchers, and still have millions in reserves.

THE SUBSIDY NOT USED IS STOLEN.
<b>PART B, NOTED BELOW, IS THE ILLEGAL POLICY</b> HAKIM OUANSAFI FABRICATED AND ENFORCED AGAINST MY VOUCHER, AND AGAINST EACH AND EVERY SECTION 8 VOUCHER, BUT FOR THE PURPOSE OF INCREASING THE AMOUNT OF SUBSIDY HE CAN STEAL FROM THE SECTION 8 PROGRAM
THE FRAUD SCHEME THE HIGHER THE SUBSIDY, AND THE LOWER THE CONTRACT RENT = INCREASES THE AMOUNT OF SUBSIDY (AKA: 'SURPLUS GRANT FUNDS') THAT IS STOLEN BY HAKIM OUANSAFI
FRAUD SCHEME: PART A – HPHA MAXIMIZES THE AMOUNT OF SUBSIDY IT RECEIVES FROM HUD, WHICH IS CURRENTLY EQUAL TO 120% OF THE HUD FMR/PAYMENT STANDARD.
<b>PART B</b> – HPHA MINIMIZES THE AMOUNT OF SUBSIDY IT PAYS TO THE LANDLORDS (VIA HAP CONTRACTS) BY ENFORCING ILLEGAL POLICIES, WHICH INCLUDES, THE ILLEGAL POLICY TO USE LOW COMPARABLES AGAINST THE CONTRACT RENT IN ALL RENT REASONABLENESS DETERMINATIONS. THIS REDUCES THE CONTRACT RENT FOR ALL SECTION 8 VOUCHERS AND INCREASES THE AMOUNT OF SUBSIDY HAKIM OUANSAFI STEALS FROM THE SECTION 8 PROGRAM.
<b>PART C</b> - HPHA <b>STEALS</b> THE SUBSIDY NOT USED, AS THIS CHART PROVES. HAKIM OUANSAFI LIED TO HUD, LIED TO THE HPHA BOARD OF DIRECTORS, LIED TO THE STATE AUDITORS, AND ALTERED THE HPHA FINANCIAL STATEMENTS IN ORDER TO HIDE HIS FRAUD SCHEME, AND TO HIDE THE SUBSIDY HE IS STEALING FROM ALL THE RECIPIENTS AND LANDLORDS OF THE SECTION 8 PROGRAM.
JESSE WU, HUD/PIH DIRECTOR OF HAWAII, CONFIRMED THE ILLEGAL POLICY TO USE LOW COMPARABLES IS NOT IN COMPLIANCE WITH HUD REGULATIONS. HAKIM OUANSAFI REFUSES TO COMPLY.
NOTE: THE HUD DASHBPOARD CONFIRMS THE FRAUD SCHEME HAS BEEN ADOPTED BY 3 OF THE 5 PHAS IN HAWAII:
<ul> <li>* Hawaii Public Housing Authority (H1901) - used 100.83% subsidy to issue 78.32% vouchers (3,341 out of 4,341)</li> <li>* City and County of Honolulu (H1003) - used 100.79% subsidy to issue 81.63% vouchers (3,955 out of 4,906)</li> <li>* Kauai County Housing Agency (H1005) - used 102.16% subsidy to issue 73.76% (852 out of 1,178)</li> <li>* County of Hawaii (H1002) - used 111.80% subsidy to issue 99% (2,029 out of 2,130)</li> <li>* County of Maui (H1004) - used 104.02% subsidy to issue 99.67% (1,551 out of 1,543)</li> </ul>

THE 'DASHBOARD' PROVIDES THE HUD FIGURES I USED IN THE FRAUD CHART, WHICH PROVES THE HPHA LIED TO HUD, LIED TO HPHA BOARD OF DIRECTORS, LIED IN HPHA FINANCIAL STATEMENTS, LIED TO STATE AUDITORS, AND LIED TO THE HAWAII COMMUNITY, BY FALSELY REPORTING IT USED ±100% OF THE SUBSIDY IT RECEIVED FROM HUD TO ISSUE ONLY ±80% OF THE VOUCHERS IT RECEIVED FROM HUD. REMEMBER, THE VOUCHERS BELONG TO HUD, SO HUD KNOWS EXACTLY HOW MANY VOUCHERS WERE ISSUED TO THE HPHA, AND EXACTLY HOW MANY VOUCHERS THE HPHA ISSUED TO THE COMMUNITY.

### **3rd WRITTEN TESTIMONY**

by Laurie Thorson

### **03.20.25 BOARD MEETING**

### Dear Board of Directors / Hawaii Public Housing Authority:

The attached documents are provided to each of the Board of Directors for review before the board meeting scheduled for 03.20.25.

Please review the attached documents before the board meeting, at which time at the board meeting, you'll have an opportunity to present any concerns or questions you may have for me.

The order of the attached documents should be presented to you in the following order:

1. 3rd Written Testimony

### 2. Hawaii Revised Statute §356D-3

Board of Directors consists of 11 board members, one of which is a "person who is directly assisted by the authority under the federal low-rent public housing or federal section8 tenant-based housing assistance payments program"

Currently there are only **10** board members, of which **3 do not meet the** qualifications required to be board members:

**Joseph Campos** – who was a HPHA employee, and therefore caselaw proves this is a conflict of interest for this person to be a board member

**Bob Hall** – does not represent the City and County of Honolulu, and is not, nor has he ever been, an employee of the City and County of Honolulu

**Todd Taniguchi** - represents "at-large", of which there is no specification or requirement for such a designation. This person is not a recipient of any program.

### 3. Hawaii Revised Statute §356D-6

Request the board order the "resident advisory board" "compile a list of no less than three but no more than five individuals", and present this list to the governor within ten (10) days from today's board meeting "for the governor's consideration for appointment to the board"

### 4. Hawaii Revised Statute §356D-4

General Powers of the "Authority"

(4) The "authority" may "adopt bylaws and rules...to carry into effect its purposes, powers, and programs"

This statute confirms that **Hakim Ouansafi was incorrect** when he determined in writing in his Declaration (attached to his Motion for Summary Judgment) that the board of directors is responsible for adopting the illegal policy to use low comparables against the contract rent in determining rent reasonableness for all Section 8 vouchers, which according to Hakim Ouansafi this illegal policy was adopted in 2011.

Hakim Ouansafi was hired in January 2012. Hakim Ouansafi had over 13 years to ratify Admin Rule 8.III-D into compliance with HUD Regulations, which is required according to 24 CFR §982.52, 24 CFR §982.54, and 24 CFR §982.153 (which are quoted on page 37 of the 'PLAINTIFF's OPPOSITION TO D'S MOTION FOR SUMMARY JUDGMENT'.

5. Hawaii Revised Statute §356D-1

Defines **"Authority"** (as referenced in above statutes) is the **Hawaii Public Housing Authority.** 

### a. re 24 CFR §5.403(1) ILLEGALLY ALTERED

refer to page 33 of PLAINTIFF'S OPPOSITION TO D's MOTION FOR SUMMARY JUDGMENT

## LEGAL WORDING - per 24 CFR §5.403(1), reads :

"Is determined to be essential to the care and well-being of the persons"

**ILLEGAL WORDING – per Hakim Ouansafi and Ryan Akamine,** altered 24 CFR §5.403 by adding the words "by the authority":

"Is determined **BY THE AUTHORITY** to be essential to the care and well-being of the persons"

Please refer to page 33 of P's OPPOSITION TO D's MOTION FOR SUMMARY JUDGMENT, which proves that the "authority" (defined in HRS §356D-1 as being the Hawaii Public Housing Authority) is only required to obtain "written verification" from a physician, and not required to act as "gatekeepers" in determining the care and well-being of recipients, of whom they have never met. I have never formally met Ryan Akamine or Hakim Ouansafi, so it is illegal that would be allowed to grant themselves "authority" to have precedence over my physicians in determining what support services I can receive from my live in aide.

## 6. Hawaii Revised Statute 356D-2

This statute states that "...no salary shall exceed the governor's salary...". To by-pass HRS 356D-2, Hakim Ouansafi obtained SB 3120.

## a. re Senate Bill 3120

This statute confirms that Hakim Ouansafi purposefully and intentionally obtained **SB 3120** but for the sole purpose of authorizing himself "authority" over Hawaii Revised Statute 356D-W, and "authority" over the Board of Directors.

SB 3120 "authorizes" Hakim Ouansafi to hire his own management staff and to pay his staff a salary that "exceeds the governor's salary".

SB 3120 clarifies that the employment of certain positions and the adjustment of salaries are authorized by the Executive Director **and not the Board of Directors**. Deletes the wage ceiling requirement for positions in the Hawaii Public Housing Authority.

https://www.capitol.hawaii.gov/sessions/session2024/bills/SB3120\_SD1\_.HTM

According to the Hawaii Revised Statutes, the Board of Directors are required to "supervise" Hakim Ouansafi, the Executive Director of the Hawaii Public Housing Authority. I am requesting that the board members comply with HRS 356D-3(a) which reads "...The authority shall be headed by the board...", which caselaw defines as providing "supervising" oversight. Failure to provide supervision opens up the board of directors to being sued if proven they are acting outside the scope of their duties (i.e., being bribed by payment, being related to HPHA management staff, being an ex- or current employee...)

This information is being provided to the court because there seems to be a conflict in the responsibilities and duties of the Executive Director, Hakim Ouansafi. He has demonstrated a wavering position on his "authority", and so hopefully this document will clear up that Hakim Ouansafi is very aware of what he is doing, by negating responsibility and imposing liability to the board members, then in the next breath he over stretches his authority by purposefully and intentionally by-passing the board of directors and by-passing the Hawaii Revised Statutes.

Hakim Ouansafi has repeatedly proven he is not able to manage and supervise himself and his management staff into compliance with federal rules, HUD Regulations, and the Hawaii Revised Statutes. Therefore, I am once again **requesting that Hakim Ouansafi be terminated** as the Executive Director of the Hawaii Public Housing Authority. Remember, HRS 356D-3(c) confirms that "...six [6] members shall constitute a quorum...".

Next month I will be presenting factual HUD information to prove that the reason Hakim Ouansafi is (1) currently \$800M behind in repairing state-owned projects – he admits to \$700M, (2) currently 1/3 of all units are vacant and uninhabitable, and (3) HUD inspection scores for all state owned projects have decreased proving that no state owned project improved in its dilapidated condition. This information I will provide to the board of directors will prove that **since Hakim Ouansafi was hired in January 2015**, he is stealing that money too. And I can prove it.

Sincerely,

<u>/s/ Laurie Thorson</u> Lthorson7@gmail.com 808-222-5885

# VERBAL TESTIMONY by Laurie Thorson

# 03.20.25 BOARD MEETING

THREE WRITTEN TESTIMONIES BY LAURIE THORSON WERE PROVIDED TO ALL THE BOARD MEMBERS BEFORE THE 03.20.25 BOARD MEETING

THE FOLLOWING IS A BRIEF SUMMARY OF THE WRITTEN TESTIMONIES:

# Re: Written Testimony #1

I provided each of the board members a copy of my Opposition to the Motion for Summary Judgment filed by the attorneys.

If you did not receive a copy of my Opposition, you can access this document at my website:

https://GovernmentCorruptionInHawaii.wordpress.com

## Re: Written Testimony #2

I provided each of the board members a copy of my email to the auditors, Plante & Moran, who were hired by Hawaii's state auditor to audit the Hawaii Public Housing Authority.

I notified Plante & Moran that the figure noted in their financial statement is incorrect (refer to page 55 of the agenda for this board meeting).

Chief Financial Officer, Bennett Liu, provided the state auditors with this false figure of \$61M, claiming that over 100% of the subsidy received was issued, but this is a lie because there is no way 100% of the federal funds it received could be used and to issue only 80% of the vouchers.

My FRAUD CHARTS (which are also on my website) proves that state employees of the Hawaii Public Housing Authority, Hakim Ouansafi, Ryan Akamine, Bennett Liu, and Lyle Matsuura stole over \$110M, and state employees continue to steal approximately \$2.5M each and every month.

My FRAUD CHARTS also proves that 3 of the 5 PHAs in Hawaii are currently stealing from the Section 8 program. Big Island and Maui do not steal, in fact they issue 100% of the Section 8 vouchers they receive from HUD.

# Written Testimony #3

I provided each of the board members with copies of the Hawaii Revised Statutes to prove the board is currently not in compliance, which statutes confirm there are to be 11 board members, not 10; and that one must be a recipient of the Section 8 program.

# In addition,

**Joseph Campos** should be disqualified as a board member since he used to be an employee of the Hawaii Public Housing Authority, noting that the laws require no employee (past or present) is permitted to serve on the board.

**Robert Hall** should also be disqualified as a board member since he is not, nor has he ever been, an employee of the City and County of Honolulu, noting his designation is not clear nor justified.

**Todd Taniguchi** should also be disqualified as a board member since there is no such thing as a board member representing "atlarge", whatever that means, noting his designation is not clear nor justified.

# In addition,

HRS 356D-4(4) confirms that it is **not** the board who adopts policy and administrative rules (as Hakim Ouansafi claims in his Declaration he filed with his Motion for Summary Judgment) but rather it is Hakim Ouansafi, the Executive Director, who is solely responsible for implementing the illegal polices, which he admits to enforcing and admits to knowing about this 2011 illegal policy since he was hired in January 2012. Hakim Ouansafi has had over 13 years to ratify this illegal policy into compliance with federal rules and HUD Regulations, but Hakim Ouansafi refused to because he has used this illegal policy to his advantage to steal millions from the Section 8 program.

This illegal policy is of no benefit to the recipients and landlords of the Section 8 program, but rather only serves to benefit Hakim Ouansafi and all who benefit from the "steal".

Again, I am requesting the Board of Directors terminate Hakim Ouansafi as the Executive Director of the Hawaii Public Housing Authority. According to HRS 356D-3(c), it only takes 6 board members to constitute a quorum, so I am requesting the board vote on terminating Hakim Ouansafi today.

If the board refuses to terminate Hakim Ouansafi, then it can only be construed as being complicit in the illegal fraud scheme to steal millions from the Section 8 program.

Approved by the Executive Director April 17, 2025

## II. DISCUSSION

- A. HCDC has requested to update the Loan Agreement, Assignment, and Note to show HCDC as the Borrower consistent with the Transfer Agreement which was approved by the HPHA Board of Directors on March 20, 2025.
- B. Based on the current Agreement, the Loan Agreement and Note will expire on April 30, 2025 ("the Maturity Date").
- C. HCDC has also requested an extension of the Maturity Date of both the Loan Agreement and Note until the latter of (1) Closing; or (2) August 1, 2025 to secure all necessary financing to consummate the financial closing of the Project.

## III. RECOMMENDATION

That the Board of Directors: **(1)** Approve the Update of the Predevelopment Loan Agreement ("Loan Agreement"), Predevelopment Loan Assignment of Project Documents ("Assignment"), and Non-Negotiable Phase-Related Predevelopment Loan Promissory Note ("Note") Between the Hawaii Public Housing Authority ("HPHA" or the "Lender") And Kuhio Park 2, LLC ("Borrower"), Which Covered Up To Fifty Percent (50%) Of Predevelopment Costs for Phase I Incurred By Borrower, to Reflect KPLR Phase 1, LP as the Updated Borrower ("Updated Borrower") Pursuant to the Transfer Agreement Approved on March 20, 2025; and **(2)** Authorize the Executive Director, in Consultation With the Hawaii Public Housing Authority's Attorneys, to Extend the Loan Agreement and Note to a Maturity Date of the Latter of (a) The Closing; or (b) August 1, 2025.

## FOR ACTION

**MOTION:** To Authorize the Executive Director to Take All Action Necessary to Deregister All or Portions of Hawaii Public Housing Authority's (HPHA) Property(ies) Registered in the Land Court System in Hawaii, Which Includes But Is Not Limited to Requesting Assistance From the State Surveyor With the Maps and Property Description Needed for the Deregistration Process, in Consultation with the Department of the Attorney General

(The Board may go into Executive Session pursuant to Hawaii Revised Statues (HRS) sections 92-4 and 92-5(a)(4) to consult with the Board's attorneys on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities related to this motion.)

## I. FACTS

- A. The Hawaii Public Housing Authority (HPHA) plans to redevelop numerous public housing properties to increase the supply of affordable housing in the State.
- B. For some of these properties, title is registered in the Land Court system in Hawaii.
- C. HPHA is proposing to remove portions of property from the Land Court system (deregistration) and register the property in the Bureau of Conveyances often referred to as the "Regular System" of land title registration.
- D. Generally, properties registered in the Regular System have more flexibility: it is much easier to record documents in the Regular System at the Bureau of Conveyances; it is less expensive and much simpler to maintain records in the Regular System; and it is typically less complicated to remove encumbrances (or even adjust boundaries or easements).
- E. Deregistration will help to facilitate the phased redevelopment of public housing by reducing the amount of time required to either subdivide the land or to establish and hold the land pursuant to a condominium property regime (CPR).

F. A list of properties currently registered in the Land Court System in Hawaii in included at Exhibit A. The list includes 4 properties that are part of the Ka Lei Momi Redevelopment Project: Mayor Wright Homes, Kamehameha Homes, Kaahumanu Homes, and Palolo Valley Homes (alternate site).

## II. DISCUSSION

- A. Registration of property in the Land Court allows the applicant to hold the land free from all encumbrances except those enumerated in statute or as noted on the certificate of title (TCT). Registration also acts to quiet title to the land and to guarantee title to the land while registered. HRS §§ 501-71 and 82.
- B. Registered land is not subject to claims of prescription or adverse possession by someone other than the registered owner. HRS § 501-87. However, even when deregistered, state land is not subject to claims of prescription or adverse possession. *Thurston v. Bishop*, 7 Haw. 421, 437-38 (Haw. Kingdom 1888).
- C. The Land Court deregistration process requires that a landowner submit a written request to deregister the registered land under HRS § 501-261.5(a)(1). This request must be accompanied by a plan of the parcels sought to be deregistered that includes a map and description prepared by a licensed professional surveyor. HRS § 501-261.5(a)(2).
- D. If the submission of the written request and attached plan satisfies the Land Court assistant registrar, it will be referred to the state land surveyor for review. HRS § 501-261.5(b).
- E. Following approval by the state land surveyor, the assistant registrar of the Land Court will: (1) record in the bureau of conveyances, pursuant to HRS chapter 502, the TCT for the fee interest in the registered land; (2) record in the bureau of conveyances, pursuant to HRS chapter 502, the written request for deregistration presented to the assistant registrar for filing or recording; (3) cancel the TCT; and (4) record in the Bureau of Conveyances, pursuant to HRS chapter 502, a plan of the parcel or parcels sought to be deregistered. HRS § 501-261.5(c).
- F. The deregistration of HPHA property registered in the Land Court system in Hawaii will, as stated, reduce the amount of time required to complete the subdivision or CPR of the properties for phased redevelopment.

## III. RECOMMENDATION

That the Board of Directors Authorize the Executive Director to Take All Action Necessary to Deregister All or Portions of Hawaii Public Housing Authority's (HPHA) Property(ies) Registered in the Land Court System in Hawaii, Which Includes But Is Not Limited to Requesting Assistance From the State Surveyor With the Maps and Property Description Needed for the Deregistration Process, in Consultation with the Department of the Attorney General

These financial statements serve to ensure transparency, accountability, and accuracy in reporting the financial position and activities of the agency.
- B. To provide an independent evaluation of HPHA's financial statements, the Office of the Auditor contracts a certified public accounting firm to conduct an annual audit. For the fiscal year ending June 30, 2024, the independent auditor performed extensive audit procedures to assess the accuracy and reliability of the financial statements.
- C. In addition, the auditor audited compliance with requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of the Authority's major federal programs for the year ended June 30, 2024.
- D. On March 20, 2025, the HPHA's Board of Directors accepted the audited financial statements and single audit of the HPHA for the fiscal year from July 1, 2023 to June 30, 2024.
- E. On April 4, 2025, the HPHA was notified by the Office of the Auditor that the Governor, Lt. Governor, the Director of Finance and the Legislature was informed that the audit was issued. HPHA received an unmodified opinion on its compliance audit and there were no material weaknesses in internal control. See attached.

## II. Fiscal Management

- A. Variance Report for February 2025
  - 1. Revenue for February 2025
    - CFP Grant Income: \$1,507,900 over budget due to drawdowns from HUD's Capital Fund Program (CFP) for non-capitalized expenses, reported as operating income. Non-capitalized amounts were not initially budgeted, as these amounts are difficult to predict.

- COCC Fee Income: \$1,452,860 above budget due to a timing difference between the budgeted and actual drawdown of CFP management fees.
- State CIP Fund: \$13,315 over budget due to expenditures on capital projects below the \$100,000 capitalization threshold, recognized as operating income. These non-capitalized amounts were not initially budgeted due to their unpredictability.
- Grant Income: \$80,000 above budget due to timing differences between fund receipt and budget projections.
- Other Income: \$278,274 below budget, primarily due to lowerthan-expected front-line service fees from the Multi-Skilled Workers Pilot Program (MSWPP) and other COCC branches. Revenue from these services fell short of projections.
- 2. Expenses for February 2025
  - Administrative: \$351,583 below budget, driven by:
    - \$332,799 lower HPHA administrative payroll expenses,
    - \$6,940 lower private management company's administrative payroll expenses,
    - \$41,159 higher audit fees,
    - \$48,886 lower front-line service fees charged by Applications, Hearings, and Compliance offices,
    - \$1,072 higher legal service expenses,
    - \$22,337 lower travel expenses,
    - \$46,392 higher managing agent fees,
    - \$15,555 lower other professional fees,
    - \$32,700 lower office supplies expenses,
    - \$19,010 higher in miscellaneous costs (training, computer software, automobile, etc.)
  - Management Fees: \$1,457,254 above budget due to a timing difference between the budgeted and actual drawdown of CFP management fees.
  - Tenant Services: \$20,311 below budget due to:
    - \$374 less in relocation costs incurred.
    - \$6,048 unspent budget for tenant participation.
    - \$13,889 lower costs across other tenant services.

- Maintenance: \$502,766 below budget due to:
  - Maintenance Payroll Savings: \$220,449 lower HPHA maintenance payroll expenses and \$41,261 lower private management company maintenance payroll expenses.
  - Furniture, Appliances, Equipment, and Supplies: \$122,509 under budget.
  - Contract Services, Materials, and Supplies: \$84,299 over budget.
  - Front-Line Service Expenses: \$202,847 lower than expected.
- Protective Services: \$38,194 over budget due to increased outsourced security service costs.
- Insurance Expense: \$57,109 over budget due to higher-thanexpected general liability premiums, including auto liability, paid for the AMPs managed by the private management company.
- Bad Debt Expense: \$411,132 below budget due to month-end reconciliations, tenant account adjustments, and updates to the allowance for doubtful accounts to address uncollected rent and fees.
- General Expenses: \$196,437 below budget, driven by:
  - HAP Back Payments: \$304,109 lower due to adjustments for prior-period housing assistance payments not covered by current-year funding.
  - Undistributed P-card Purchase Balance: increased by \$98,552. P-card purchases are interim charges recorded until allocated to specific projects or programs.
  - Port-Out Voucher Fees: \$8,175 for administrative fees associated with Section 8 tenants relocating to other public housing agencies.
  - Miscellaneous General Expenses: \$945 above budget.
- 3. Year-to-Date Revenue
  - CFP Grant Income: \$1,638,729 above budget, due to HUD CFP expenditures not meeting capitalization thresholds and therefore recorded as operating income.
  - COCC Fee Income: \$1,271,151 above budget due to a timing difference between the budgeted and actual drawdown of CFP management fees.

- State CIP Fund: \$57,923 above budget due to CIP expenditures recorded as income for non-capitalized expenses.
- Grant Income: \$4,142,637 over budget due to a state appropriation received for extraordinary vacant unit repairs, which is excluded from the regular operating budget.
- Other Income: \$2,374,585 below budget, primarily due to underperformance in the MSWPP and COCC branches against revenue targets.
- 4. Year-to-Date Expenses
  - Administrative: \$2,981,272 below budget due to savings in payroll, front-line service fees, travel, and office supplies expenses, with slight increases in legal services, consultant/other professional fees, and managing agent fees.
  - Management Fees: \$1,299,800 over budget due to a timing difference between the budgeted and actual drawdown of CFP management fees.
  - Tenant Services: \$132,071 below budget due to unspent funds in relocation, tenant participation, and other tenant services.
  - Protective Services: \$320,243 below budget due to lower outsourced security service expenses and unspent equipment purchases.
  - Insurance Expense: \$205,953 over budget, primarily due to higher general liability premiums (including auto liability) for the AMPs managed by the private management company.
  - Bad Debt Expense: \$531,984 above budget due to ongoing reconciliations, tenant account adjustments, and updates to the allowance for doubtful accounts.
  - General Expenses: \$8,823,090 above budget, impacted by:
    - \$7,455,126 loss on the disposal of David Malo and Piilani housing projects (AMP 39) due to wildfire disaster.
    - Undistributed P-card purchase balance: \$625,301.
    - Port-Out Voucher Fees: \$65,472 for administrative fees related to Section 8 tenant relocation.
    - HAP Back Payments: \$656,026 for prior-year obligations not covered by current-year HAP funding.

4

• Other General Expenses: \$21,165 over budget across various categories.

This variance analysis highlights HPHA's adherence to budgeted expectations, with adjustments due to unexpected expenses and timing differences in revenue. The report emphasizes the careful management of resources in alignment with HUD and state requirements.
